**Section 8 – Other Events****Item 8.01 – Other Events****Press Release****Signature Leisure Announces L.O.I. To Acquire Parker Productions**

MAITLAND, Fla. – (BUSINESS WIRE) – Nov. 22, 2004 – Signature Leisure, Inc. (OTCBB:SGLI - News) announced today that the Company recently signed a Letter of Intent to acquire Parker Productions. Parker Productions is a modeling and event staffing company located in Central Florida.

The management of Signature Leisure has over the course of the past several months been laying the groundwork in an effort to make such an acquisition possible. The Company's recent announcement of the Company's new offices located in Maitland, Florida is one such example. Company management identified and selected Parker Productions as being a "good fit" to integrate into the operations of Signature Leisure.

The Company intends to complete the acquisition during the first quarter of 2005. Prior to the completion of the acquisition, Signature Leisure and Parker Productions will work together to facilitate the transition and integration of Parker's operations into Signature Leisure. The Company intends to operate Parker Productions as a wholly owned subsidiary within Signature Leisure, Inc.

Stephen Carnes, CEO of Signature Leisure, Inc. stated, "I am very happy that Signature Leisure and Parker Productions have agreed to the terms contained in the Letter of Intent and I look forward to the Company being able to complete the acquisition in a very timely manner. I have known and worked with the management at Parker Productions for almost two years and I am very pleased to announce the pending acquisition. I believe that the acquisition of a modeling and event staffing company will be a good fit within Signature Leisure and it is my hope that the news will be well received by the public."

Additionally, Carnes stated, "The acquisition of Parker Productions will enable Signature to jump start the Company's desire to have operations in the modeling and event staffing industry. It is Signature's desire to not only acquire Parker's present operations, but also to grow and expand the business. I am very pleased that Parker's management desires to continue to work with Signature to assist in the long term growth of the business."

Carnes further stated, "Along with today's announcement, I also want to restate that the Company will continue to work on revitalizing Signature Auto, the Company's auto sales business which had its operations severely dampened by the hurricanes that hit Central Florida this year. In addition to the auto sales industry, which I believe possesses the potential to provide a good revenue stream for the Company, I am optimistic about the potentials held within the modeling and event staffing industry. I look forward to the future opportunities that Parker Productions will generate for the Company upon completion of the acquisition."
