REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We have audited the accompanying statement of financial condition of Retirement Plan Advisors, Inc. (an Illinois S-Corporation), as of December 31, 2016 and 2015, and the related statements of operations, changes in stockholders' equity, and cash flows for the years then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements. These financial statements are the responsibility of Retirement Plan Advisors, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Retirement Plan Advisors, Inc. as of December 31, 2016, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The supplementary information included on pages 13-15 has been subjected to audit procedures performed in conjunction with the audit of Retirement Plan Advisors, Inc.'s financial statements. The supplemental information is the responsibility of Retirement Plan Advisors, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Emphasis of a matter

As discussed in Note 9 to the financial statements, the Company amended its Expense Sharing Arrangement with Retirement Plan Advisors, LLC effective January 1, 2016 to include allocation of compensation costs. As a result, the financial statements for the year ending December 31, 2016 are not comparable to the financial statements for year ending December 31, 2015 as it relates to this matter. Our opinion is not modified with respect to this matter.

RETIREMENT PLAN ADVISORS, INC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

1. NATURE OF OPERATIONS:

Retirement Plan Advisors, Inc. (the “Company” or “RPA, Inc.”) is an introducing broker-dealer registered under the Securities Exchange Act of 1934 and is regulated by Financial Industry Regulatory Authority (FINRA). The Company is an Illinois Corporation. Effective January 1, 2014, the Company became a wholly owned subsidiary of Retirement Plan Advisors Group, Inc. (“RPAG, Inc.”). The owners of RPA, Inc. contributed their ownership interest in exchange for the same ownership percentage in RPAG, Inc.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INCOME TAXES

Effective January 1, 2014, the Company is included in the consolidated federal income tax return filed by RPAG, Inc. The Company is taxed as an S-Corporation under the Internal Revenue Code. In lieu of corporate income taxes, the Company’s taxable income is passed through to RPAG, Inc. who is taxed on the income.

The FASB provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company’s tax return to determine whether the tax positions are “more-likely-than-not” of being sustained “when challenged” or “when examined” by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. Management has determined there are no uncertain tax positions as of December 31, 2016 or 2015. RPAG, Inc. files U.S. Federal and income tax returns in Illinois. RPAG, Inc.’s income tax returns for years prior to December 31, 2014 are no longer subject to examination. If applicable, the Company would recognize penalties and interest related to income taxes in income tax expense.

DECEMBER 31, 2016 AND 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

DEFERRED INCOME TAXES

Deferred income taxes arise from temporary differences resulting from income and expense items reported for financial accounting and tax purposes in different periods. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized.

The principal sources of temporary differences are due to the Company using the cash basis of accounting for tax purposes and presenting its financial statements on the accrual basis. In addition, intangible assets are amortized over different periods for book and tax purposes.

SECURITIES AND FEES

Securities transactions and fees are recorded on the trade date as transactions occur.

COMMISSION INCOME

Commission income is recognized when earned and is based on a percentage of assets under management.

COMMISSIONS RECEIVABLE

Commissions receivable, which represent commissions earned on assets under management but not yet received are unsecured, generally requiring payment within 30 days of the month or quarter end and are stated at the amounts calculated based on customer contracts. Interest is not charged for unpaid receivables. All commissions receivable are considered collectible as of December 31, 2016 and 2015, and therefore the Company has not recorded an allowance for doubtful accounts.

INTANGIBLE ASSETS AND AMORTIZATION

Intangible assets consist of purchased customer lists and are stated at cost and amortized for financial reporting purposes using the straight-line method over the estimated future periods to be benefited, generally five years. For income tax purposes the Company uses Internal Revenue Service prescribed lives.

DECEMBER 31, 2016 AND 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

IMPAIRMENT OF LONG-LIVED ASSETS

The Company reviews long-lived assets, including intangible assets, for impairment whenever events or changes in business circumstances indicate that the carrying amount of an asset may not be fully recoverable, but no less than annually. An impairment loss could be recognized when the estimated future cash flows from the use of the asset are less than the carrying amount of that asset. To date, there have been no such impairment losses.

ACCOUNTS PAYABLE AND ACCRUED EXPENSES

Accounts payable and accrued expenses represent expenses incurred but not yet paid and generally require payment within 30 days of the month or quarter end.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company's short term financial instruments consist of cash, receivables, and current liabilities. The carrying value of these short term instruments approximates their estimated fair values based on the instruments short term nature.

COMPENSATION EXPENSE

During 2014, the Company's parent (RPAG, Inc.) granted options to purchase RPAG, Inc. stock to an employee. A portion of the related compensation expense has been allocated to the Company pursuant to an expense sharing agreement. The Company was allocated compensation expense of \$8,791 and \$32,307 during the years ending December 31, 2016 and 2015, respectively and expects to be allocated \$8,791 of compensation expense for the year ending December 31, 2017. The Company is not required to pay RPAG, Inc. for these expense allocations; therefore it has been recorded as additional paid-in capital in the accompanying financial statements. When the employee exercises the options, the Company is reclassing the related compensation cost from additional paid-in capital to common stock.

RECLASSIFICATION

Certain items were reclassified in the prior year balances to be consistent with the current year presentation. Such reclassifications had no impact on net income as previously reported.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

3. CONCENTRATION OF CREDIT RISK:

The Company maintains its cash in various deposit accounts in a bank that is a high credit quality financial institution. The balances at times may exceed statutory insured limits. The Company has never experienced any losses in such accounts and, based on the size and reputation of the depository institution, believes it is not exposed to any significant credit risk on such credit cash balances.

4. DUE FROM ADVISORS:

The Company has entered into agreements with its advisors in which the Company would incur certain expenses on behalf of the advisors in return for reimbursement following each quarter end. As of December 31, 2016 and 2015, the amount due from advisors was \$19,660 and \$17,865, respectively.

5. INTANGIBLE ASSETS:

On August 1, 2010, the Company purchased a financial services territory from one of its advisors at a cost of \$49,360. This was recorded as an intangible asset with an estimated useful life of five years for financial reporting purposes. The intangible asset was fully amortized as of December 31, 2015.

On October 21, 2011, the Company purchased a financial services territory from an independent sales advisor for approximately \$120,000. The entire \$120,000 was recorded as an intangible asset with an estimated useful life of five years for financial reporting purposes. As of December 31, 2011, the accumulated amortization was \$6,000. The actual payment price was determined to be \$98,184 in 2012, with \$19,637 paid in December 2012 and the remainder payable in twelve equal quarterly installments of \$6,546. The intangible asset and accumulated amortization were adjusted in 2012 to reflect the purchase price of \$98,184. As of December 31, 2016 and 2015, accumulated amortization amounted to \$98,184 and \$83,456, respectively. The intangible asset was fully amortized as of December 31, 2016.

Amortization expense recorded from these intangible assets was \$14,728 and \$25,395 during 2016 and 2015, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

6. INCOME TAX:

The provision for income taxes for the year ending December 31, 2016 consists entirely of current state income taxes allocated from RPAG, Inc.

As described in Note 1, the Company became a wholly owned subsidiary of RPAG, Inc. on January 1, 2014 and now files a consolidated income tax return with RPAG, Inc. In addition, on January 1, 2014 the Company filed a Qualified Subchapter S Subsidiary Election. As a result of filing that election, the Company became a disregarded entity for income tax purposes and is no longer subject to federal and state income taxes. RPAG, Inc. is an S-Corporation which is not subject to federal income taxes. As an Illinois S-Corporation, RPAG, Inc. is subject to state replacement taxes at a rate of 1.5% of taxable income. For the years ended December 31, 2016 and 2015, RPAG, Inc. has allocated \$12,000 and \$0, respectively, of the current year state replacement tax expense to RPA, Inc. based on RPA, Inc.'s share of taxable income, which is reflected as a Due to RPAG, Inc. in the accompanying financial statements. No deferred income taxes have been allocated since it's not significant.

7. RETIREMENT BENEFITS:

The Company has a defined contribution retirement plan (Simple-IRA) covering substantially all employees meeting certain eligibility provisions as defined by the Internal Revenue Code. Contributions to the plan are determined within the Internal Revenue Code at the discretion of the Board of Directors. Contributions to the plan for eligible employees were \$69,507 and \$67,340 for the years ended December 31, 2016 and 2015 respectively.

8. NET CAPITAL REQUIREMENTS:

The Company is an introducing broker-dealer subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the Company to maintain "net capital" of 6-2/3 percent of "aggregate indebtedness" or \$5,000, whichever is greater, as these terms are defined. In addition, the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. Net capital and aggregate indebtedness change daily. As of December 31, 2016 and 2015, the Company had net capital of approximately \$623,595 and \$438,680 and net capital requirements of approximately \$25,619 and \$21,117, respectively.
