NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2022 AND 2021

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)**

SECURITIES AND FEES

Securities transactions and fees are recorded on the trade date as transactions occur.

COMMISSIONS RECEIVABLE

Commissions receivable, which represent commissions earned but not yet received are unsecured, generally requiring payment within 30 days of the month or quarter end and are stated at the amounts calculated based on customer contracts. Interest is not charged for unpaid receivables. All commissions receivable are considered collectible as of December 31, 2022 and 2021, and therefore the Company has not recorded an allowance for doubtful accounts.

INCOME TAXES

The Company is not subject to U.S. Federal or state income taxes as it was a Qualified Subchapter S Subsidiary through December 22, 2021 and a single member LLC for the period from December 23, 2021 through December 31, 2022, which are disregarded entities for income tax purposes. Accordingly, any income or loss is reported by the Company's Parent in its income tax returns.

The Company and its Parent follow Topic 740 in reporting income taxes and has made a policy election not to allocate any current or deferred income taxes to the Company.

The FASB provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax return to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax benefit or expense and liability in the current year. Management has determined there are no uncertain tax positions as of December 31, 2022 and 2021. RPAG income tax returns for years prior to December 31, 2020 are no longer subject to examination. If applicable, the Company would recognize penalties and interest related to income taxes in income tax expense.
