Note: As discussed in Pepco Holdings, Inc.'s Current Report on Form 8-K (filed July 3, 2002), Item 5. Other Events, Pepco and Conectiv have not completed their evaluations of the magnitude of the financial statement reclassifications that will be required by the provisions of the recent EITF 02-03 pronouncement. However, Pepco and Conectiv believe that while the implementation of EITF 02-03 will impact certain financial statement line items, these reclassifications will not impact their overall financial position or results of operations.

BACKGROUND

The unaudited pro forma combined financial statements have been prepared to give effect to the merger of Pepco and Conectiv resulting in both becoming wholly owned subsidiaries of Pepco Holdings, Inc. The unaudited pro forma combined financial statements are not necessarily indicative of the results of operations or financial position that would have been achieved had the transaction reflected therein been consummated as of the date indicated, or of the results of operations or financial position for any future periods or dates.
