Management's Discussion and Analysis of Financial Condition and Results of Operations

Liquidity and Capital Resources, page 54

1. We have reviewed your response to prior comment 3 and your proposed disclosure. While we note that you intend to permanently reinvest such funds outside of Ireland and that these funds are not considered a main source of liquidity for funding Irish operations, we continue to believe you should consider providing enhanced liquidity to disclose the amount of cash held by non-Irish subsidiaries that would be subject to the potential tax impact associated with the repatriation of undistributed earnings. As part of your response, please quantify the amount of cash and cash equivalents held in foreign subsidiaries that you intend to permanently reinvest earnings.
