Management's Discussion and Analysis of Financial Condition and Results of Operations,
Results of Operations
Revenues, 2016 compared to 2015, page 38

1. We note that domestic revenue decreased by 10% during 2016 primarily driven by a slowdown in spending from significant customer consolidation. Please quantify the declines seen in legacy products and services from customer consolidation, increases seen from the introduction of Transmode's metro products in 2016, and how this may impact your future financial results. Please refer to Item 303(a)(3)(i) and (ii) of Regulation S-K and Section III.B.3 of Commission Release 33-8350.
