4.2.20 to make all other determinations deemed necessary or advisable for the administration of the Plan.

4.3 Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Optionees and any other holders of any Options granted under the Plan or Shares Sold under the Plan.

5. Eligibility.

5.1 Persons Eligible. Options may be granted and/or Shares Sold only to Employees and Consultants. Incentive Stock Options may be granted only to Employees. An Employee or Consultant who has been granted an Option or Sold Shares may, if he or she is otherwise eligible, be granted an additional Option or Options or Sold additional Shares.

5.2 ISO Limitation. To the extent that the aggregate Fair Market Value: of Shares subject to an Optionee's Incentive Stock Options granted by the Company, any Parent or Subsidiary, which (ii) become exercisable for the first time during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options shall be treated as Nonqualified Stock Options. For purposes of this Section 5.2, Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the time of grant.

5.3 Section 5.2 Limitations. Section 5.2 of the Plan shall apply only to an Incentive Stock Option evidenced by an Option Agreement which sets forth the intention of the Company and the Optionee that such Option shall qualify as an Incentive Stock Option. Section 5.2 of the Plan shall not apply to any Option

evidenced by an Option Agreement which sets forth the intention of the Company and the Optionee that such Option shall be a Nonqualified Stock Option.

5.4 No Right to Continued Employment. The Plan shall not confer upon any Optionee any right with respect to continuation of employment or consulting relationship with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate his employment or consulting relationship at any time, with or without cause.

5.5 Other Limitations. The following limitations shall apply to grants of Options to Employees:

5.5.1 No Employee shall be granted, in any fiscal year of the Company, Options to purchase more than 1,500,000 Shares.

5.5.2 In connection with his or her initial employment, an Employee may be granted Options to purchase up to an additional 1,500,000 Shares which shall not count against the limit set forth in subsection (i) above.

5.5.3 The foregoing limitations shall be adjusted proportionately in connection with any change in the Company's capitalization as described in Section 11.

5.5.4 If an Option is canceled in the same fiscal year of the Company in which it was granted (other than in connection with a transaction described in Section 11), the canceled Option shall be counted against the limits set forth in subsections (i) and (ii) above. For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

6. Term of Plan. The Plan shall become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company as described in Section 17 of the Plan. It shall continue in effect for a term of ten (10) years, unless sooner terminated under Section 13 of the Plan.

7. Term of Option. The term of each Option shall be stated in the Notice of Grant; provided, however, that in the case of an Incentive Stock Option, the term shall be ten (10) years from the date of grant or such shorter term as may be provided in the Notice of Grant. However, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option shall be five (5) years from the date of grant thereof or such shorter term as may be provided in the Notice of Grant.

8. Exercise/Purchase Price and Consideration.

8.1 **Exercise/Purchase Price.** The per-Share exercise/purchase price for the Shares to be issued pursuant to exercise of an Option or a Sale shall be such price as is determined by the Administrator, but shall be subject to the following:

8.1.1 In the case of an Incentive Stock Option

(1) granted to an Employee who, at the time of the grant of such Incentive Stock Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than one hundred ten percent (110%) of the Fair Market Value per Share on the date of the grant.

(2) granted to any other Employee, the per Share exercise price shall be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

8.1.2 In the case of a Nonqualified Stock Option or Sale, the per Share exercise/purchase price shall be determined by the Administrator.

8.1.3 Any determination to establish an Option exercise price or effect a Sale of Common Stock at less than Fair Market Value on the date of the Option grant or authorization of Sale shall be accompanied by an express finding by the Administrator specifying that the Option grant or Sale is in the best interest of the Company, and specifying both the Fair Market Value and the Option exercise price or Sale price of the Common Stock.

8.2 **Consideration.** The consideration to be paid for the Shares to be issued upon exercise of an Option or pursuant to a Sale, including the method of payment, shall be determined by the Administrator. In the case of an Incentive Stock Option, the Administrator shall determine the acceptable form of consideration at the time of grant. Such consideration may consist of:

8.2.1 cash;

8.2.2 check;

8.2.3 promissory note;

8.2.4 transfer to the Company of Shares which

(1) in the case of Shares acquired upon exercise of an Option, have been owned by the Optionee for more than six months on the date of surrender, and

(2) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares to be acquired;

8.2.5 if and so long as the Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, delivery of a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale or loan proceeds required to pay the exercise price;

8.2.6 such other consideration and method of payment for the issuance of Shares to the extent permitted by legal requirements relating to the administration of stock option plans and issuances of capital stock under applicable corporate and securities laws and the Code; or

8.2.7 any combination of the foregoing methods of payment.

If the Fair Market Value of the number of whole Shares transferred or the number of whole Shares surrendered is less than the total exercise price of the Option, the shortfall must be made up in cash or by check. Notwithstanding the foregoing provisions of this Section 8.2, the consideration for Shares to be issued pursuant to a Sale may not include, in whole or in part, the consideration set forth in subsection (v) above.

9. **Exercise of Option.**

9.1 **Procedure for Exercise; Rights as a Shareholder.** Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Administrator, including performance criteria with respect to the Company and/or the Optionee, and as shall be permissible under the terms of the Plan.

An Option may not be exercised for a fraction of a Share.

An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under the Option Agreement and Section 8.2 of the Plan. Each Optionee who exercises an Option shall, upon notification of the amount due (if any) and prior to or concurrent with delivery of the certificate representing the Shares, pay to the Company amounts necessary to satisfy applicable federal, state and local tax withholding requirements. An Optionee must also provide a duly executed copy of any stock transfer agreement then in effect and determined to be applicable by the Administrator. Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive

dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock represented by such stock certificate, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 of the Plan.

9.2 Termination of Employment or Consulting Relationship. In the event that an Optionee's Continuous Status as an Employee or Consultant terminates (other than upon the Optionee's death or Disability), the Optionee may exercise his or her Option, but only within such period of time as is determined by the Administrator, and only to the extent that the Optionee was entitled to exercise it at the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant). In the case of an Incentive Stock Option, the Administrator shall determine such period of time (in no event to exceed three (3) months from the date of termination) when the Option is granted. If, at the date of termination, the Optionee is not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

9.3 Disability of Optionee. In the event that an Optionee's Continuous Status as an Employee or Consultant terminates as a result of the Optionee's Disability, the Optionee may exercise his or her Option at any time within twelve (12) months from the date of such termination, but only to the extent that the Optionee was entitled to exercise it at the date of such termination (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant). If, at the date of termination, the Optionee is not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination, the Optionee does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

9.4 Death of Optionee. In the event of the death of an Optionee, the Option may be exercised at any time within twelve (12) months following the date of death (but in no event later than the expiration of the term of such Option as set forth in the Notice of Grant), by the Optionee's estate or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Optionee was entitled to exercise the Option at the date of death. If, at the time of death, the Optionee was not entitled to exercise his or her entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after death, the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance does not exercise the Option within the time

specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

9.5 **Rule 16b-3.** Options granted to persons subject to Section 16(b) of the Exchange Act must comply with Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

9.6 **Buyout Provisions.** The Administrator may at any time offer to buy out, in whole or in part, for a payment in cash or Shares, an Option previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

10. **Nontransferability of Options.** Except as otherwise specifically provided in the Option Agreement, an Option may not be sold, pledged, assigned, hypothecated, transferred or disposed of in any manner other than by will, or by the laws of descent and distribution, and may be exercised during the lifetime of the Optionee only by the Optionee or, if incapacitated, by his or her legal guardian or legal representative.

11. **Adjustments Upon Changes in Capitalization or Merger.**

11.1 **Changes in Capitalization.** Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Option and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Options have yet been granted or Sales made or which have been returned to the Plan upon cancellation or expiration of an Option, as well as the price per share of Common Stock covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

11.2 **Dissolution or Liquidation.** In the event of the proposed dissolution or liquidation of the Company, each outstanding Option will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by

the Administrator. The Administrator may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date fixed by the Board and give each Optionee the right to exercise Optionee's Option as to all or any part of the Common Stock subject to the Option, including Shares as to which the Option would not otherwise be exercisable.

11.3 Merger or Asset Sale. Except as otherwise provided in an Option Agreement, in the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, each outstanding Option shall be assumed or an equivalent option shall be substituted by such successor corporation or a Parent or Subsidiary of such successor corporation, unless the Administrator determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, that each Optionee shall have the right to exercise Optionee's Option as to all or any part of the Common Stock subject to the Option, including Shares as to which the Option would not otherwise be exercisable. If the Administrator determines that an Option shall be exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Administrator shall notify the Optionee that the Option shall be so exercisable for a period of thirty (30) days from the date of such notice or such shorter period as the Administrator may specify in the notice, and the Option will terminate upon the expiration of such period. For the purposes of this paragraph, the Option shall be considered assumed if, following the merger or sale of assets, the Option confers the right to purchase, for each Share of Optioned Stock subject to the Option immediately prior to the merger or sale of assets, the consideration (whether stock, cash, or other securities or property) received in the merger or sale of assets by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or sale of assets was not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation and the Optionee, provide for the consideration to be received upon the exercise of the Option, for each Share of Optioned Stock subject to the Option, to be solely common stock of the successor corporation or its Parent equal in Fair Market Value to the per share consideration received by holders of Common Stock in the merger or sale of assets.

12. Time of Granting Options. The date of grant of an Option shall, for all purposes, be the date on which the Administrator makes the determination granting such Option. Notice of the determination shall be given to each Optionee within a reasonable time after the date of such grant.

13. **Amendment and Termination of the Plan.**

13.1 **Amendment and Termination.** The Board may amend or terminate the Plan from time to time in such respects as the Board may deem advisable.

13.2 **Shareholder Approval.** The Company shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Rule 16b-3 or with Section 422 of the Code (or any successor rule or statute or other applicable law, rule or regulation, including the requirements of any exchange or quotation system on which the Common Stock is listed or quoted). Such shareholder approval, if required, shall be obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

13.3 **Effect of Amendment or Termination.** Any such amendment or termination of the Plan shall not affect Options already granted, and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Administrator, which agreement must be in writing and signed by the Optionee and the Company.

14. **Conditions Upon Issuance of Shares.** Shares shall not be issued pursuant to the exercise of an Option or a Sale unless the exercise of such Option or consummation of the Sale and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, applicable state securities laws, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange (including NASDAQ) upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

15. **Reservation of Shares.** The Company, during the term of this Plan, will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

16. **Liability of Company.**

16.1 **Inability to Obtain Authority.** Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

As a condition to the exercise of an Option or a Sale, the Company may require the person exercising such Option or to whom Shares are being Sold to

represent and warrant at the time of any such exercise or Sale that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned relevant provisions of law.

16.2 Grants Exceeding Allotted Shares. If the Optioned Stock covered by an Option exceeds, as of the date of grant, the number of Shares which may be issued under the Plan without additional shareholder approval, such Option shall be void with respect to such excess Optioned Stock, unless shareholder approval of an amendment sufficiently increasing the number of Shares subject to the Plan is timely obtained in accordance with Section 13 of the Plan.

17. Shareholder Approval. Continuance of the Plan shall be subject to approval by the shareholders of the Company within twelve (12) months before or after the date the Plan is adopted. Such shareholder approval shall be obtained in the manner and to the degree required under applicable federal and state law.

18. Market Standoff.

In connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, including the Company's initial public offering, an Optionee or other participant in the Plan shall not sell, make any short sale of, loan, hypothecate, pledge, grant any option for the purchase of, or otherwise dispose or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to, any shares issuable or issued under the Plan, whether pursuant to an Option or a Sale, without the prior written consent of the Company or its underwriters. Such limitations shall be in effect for such period of time as may be requested by the Company or such underwriters and agreed to by the Company's officers and directors with respect to their shares; provided, however, that in no event shall such period exceed 180 days. The limitations of this paragraph shall in all events terminate five years after the effective date of the Company's initial public offering. Participants shall be subject to the market standoff provisions of this Section 18 only if the officers and directors of the Company are also subject to similar arrangements.

In the event of any stock split, stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the Company's outstanding Common Stock effected as a class without the Company's receipt of consideration, then any new, substituted or additional securities distributed with respect to the purchased shares shall be immediately subject to the provisions of this Section 18, to the same extent the purchased shares are at such time covered by such provisions.

In order to enforce the limitations of this Section 18, the Company may impose stop-transfer instructions with respect to the purchased shares until the end of the applicable standoff period.
