**Re: Advanced Cell Technology, Inc.
Preliminary Proxy Statement on Schedule 14A
Filed December 12, 2011
File No. 000-50295**

Dear Mr. Rabin:

We have limited our review of your proxy statement to the issue we have addressed in our comment. Please respond to this letter by amending your proxy statement as requested. If you do not believe this comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in a response.

After reviewing any amendment to your proxy statement or your response to this comment, we may have additional comments.

Proposal1

Amendment to Certificate of Incorporation to Increase Authorized Common Stock, page 1

1. We note that your proposal, if approved, will increase the amount of authorized but unissued common shares well in excess of the amount required to comply with your settlement agreement. Please amend your preliminary proxy statement to state whether you have any current plans, agreements, understandings, etc. with respect to those shares that will be authorized but not issued after you have satisfied your obligations with respect to the settlement. If you have any such plans, agreements, understandings, etc., please note this in your disclosure and describe them. If you have none, please include a statement to that effect.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
