Dear Mr. Reed:

We have reviewed your filing and have the following comments. We have limited our review to only your financial statements and related disclosures and do not intend to expand our review to other portions of your documents. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to these comments, we may have additional comments.

2. It appears that you have changed the criteria necessary for the participation interests to be placed on non-accrual status, including the number of days past due necessary, and that you have started evaluating principal separately from interest. Please tell us the effect this change has had on your analysis of your non-performing assets including your any potential effects on the allowance for loan losses. Within your response please quantify the changes, if any, your revised policy would have had on your 2009 financial statements assuming that they had been in place for the year then ended.
