PROXY STATEMENT

GENERAL INFORMATION

These proxy materials are furnished in connection with the solicitation by the Board of Directors of Cross Country Healthcare, Inc. ("Cross Country," "the Company," "our," "we," or "us"), a Delaware corporation, of proxies to be voted at our 2006 Annual Meeting of Stockholders (the "Annual Meeting") or at any adjournment or postponement thereof.

You are invited to attend our Annual Meeting on Wednesday, May 10, 2006, beginning at 9:00 a.m. Eastern Daylight Time at the offices of Proskauer Rose LLP at 1585 Broadway, New York, New York 10036-8299. This Proxy Statement, form of proxy and voting instructions are being mailed to our stockholders on or about April 11, 2006.

Stockholders Entitled to Vote. Persons holding shares of Cross Country's common stock, par value \$.0001 per share (the "Common Stock"), at the close of business on March 15, 2006, the record date for the Annual Meeting, are entitled to receive notice of and to vote their shares at the Annual Meeting. As of that date, there were 32,120,440 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

Proxies. Your vote is important. Stockholders of record may vote their proxies by marking the appropriate boxes on the enclosed proxy card and by signing, dating and returning the card in the enclosed envelope. You may revoke your proxy and reclaim your right to vote up to and including the day of the Annual Meeting by giving written notice of revocation to the Company (to the attention of the Inspectors of Election), timely delivering a valid, later-dated proxy or voting by ballot at the Annual Meeting.

Vote at the Annual Meeting. Your mail-in vote will not limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign and return your proxy card but do not give voting instructions, the shares represented by the proxy will be voted by the Proxy Committee as recommended by the Board of Directors.

The Proxy Committee consists of Joseph A. Boshart and Thomas C. Dircks. Proxy cards, unless otherwise indicated by the stockholder, confer upon the Proxy Committee discretionary authority to vote all shares of stock represented by the proxies on any matter which may be properly presented for action at the Annual Meeting even if not covered herein. If any of the nominees for director named in Proposal I—Election of Directors should be unavailable for election, the proxies will be voted for the election of such other person as may be recommended by the Board of Directors in place of such nominee. The Board of Directors is not aware of any matter for action by the stockholders at the Annual Meeting other than the matters described in the Notice.

Quorum. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock issued and outstanding entitled to vote at the Annual Meeting is required to constitute a quorum.

Required Vote. A plurality of the votes of holders of shares represented at the Annual Meeting, in person or by proxy and entitled to vote is required for the election of directors. The affirmative vote of holders of a majority of shares represented at the Annual Meeting, in person or by proxy and entitled to vote is required for the ratification of the Board's selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. Abstentions have the same effect as a vote against any proposal. Broker non-votes are deemed not entitled to vote and are not counted as votes for or against any proposal.

Proxy Solicitation. The Company will bear the cost of solicitation, including the preparation, assembly, printing and mailing of the proxy materials.

Stockholder Communications. The Board of Directors has adopted a process by which stockholders may communicate with our directors. Any stockholder wishing to do so, may call our toll-free phone number at 800-354-7197 or send an e-mail to governance@crosscountry.com. All such communications will be kept confidential and forwarded directly to the Board of Directors or any individual director or committee of the Board of Directors, as applicable.

Code of Ethics and Business Ethics Policy. Cross Country has adopted a code of ethics and a business ethics policy that applies to all of our employees, including executive officers and the Board of Directors. The code of ethics and business ethics policy are available at the Corporate Governance Section of our website at www.crosscountry.com and has been filed as an exhibit to our Form 10-K for the year ended December 31, 2005.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information, as of March 15, 2006, regarding the beneficial ownership of our Common Stock by each person who is known by us to be the beneficial owner of more than 5% of our Common Stock, our Chief Executive Officer and the four most highly compensated persons (other than the CEO) who were serving as executive officers at December 31, 2005 (the “Named Executive Officers”), each of our directors, and all directors and executive officers as a group. The percentages in the last column are based on 32,120,440 shares of Common Stock outstanding on March 15, 2006. In each case, except as otherwise indicated in the footnotes to the table, the shares shown in the second column are owned directly by the individual or members of the group named in the first column and such individual or group members have sole voting and dispositive power with respect to the shares shown. For purposes of this table, beneficial ownership is determined in accordance with federal securities laws and regulations. Persons shown in the table disclaim beneficial ownership of all securities not held by such persons directly and inclusion in the table of shares not owned directly by such persons does not constitute an admission that such shares are beneficially owned by the director or officer for purposes of Section 16 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) or any other purpose.

PROPOSAL I ELECTION OF DIRECTORS

The Board of Directors currently consists of eight members. Six of the directors currently serving on the Board of Directors have been nominated by the Nominating Committee of the Board of Directors for re-election to one year terms at the Annual Meeting. M. Fazle Husain and Joseph Swedish were not nominated for re-election because each has advised the Company that due to the time demands of their principal employment, they do not desire to stand for re-election. Each nominee elected will hold office until the Annual Meeting of Stockholders to be held in 2007 and until a successor has been duly elected and qualified, unless prior to such meeting a director shall resign, or his or her directorship shall become vacant due to his or her death or removal. The Company's Nominating Committee has commenced seeking replacements for Messrs. Husain and Swedish.

Shares represented by proxies that are returned properly signed will be voted FOR the nominees unless the stockholder indicates on the proxy that authority to vote the shares is withheld for one or more or for all of the nominees listed. A proxy cannot be voted for a greater number of persons than the nine nominees named below. Directors are elected by a plurality of the votes cast. Shares not voted, whether by withholding or broker non-vote, have no effect on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a proportionately larger number of votes.

The following six individuals have been nominated for election at the Annual Meeting for a one year term ending 2007:

Name	Age	Position
Joseph A. Boshart	49	President, Chief Executive Officer and Director
Emil Hensel	55	Chief Financial Officer and Director
W. Larry Cash	57	Director
C. Taylor Cole Jr.	37	Director
Thomas C. Dircks	48	Director
Joseph Trunfio	59	Director

The Board recommends that holders vote "FOR" the election of the nominees.

The following information sets forth the principal occupation and employment during the past five years of each director nominee, positions and offices with us, and certain other information. No family relationship exists among any of the directors or executive officers.

Joseph A. Boshart has served as President and Chief Executive Officer since July 1999, and formerly served in such capacities at our predecessor since 1994. He has served as a director since July 1999. Mr. Boshart holds a B.S. degree in Economics from the University of Michigan.

Mr. Trunfio received his B.A. from St. John's University (N.Y.) and holds a Ph.D. in Clinical Psychology from the University of Miami.

Pursuant to our Amended and Restated Stockholders Agreement dated August 23, 2001, CEP III has the right to designate two directors for nomination to our board of directors. This number decreases (i) to one director if CEP III reduces its ownership by more than 50% of its holdings prior to our initial public offering and (ii) to zero upon a reduction of ownership by more than 90% of its holdings prior to our initial public offering. CEP III has designated Messrs. Dircks and Cole for nomination.

Affirmative Determinations Regarding Director Independence and Other Matters

The Board of Directors has determined each of the following directors to be an "independent director" under the National Association of Securities Dealers ("NASD") Marketplace Rule 4200(a) (15):

W. Larry Cash
C. Taylor Cole Jr.
Thomas C. Dircks
M. Fazle Husain
Joseph Swedish
Joseph Trunfio

The Board of Directors has also determined that each member of the Audit, Compensation and Nominating Committees meets the applicable independence requirements set forth by the NASD, the Securities and Exchange Commission (the "Commission") and the Internal Revenue Service. The Board of Directors has further determined that W. Larry Cash, a member and Chairman of the Audit Committee, is an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K promulgated by the Commission.

Director Compensation and Other Arrangements

We do not pay cash compensation to our employee directors or directors affiliated with our principal stockholders. Messrs. Cash, Swedish and Trunfio each received cash compensation in the amount of \$3,500 per "in-person" board meeting attended and \$1,500 per telephonic board meeting or committee meeting attended in 2005. Mr. Cash received additional cash compensation of \$5,000 during 2005 for serving as Audit Committee Chair. All directors are also reimbursed for the expenses they incur in attending meetings of the Board or Board committees. In accordance with the Company's Amended and Restated 1999 Stock Option Plan, Messrs. Cash and Trunfio are each eligible to receive a grant of stock options of our common stock as of the first day of the month following our Annual Meeting. On December 31, 2005, the unvested portion of all options previously granted to Messrs. Cash, Swedish and Trunfio were vested when the Company's Compensation Committee approved the acceleration of the vesting of all unvested options issued prior to December 31, 2005.

Board Committees and Meetings

Meetings of the Board of Directors. During the year ended December 31, 2005, there were four meetings of the Board of Directors. Each director who served in such capacity during the year ended December 31, 2005 attended not less than 75% of the aggregate number of meetings of the Board of Directors and of the committee or committees thereof on which he or she served. All of the directors nominated for election to the Board were members of the Board for the entire

2005 year. Eric T. Fry resigned from the Board in May 2005 and was not replaced. Mr. Fry did not resign due to any disagreements with the Company. M. Fazle Husain and Joseph Swedish were not nominated for re-election because each has advised the Company that due to the time demands of their principal employment, they do not desire to stand for re-election. It is the policy of the Board of Directors to have the independent directors meet in an executive session at each meeting of the Board. It is also our policy that all directors should attend the Annual Meeting of Stockholders. All of the directors attended the 2005 Annual Meeting.

Committees of the Board of Directors. The three standing committees of the Board are the Audit, Compensation and Nominating Committees. Members of each committee, who are elected by the full Board, are named below.

Audit Committee

The Audit Committee consists of Messrs. Cash, Swedish and Trunfio, each of whom joined the Audit Committee upon their appointment to the Board in October 2001. Mr. Cash is the Chairman of the Audit Committee. It is anticipated that the Board will appoint Mr. Cole to replace Mr. Swedish on the Audit Committee following the Annual Meeting of Stockholders. Messrs. Cash, Swedish, Trunfio and Cole are independent directors under Marketplace Rule 4200(a) (15) of the NASD. The Audit Committee has adopted a written charter, which is available on our website at www.crosscountry.com and is annexed as Appendix A to this Proxy Statement. The Audit Committee is the principal agent of the Board of Directors in overseeing (i) the quality and integrity of the Company's financial statements, (ii) legal and regulatory compliance, (iii) the independence, qualifications, and performance of the Company's independent registered public accounting firm, (iv) the performance of the Company's internal auditors, and (v) the integrity of management and the quality and adequacy of disclosures to stockholders. The Committee also:

- is solely responsible for hiring and terminating our independent registered public accounting firm and pre-approving all auditing, as well as any audit-related, tax advisory and any other non-auditing services, to be performed by the independent registered public accounting firm;
- reviews and discusses with Cross Country's independent registered public accounting firm their quality control procedures and our critical accounting policies and practices;
- regularly reviews the scope and results of audits performed by our independent registered public accounting firm and internal auditors;
- meets with management to review the adequacy of our internal control framework and its financial, accounting, and reporting and disclosure control processes;
- reviews our periodic filings and quarterly earnings releases;
- reviews and discusses with our chief executive and financial officers the procedures they followed to complete their certifications in connection with Cross Country's periodic filings with the Commission; and
- discusses management's plans with respect to our major financial risk exposures.

During the year ended December 31, 2005, there were 11 meetings of the Audit Committee. The Audit Committee also has met in executive session and has independent calls with our external auditors.

Compensation Committee

The Compensation Committee oversees the compensation of our executives, our executive management structure, the compensation related policies and programs involving the Company's executive management and the level of benefits of officers and key employees. The members of the Compensation Committee were Thomas C. Dircks and Eric T. Fry through May 2005, who were both independent directors under Marketplace Rule 4200(a) (15) of the NASD. In May 2005, W. Larry Cash replaced Mr. Fry on the Compensation Committee. Mr. Cash is an independent director under Marketplace Rule 4200(a) (15) of the NASD. Mr. Dircks is the Chairman of the Compensation Committee. During the year ended December 31, 2005, there were three meetings of the Compensation Committee.

Nominating Committee

The Company established a Nominating Committee in March 2004. The Nominating Committee has a written charter, which is available on our website at www.crosscountry.com. The members of the Nominating Committee were Thomas C. Dircks and Eric T. Fry until May 2005, each of whom was independent under Marketplace Rule 4200(a) (15) of the NASD. Thomas C. Dircks is the Chairman of the Nominating Committee. In May 2005, Mr. Trunfio replaced Mr. Fry on the Nominating Committee. Mr. Trunfio is an independent director under Marketplace Rule 4200(a) (15) of the NASD. The duties of the Nominating Committee are summarized as follows:

- identifying individuals qualified to become Board members;
- evaluating and recommending for the Board's selection nominees to fill positions on the Board; and
- overseeing the evaluation of the Board and management.

The Board's current policy with regard to the consideration of director candidates recommended by stockholders is that the Nominating Committee will review and consider any director candidates who have been recommended by stockholders in compliance with the procedures established from time to time by the Board (the current procedures are described below), and conduct inquiries as it deems appropriate. The Nominating Committee will consider for nomination any such proposed director candidate who is deemed qualified by the Nominating Committee in light of the minimum qualifications and other criteria for Board membership approved by the Board from time to time.

In considering director nominees, the Nominating Committee will consider the following:

- the needs of the Company with respect to particular areas of specialized knowledge;
- the relevant business experience of the nominee including any experience in healthcare, business, finance, accounting, administration or public service;
- the personal and professional integrity of the nominee;
- the nominee's ability to commit the resources necessary to be an effective director of a public company, including the nominee's ability to attend meetings; and
- the overall balance and diversity of the Board.

Other than the foregoing, there are no stated minimum criteria for nominees, although the Nominating Committee may also consider other facts as it may deem are in the best interests of the Company and its stockholders.

All stockholder recommendations for director candidates must be submitted to the Company's legal department at 6551 Park of Commerce Blvd. N.W., Boca Raton, Florida, 33487, who will forward all recommendations to the Nominating Committee. All stockholder recommendations for director candidates must be submitted to the Company not less than 120 calendar days prior to the date on which the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting.

All stockholder recommendations for director candidates must include the following information:

- The name and address of record of the stockholder;
- A representation that the stockholder is a record holder of the Company's securities, or if the stockholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934, as amended (the "Exchange Act");
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five (5) full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate that addresses the minimum qualifications and other criteria for Board membership approved by the Board from time to time;

- A description of all arrangements or understandings between any stockholder and the proposed director candidate;
- The consent of the proposed director candidate (i) to be named in the proxy statement relating to the Corporation's annual meeting of stockholders, and (ii) to serve as a director if elected at such annual meeting; and
- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the Commission.

Except where the Company is legally required by contract or otherwise to provide third parties with the ability to nominate directors, the Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members, including nominees recommended by stockholders, and recommending to the Board the persons to be nominated by the Board for election as directors at the annual meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors, including the Company's internal controls, the quality of its financial reporting, and the independence and performance of the Company's independent registered public accounting firm. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as Appendix A to this Proxy Statement.

Management has the primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The Company's independent registered public accounting firm audits the annual financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present the consolidated financial position, results of operations and cash flows of the Company and its subsidiaries in conformity with U.S. generally accepted accounting principles, and discusses with us any issues they believe should be raised with us.

The Audit Committee reviewed the Company's unaudited financial statements for each calendar quarter of 2005 as well as the Company's audited financial statements for the 2005 fiscal year and reviewed and discussed the financial statements with management and Ernst & Young LLP ("E&Y"), the Company's independent registered public accounting firm. Management has represented to us that the financial statements were prepared in accordance with U.S. generally accepted accounting principles.

We have received from E&Y the written disclosures and the letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with E&Y their independence from the Company and its management. The Audit Committee also discussed with E&Y any matters required to be discussed by Statement on Auditing Standards No. 61, Communications with Audit Committees.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The members of the Compensation Committee were Eric T. Fry and Thomas C. Dircks through May 2005. In May 2005, Mr. Cash replaced Mr. Fry on the Compensation Committee. The Company's executive compensation program is focused on shareholder value, the overall performance of the Company, success of the Company as impacted by an executive's performance and the performance of an individual executive. Each action of the Compensation Committee during the year ended December 31, 2005 was taken at a meeting of such Committee or was adopted pursuant to an action by written consent in lieu of a meeting, pursuant to the General Corporation Law of the State of Delaware.

The Compensation Committee's objective is to provide competitive levels of compensation to the Company's executive officers that are integrated with the Company's long-term performance goals, reward above-average corporate performance, recognize individual initiative and achievements and assist the Company in attracting and retaining qualified executives. The compensation policies and programs utilized by the Compensation Committee have been reviewed with independent compensation consultants and endorsed by the Board of Directors and generally consist of the following:

- provide executive officer total compensation in relation to Company performance;
- provide a compensation program competitive with that received by executives of comparable companies in the healthcare staffing industry in order to attract, motivate, and retain qualified personnel;
- provide a management tool for focusing and directing the energies of key executives toward achieving individual and corporate objectives; and
- provide long-term incentive compensation in the form of restricted stock and stock option awards to link individual success to that of the Company.

The Company's executive compensation consists of three key components: base salary, annual incentive compensation in the form of cash bonuses, stock options and restricted stock grants, each of which is intended to complement the others and, collectively, satisfy the Company's compensation objectives. The Compensation Committee's policies with respect to each of the three components are discussed below.

Base Salary. Each fiscal year the Compensation Committee, along with the Chief Executive Officer, reviews and approves the annual salaries for the Company's executive officers (other than the CEO). Many factors are included in determining base salaries, such as the responsibilities borne by the executive officer, the scope of the position, length of service with the Company and corporate and individual performance.

Cash Bonuses. The Compensation Committee provides annual incentives to the Company's executive officers in the form of cash bonuses. In 2005, these bonuses were given to each of the Company's executive officers pursuant to our bonus plan. Under our bonus plan, 70% of the bonus is tied to the achievement of annual operating profit targets, and the remaining 30% is tied to the achievement of strategic and operating objectives established annually by our Board of Directors.

Stock Options and Restricted Stock. The primary objective of the stock option and restricted stock program is to link the interests of the Company's executive officers and other selected employees to the stockholders through significant grants of stock options or restricted stock made at the discretion of the Compensation Committee. The Company's stock option plans authorize the issuance of both incentive and non-qualified stock options to officers and employees of the Company, including key employees. Subject to general limits prescribed by the plans, the Compensation Committee has the authority to determine the individuals to whom stock options are awarded and the terms of the options and the number of shares subject to each option. The size of any particular stock option award is based upon the employee's position with the Company and the individual performance during the related evaluation period. In February 2005, the Compensation Committee granted options to the following executive officers of the Company: Joseph A. Boshart, Emil Hensel, Gregory Greene, Anthony Sims, Carol D. Westfall, Victor Kalafa, Jonathan W. Ward, Daniel J. Lewis, Dr. Franklin A. Shaffer and Susan E. Ball.

Chief Executive Officer's Compensation. As discussed under "Employment Agreements," the Company is a party to an employment agreement with Mr. Boshart. The salary and bonus given to Mr. Boshart in 2005 were based on the Compensation Committee's review of the compensation paid to the chief executive officers of comparable companies, assessment of the Company's revenue and earnings growth, the success of the Company's acquisition program as well as the Compensation Committee's continued recognition of Mr. Boshart's leadership of the Company. In February 2005, the Compensation Committee granted options to Mr. Boshart.

Employment Agreements

We are party to employment agreements with each of Joseph A. Boshart and Emil Hensel, pursuant to which Mr. Boshart serves as our President and Chief Executive Officer and Mr. Hensel serves as our Chief Financial Officer. The initial term of each agreement expired on July 29, 2002. Upon expiration of such initial term, each agreement automatically renewed for a one-year term, and will continue to renew for successive one-year terms unless prior to the end of such renewal term either party has given at least 90 days' prior written notice of its intention not to renew the agreement. Messrs. Boshart and Hensel currently receive annual base salaries of \$440,000 and \$315,000, respectively. These salaries are subject to increase upon annual review by the Compensation Committee of the Board of Directors, and each of Messrs. Boshart and Hensel is eligible to receive an annual bonus at the discretion of our Compensation Committee. Messrs. Boshart and Hensel are eligible to participate in all benefit plans and fringe benefit arrangements available to our senior executives. If either executive's employment is terminated without cause, the executive will be entitled to the greater of (x) base salary, for the balance of the renewal term, certain other benefits provided in the agreement and bonus for the fiscal year in which termination occurs or (y) one year's worth of his base salary in effect as of the date of termination. Each of Messrs. Boshart and Hensel is subject to a two-year post-termination noncompetition covenant. However, if either executive's employment is terminated without cause, then the non-competition agreement will be effective only if we continue to pay the executive's base salary, bonus and other benefits provided in the agreement for the term of the noncompetition covenant. We are permitted to terminate the noncompetition covenant, and related payments, upon 30 days' prior written notice.

Executive Severance Policy

In October, 2003, our Board of Directors adopted an Executive Severance Policy (the "Severance Policy"). Pursuant to the Severance Policy, each of the executive officers of the Company (other than Messrs. Boshart and Hensel, who's arrangements are included in their respective employment agreements) will be entitled to severance payments and benefits if within 60 days prior to, or within six months after, a Change of Control (as defined in the Severance Policy) of the Company, such employee is terminated without cause, has his or her responsibilities significantly reduced, has his or her base salary or benefits reduced, or is relocated more than 35 miles from his or her current location. Under the Severance Policy, in such an event, each executive officer of the Company would receive severance pay for a period of one year at a rate equal to the rate of such employee's base salary in effect immediately prior to such Change of Control. In addition, during such period, the Company would continue to make group health, life or other similar insurance plan available to such executive officer and his or her dependents, and the Company will pay for, such group health, life and other similar insurance plans to the extent paid prior to the termination of employment. As of December 31, 2005, the annual base salary for Mr. Sims, Mr. Ward and Ms. Westfall was \$182,942, \$223,517 and \$230,000, respectively.

Executive Bonus Plan

The Company has a bonus plan pursuant to which the Compensation Committee may grant cash bonuses to the executive officers. Under our bonus plan, 70% of the bonus is tied to the achievement of annual operating profit targets, and the remaining 30% is tied to the achievement of strategic and operating objectives established annually by our Board of Directors.

401(k) Plan

We maintain a 401(k) Plan. The plan permits eligible employees to make voluntary, pre-tax contributions to the plan up to a specified percentage of compensation, subject to applicable tax limitations. We may make a discretionary matching contribution to the plan equal to a pre-determined percentage of an employee's voluntary, pre-tax contributions and may make an additional discretionary profit sharing contribution to the plan, subject to applicable tax limitations. Eligible employees who elect to participate in the plan are generally vested in any matching contribution after three years of service with the Company. The plan is intended to be tax-qualified under Section 401(a) of the Internal Revenue Code so that contributions to the plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the plan, and so that our contributions, if any, will be deductible by us when made.

Deferred Compensation Plan

The Board of Directors adopted the Deferred Compensation Plan, an unfunded non-qualified deferred compensation arrangement, effective as of January 1, 2004. Designated executives of the Company may elect to defer the receipt of a portion of their annual base salary, bonuses and commissions and the delivery of stock option gains to the Company's

Deferred Compensation Plan. The Company may also make a discretionary contribution to the Deferred Compensation Plan on behalf of certain participants. Participants are immediately fully vested in any deferrals of annual base salary, bonuses, commissions and stock option gains and generally become vested in Company contributions after three years from the date such contribution is made to the plan. A participant's account balance will also become fully vested upon the occurrence of a change in control or upon a participant's retirement, death during employment or disability. Generally, payments under the Deferred Compensation Plan automatically commence upon a participant's retirement, termination of employment or death during employment; however, under certain limited circumstances described in the Plan, participants may receive distributions during employment. Benefits under the Deferred Compensation Plan are payable solely by the Company. To enable the Company to meet its financial commitment under the Deferred Compensation Plan, assets may be set aside in a corporate-owned vehicle. These assets are available to all general creditors of the Company in the event of the Company's insolvency. Participants of the Deferred Compensation Plan are unsecured general creditors of the Company with respect to the Deferred Compensation Plan benefits.

Our Stock Plans

Amended and Restated 1999 Stock Option Plan. We have reserved for issuance 2,145,515 shares of common stock under our Amended and Restated 1999 Stock Option Plan, subject to adjustment for stock splits or similar corporate events. Our Amended and Restated 1999 Stock Option Plan provides for the granting of options to purchase shares of our common stock to any of our employees or consultants and our non-employee directors. Each stock option granted under our Amended and Restated 1999 Stock Option Plan is either intended to qualify as an incentive stock option or is a non-qualified stock option. The plan is administered by the Compensation Committee of our Board of Directors. The exercise price of options granted under our Amended and Restated 1999 Stock Option Plan is determined by the Committee. In the case of incentive stock options granted to ten percent stockholders, the exercise price cannot be less than 110 percent of the fair market value of the common stock. In the event of a change of control of our Company, stock options granted and not previously exercisable will become exercisable unless the Committee determines in good faith that an alternative option will be substituted.

Amended and Restated Equity Participation Plan. We have reserved for issuance 2,252,486 shares of common stock under our Amended and Restated Equity Participation Plan, subject to adjustment for stock splits or similar corporate events. Our Amended and Restated Equity Participation Plan provides for the granting of options to purchase shares of our common stock to key management employees of our Company and our affiliates. Each stock option granted under our Amended and Restated Equity Participation Plan is either intended to qualify as an incentive stock option or is a non-qualified stock option. The exercise price of options granted under our Amended and Restated Equity Participation Plan is divided into five tranches ranging from 100 percent to 300 percent of the fair market value of the common stock on the date of grant. However, for incentive stock options granted to ten percent stockholders, the exercise price in the first tranche cannot be less than 110 percent of the fair market value of the common stock on the date of grant. The Plan is currently administered by the Compensation Committee of our Board of Directors. In the event of a change in control of our Company, stock options granted and not previously exercisable will become exercisable unless the Committee determines in good faith that an alternative option will be substituted.

PROPOSAL II

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The independent registered public accounting firm for Cross Country for the fiscal year ended December 31, 2005 was Ernst & Young LLP (“E&Y”). The Board, upon the recommendation of the Audit Committee, has appointed E&Y, subject to ratification by the stockholders, to audit the financial statements of the Company for the fiscal year ending December 31, 2006. In arriving at its recommendation to the Board, the Audit Committee reviewed the performance of E&Y in prior years, as well as the firm’s reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee expressed its satisfaction with E&Y in these respects. E&Y’s fees for services rendered during the fiscal years ended December 31, 2004 and December 31, 2005 were:

	<u>2005</u>	<u>2004</u>
Audit Fees	\$ 1,277,764	\$ 1,803,950
Audit-Related Fees	—	—
Tax Fees	157,727	177,003
All Other Fees	2,280	1,700
Total	<u>\$ 1,437,771</u>	<u>\$ 1,982,653</u>

Audit Fees consist of the fees billed for professional services rendered for the Company’s annual financial statements and review of the financial statements included in the Company’s Form 10-Q and services that are provided in connection with statutory and regulatory filings or engagements. Audit Fees for 2004 and 2005 included three quarterly reviews for each year. This category also includes: fees for comfort letters, consents, assistance with and review of documents filed with the SEC, Section 404 attest services, work done by tax professionals in connection with the audit or quarterly review, and accounting consultations billed as audit services, as well as other accounting and financial reporting consultation and research work necessary to comply with generally accepted auditing standards.

Audit-Related Fees consist of the fees for assurance and related services that are reasonably related to the performance of the audit and review of the Company’s financial statements and are not reported under Audit Fees.

Tax Fees consist of services rendered for tax compliance, advice and planning. Tax Fees include fees for tax return preparation.

All Other Fees consist of fees for products and services other than the services reported above.

All of the fees described above were approved by the Audit Committee. None of the hours expended by E&Y on the audit of the Company’s financial statements in 2004 and 2005 were performed by persons other than E&Y’s full time, permanent employees. E&Y has audited the Company’s financial statements since the year of its establishment in 1999.

The Audit Committee has considered, and is satisfied that, the provision of the services provided by E&Y represented under the headings “Audit-Related Fees,” “Tax Fees” and “All Other Fees” is compatible with maintaining the principal accountants’ independence.

The Board deems the ratification of the selection of E&Y as the independent registered public accounting firm of the Company to be in the best interest of the Company and its stockholders and recommends that holders of the Common Stock vote FOR Proposal II.

Representatives of E&Y are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions asked by stockholders.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of the Independent Auditor

It is the Company's policy that the Audit Committee pre-approve all audit and non-audit services provided by the independent auditors. These services may include audit services, audit related services, tax services and other services. The Audit Committee will consider annually and, if appropriate, approve the scope of the audit services to be performed during the fiscal year. The Chairman of the Audit Committee has been vested with the authority to approve or pre-approve services to be provided by the independent auditors when expedition of services is necessary, provided that the Chairman reports any approval or pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee is prohibited from delegating its responsibility to pre-approve services of the independent auditor to management. None of the services of the independent auditors were approved by the Audit Committee pursuant to a waiver of the Commission's rules regarding pre-approval.

DEADLINES FOR SUBMISSION OF PROXY PROPOSALS AND OTHER BUSINESS

Stockholder proposals intended to be included in the Proxy Statement and form of proxy for the Annual Meeting of Stockholders to be held in 2007, in addition to meeting certain eligibility requirements established by the Commission, must be in writing and received by the Secretary at the Company's principal executive offices on or prior to December 23, 2006. Notice of any stockholder proposal must include various matters as prescribed by the SEC, including a clear and concise description of the proposal, and the reasons for proposing it.

CROSS COUNTRY HEALTHCARE, INC.

AUDIT COMMITTEE CHARTER

I. PURPOSE

The primary function of the Audit Committee (the "Committee") of Cross Country Healthcare, Inc. (the "Company") is to assist the Board of Directors of the Company (the "Board") in fulfilling its oversight responsibilities related to corporate accounting, financial reporting practices and the quality and integrity of financial reports. Key components of fulfilling this charge include:

- Facilitating and maintaining an open avenue of communication among the Board, the Committee, the senior management and the independent accountants.
- Serving as an independent and objective party to monitor the Company's financial reporting process and internal control system.
- Reviewing and appraising the efforts of the independent accountants.

II. ORGANIZATION/COMPOSITION

The Committee shall be comprised of three or more directors, each of whom shall be independent directors as defined by the SEC and the Nasdaq National Market ("Nasdaq"). The members shall be free from any financial, family or other personal and professional relationships that, in the opinion of the Board or the Committee, would interfere with the exercise of their independence from management and the Company. Each member of the Committee shall be able to read and understand fundamental financial statements, including balance sheets, income statements and cash flow statements, or will become able to do so within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background which results in financial sophistication, including being or having been a chief executive officer, chief financial officer or officer or other senior officer with financial oversight responsibilities.

III. MEETINGS

The Committee should meet quarterly, or more frequently as circumstances dictate. The Committee shall meet with the independent accountants in the planning phase of their audit and after the audit is completed. The Committee shall request legal updates from outside legal resources as it determines that the need exists. The Committee shall have sole discretion in determining the meeting attendees and agenda.

IV. RESPONSIBILITIES AND DUTIES

The Committee believes its policies and procedures should remain flexible in order to best react to changing conditions and provide reasonable assurance to the Board that the accounting and reporting practices of the Company are in accordance with generally accepted requirements.

The Committee shall fulfill its duties and responsibilities as follows:

A. General

- Review this charter as necessary, but at least annually.
- Prepare a report for inclusion in the proxy statement as required by the SEC.
- Maintain minutes or other records of meetings and activities.
- Report the Committee's actions to the Board with such recommendations as the Committee may deem appropriate.

- As part of executing its responsibility to foster open communication, meet, without members of the senior management present, in separate executive sessions with the independent accountants, and others as appropriate, to discuss matters that the Committee believes should be discussed privately.
- Conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to retain counsel, accountants, or others to assist it in the conduct of any investigation.

B. Independent Accountants

The independent accountants are ultimately accountable to the Committee and the Board, and the Committee and the Board have the ultimate authority and responsibility to select, evaluate and where appropriate, replace the independent accountants.

- Based on the Committee's review and discussions, recommend to the Board the selection of the independent accountants, considering, among other things, independence and effectiveness, and approve the fees to be paid to the independent accountants. Annually, the Committee shall ensure that a formal written statement delineating all relationships between the independent accountants and the Company is received from the independent accountants that is consistent with Independence Standards Board Standard 1. The Committee shall discuss with the independent accountants any and all disclosed relationships or services that may impact the objectivity and independence of the outside accountant. The Committee shall take other appropriate action and may recommend that the Board take appropriate action to oversee the independence of the outside accountants.
- Approve any replacement of the independent accountants.
- Consult with the independent accountants out of management's presence about internal controls and the fullness/fairness of the financial statements.
- Meet with the independent accountants and financial management of the Company to review the scope of the proposed external audit for the current year. The external audit scope shall include a requirement that the independent accountants inform the Committee of any significant changes in the independent accountants' original audit plan and that the independent accountants conduct a review of interim financial information prior to the Company's filing of each quarterly report to shareholders (Form 10-Q).

C. Financial Statements/Internal Controls

- Review and discuss the annual financial statements with management and the independent accountants to determine that the independent accountants are satisfied with the disclosure and content of the financial statements, including the nature and extent of any significant changes in accounting principles. Recommend to the Board that the financial statements be included in the Annual Report on Form 10-K for the last fiscal year for filing with the SEC.
- Consider the independent accountants' judgments regarding the quality and appropriateness of the Company's financial statements.
- Make inquiries of management and independent accountants concerning the adequacy of the Company's system of internal controls.
- Advise financial management and the independent accountants that they are expected to provide a timely analysis of significant current financial reporting issues and practices.
- Review interim period financial statements to be filed with the SEC with corporate financial management and the independent accountants prior to filing such statements or releasing earnings information to the public.
- Advise financial management and the independent accountants to discuss with the Committee their qualitative judgments about the appropriateness, not just the acceptability, of accounting principles and financial disclosure practices used or proposed to be adopted by the Company.
