⁽²⁾ Pursuant to an operating expense limitation agreement between the Fund’s investment adviser, Thunderstorm Mutual Funds LLC (the “Adviser”), and the Fund, the Adviser has agreed to waive its management fees and/or absorb expenses of the Fund to ensure that Total Annual Fund Operating Expenses (exclusive of taxes, leverage, interest, brokerage commissions, extraordinary expenses and Acquired Fund Fees and Expenses) do not exceed 1.48% of the Fund’s average net assets through August 31, 2012, subject thereafter to annual re-approval of the agreement by the Trust’s Board of Trustees (the “Board of Trustees”). This waiver can be terminated only by, or with the consent of, the Board of Trustees. The Adviser is permitted to seek reimbursement from the Fund, subject to limitations, for management fees it waived and Fund expenses it paid.

Example. This Example is intended to help you compare the costs of investing in the Fund with the cost of investing in other mutual funds. The Example assumes that you invest \$10,000 in the Fund for the time periods indicated and then redeem all of your shares at the end of those periods. The Example also assumes that your investment has a 5% return each year and that the Fund’s operating expenses remain the same. Although your actual costs may be higher or lower, based on these assumptions, your costs would be:

One Year
\$152

Three Years
\$471

Five Years
\$813

Ten Years
\$1,779

Fund Expenses. The Fund is responsible for its own operating expenses. Pursuant to an operating expense limitation agreement between the Adviser and the Fund, the Adviser has agreed to reduce its management fees and/or pay expenses of the Fund to ensure that the Total Annual Fund Operating Expenses (exclusive generally of interest, leverage and tax expenses, brokerage commissions, extraordinary expenses and acquired fund fees and expenses) do not exceed 1.48% of the Fund's average daily net assets. Any reduction in management fees or payment of expenses made by the Adviser may be reimbursed by the Fund in subsequent fiscal years if the Adviser so requests. This reimbursement may be requested if the aggregate amount actually paid by the Fund toward operating expenses for such fiscal year (taking into account the reimbursement) does not exceed the applicable limitation on Fund expenses. The Adviser is permitted to be reimbursed for management fee reductions and/or expense payments made in the prior three fiscal years. Any such reimbursement will be reviewed by the Board of Trustees. The Fund must pay its current ordinary operating expenses before the Adviser is entitled to any reimbursement of management fees and/or expenses. This Operating Expense Limitation Agreement can only be terminated by, or with the consent of, the Board of Trustees.
