Dear Mr. Smith:

We have reviewed your filing and have the following comment. We have limited our review to only your financial statements and related disclosures and do not intend to expand our review to other portions of your documents. We have asked you to provide us with supplemental information so we may better understand your disclosure. Please be as detailed as necessary in your explanation. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 10-Q for Fiscal Quarter Ended June 30, 2008

Note 6. Acquisition, page 8

1. You state that, upon closing the purchase of KTVE, you entered into a JSA and SSA with Nexstar-owned KARD, whereby KARD provides local news, sales and other non-programming services to KTVE. We also note in the special-purpose financial statements of Piedmont Television Station KTVE, filed with Form 8-K on March 31, 2008, that KTVE had a ten year agreement with KARD effective March 2001 regarding KTVE's purchase of the commercial inventory of KARD. In light of your relationship with Nexstar, tell us how you considered EITF 04-1 in accounting for the termination of the original contract between Piedmont and Nexstar.

Please respond to this comment through correspondence over EDGAR within 10 business days or tell us when you will provide us with a response. Please furnish a letter that keys your response to our comment and provides any requested information. Detailed letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments in the filings reviewed by the staff do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
