REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
H & L Equities, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of H & L Equities, LLC (the "Company") as of December 31, 2020, the related statements of operations, changes in members' equity, and cash flows for the year then ended and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement to the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the information in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying schedules. In forming our opinion on the accompanying schedules, we evaluated whether the supplemental information, including its form and content, is presented

in conformity with 17 C.F.R. §240.17a-5. In our opinion, the aforementioned supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2013.

H&L Equities, LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1: NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business:

The Company, formed on May 30, 2001, operates as a broker-dealer in the private placements of Real Estate Investment Trusts (REITs). The Company is registered with the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). As a limited liability company, the members' liability is limited to their investment.

Income Taxes:

The Company is treated as a partnership for federal income tax purposes. Consequently, income taxes are not payable by, or provided for, the Company. Members are taxed individually on their shares of the Company's earnings.

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under FASB ACS 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status, including its status as a pass-through entity, and the decision not to file a return. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for income taxes is necessary.

Revenue Recognition:

Revenue from contracts with customers includes private placements of REITs. The recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on appropriate measure of the Company's progress under contract; whether revenue should be presented gross or net of certain costs; and whether constraints on variable consideration should be applied due to uncertain future events.

The Company recognizes revenue upon the closing of an offering with funds remitted to the REIT customer as this satisfies the only performance obligation identified by the Company.

Cash

The Company maintains its cash in a high credit quality bank. Balances at times may exceed federally insured limits.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires reliance on accounting information based on estimates which may or may not reflect actual future results.

Subsequent Events:

Subsequent events were evaluated through the date the financials were issued

NOTE 2: RELATED PARTY TRANSACTIONS

The Company has an expense allocation agreement with a company partially owned by one of its members. Under the agreement, the Company pays the related company monthly fees for personnel services, the use of office facilities, including office furniture and equipment, supplies, and other administrative services. The amount expensed for 2020 under the arrangement is approximately \$313,654. The due to related party of \$40,978 arises from this arrangement.

In addition, the Company earns all of its revenues from private placements of REITs referred by the company partially owned by one of its members. The commissions receivable from related party arose from these transactions.

Financial positions and results of operations would differ from the amounts in the accompanying financial statements if these related party transactions did not exist.

NOTE 3: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2020, the Company had net capital of \$298,808, which was \$293,808 in excess of its required net capital of \$5,000 and the ratio of aggregate indebtedness to net capital was 0.17 to 1.0.

NOTE 4: CONTINGENCIES

The Company is subject to litigation in the normal course of business. The Company has no litigation in progress as of December 31, 2020.

NOTE 5: ECONOMIC RISKS

In March 2020, the World Health Organization (WHO) declared COVID-19 a global pandemic. This pandemic event has resulted in significant business disruption and uncertainty in both global and U.S. markets. While the Company believes that it is in an appropriate position to sustain the potential short-term effects of these world-wide events, the direct and long-term impact to the Company and its financial statements is undetermined at this time.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
H & L Equities, LLC

We have reviewed management's statements included in the accompanying Broker Dealers Annual Exemption Report in which (1) H & L Equities, LLC did not claim an exemption from Rule 15c3-3 in reliance upon Footnote 74 of the 2013 Release, and (2) H & L Equities, LLC stated that H & L Equities, LLC met the identified conditions for such reliance throughout the most recent fiscal year without exception. H & L Equities, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about H & L Equities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 of the 2013 Release.

BROKER DEALER ANNUAL EXEMPTION REPORT

We, as members of management of H & L Equities, LLC (the "Company"), are responsible for complying with Rule 17a-5 – Reports to be made by certain brokers and dealers. We have performed an evaluation of the Company's compliance with the requirements of Rule 17a-5 and the exemptive provisions of Rule 15c3-3(k) (the "exemptive provisions"), and of the 2013 Release adopting amendments to Rule 17a-5, including Footnote 74 of the 2013 Release ("Footnote 74").

We have determined that the Company does not operate pursuant to any of the exemptive provisions of paragraph (k) of Rule 15c3-3, but also (1) does not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (b)(2) of Rule 15c2-4; (2) does not carry accounts of or for customers; and (3) does not carry PAB accounts (as defined in Rule 15c3-3).

Accordingly, based on our evaluation we make the following statements to the best knowledge and belief of the Company:

1. The Company has no possession or control obligations under Rule 15c3-3(b) or reserve deposit obligations under Rule 15c3-3(e), because its business is limited to effecting securities transactions via subscriptions and participating in distributions of securities in accordance with the requirements of paragraph (b)(2) of Rule 15c2-4;
2. We reviewed the provisions of Rule 15c3-3 and related guidance and confirmed that the Company could rely on Footnote 74; and
3. The Company met the identified conditions for reliance on Footnote 74 throughout the period of January 1, 2020 to December 31, 2020 without exception.
