Morningstar Investment Services LLC
Notes to Statement of Financial Condition
December 31, 2018

1. General

a. *Basis of Presentation*

The accompanying statement of financial condition includes the accounts of Morningstar Investment Services LLC (the Company, we, our). Morningstar, Inc., a publicly traded company, is the ultimate owner of the Company. Morningstar, Inc. and its subsidiaries (collectively, Ultimate Parent) are affiliates of the Company.

Effective December 31, 2015, the Ultimate Parent merged together two wholly owned, registered investment adviser subsidiaries, Morningstar Associates, LLC and Ibbotson Associates, Inc., and renamed the surviving entity, Morningstar Investment Management LLC ("MIM", Parent). In conjunction with and simultaneous to this merger, the Parent elected to reorganize the structure of the Company, into a limited liability company (i.e., Morningstar Investment Services LLC) and transferred ownership of that limited liability company to MIM (Parent) in the form of a capital contribution.

b. *Nature of Operations*

The Company, a Delaware limited liability company effective from January 1, 2016, is a securities broker/dealer and investment adviser registered with the Securities and Exchange Commission (the SEC) and is a member of Financial Industry Regulatory Authority, Inc. (FINRA) and Securities Investors Protection Corporation (SIPC). The Company provides portfolio-management services for financial advisors and intermediaries. In accordance with the terms of the Company's limited liability company agreement, the Company will continue in perpetuity, unless terminated earlier by decision of the sole member, Parent. Parent currently has no plans to terminate the Company's limited liability company agreement.

2. Summary of Significant Accounting Policies

a. *Management's Use of Estimates*

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

b. *Cash*

The Company has a cash balance of \$24,319,506 as of December 31, 2018. The Company's cash is a financial instrument that is exposed to concentrations of credit risk. The Company invests its cash with a high quality federally insured institution. Cash balances with the institution may be in excess of federally insured limits. The Company has not realized any losses in such accounts and believes it is not exposed to any significant credit risk.

c. Fees Receivable

Fees receivable represent advisory fees and shareholder servicing fees due from third parties and are recorded at their net realizable value. We maintain an allowance for doubtful accounts based on our estimate of the probable losses of fees receivable.

As of December 31, 2018, the Company had \$12,738,090 of fees receivable. We did not record any impairment losses on receivables during 2018.

d. Due to Ultimate Parent and Due to Parent

Due to Ultimate Parent includes amounts due to the Ultimate Parent related to the intercompany agreements. See Note 5, Related-Party Transactions, for additional information concerning amounts due to Ultimate Parent.

Due to Parent includes amounts due to the Parent related to the intercompany agreements. See Note 5, Related-Party Transactions, for additional information concerning amounts due to Parent.

e. Income Taxes

The Company has elected to be treated as a disregarded entity for federal and state income tax purposes effective from January 1, 2016. As a disregarded entity, the Company's taxable income is included in the respective income tax returns of the Ultimate Parent. Therefore, effective from January 1, 2016, the liability for payment of federal and state income tax on the Company's earnings is the responsibility of Ultimate Parent, rather than the Company. Accordingly, no liability for U.S. federal and state income taxes will be recorded in the Company's financial statements starting in 2016 and the Tax-Sharing Agreement between the Company and Ultimate Parent is no longer in effect as of January 1, 2016.

f. Accounting for Sabbatical Leave

Full-time employees of the Company are eligible for six weeks of paid time off after four years of continuous service. In accordance with ASC 710-10-25, *Compensated Absences*, the Company records a liability for employees' sabbatical benefits over the period employees earn the right for sabbatical leave. As of December 31, 2018, the Company had accrued \$308,233 for sabbatical earned by eligible employees which is included in accounts payable and accrued expenses on the statement of financial condition.

3. Net Capital Requirements

The Company, as a registered broker-dealer, is subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1) and is required to maintain minimum net capital, as defined, equal to the greater of \$100,000 or 6⅔% of aggregate indebtedness, as defined.

At December 31, 2018, the Company had net capital, as defined, of \$20,599,773, which was \$20,351,791 greater than the required minimum net capital of \$247,982. The Company's ratio of aggregate indebtedness to net capital, as defined, was 0.18 to 1.

4. Defined Contribution Plan

Substantially all employees participate in the defined contribution 401(k) plan sponsored by the Ultimate Parent. The plan allows employees to voluntarily contribute pretax dollars up to a maximum amount allowable by the Internal Revenue Service. In 2018, we made matching contributions to our 401(k) program in the United States in an amount equal to 75 cents for every dollar of employee contributions up to a maximum of 7% of employee compensation in each pay period.

5. Related-Party Transactions

a. Intercompany Agreements

The agreement automatically renews for an additional one year term on December 31 of each year, unless either party provides written notice of non-renewal at least 60 days prior to the expiry of the then-current term. The interest rate for this loan is agreed by both parties on an annual basis. The Ultimate Parent may terminate this agreement at any time without penalty by repaying the principal balance, together with all accrued interest accrued.

6. Recently Issued Accounting Pronouncements

Cloud Computing: On August 29, 2018, the FASB issued ASU No. 2018-15, Customer's Accounting for Fees Paid in a Cloud Computing Arrangement, which helps entities evaluate the accounting for fees paid by a customer in a cloud computing arrangement (CCA) by providing guidance for determining when an arrangement includes a software license and when an arrangement is solely a hosted CCA service. Under ASU No. 2018-15, customers will apply the same criteria for capitalizing implementation costs as they would for an arrangement that has a software license. The new guidance also prescribes the balance sheet, income statement, and cash flow classification of the capitalized implementation costs and related amortization expense, and requires additional quantitative and qualitative disclosures. The new standard is effective for us on January 1, 2020. Early adoption is permitted, including adoption in any interim period for which financial statements have not been issued. Entities can choose to adopt the new guidance prospectively to eligible costs incurred on or after the date this guidance is first applied or retrospectively.

We are evaluating the effect that ASU No. 2018-15 will have on our consolidated financial statements and related disclosures.

7. Contingencies

Previously threatened litigation was settled during 2018. The terms of the settlement are confidential.

We are involved from time to time in legal proceedings and litigation that arise in the normal course of our business. While it is difficult to predict the outcome of any particular proceeding, we do not believe the result of any of these matters will have a material adverse effect on our business, operating results, or financial position.

8. Subsequent Events

The Company evaluated its December 31, 2018 financial statements for subsequent events through March 1, 2019, the date that the financial statements were available to be issued. The Company is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
