**1. General**

**a. Organization**

The accompanying financial statements include the accounts of Morningstar Investment Services LLC (the Company, we, our). Morningstar, Inc., a publicly traded company, is the ultimate owner of the Company. Morningstar, Inc. and its subsidiaries (collectively, the Ultimate Parent) are affiliates of the Company.

Effective December 31, 2015, the Ultimate Parent merged together two wholly owned, registered investment adviser subsidiaries, Morningstar Associates, LLC and Ibbotson Associates, Inc., and renamed the surviving entity, Morningstar Investment Management LLC ("MIM", Parent). In conjunction with and simultaneous to this merger, the Parent elected to reorganize the structure of the Company, into a limited liability company (i.e., Morningstar Investment Services LLC) and transferred ownership of that limited liability company to MIM (Parent) in the form of a capital contribution

The Company, a Delaware limited liability company effective from January 1, 2016, is a securities broker/dealer and investment adviser registered with the Securities and Exchange Commission (the SEC) and is a member of Financial Industry Regulatory Authority, Inc. (FINRA) and Securities Investors Protection Corporation (SIPC). The Company engages in investment advisory services including portfolio management services for financial advisors and intermediaries. In addition, the Company receives shareholder servicing fees in connection with its investment advisory services. The Company does not engage in any other business activities. The Parent currently has no plans to terminate the Company's limited liability company agreement.

**2. Summary of Significant Accounting Policies**

**a. Basis of Presentation and Management's Use of Estimates**

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). As U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.
