NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Securities Group, LLC (a Florida limited liability company, the “Company”) began operations on August 1, 2001 and is a registered securities broker and dealer operating in the United States of America. The company was organized to sell healthcare securities and shall have a perpetual existence unless terminated as provided in the *Operating Agreement*. The Company has a single class of members. Except as expressly provided in the *Operating Agreement*, no member shall be required under any circumstances to contribute or lend any money or property to the Company beyond their initial capital contribution.

Method of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

Commission revenues are recorded when earned which varies according to the terms of each placement offering contract.

Concentrations and Credit Risks

The Company's credit risks relate to cash and cash equivalents. The Company maintains cash balances at a bank. Accounts are insured by the Federal Deposit Insurance Corporation up to an aggregate of \$250,000.

Four customers accounted for 98% of the Company's commission revenues for the year ended December 31, 2016.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with initial maturities of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided according to the straight line method over the estimated useful lives of 3 to 5 years.

Income Taxes

No provision has been made for income taxes since the results of operations are included in the tax returns of the members.

Date of Management's Review

The Company evaluated its December 31, 2016 financial statements for subsequent events through February 16, 2017, the date the financial statements were available to be issued.
