## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Sole Member of  
Stonehaven, LLC

### Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of **Stonehaven, LLC** (the "Company") as of December 31, 2023, and the related notes (collectively referred to as the "Financial Statement"). In our opinion, the Financial Statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

This Financial Statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's Financial Statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the Financial Statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Financial Statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2012.

| Total liabilities and member's equity | <u>\$ 1,421,866</u> |

See accompanying notes to statement of financial condition.

**1. NATURE OF OPERATIONS**

Stonehaven, LLC (the “Company”) converted its state of formation to Delaware on January 6, 2009. The Company is a single-member limited liability company wholly owned by Stonehaven Holdings, LLC (the “Parent”). The Company’s operations are conducted from its office in New York City.

The Company’s business activities include raising capital from primarily institutional investors for private offerings as well as certain financial advisory services.

The Company is a securities broker-dealer registered with the Securities and Exchange Commission (“SEC”) and the Commodities Futures Trading Commission (“CFTC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”) and the National Futures Association (“NFA”). The Company provides referral business and sales of private placement interests to institutional clients on a fully disclosed basis.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***Basis of Presentation*

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) as detailed in the Financial Accounting Standards Board’s Accounting Standards Codification (“ASC”).

*Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates. As of December 31, 2023, significant estimates included accrued revenue and related commissions payable.

*Cash and Cash Equivalents*

The Company considers all highly liquid investments with original maturities of three months or less from the date of purchase to be cash equivalents. As of December 31, 2023, cash and cash equivalents were held at two major U.S. financial institutions. At times, cash balances held at any individual financial institution may exceed the insurance limits provided by the Federal Deposit Insurance Corporation (“FDIC”).

**December 31,  
2023**

| <b>Financial Assets</b>    |                   |
|----------------------------|-------------------|
| Cash                       | \$ 539,260        |
| US Treasury Securities     | 110,558           |
| Ending Balance, 12/31/2023 | <b>\$ 649,818</b> |

*Investments*

As of December 31, 2023, the Company held investments which are recorded at fair value on the statement of financial condition. The Company established a fair value hierarchy which prioritizes and ranks the level of market price observability used in measuring investments at fair value. Level 1 instruments are based on quoted prices in active markets. Level 2 instruments are based on inputs that are observable but for which models or valuations need to be performed. Level 3 instruments are valued based on inputs that are unobservable and include situations where there is little or no market activity. Level 3 assets require significant judgement or estimates by Company management.

### Accounts Receivable

Accounts receivable includes fee income due from clients. Included in accounts receivable are long-term receivables related to fee income that are generally paid in installments over a period of three to four years. Accounts receivable is assessed periodically for collectability and an allowance is recognized for credit losses, if required.

### Allowance for Credit Losses

On January 1, 2020, the Company adopted ASC Topic 326, *Financial Instruments – Credit Losses* (“ASC 326”), which replaces the incurred loss methodology with the current expected credit loss (“CECL”) methodology. The new guidance applies to financial assets measured at amortized cost, held-to-maturity debt securities and off-balance sheet credit exposures. For on-balance sheet assets, an allowance must be recognized at the origination or purchase of in-scope assets and represents the expected credit losses over the contractual life of those assets.

The Company generally does not require collateral and establishes an allowance for credit losses based upon factors surrounding the credit quality of the counterparty, historical experience and age of the accounts receivable balances.

After concluding that a reserved accounts receivable balance is no longer collectible, the Company will reduce both the gross receivable and the allowance for credit losses. As of December 31, 2023, there was an allowance of \$9,871 placed against the accounts receivable balance.

### Property and Equipment

Property and equipment are valued at cost. Depreciation is computed using the straight-line method over the estimated useful lives (3-5 years) of the related assets. Leasehold improvements are amortized over the remaining life of the lease.

### Leases

The Company accounts for leases in accordance with ASC 842, *Leases*. The Company determines if an arrangement is a lease, or contains a lease, at inception of a contract and when the terms of an existing contract are changed. The Company recognizes a lease liability and a right of use (ROU) asset at the commencement date of the lease. As of December 31, 2023, the Company did not have obligations as a lessee in an operating lease and, as such, did not recognize a lease liability or ROU asset on its statement of financial condition.

### Income Taxes

The Company is a single member limited liability company for U.S. federal and state income tax purposes. The Parent is responsible for the payment of income taxes and all tax liabilities are assumed by the Parent. The Company is not a tax paying entity for Federal income tax purposes and thus no federal, state or local income tax expense has been recorded in the accompanying financial statements. Income of the Company is taxed to the member in its respective returns. Certain state and local authorities levy taxes or fees on the Company based on its net income.

In accordance with GAAP, the Company’s management is required to determine whether a tax position of the Company is more likely than not to be sustained upon examination by the applicable taxing authority based on the technical merits of the position.

The tax benefit to be recognized is measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement with the relevant taxing authority. Based on its analysis, the Company’s management has determined that it has not incurred any liability for unrecognized tax benefits

as of December 31, 2023. The Company does not expect that its assessment regarding unrecognized tax benefits will materially change over the next twelve months. However, the Company's conclusions may be subject to review and adjustment at a later date based on factors including, but not limited to, questioning the timing and amount of deductions, the nexus of income among various tax jurisdictions, compliance with U.S. federal and U.S. state tax laws, and changes in the administrative practices and precedents of the relevant taxing authorities.

The Company recognizes interest and penalties accrued related to unrecognized tax benefits in income tax fees payable, if assessed. No interest expense or penalties have been recognized as of and for the period ended December 31, 2023. The Company is no longer subject to federal, state or local tax examinations by authorities for the years before 2020.

### 3. 401(K) PROFIT SHARING PLAN

The Company has a 401(K) plan ("Plan") to provide retirement benefits for its employees. Employees may contribute part of their annual compensation to the Plan, limited to a maximum annual amount as set periodically by the Internal Revenue Service. The Company does not match employee contributions to the Plan.

### 4. INVESTMENTS MEASURED AT FAIR VALUE

Investments at fair value are presented within Company's statement of financial condition. The Company established a fair value hierarchy which is explained in further detail in Note 2.

The estimated values of these investments are based on quoted prices, where available, and the use of complex calculations and modeling where quoted prices are not available. As of December 31, 2023, the Company held stock and warrants in private companies with an estimated aggregate fair value of \$197,803 which are included in Level 3 instruments. The fair value of Level 3 instruments was determined based on reference to the most recent financing round of the issuer at issuance, through the use of the Black Scholes financial model, or is equal to the fee for services provided with which the warrants were used to satisfy the clients' obligation. The warrants held by the Company are subject to certain restrictions prior to exercising. There are certain unobservable inputs used in the Black-Scholes model which are included in the below table.

| <u>Unobservable Inputs</u> | <u>Input Value</u> |  |  |  |
|----------------------------|--------------------|--|--|--|
| Volatility                 | 15% - 70%          |  |  |  |

|                               | Total      | Level 1 | Level 2 | Level 3    |
|-------------------------------|------------|---------|---------|------------|
| <u>Investments</u>            |            |         |         |            |
| Warrants in private companies | 106,483    | -       | -       | 106,483    |
| Stock in private companies    | 91,320     | -       | -       | 91,320     |
| Ending Balance, 12/31/2023    | \$ 197,803 | \$ -    | \$ -    | \$ 197,803 |

|                               | Total      | Level 1 | Level 2 | Level 3    |
|-------------------------------|------------|---------|---------|------------|
| <u>Investments</u>            |            |         |         |            |
| Beginning Balance, 01/01/2023 | \$ 197,803 | \$ -    | \$ -    | \$ 197,803 |
| Additions                     | -          | -       | -       | -          |
| Redemptions                   | -          | -       | -       | -          |
| Ending Balance, 12/31/2023    | \$ 197,803 | \$ -    | \$ -    | \$ 197,803 |

## **5. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the Company to maintain a minimum net capital of the greater of 6 2/3% aggregate indebtedness or \$50,000 minimum net capital, and a ratio of aggregate indebtedness to net capital not exceeding 15 to 1, both as defined. As of December 31, 2023, the Company's ratio of aggregate indebtedness to net capital was approximately 6.72 to 1 and its net capital of \$102,463 was in excess of its net capital requirement by \$52,463.

## **6. RISK CONCENTRATIONS**

For the year ended December 31, 2023, the Company had two clients representing greater than 10% of its gross revenue. At December 31, 2023, the receivable from these clients represented approximately 7% of the total accounts receivables balance. Subsequent to December 31, 2023, the Company collected 100% of the accounts receivable balance related to this client.

## **7. COMMITMENTS AND CONTINGENCIES**

### Litigation

In the normal course of business, the Company may be involved in various legal matters, some of which may involve claims of substantial amounts. It is the opinion of management, after consultation with external counsel, that there are no matters pending against the Company that could have a material adverse effect on the financial statements of the Company at December 31, 2023.

### Indemnification

The Company enters into contracts that contain a variety of indemnification obligations. The Company's maximum exposure under these arrangements is not known; however, the Company currently expects any associated risk of loss to be insignificant. In connection with these matters, the Company may incur legal expenses, which are expensed as incurred.

## **8. RELATED PARTY TRANSACTIONS**

Pursuant to an expense sharing arrangement between the Company and Stonehaven Holdings, LLC, the Company reimbursed the Parent for direct and indirect expenses incurred on the Company's behalf including accounting, compensation, information technology, office services and facilities rent.

From time to time, the Company and various affiliated entities incur costs on each other's behalf. As of December 31, 2023, the Company was due \$1,060 by Stonehaven Asset Management, LLC and \$84 by Stonehaven Capital Partners, LLC, which is included in due from related parties in the accompanying statement of financial condition. On the liability side, there was a balance due of \$23,182 to Stonehaven Nexus, LLC which is included in due to related parties in the accompanying statement of financial condition.

## **9. GOING CONCERN ANALYSIS**

The Company's management has evaluated its ability to continue operations through one year from the date of issuance. Based on detailed financial projections, including the intent and capital commitments from the Parent, management has concluded that there is no threat of insolvency through one year from the date of the financial statements.

**10. SUBSEQUENT EVENTS**

The Company has evaluated the impact of subsequent events through the date the financial statements were issued and determined there were no subsequent events that would have required adjustment to the financial statements or further disclosure in the accompanying notes.

The Company has received contributions of \$50,000 from its member and made distributions to its member of \$20,000 during the first quarter of 2024.
