Amendment 1 to Form 1-A filed October 9, 2018

General

1. In Part I, Item 6 asks you to disclose the unregistered securities issued by the issuer or any of its predecessors or affiliated issuers within one year before the filing of this Form 1-A. However, you do not appear to have disclosed all the securities issued. For example, you have issued securities in connection with the reverse merger and as compensation that do not appear to be disclosed. In addition, you have not disclosed, as required by Item 6(c)(1), the basis for computing the amount of consideration. Please revise Part I to include this information.
