We have one class of shares outstanding, designated common stock, \$0.001 par value per share. Solicitation of Proxies

We are making this solicitation of proxies, and we will bear the expense of preparing, printing, mailing and otherwise distributing this proxy statement. Proxies may also be solicited on our behalf, in person or by mail, telephone, facsimile, or other electronic means, by our directors, officers and regular employees, without additional compensation.

Revocability of Proxies

You may revoke any proxy given pursuant to this solicitation, at any time before it is voted, by either:

- delivering a written notice of revocation or a duly executed proxy bearing a later date; or
- attending the annual meeting and voting in person.

Please note, however, that if the record holder of your shares is a broker, bank or other nominee and you wish to vote at the annual meeting, you must bring to the annual meeting a letter from the broker, bank or other nominee confirming both (i) your beneficial ownership of the shares; and (ii) that the broker, bank or other nominee is not voting the shares at the meeting.

Proxy Cards and Voting

Each shareholder is entitled to one vote for each share of common stock held as of the record date.

If we receive the enclosed proxy, properly executed, in time to be voted at the annual meeting, the Board of Directors will vote the shares represented by it in accordance with the instructions marked on the proxy. An executed proxy without instructions marked on it will be voted:

1. “FOR” each of the seven nominees for election as director;
2. “FOR” the ratification of the selection of L.L.Bradford & Company, LLC as our independent registered public accounting firm for our fiscal year ending September 30, 2013;
3. “FOR” approval of Amended and Restated Certificate of Incorporation to increase the Company’s authorized shares of common stock from 200,000,000 to 300,000,000;
4. “FOR” approval of the compensation disclosed in this proxy statement of the Company’s executive officers who are named in this proxy statement’s summary compensation table; and
5. “FOR” “three years” with respect to the frequency of advisory votes on named executive officer compensation.

The shares represented by the enclosed proxy may also be voted by the named proxies for such other business as may properly come before the annual meeting or at any adjournments or postponements of the annual meeting.

Election of Directors

Our Board of Directors, upon recommendation of its Corporate Governance and Nominating Committee, has nominated Stuart R. Levine, James L. Nelson, Stephen D. Baksa, Anthony Macaluso, James Orsini, Peter D. Holden and Jonathan Sandelman for election at the annual meeting. If elected, each will serve a one-year term expiring at our next annual meeting of shareholders and until their respective successors are elected and have been qualified or until their earlier resignation, removal or death. Background information about the nominees is provided in Proposal No. 1.

Each of the nominees has consented to serve if elected. If any of them becomes unable or unwilling to serve as a director before the annual meeting, our Board of Directors may designate a substitute nominee. In that case, the persons named as proxies will vote for the substitute nominee. Our Board of Directors alternatively could decide to reduce the size of our board to the extent permitted by our certificate of incorporation, by-laws and applicable laws. We presently do not know of any reason why any nominee will be unable to serve.

Our Board of Directors recommends that you vote “FOR” the election of these nominees.

Ratification of Our Independent Registered Public Accounting Firm

The Audit Committee of our Board of Directors has selected L.L.Bradford & Company, LLC as our independent registered public accounting firm for our fiscal year ending September 30, 2013. The selection will be presented to our shareholders for approval at the annual meeting. Selection of our independent registered accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, we are submitting this matter to our shareholders as a matter of good corporate governance. If our shareholders do not approve on an advisory basis our selection of L.L.Bradford & Company, LLC, then the Audit Committee will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm. Even if our shareholders ratify the selection, the Audit Committee may, in its discretion, direct the selection of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our shareholders.

Our Board of Directors recommends that you vote “FOR” the ratification of the selection of L.L.Bradford & Company, LLC to serve as our independent registered public accounting firm.

Approval of Amended and Restated Certificate of Incorporation to Increase Authorized Shares of Common Stock

Our Board of Directors has approved, subject to shareholder approval, an Amended and Restated Certificate of Incorporation to increase the Company's authorized shares of common stock from 200,000,000 to 300,000,000. Approval of the Amended and Restated Certificate of Incorporation will be presented to our shareholders for approval at the annual meeting.

Our Board of Directors recommends that you vote "FOR" approval of the Amended and Restated Certificate of Incorporation to increase the Company's authorized shares of common stock from 200,000,000 to 300,000,000.

Advisory Vote on Executive Compensation

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") requires the Company's stockholders to have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this proxy statement of the Company's executive officers who are named in the Summary Compensation Table. The advisory vote on executive compensation will not be binding on either the Board of Directors or the Company. However, the Company's Compensation Committee will take into account the outcome of the stockholder vote on this proposal at the annual meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes described in Proposal 4 and below in Proposal 5 will not be construed (1) as overruling any decision by the Board of Directors, any Board committee or the Company relating to the compensation of the named executive officers or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any Board committee or the Company.

Our Board of Directors recommends you vote "FOR" approval of the compensation disclosed in this proxy statement of the Company's executive officers who are named in this proxy statement's summary compensation table

Advisory Vote on the Frequency of Future Advisory Votes on Named Executive Officer Compensation

The Dodd-Frank Act requires the Company's stockholders to have the opportunity to cast a non-binding advisory vote regarding how frequently the Company should seek from its stockholders a non-binding advisory vote on the compensation disclosed in the Company's proxy statement of its executive officers who are named in the proxy statement's summary compensation table for the year in question (the "named executive officers"). By voting on this frequency proposal, stockholders may indicate whether they would prefer that the advisory vote on the compensation of the Company's named executive officers occur every one, two or three years. Stockholders may also abstain from voting on the proposal. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency of the advisory vote on executive compensation that has been recommended by the stockholders. However, because this vote is advisory and not binding on either the Board of Directors or the Company, the Board of Directors may subsequently decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation that differs in frequency from the option that received the highest number of votes from the Company's stockholders at the annual meeting.

Our Board of Directors recommends that you vote for "three years" with respect to the frequency of advisory votes on named executive officer compensation.

Quorum

A quorum is required for shareholders to conduct business at the annual meeting. The presence, in person or by proxy, of shareholders holding a majority of the shares entitled to vote at the meeting will constitute a quorum.

Vote Required

Directors will be elected by a plurality of the votes cast by the shares of our common stock entitled to vote in the election. The affirmative vote of the holders of a majority of the shares of our common stock present at the annual meeting and cast on the proposal will be required for approval of the ratification of L.L. Bradford & Company, LLC as our independent registered public accounting firm for our fiscal year ending September 30, 2013. The affirmative vote of a majority of the issued and outstanding shares of common stock entitled to vote at the annual meeting is required to approve the Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock. The advisory votes on executive compensation and the frequency of future advisory votes on named executive officer compensation are non-binding, as discussed above.

The selection of L.L. Bradford & Company, LLC is being presented to our shareholders for ratification. Our Audit Committee will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm.

Effect of Abstentions

Abstentions (including instructions to withhold authority to vote for one or more director nominees) are counted for purposes of determining a quorum, but will have no effect on the outcome of any matter voted upon at the annual meeting.

Effect of “Broker Non-Votes”

For shares held in “street name” through a broker or other nominee, the broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if stockholders do not give their broker or nominee specific instructions, their shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. The ratification of the selection of our independent registered public accounting firm (Proposal 2) and the approval of the Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock (Proposal 3) are considered routine matters for which brokers and other nominees may vote shares they hold in street name, even in the absence of voting instructions from the beneficial holder. The remaining proposals are not considered routine matters, and the broker cannot vote the shares on these proposals if it has not received voting instructions from the beneficial owner of the shares.

Cumulative Voting

Our shareholders have no cumulative voting rights in the election of directors.

Dissenters’ Rights

Under Delaware law, our shareholders do not have dissenters’ rights with respect to any proposal to be considered at the annual meeting.

Annual Report

We have enclosed with this proxy statement our Annual Report on Form 10-K, excluding exhibits attached to our Form 10-K (which will be furnished upon written request as indicated below), for our fiscal year ended September 30, 2012, referred to as “fiscal year 2012.” The report includes our audited financial statements, along with other information about us, which we encourage you to read.

Nominees Proposed for Election as Directors at the Annual Meeting

At this annual meeting, the terms of all seven members of our Board of Directors will expire.

Seven directors are proposed to be elected at the annual meeting to serve until our next annual meeting of shareholders for the fiscal year ending September 30, 2013 and until their respective successors are elected and have been qualified or until their earlier resignation, removal or death.

Upon the recommendation of our Governance and Nominating Committee, the Board of Directors has nominated each of Stuart R. Levine, James L. Nelson, Stephen D. Baksa, Anthony Macaluso, James Orsini, Peter D. Holden, and Jonathan Sandelman to serve as our directors. Each nominee is a current director standing for re-election.

Any vacancy existing between shareholders' meetings, including vacancies resulting from an increase in the number of directors or the resignation or removal of a director, may be filled by the Board of Directors. A director elected to fill a vacancy shall hold office until our next annual meeting of shareholders.

The Board of Directors does not contemplate that any of the director nominees will be unable to serve as a director, but if that contingency should occur before the proxies are voted, the persons named in the enclosed proxy reserve the right to vote for such substitute director nominees as they, in their discretion, determine.

Unless authority to vote for one or more of the director nominees is specifically withheld, proxies will be voted "FOR" the election of all seven director nominees.

So that you have information concerning the independence of the process by which our Board of Directors selected the nominees, we confirm, as required by the SEC, that (1) there are no family relationships among any of the nominees or among any of the nominees and any officer and (2) there is no arrangement or understanding between any nominee and any other person pursuant to which the nominee was selected.

The directors of Single Touch have diverse backgrounds that provide experience and expertise in a number of areas particularly relevant to the Company. PROPOSAL NO. 2

Ratification of the Selection of Our Independent Registered Public Accounting Firm

The Audit Committee of our Board of Directors has selected L.L. Bradford & Company, LLC as our independent registered public accounting firm for our fiscal year ending September 30, 2013. We will present this selection to our shareholders for approval at the annual meeting. Selection of our independent registered accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, we are submitting this matter to our shareholders as a matter of good corporate governance. If our shareholders do not approve on an advisory basis our selection of L.L. Bradford & Company, LLC, then the Audit Committee will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm. Even if our shareholders ratify the selection, the Audit Committee may, in its discretion, direct the selection of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our shareholders.

Weaver, Martin & Samyn, LLC until July 26, 2013, served as the Company's independent registered public accounting firm. The decision to engage L.L. Bradford & Company was based upon the fact that the Audit partner with primary responsibility for the Company's financial statements is no longer associated with Weaver, Martin & Samyn, LLC and is now associated with L.L. Bradford & Company, LLC.

Representatives of L.L. Bradford & Company, LLC are expected to be present at the Annual Meeting.

Fees Paid to Weaver, Martin & Samyn LLC

Audit Fees - The aggregate fees billed for each of the last two fiscal years for professional services rendered by Weaver, Martin & Samyn, LLC for the audit of the Company's annual financial statements and review of financial statements included in the Company's Form 10-K or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the fiscal years ending September 30, 2012 and 2011 were: \$55,000 and \$63,960, respectively.

Audit-Related Fees - No aggregate fees were billed in either of the last two fiscal years for assurance and related services by the Weaver, Martin & Samyn, LLC that were reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under item (1) for the fiscal years ending September 30, 2012 and 2011.

Tax Fees - No aggregate fees were billed for professional services rendered by the principal accountant for tax compliance, tax advice, and tax planning for the fiscal years ending September 30, 2012 and 2011.

All Other Fees - No other fees were billed for professional services provided by Weaver, Martin & Samyn, LLC, other than the services reported above, for the fiscal years ending September 30, 2012 and 2011.

Audit Committee Pre-Approval Policies - Our Audit Committee by its Chairman has approved the principal accountant's performance of services for the audit of the Company's annual financial statements and review of financial statements included in our Form 10-K or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the fiscal year ending September 30, 2012. Audit-related fees, tax fees, and all other fees, if any, were approved by the Audit Committee Chair.

Work Performed by Others - The percentage of hours expended on the principal accountant's engagement to audit the registrant's financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant's full-time, permanent employees was less than 50 percent.

Required Vote for Approval

Approval of Proposal No. 2 requires the affirmative vote of a majority of the shares of our common stock present at the annual meeting and cast on the proposal. Selection of our independent registered accounting firm is not required to be submitted to a vote of our shareholders for ratification. However, we are submitting this matter to our shareholders as a matter of good corporate governance. If our shareholders do not approve on an advisory basis our selection of L.L. Bradford & Company, LLC, then the Audit Committee will consider the outcome of this vote in its future discussions regarding the selection of our independent registered public accounting firm.

Recommendation of Our Board of Directors

Our Board of Directors recommends that you vote in favor of the ratification of the selection of L.L. Bradford & Company, LLC as our independent registered public accounting firm.

CORPORATE GOVERNANCE

Board of Directors

Although our stock is not listed for trading on the Nasdaq Stock Market at this time, we are required to determine the independence of our directors by reference to the rules of a national securities exchange or of a national securities association (such as the Nasdaq Stock Market).

Mr. Orsini and Mr. Macaluso are executive officers of the Company, and therefore are not independent directors.

Board Committees

The Board of Directors established an Audit Committee, a Compensation Committee and a Governance and Nominating Committee in fiscal year 2012. The current charters of each of the Audit Committee, Compensation Committee and Governance and Nominating Committee are available on our website located at www.singletouch.net. The information contained on our website is not a part of this proxy statement.

Audit Committee

The Audit Committee is currently comprised of Mr. Baksa (chairman), Mr. Sandelman and Mr. Levine. We believe all three of the members are "independent," as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002.

The duties and responsibilities of the Audit Committee are set forth in the Audit Committee's charter, as adopted by the Board of Directors in fiscal year 2012.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee oversees the financial reporting process for the Company on behalf of the Board of Directors, and has other duties and functions as described in its charter.

Company management has the primary responsibility for the Company's financial statements and the reporting process. The Company's independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

In this context, the Audit Committee has reviewed and discussed our audited financial statements for the year ended September 30, 2012 with management and with our independent registered public accounting firm. The Audit Committee has discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), which includes, among other items, matters related to the conduct of the audit of our annual financial statements.

The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding such independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm its independence from us and our management. In addition, the Audit Committee has considered whether the provision of non-audit services by our independent registered public accounting firm in fiscal year 2012 was compatible with maintaining our registered public accounting firm's independence and has concluded that it was.

Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to our Board of Directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended September 30, 2012.

The Board of Directors has determined that Mr. Baksa is an "audit committee financial expert" as defined in Item 407(d) of Regulation S-K. The Board of Directors has also determined that Mr. Baksa meets the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Respectfully submitted by the Audit Committee,

Stephen D. Baksa, Chairman
Stuart R. Levine
Jonathan E Sandelman

The foregoing Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filing of our company under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent we specifically incorporate this Audit Committee Report by reference therein.

Compensation Committee

The Compensation Committee is currently comprised of Mr. Sandelman (chairman), Mr. Baksa and Mr. Levine. We believe all three of the members are "independent," as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002.

The duties and responsibilities of the Compensation Committee are set forth in the Compensation Committee's charter, as adopted by the Board of Directors in fiscal year 2012.

Among its duties, our Compensation Committee determines the compensation and benefits paid to our executive officers, including our President, Chief Executive Officer and our Executive Chairman.

Our Compensation Committee reviews and determines salaries, bonuses and other forms of compensation paid to our executive officers and management, approves recipients of stock option awards and establishes the number of shares and other terms applicable to such awards.

Our Compensation Committee also determines the compensation paid to our Board of Directors, including equity-based awards. More information about the compensation of our non-employee directors is set forth in the section of this proxy statement titled "Director Compensation."

Governance and Nominating Committee

The Governance and Nominating Committee is currently comprised of Mr. Levine (chairman) and Mr. Baksa. We believe all of the members are "independent," as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002.

The duties and responsibilities of the Governance and Nominating Committee are set forth in the Governance and Nominating Committee's charter, as adopted by the Board of Directors in fiscal year 2012.

Our Corporate Governance and Nominating Committee is charged with recommending the slate of director nominees for election to the Board of Directors, identifying and recommending candidates to fill vacancies on the Board, and reviewing, evaluating and recommending changes to our corporate governance processes. Among its duties and responsibilities, the Corporate Governance and Nominating Committee periodically evaluates and assesses the performance of the Board of Directors; reviews the qualifications of candidates for director positions; assists in identifying, interviewing and recruiting candidates for the Board; reviews the composition of each committee of the Board and presents recommendations for committee memberships; and reviews and recommends changes to the charter of the Governance and Nominating Committee and to the charters of other Board committees.

The process followed by the Governance and Nominating Committee to identify and evaluate candidates includes (i) requests to Board members, our Chief Executive Officer, and others for recommendations, (ii) meetings from time to time to evaluate biographical information and background material relating to potential candidates and their qualifications, and (iii) interviews of selected candidates. The Corporate Governance and Nominating Committee also considers recommendations for nomination to the Board of Directors submitted by shareholders.

In evaluating the suitability of candidates to serve on the Board of Directors, including shareholder nominees, the Governance and Nominating Committee seeks candidates who are "independent," as defined by SEC rules adopted pursuant to the requirements of the Sarbanes-Oxley Act of 2002 and who meet certain selection criteria established by the Governance and Nominating Committee.

Code of Ethics

On December 1, 2004 we adopted a Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of our Code of Ethics will be provided to any person requesting same without charge. To request a copy of our Code of Ethics please make written request to our President c/o Single Touch Systems Inc. at 100 Town Square Place, Suite 204, Jersey City, NJ 07310.

Risk Oversight

The Board of Directors is responsible for the oversight of the Company's risk management efforts. While the full Board of Directors is ultimately responsible for this oversight function, individual committees may consider specific areas of risk from time to time as directed by the Board. Members of management responsible for particular areas of risk for the Company provide presentations, information and updates on risk management efforts as requested by the Board or a Board committee.

Board Leadership Structure

Our Board is responsible for the selection of the Chairman of the Board and the Chief Executive Officer. Our Board does not have a policy on whether or not the roles of Chief Executive Officer and Chairman should be separate and, if they are to be separate, whether the Chairman should be selected from the non-employee directors or be an employee. Currently, Anthony Macaluso serves as our Executive Chairman and James Orsini serves as our Chief Executive Officer.

Shareholder Communications

Shareholders and other interested parties may send correspondence by mail to the full Board of Directors or to individual directors. Shareholders should address such correspondence to the Board of Directors or the relevant Board members in care of: Single Touch Systems Inc., 100 Town Square Place, Suite 204, Jersey City, NJ 07310, Attention: Secretary.

All such correspondence will be compiled by our Secretary and forwarded as appropriate. In general, correspondence relating to corporate governance issues, long-term corporate strategy or similar substantive matters will be forwarded to the Board of Directors, one of the committees of the Board, or a member thereof for review. Correspondence relating to the ordinary course of business affairs, personal grievances, and matters as to which we tend to receive repetitive or duplicative communications are usually more appropriately addressed by the officers or their designees and will be forwarded to such persons accordingly.

Employment / Severance / Change-in-Control Agreements

Anthony Macaluso - On June 3, 2011, we entered into an employment letter agreement with Anthony Macaluso, as our executive Chairman, effective as of June 1, 2011. The agreement is for a three-year term, with successive two-year renewals unless either party elects against renewal. Mr. Macaluso is entitled to a \$385,000 annual salary, subject to possible increases. Mr. Macaluso can also receive discretionary cash bonuses. We also agreed in the employment letter agreement to grant Mr. Macaluso certain stock options under our 2010 Stock Plan.

In full satisfaction of all obligations under the employment letter agreement to grant stock options to Mr. Macaluso, and after taking account of certain remissions, we granted Mr. Macaluso on June 1, 2011 a total of 4,500,000 stock options under our 2010 Stock Plan, with 1,500,000 of the options (at an exercise price of \$0.65 per share) vesting on May 16, 2012, 1,500,000 of the options (at an exercise price of \$0.90 per share) vesting on May 16, 2013 and 1,500,000 of the options (at an exercise price of \$0.90 per share) vesting on May 16, 2014.

If Mr. Macaluso is terminated without cause or due to disability, or if he resigns for good reason (all as defined in the employment letter agreement) or if we elect not to renew his employment term, then upon giving us a release he shall be entitled to one year of salary continuation and one year of COBRA premiums payments. Also, if we are acquired or if he is terminated without cause or if he resigns for good reason (all as defined in the employment letter agreement) during Mr. Macaluso's employment, all his unvested stock options would immediately vest.

In addition, if we terminate Mr. Macaluso's employment without cause or due to disability or if he resigns for good reason, he would be entitled to exercise any of the 4,500,000 stock options until three years after the termination date (or, if earlier, the expiration of the options).

Mr. Macaluso participated in the November 2012 plan where we modified the terms of stock options granted to certain employees, officers, directors, and active 3rd party service providers. As a result 3,000,000 options exercisable at \$0.90 per share granted pursuant to his employment agreement were reduced to 2,550,000 options exercisable at \$0.469 per share. Additional options granted in 2010 were reduced from 50,000 options exercisable at \$1.375 per share to 40,000 exercisable at \$0.469 per share and 1,200,000 options exercisable at \$0.90 per share to 1,020,000 exercisable at \$0.469 per share.

On December 6, 2012, for extraordinary service to the Company to date for work related to Single Touch Systems R&D I.P., Inc., we granted options to Mr. Macaluso to purchase 2,099,400 shares of our common stock at a price of \$0.469 per share. The options immediately vested and expire on December 1, 2017.

James Orsini- On March 10, 2011, we entered into an employment letter agreement with James Orsini, who began employment as our Chief Executive Officer, President and Chief Financial Officer on May 16, 2011. The agreement (as amended on May 16, 2011) is for a three-year term, with successive two-year renewals unless either party elects against renewal. Mr. Orsini is entitled to a \$385,000 annual salary, subject to possible increases. Mr. Orsini can also receive discretionary cash bonuses, and after three months of employment he was entitled to and did receive a \$25,000 payment in respect of certain expenses. In addition, the agreement called for us to grant to him (and we accordingly did grant to him) 4,500,000 stock options under our 2010 Stock Plan; with one-third (with an exercise price of \$0.63 per share) vesting on the first anniversary of his employment start date, one-third (with an exercise price of \$0.90 per share) vesting on the second anniversary of his employment start date, and one-third (with an exercise price of \$0.90 per share) vesting on the third anniversary of his employment start date. Vesting of his stock options shall accelerate if we experience a change in majority control. Mr. Orsini agreed not to compete with us during his employment and for two years thereafter.

If we terminate Mr. Orsini's employment without cause or for disability or if he resigns for good reason (as those terms are defined in the agreement), or if we elect not to enter into a renewal term of the employment letter agreement, he will receive one year of salary continuation and one year of COBRA premium payments. In addition, if we terminate Mr. Orsini's employment without cause or if he resigns for good reason, he would be entitled to exercise any of the 4,500,000 stock options which had vested as of the termination date, until three years after the termination date (or, if earlier, the expiration of the options).

If we experience a change in majority control (as defined in the agreement) during Mr. Orsini's employment, all his unvested stock options would immediately vest.

Mr. Orsini participated in the November 2012 plan where we modified the terms of stock options granted to certain employees, officers, directors, and active 3rd party service providers. As a result 3,000,000 options exercisable at \$0.90 per share granted pursuant to his employment agreement were reduced to 2,550,000 options exercisable at \$0.469 per share.

John Quinn - On September 26, 2011, we entered into an employment letter agreement with John Quinn, as our Chief Financial Officer, effective as of September 26, 2011. Pursuant to the agreement we pay Mr. Quinn an annual salary of \$225,000. The Agreement also calls for successive one-year renewals unless either party elects against renewal. Mr. Quinn can also receive discretionary cash bonuses.

We also agreed to grant Mr. Quinn 100,000 shares of our common stock under our 2009 Employee and Consultant Stock Plan, subject to the following restriction: all of such shares would have been forfeited to us if Mr. Quinn's employment with us ceased for any reason; such restrictions and risk of forfeiture cliff-lapsed on December 25, 2011.

We also agreed to grant Mr. Quinn a total of 1,500,000 upfront stock options under our 2008 Stock Option Plan with 500,000 of the options (at an exercise price of \$0.65 per share) vesting after one year of service, 500,000 of the options (at an exercise price of \$0.90 per share) vesting after two years of service and 500,000 of the options (at an exercise price of \$0.90 per share) vesting after three years of service.

Under the agreement, if Mr. Quinn is terminated without cause or due to his disability, or if he resigns for good reason (all as defined in the Agreement) or if we elect not to renew his employment term, then upon giving us a release he shall be entitled to six months of salary continuation and six months of COBRA premiums payments. Also, vesting of his stock options shall accelerate if Mr. Quinn is terminated without cause or if he resigns for good reason, or if we are acquired.

Mr. Quinn, participated in the November 2012 plan where we modified the terms of stock options granted to certain employees, officers, directors, and active 3rd party service providers. As a result 1,000,000 options exercisable at \$0.90 per share granted pursuant to his employment agreement were reduced to 850,000 options exercisable at \$0.469 per share.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our directors and executive officers and persons who beneficially own more than 10% of our common stock (referred to herein as the “reporting persons”) file with the SEC various reports as to their ownership of and activities relating to our common stock. Such reporting persons are required by the SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely upon a review of copies of Section 16(a) reports and representations received by us from reporting persons, and without conducting any independent investigation of our own during the fiscal year ended September 30, 2012, Forms 3 and 4 were mostly timely filed with the SEC by such reporting persons, except for Anthony Macaluso, who had not yet filed Form 4 transaction information related to private transfers.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions

2010 Macaluso/Activate Consolidation and Modification - 2009 Debt - In fiscal 2009, Activate, Inc., which is an affiliate of Anthony Macaluso, made loan advances of \$894,500 to us, at 8% interest per annum. We repaid \$99,081 in fiscal 2009 and \$504,000 in fiscal 2010. In June 2009, Activate, Inc. purchased from a third party a \$250,000 promissory note, bearing 10% interest per annum, which we had issued.

On June 28, 2010, we issued Activate, Inc. a new convertible promissory note with a principal amount of \$633,651, which represented \$291,397 of outstanding loan advances, plus the \$54,170 of accrued but unpaid interest on the loan advances, plus the \$250,000 principal amount of the purchased promissory note, plus the \$29,787 of accrued but unpaid interest on the purchased \$250,000 promissory note, plus the \$8,297 of accrued but unpaid interest on the converted \$73,445 convertible promissory note. The new note was to mature on June 27, 2011, accrued interest at an annual rate of 1% and was convertible at the holder’s option into our common stock at \$0.37 per share. We prepaid, in February and April 2011, the entire principal amount of and all accrued interest on this new note.

Macaluso 2010 Debt Conversion - On or shortly after June 28, 2010, Anthony Macaluso and his former spouse, Nicole Macaluso, converted a convertible promissory note’s principal balance of \$2,319,512 into 28,993,896 shares of our common stock. Anthony Macaluso received 13,773,992 of these shares issued.

On June 28, 2010, we issued Anthony Macaluso a new convertible promissory note with a principal amount of \$155,531, which represented \$123,581 of accrued compensation (net of payroll taxes) plus the \$31,950 accrued but unpaid interest due him on the converted \$2,319,512 convertible promissory note. The new note matured on June 27, 2011, accrued interest at an annual rate of 1% and was convertible at the holder’s option into our common stock at \$0.37 per share. We repaid, in May and June 2011, the entire principal amount of and all accrued interest on this new note. On June 28, 2010, Activate, Inc. converted a convertible note’s principal balance of \$73,445 into 918,063 shares of our common stock.

Soapbox Mobile, Inc. Related-Party Arrangements - Anthony Macaluso is the preferred shareholder of Soapbox Mobile, Inc. (“Soapbox”, which provided the use of certain equipment and software to us from February 2008 through June 2010 at a monthly rate of \$4,000 and had been providing them to us from July 1, 2010 to June 30, 2011 at a monthly rate of \$7,500. On June 30, 2011, we entered into an agreement with Anthony Macaluso whereby the Company was granted an option to acquire his majority interest in Soapbox. Under the terms of the option grant, we were required to pay and did a deposit of \$155,000 which was to be refunded in the event the acquisition did not close. Under the option agreement both parties had the opportunity to perform due diligence necessary to determine the value of the majority interest and perform other actions necessary to complete the acquisition.

On March 30, 2012, we were granted an exclusive perpetual license to utilize the “Anywhere” software and related source code from Soapbox. Under the terms of the underlying agreement, we issued 200,000 shares of our common stock to Soapbox and paid \$30,000 in April 2012. All of the consideration paid was distributed to eight individuals comprising all of the common shareholders of Soapbox pursuant to instructions from Soapbox. We valued the license at \$76,000, comprising of the fair value of the 200,000 shares on date of grant (\$46,000) and the \$30,000 of cash. The license, by its terms, has an indefinite life and is therefore not subject to amortization. Our Executive Chairman owns a majority preferred interest in Soapbox and received no portion of the consideration paid.

On November 27, 2012 we entered into a Settlement and Mutual Special Release with our Executive Chairman as final global settlement of any and all outstanding matters related to Anthony Macaluso’s ownership and control relationship in Soapbox Mobile, including any and all claims he may have individually related to or on behalf of Soapbox in any capacity held by him formerly or currently. Macaluso claimed his personal capital outlay for his ownership interest in Soapbox Mobile was \$755,000, made primarily due to their Anywhere software platform. We agreed to total consideration of \$755,000, which included the \$155,000 received related to the original Option Agreement from June 2011.

Baksa 2011 Convertible Note and Warrants Purchase - On November 14, 2011, one of our Directors, Stephen Baksa purchased from us a \$500,000 promissory note and 1,000,000 warrants, in exchange for \$500,000 cash. The note bears interest at 10% per annum and matures in one year, and is convertible into our common stock at \$0.50 per share. The warrants have an exercise price of \$0.25 per share and expire in three years.

Baksa Convertible Note and Warrants 2012 Modification – In support of a private offering by us that began in September of 2012, one of our Directors, Stephen Baksa agreed to modify his outstanding Note and Warrants at the our request. The modified notes bear interest at a rate of 10% per annum. Principal and any unpaid accrued interest are fully due on September 7, 2014. Outstanding principal is convertible into shares of our common stock at a conversion rate of \$0.50 per share. The warrants are exercisable at price of \$0.25 per share and expire on September 7, 2015. The modifications are consistent with the terms of the notes and warrants issued in our September 2012 offering which was completed in October 2012.

Outstanding Current Service Provider High-Exercise-Price Plan Options - In November 2012, we modified the terms of stock options granted to certain employees, officers, directors, and active 3rd party service providers. Under the modified terms, we reduced the number of shares to be purchased under these option grants from a total of 17,134,334 shares to a total of 14,534,934 shares with a reduction in the purchase price on these grants from original prices ranging from \$1.375 to \$0.90 per share to \$0.469 per share. A breakdown of the modified grants is as follows:

	Shares under Original Grant	Shares under Modified Grant
Employees	5,809,334	4,914,934
Officers and directors	11,300,000	9,600,000
Outside legal counsel	25,000	20,000
	17,134,334	14,534,934

The modifications to options held by our officers are listed in “Executive Compensation” in this proxy statement. In addition to reducing the number of options previously granted at the reduced purchase price, Messrs. Macaluso and Orsini voluntarily agreed to amend their stock options to defer vesting of already vested options related to their employment agreements and half of their unvested options for an additional six months.

Richard Siber, then a Company director, participated in the plan and as a result options granted in 2010 were reduced from 3,000,000 options exercisable at \$0.90 per share to 2,550,000 exercisable at \$0.469 per share. Additional options granted in 2010 were reduced from 50,000 options exercisable at \$1.375 per share to 40,000 exercisable at \$0.469 per share.

Peltz Capital Management, LLC Consulting Services 2012 - On October 15, 2012 our Executive Chairman granted an option to purchase up to 3,750,000 shares personally held by him, at an exercise price of \$0.295 per share to Peltz Capital Management, LLC in connection with consulting services to be provided to the Company’s Executive Chairman. Further, the personal grant by the Executive Chairman also included a registration rights agreement whereby we are obligated to register the shares underlying the options at our expense. We are receiving a direct benefit from the services rendered by the consultant and have recorded the fair value of the option grant as contributed capital in the amount of \$549,750. Pursuant to the agreement, the option vested immediately and expire two years form the date of grant. Additionally, services are to be rendered by the consultant for a period equal to the life of the option as a result, the fair value of the option will be amortized on a straight line basis over the two-year life of the grant.

On December 7, 2012 our Executive Chairman granted a further option to purchase up to 2,000,000 shares personally held by him, at an exercise price of \$0.48 per share to Peltz Capital Management, LLC in connection with consulting services to be provided to Company’s Executive Chairman. Further, the personal grant by the Executive Chairman also included a registration rights agreement whereby we are obligated to register the shares underlying the options at our expense. We are receiving a direct benefit from the services rendered by the consultant and have recorded the fair value of the option grant as contributed capital in the amount of \$371,800. Pursuant to the agreement, the option vested immediately and expires two years form the date of grant. Additionally, services are to be rendered by the consultant for a period equal to the life of the option as a result, the fair value of the option will be amortized on a straight line method over the two-year life of the grant.

Policies and Procedures for Approving Transactions with Related Persons

The independent members of the Board of Directors have the responsibility to review and approve related person transactions, either in advance or when we become aware of a related person transaction that was not reviewed and approved in advance; however, the Board of Directors has not yet adopted a written policy or procedures governing its approval of transactions with related persons. During fiscal year 2012 and prior, all related party transactions were reviewed and approved by the Board of Directors, with each related party at the time serving as a director, abstaining from the vote.

PROPOSAL NO. 3

Approval of Amended and Restated Certificate of Incorporation to Increase Authorized Shares of Common Stock

Our Board of Directors has approved, subject to shareholder approval, an Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock from 200,000,000 to 300,000,000. The increase in our authorized shares of common stock will become effective upon the filing of the Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware. If the Amended and Restated Certificate of Incorporation is approved by shareholders at the annual meeting, we intend to file the Amended and Restated Certificate of Incorporation as soon as practicable following the annual meeting.

The form of Amended and Restated Certificate of Incorporation to be filed with the Secretary of State of the State of Delaware is set forth as Appendix A to this proxy statement.

Outstanding Shares and Purpose of the Proposal

Our Certificate of Incorporation currently authorizes us to issue a maximum of 200,000,000 shares of common stock, par value \$0.001 per share, and 5,000,000 shares of preferred stock, \$0.0001 par value per share. Our issued and outstanding securities as of June 30, 2013 are as follows:

- 135,755,980 shares of common stock.
- \$3,928,000 in principal amount of convertible notes and debentures convertible into 7,856,000 shares of common stock.
- Warrants to purchase 17,158,528 shares of common stock and Options to purchase 29,135,000 shares of common stock

The Board of Directors believes that the increase in authorized shares of common stock will provide the Company greater flexibility with respect to the Company's capital structure for purposes including additional equity financings and stock based acquisitions.

Effects of the Increase in Authorized Common Stock

The additional shares of common stock will have the same rights as the presently authorized shares, including the right to cast one vote per share of common stock. Although the authorization of additional shares will not, in itself, have any effect on the rights of any holder of our common stock, the future issuance of additional shares of common stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing shareholders.

Except for the conversion of outstanding convertible securities and the exercise of outstanding options and warrants (which conversions or exercises would be at the option of the respective holders), the Company does not currently have any plans, proposal or arrangement to issue any of its authorized but unissued shares of common stock. However, it is possible that some of these additional shares could be used in the future for various other purposes without further shareholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other system on which our securities may then be listed. These purposes may include: raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, and expanding the Company's business or product lines through the acquisition of other businesses or products. The Company continues to seek opportunities to raise capital through the sale of its shares of common stock and/or securities convertible into shares of common stock. However, the Company has not entered into any formal or informal agreement to issue any of its authorized or unissued shares of common stock and there can be no assurance that any capital will be available on terms acceptable to the Company, or at all.

Possible Anti-Takeover Effects of Increase in Authorized Common Stock

We could also use the additional shares of common stock that will become available for issuance to oppose a hostile takeover attempt or to delay or prevent changes in control or management of the Company. For example, it may be possible for the Board of Directors to delay or impede a takeover or transfer of control of the Company by causing such additional authorized shares to be issued to holders who might side with the Board of Directors in opposing a takeover bid that the Board of Directors determines is not in the best interests of the Company or its stockholders. The proposed increase in authorized shares of common stock therefore may have the effect of discouraging unsolicited takeover attempts. By potentially discouraging initiation of any such unsolicited takeover attempts, the proposed increase in authorized shares of common stock may limit the opportunity for the Company's stockholders to dispose of their shares at the higher price generally available in takeover attempts or that may be available under a merger proposal. The proposed increase in authorized shares of common stock may have the effect of permitting the Company's current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that stockholders may wish to make if they are dissatisfied with the conduct of the Company's business. However, the Board of Directors is not aware of any attempt to take control of the Company and the Board of Directors has not approved the proposed increase in authorized shares of common stock with the intent that it be utilized as a type of anti-takeover device. Our Certificate of Incorporation and Bylaws include certain anti-takeover provisions including provisions which provide for:

- the inability of stockholders to call special meetings of stockholders;
- the ability of our board of directors to amend our Bylaws without stockholder approval; and
- the ability of our board of directors to issue up to 5,000,000 shares of preferred stock without stockholder approval upon the terms and conditions and with the rights, privileges and preferences as our board of directors may determine.

Required Vote for Approval

Approval of Proposal No. 3 requires the affirmative vote of a majority of the issued and outstanding shares of common stock entitled to vote at the Annual Meeting.

Recommendation of Our Board of Directors

Our Board of Directors recommends that stockholders vote “for” approval of the Amended and Restated Certificate of Incorporation to increase our authorized shares of common stock from 200,000,000 to 300,000,000.

PROPOSAL NO. 4

Advisory Vote on Executive Compensation

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) requires the Company’s stockholders to have the opportunity to cast a non-binding advisory vote regarding the approval of the compensation disclosed in this proxy statement of the Company’s executive officers who are named above in the Summary Compensation Table (the “named executive officers”). The Company has disclosed the compensation of the named executive officers pursuant to rules adopted by the SEC.

We believe that our compensation policies for the named executive officers are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company’s stockholders. This advisory stockholder vote, commonly referred to as a “say-on-pay vote,” gives you as a stockholder the opportunity to approve or not approve the compensation of the named executive officers that is disclosed in this proxy statement by voting for or against the following resolution (or by abstaining with respect to the resolution):

RESOLVED, that the stockholders of Single Touch Systems Inc. approve all of the compensation of the Company’s executive officers who are named in the Summary Compensation Table of the Company’s Proxy Statement for its Annual Meeting for fiscal year ended September 30, 2012 and the accompanying Annual Report on Form 10-K for the fiscal year ended September 30, 2012, as such compensation is disclosed in the Company’s Proxy Statement for its annual meeting pursuant to Item 402 of Regulation S-K, which disclosure includes the Proxy Statement’s Summary Compensation Table and other executive compensation tables and related narrative disclosures.

Because your vote is advisory, it will not be binding on either the Board of Directors or the Company. However, the Company’s Compensation Committee will take into account the outcome of the stockholder vote on this proposal at the Annual Meeting when considering future executive compensation arrangements. In addition, your non-binding advisory votes described in this Proposal 4 and below in Proposal 5 will not be construed: (1) as overruling any decision by the Board of Directors, any Board committee or the Company relating to the compensation of the named executive officers, or (2) as creating or changing any fiduciary duties or other duties on the part of the Board of Directors, any Board committee or the Company.

Recommendation of Our Board of Directors

Our Board of Directors recommends that you vote to approve the compensation disclosed in this proxy statement of the Company’s executive officers who are named in this proxy statement’s summary compensation table.

PROPOSAL NO. 5

Advisory Vote on the Frequency of Future Advisory Votes on Named Executive Officer Compensation

The Dodd-Frank Act requires the Company's stockholders to have the opportunity to cast a non-binding advisory vote regarding how frequently the Company should seek from its stockholders a non-binding advisory vote (similar to Proposal 4 above) on the compensation disclosed in the Company's proxy statement of its executive officers who are named in the proxy statement's summary compensation table for the year in question (the "named executive officers"). By voting on this frequency proposal, stockholders may indicate whether they would prefer that the advisory vote on the compensation of the Company's named executive officers occur every one, two or three years. Stockholders may also abstain from voting on the proposal.

The Board of Directors has determined that an advisory vote by the Company's stockholders on named executive officer compensation that occurs every three years is the most appropriate alternative for the Company. The Company's executive compensation is designed to support long-term value creation and therefore the advisory vote by shareholders every three years would be aligned the goal of the Company's compensation plan.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years when you vote in response to this proposal, and you may also abstain from voting on the proposal. Your vote on this proposal is not a vote to approve or disapprove of the Board's recommendation but rather is a vote to select one of the options described in the preceding sentence. The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency of the advisory vote on executive compensation that has been recommended by the stockholders. However, because this vote is advisory and not binding on either the Board of Directors or the Company, the Board of Directors may subsequently decide that it is in the best interests of the Company and its stockholders to hold an advisory vote on executive compensation that differs in frequency from the option that received the highest number of votes from the Company's stockholders at the Annual Meeting.

Recommendation of Our Board of Directors

Our Board of Directors recommends that the stockholders vote to conduct an advisory stockholder vote every three years on the compensation of the Company's executive officers named in the proxy statement's summary compensation table for that year.
