Definitive Proxy Statement on Schedule 14A

Related Party Transactions, page 12

1. Please expand your proposed disclosure in response to comment two of our May 24, 2010 letter to clarify what, if any, action is taken by the Chair when he or she is notified by the general counsel's office of a related party transaction or relationship that was disclosed pursuant to your Code of Ethics and Business Conduct. Please also clarify whether disclosures pursuant to your Code of Ethics and Business Conduct are affirmatively approved or ratified, and if so, by whom. In this regard, we note the second to last sentence of your proposed disclosure which states that with respect to related party transactions disclosed in the Annual Questionnaire, your Nominating and Corporate Governance Committee will determine how this affects a director's independence. disclosure, however, does not address the ultimate actions taken with respect to disclosure under the Code of Ethics and Business Conduct, as opposed to the Annual Questionnaire, nor does it address the ultimate actions taken with respect to disclosure by officers in any instance.

2. In response to comment six of our May 24, 2010 letter you describe the process you use for establishing your compensation programs. However, it does not appear that you have disclosed the process that you undertook in reaching the conclusion that neither your annual nor long-term incentive compensation plans “would be reasonably likely to have a materially adverse effect on the Company.” Please advise.
