Consolidated Statements of Operations, page 34

1. We have reviewed your response to our prior comment and again request that your financial statements be revised in future filings to account for the gain from the sale of the shopping center in operating income. As you stated in your response, "the accounting treatment being proposed by the SEC is appropriate." Accordingly, please revise your financial statements to reflect the gain on sale of the shopping center in income from operations as required by paragraph 45 of SFAS 144 and footnote 68 to SAB Topic 13.
