Fourth Quarter 2007 Webcast February 7, 2008

Safe Harbor Statement

Statements contained in this presentation that are forward-looking are based on current expectations that are subject to a number of uncertainties and risks, and actual results may differ materially. This presentation is being made on February 7, 2008, and Alcon does not undertake any obligation to update any of the forward-looking statements or forward-looking information. Although Alcon believes that these statements are based on reasonable assumptions within the bounds of its knowledge of its businesses and operations, there are a number of factors that may cause actual results to differ from these statements. Factors that might cause these differences include, but are not limited to, the uncertainty of market acceptance of our products by the worldwide medical community; uncertainty of clinical trial results for expanded FDA approval submissions for our current products and initial approval of our products under development; product liability claims; losses from litigations; the occurrence of excessive property and casualty, general liability or business interruption losses, for which we are self insured; manufacturing issues; and risks inherent in international transactions. For additional factors, which could cause actual results to differ from expectations, reference is made to the periodic reports filed by the company with the Securities and Exchange Commission under the Securities Exchange Act of 1934 as amended. Additional information about risk factors also can be found in the Company's Form 20-F filed with the SEC dated March 19, 2007, under the heading "Risk Factors". All these documents are available publicly and upon request from the Alcon Investor Relations Department at 817-551-8805 or www.alcon.com.
