INFORMATION CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Bi-Optic Ventures Inc. (the “Company”) for use at the annual meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held at Suite 1750 – 1185 West Georgia Street, Vancouver, British Columbia on the 17th day of August, 2009 at 10:00 a.m. (local time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company (“**Common Shares**”) pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Company.

Unless otherwise stated, the information contained in this Information Circular is given as at July 10, 2009.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder of the Company who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A shareholder of the Company may revoke a proxy by depositing an instrument in writing, executed by him or her or his or her attorney authorized in writing:

1. at the offices of the registrar and transfer agent of the Company, Proxy Dept., Computershare Investor Services Inc., 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, at any time, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting at which the proxy is to be used;
2. at the registered office of the Company, Suite 1750, 1185 West Georgia Street, Vancouver, British Columbia, V6E 4E6, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
3. with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting.

In addition, a proxy may be revoked by the shareholder of the Company personally attending the Meeting and voting his or her shares.

BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” or “beneficial” shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder

in respect of shares which are held on behalf of that person (the “Beneficial Holder”) but which are registered either: (a) in the name of an intermediary (an “Intermediary”) that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company’s transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “proxy authorization form”) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Proxyholders named in the form and insert the Beneficial Holder’s name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or senior officer of the Company since the commencement of the Company’s last completed financial year, or of any nominee for election as a director, or of any associate or affiliate of any of such persons, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares, without nominal or par value, of which as at the date hereof 14,512,235 common shares are issued and outstanding.

The holders of common shares of record at the close of business on the record date, set by the directors of the Company to be July 10, 2009, are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held.

The Articles of the Company provide that a quorum for the transaction of business at the Meeting is one person present in person or by proxy.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company.

The directors have determined that all shareholders of record as of the 10th day of July, 2009 will be entitled to receive notice of and to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting. The instrument of proxy, and the power of attorney or other authority, if any, under which it is signed or a notarially certified copy thereof, must be deposited either at the office of the Registrar and Transfer Agent of the Company, Proxy Dept., Computershare Investor Services Inc., 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or at the Head Office of the Company at Suite 1518, 1030 West Georgia Street, Vancouver, British Columbia, V6E 2Y3, not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment thereof.

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

I. Financial Statements

The audited financial statements of the Company for the financial year ended February 28, 2009 (the "Financial Statements"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. Shareholders should note that in accordance with the rules of National Instrument 51-102 "Continuous Disclosure Obligations", shareholders will no longer automatically receive copies of financial statements unless a card (*in the form enclosed herewith*) has been completed and returned as instructed. Copies of all previously issued annual and quarterly financial statements and related Management Discussions and Analysis are available to the public on the SEDAR website at www.sedar.com.

II. Election of Directors

The board of directors of the Company (the "Board" or the "Board of Directors") currently consists of three (3) directors, all of whom are elected annually. The term of office for each of the present directors of the Company expires at the Meeting. All of the current directors of the Company will be standing for re-election. It is proposed that the number of directors for the ensuing year be fixed at three (3) subject to such increases

as may be permitted by the Articles of the Company. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at three (3).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company's Articles.

It is the intention of the management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors. Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the shares represented by proxy for the election of any other person or persons as directors.

The following information relating to the nominees for election to the Board of Directors is based on information received by the Company from said nominees.

EXECUTIVE COMPENSATION (For the financial year ended February 28, 2009)

For purposes of this Information Circular, "named executive officer" of the Company means an individual who, at any time during the year, was:

- (a) the Company's chief executive officer ("CEO");
- (b) the Company's chief financial officer ("CFO");
- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at

the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 for that financial year; and

- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year;

(each a “Named Executive Officer”).

Based on the foregoing definition, during the last completed financial year of the Company, there was one (1) Named Executive Officer, namely, its President, Chief Executive Officer and Chief Financial Officer, Harry Chew.

Compensation Discussion and Analysis

In assessing the compensation of its executive officers, the Company does not have in place any formal objectives, criteria or analysis; instead, it relies mainly on Board discussion, with input from and upon the recommendations of, the Compensation Committee.

The Company’s executive compensation program has three principal components: base salary, incentive bonus plan and stock options.

Base salaries for all employees of the Company are established for each position through comparative salary surveys of similar type and size companies. Both individual and corporate performances are also taken into account.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for executive officers and employees. No bonuses were paid to the Named Executive Officer during the most recently completed financial year.

The Company has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm’s length services providers.

Option-Based Awards

Stock options are granted to provide an incentive to the directors, officers, employees and consultants of the Company to achieve the longer-term objectives of the Company; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Company; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Company. The Company awards stock options to its executive officers based upon the recommendation of the Compensation Committee, which recommendation is based upon the Committee’s review of a proposal from the Chief Executive Officer. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company’s Compensation Committee.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The Board is comprised of three (3) directors, of whom each of Dr. Terrance G. Owen and Sonny Chew are independent for the purposes of NI 58-101. Harry Chew is not independent since he serves as the President, Chief Executive Officer and Chief Financial Officer of the Company.

Directorships

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

Name	Other Reporting Issuers
Harry Chew	Avantec Technologies Inc. Pacific Paradym Energy Inc. Taipan Capital Corp. Cricket Capital Corp.
Terrance Owen	ALDA Pharmaceuticals Inc.
Sonny Chew	Pacific Paradym Energy Inc. Taipan Capital Corp. Cricket Capital Corp.

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the

directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation Committee

The Compensation Committee is responsible for determining compensation for the directors and officers of the Company to ensure it reflects the responsibilities and risks of a public company.

Other Board Committees

The Board has no other committees, other than the Audit Committee and Compensation Committee.

Assessments

Due to the minimal size of the Company's board of directors, no formal policy has been established to monitor the effectiveness of the directors, the Board and its committees.

AUDIT COMMITTEE

Under National Instrument 52-110 – Audit Committees (“NI 52-110”) reporting issuers are required to provide disclosure with respect to its Audit Committee including the text of the Audit Committee's Charter, composition of the Committee, and the fees paid to the external auditor. The Company provides the following disclosure with respect to its Audit Committee:

Audit Committee Charter

1. Purpose of the Committee

- 1.1 The purpose of the Audit Committee is to assist the Board in its oversight of the integrity of the Company's financial statements and other relevant public disclosures, the Company's compliance with legal and regulatory requirements relating to financial reporting, the external auditors' qualifications and independence and the performance of the internal audit function and the external auditors.

2. Members of the Audit Committee

- 2.1 At least one member must be “financially literate” as defined under NI 52-110, having sufficient accounting or related financial management expertise to read and understand a set of financial statements, including the related notes, that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.
- 2.2 The Audit Committee shall consist of no less than three Directors.
- 2.3 At least one member of the Audit Committee must be “independent” as defined under NI 52-110, while the Company is in the developmental stage of its business.

3. Relationship with External Auditors

- 3.1 The external auditors are the independent representatives of the shareholders, but the external auditors are also accountable to the Board of Directors and the Audit Committee.
- 3.2 The external auditors must be able to complete their audit procedures and reviews with professional independence, free from any undue interference from the management or directors.
- 3.3 The Audit Committee must direct and ensure that the management fully co-operates with the external auditors in the course of carrying out their professional duties.
- 3.4 The Audit Committee will have direct communications access at all times with the external auditors.

4. Non-Audit Services

- 4.1 The external auditors are prohibited from providing any non-audit services to the Company, without the express written consent of the Audit Committee. In determining whether the external auditors will be granted permission to provide non-audit services to the Company, the Audit Committee must consider that the benefits to the Company from the provision of such services, outweighs the risk of any compromise to or loss of the independence of the external auditors in carrying out their auditing mandate.
- 4.2 Notwithstanding section 4.1, the external auditors are prohibited at all times from carrying out any of the following services, while they are appointed the external auditors of the Company:
 - (i) acting as an agent of the Company for the sale of all or substantially all of the undertaking of the Company; and
