Form 10-K for the Fiscal Year Ended December 31, 2008
Filed March 2, 2009
File No. 1-31369**

Dear Mr. Peek:

We have limited our review of your filing to disclosure relating to your contacts with countries that have been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with supplemental information, so that we may better understand your disclosure. Please be as detailed as necessary in your response. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note the disclosure on pages 3, 17, and 26 in your Form 10-K that you operate in Latin America, and the disclosure on page 53 that your commercial aerospace portfolio includes aircraft leased to customers in Latin America, Africa, and the Middle East, regions that are generally understood to include Cuba, Sudan, Syria, and Iran. In addition, we note your press release dated September 18, 2006, available on your website, announcing that CIT Aerospace had agreed to lease six new Airbus aircraft to Qatar Airways, an airline that provides flights to and from Iran, Sudan, and Syria.

Cuba, Iran, Sudan, and Syria are identified by the State Department as state sponsors of terrorism, and are subject to U.S. economic sanctions and export controls. We note that your Form 10-K does not include disclosure regarding

contacts with Cuba, Iran, Sudan, and Syria. Please describe to us the nature and extent of any past, current, and anticipated contacts with the referenced countries, whether through subsidiaries, customers, or other direct or indirect arrangements. Your response should describe any products, components, equipment, technology, or services you have provided to those countries, directly or indirectly, and any agreements, commercial arrangements, or other contacts you have had with the governments of those countries or entities controlled by those governments.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:
