FOR IMMEDIATE RELEASE Trading Symbol: (TSX-V: BKC.P)

Vancouver, B.C. -- Further to the news release of Brockton Capital Corp. (the "Company") dated September 7, 2004, the Company announces that it has completed the private placement of 4,500,000 common shares at a price of \$0.001 per share from the treasury of the Company and that Kevin Hanson (of North Vancouver, British Columbia), who is a director of the Company, acquired 500,000 of the shares. Mr. Hanson also holds 195,000 stock options in the Company (exercisable at \$0.15 per share to August 28, 2006) and if he were to exercise all of the options his total shareholdings over which he has direct or indirect beneficial ownership or control would equal 695,000 shares or approximately 10.6% of the Company's then outstanding share capital.

The foregoing shares were acquired by Mr. Hanson for investment purposes and to partially replace 675,000 shares subject to escrow which were recently cancelled when the Company voluntarily de-listed from the TSX Venture Exchange. Mr. Hanson has no present intention of increasing his beneficial ownership of, or direction or control over any additional common shares of the Company except that he may purchase additional shares at some time in the future through the exercise of presently held or additional options as may hereafter be allocated to him.

The Offeror does not have any present intention of increasing his beneficial ownership of, or control or direction over, any of the securities of the Company save that the Offeror may exercise the stock options which are currently held by the Offeror (or may acquire additional common shares pursuant to any additional stock options which may be allocated to the Offeror by the Company at any time in the future).

7. The general nature and the material terms of any agreement, other than lending arrangements, with respect to securities of the reporting issuer entered into by the offeror, or any joint actor, and the issuer of the securities or any other entity in connection with the transaction or occurrence giving rise to the report, including agreements with respect to the acquisition, holding, disposition or voting of any of the securities:
