FURTHER CAUTIONARY ANNOUNCEMENT

Shareholders of Gold Fields ("shareholders") are referred to the announcement published by Gold Fields in the press on 19 October 2004, regarding an offer for the entire issued share capital of Gold Fields by Harmony Gold Mining Company Limited ("Harmony"), a circular in respect of which may now have been received by shareholders.

Gold Fields has received legal advice to the effect that the early settlement offer, in terms of which Harmony is seeking to acquire for early settlement up to 34,9% of the entire issued share capital of Gold Fields, whether in isolation or in combination with the so-called subsequent offer, is an unlawful construct designed to evade the jurisdiction of various regulatory authorities and is, in particular, a notifiable merger for the purposes of the Competition Act, 1998, as amended. As such, according to legal advice received, the offer may not lawfully be implemented in whole or in part prior to notification to the Competition authorities and receipt of approval from them.

In order to obtain certainty for shareholders and to enable them to determine how they should in their best interests deal with the offer from Harmony, Gold Fields has submitted an application to the Competitions Tribunal to interdict the apparent unlawful implementation of the offer.

Until such time as further information regarding the outcome of the application becomes available, shareholders are advised to continue to exercise caution when dealing in securities of the company.
