Dear Mr. Pinkerton:

Re: Bangla Property Management, Inc.

Thank you for your comments of March 8, 2004.

The company, if approved by the shareholders, will acquire Wollaston for 22,675,000 common shares. With respect to the issuance of the common stock, the Company relies on Section 4(2) of the Securities Act of 1933, as amended. No advertising or general solicitation was employed in offering the securities. The securities were offered solely for investment and not for the purpose of resale or distribution. The transfer of the securities will be appropriately restricted. The Company also relies upon the Regulation S safe harbor exemption from the registration requirements in that the shares are offered and will be sold to Non-U.S. Persons in offshore transactions as defined by Regulation S.

The company has been advised by the two directors controlling 42% of the company that they are and will vote in favour of the merger plan.

We have included the proxy card as an exhibit in the amended filing.

We consulted with the auditors and they have advised that Bangla operations under the Merger Agreement of February 23, 2005, "hereby irrevocably covenants that immediately after the Merger, Parent shall spin off the Canada Subsidiary in a private sale with all the liabilities of the Canada Subsidiary to be borne by the purchaser." Therefore for accounting purposes would treat this transaction as a reverse merger and the pro-forma statements would be identical to those of the acquiring company.

The adequacy and accuracy of the disclosure in the filing is the responsibility of the registrant, Bangla Property Management, Inc. The registrant acknowledges that staff comment or changes in response to staff comment in the proposed disclosure in the preliminary proxy materials do not foreclose the Commission from taking any action with respect to the filing. The registrant also represents that staff comment may not be asserted as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

I understand that Mr. Broverone is away from his office. If you have further comment or concern will you please fax to 630-604-2040.

Yours truly,

BANGLA PROPERTY MANAGEMENT, INC.
