Item 2.01 Completion of Acquisition or Disposition of Assets

On June 8, 2005, Behringer Harvard Mid-Term Value Enhancement Fund I LP (which may be referred to herein as the “Registrant,” “we,” “our” or “us”) acquired a two-story suburban office building containing approximately 33,467 rentable square feet located on approximately 2.0 acres of land at 5072 Plano Parkway in Plano, Texas, a suburb of Dallas (the “Parkway Vista”) through our direct and indirect partnership interests in Behringer Harvard Parkway Vista LP (the “Parkway Vista Partnership”). The contract purchase price for the Parkway Vista was \$5,200,000, excluding closing costs. The Parkway Vista was acquired by the Parkway Vista Partnership entirely through the use of proceeds of our public offering of our limited partnership units.

The Parkway Vista is held by the Parkway Vista Partnership in which Behringer Harvard Parkway Vista GP, LLC, our wholly-owned subsidiary, is the general partner and we are the limited partner. The purchase price for the transaction was determined through negotiations between the seller of the property, Parkway Monticello Partners, Ltd., an unaffiliated third party, and Harvard Property Trust, LLC, an entity affiliated with our general partners. In evaluating the Parkway Vista as a potential acquisition and determining whether the amount of consideration to be paid was appropriate, a variety of factors were considered, including overall valuation of net rental income, expected capital expenditures, costs of physical plant maintenance, location, environmental issues, demographics, credit worthiness of tenants, quality of tenants, lease terms and price per square foot. Our general partners believe that the Parkway Vista is well located, has acceptable roadway access, attracts a high-quality tenant, is well maintained, adequately insured and has been professionally managed.

The Parkway Vista, which was constructed in 2002, is approximately 96% leased and includes the following major tenants: American Express Financial Advisors, Blue Star Title, Inc. and HKB-Brooks Rehabilitation.

American Express Financial Advisors offers financial planning, products and services to individuals, businesses and institutions. American Express Financial Advisors leases 5,614 square feet for an annual rent of \$113,397 under a lease that expires in January 2008. The current lease allows American Express Financial Advisors the option of one five-year renewal at the market rental rate.

Blue Star Title, Inc. is an independent title insurance company. Blue Star Title, Inc. leases 4,780 square feet for an annual rent of \$105,160 under a lease that expires in November 2007. The current lease allows Blue Star Title, Inc. the option of one five-year renewal at the market rental rate.

HKB-Brooks Rehabilitation provides individual and family rehabilitation services. HKB-Brooks Rehabilitation leases 4,573 square feet for an annual rent of \$99,463 under a lease that expires in August 2007. The current lease allows HKB-Brooks Rehabilitation the option of two five-year renewals at the market rental rate.

HPT Management Services LP (the “Management Company”), our affiliate, has the sole and exclusive right to manage and arrange for the leasing of the Parkway Vista. Among other things, the Management Company will have the authority to negotiate and enter into leases of the property on our behalf, to incur costs and expenses, to pay property operating costs and expenses from property cash flow or reserves and to require that we provide sufficient funds for the payment of operating expenses. As compensation, the Management Company will receive a property management fee equal to 4% of annual gross revenues. The Management Company has subcontracted certain of its on-site management services to Trammell Crow Services, Inc.
