I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and I am required to be independent with respect to Mercadien Securities, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Mercadien Securities, LLC
Notes to the Financial Statements

NATURE OF THE BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Business

Mercadien Securities, LLC (the Company) is a Registered Broker Dealer with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company is a brokerage firm that sells securities and provides investment banking and investment advisory services to corporations and individuals located in New Jersey.

Basis of Accounting

The Company employs the accrual method of accounting for financial reporting purposes.

Cash and Equivalents

For the purpose of the statement of cash flows, cash equivalents include time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less.

Estimates and Uncertainties

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results, as determined at a later date, could differ from those estimates.

Deposit with Clearing Agent

The Company, per the terms of its clearing agreement, is required to maintain a restricted security deposit with its clearing broker. Such deposit amounts are refundable to the Company upon termination of the agreement.

Income Taxes

The Company is taxed as a partnership for federal income tax purposes and, thus, no income tax expense has been recorded in the financial statements. Taxable income of the Company is passed through to the members and reported on their individual tax returns.

Investment Advisory Fees and Revenue Recognition

Investment advisory fees are calculated and charged quarterly in advance based on the market value of accounts on the last day of the previous quarter. Clients receive a pro rata refund of any unearned fees should they terminate their relationship with the Company prior to the end of the quarter.

Revenue is recognized in accordance with FASB ASC Topic 606 as services are rendered and the contracts identified performance obligations have been satisfied. There were no unsatisfied performance obligations at December 31, 2020.

Fair Value of Financial Instruments

The fair values of cash, accounts payable, and accrued expenses and other short-term obligations approximate their carrying values because of the short maturity of these financial instruments. In accordance with FASB ASC 825-10-50, "Disclosure About Fair Value of Financial Instruments," rates available to the Company at the balance sheet date are used to estimate the fair value of existing balance sheet amounts.

Limitations

Fair value estimates are made at a specific point in time, based on relevant market information and information about the financial statement. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and therefore cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Mercadien Securities, LLC
Notes to the Financial Statement

NATURE OF THE BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Subsequent Events Evaluation Date

The Company evaluated the events and transactions subsequent to its December 31, 2020 balance sheet date and, in accordance with FASB ASC 855-10-50, "Subsequent Events," determined there were no significant events to report through February 8, 2021, which is the date the financial statements were issued.

CONCENTRATIONS OF BUSINESS AND CREDIT RISK

At times throughout the year, the Company may maintain certain bank accounts in excess of FDIC insured limits.

RECEIVABLE FROM / DUE TO CLEARING AGENT

The Company clears all security transactions through its clearing agent, RBC Capital Markets Corporation. Amounts earned are reconciled monthly and paid in the subsequent month. As a result, the Company considers the amounts due from its clearing agent to be fully collectible, and accordingly, no allowance for doubtful accounts has been established.

NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2020 the Company had net capital of \$114,335, which was \$64,335 in excess of its required net capital. The Company's net capital ratio was .1315 to 1.

RELATED PARTY TRANSACTIONS

Effective July 1, 2010, the Company entered into a revised Expense and Facilities Sharing Agreement with an affiliate of one of the Company's members. The agreement is effective for one year, with automatic annual renewal periods, cancelable by either party with proper notice of termination. Under the terms of the revised agreement, the Company leases office space in Hamilton from the affiliate on a month to month basis currently at a rate of \$920 per month. Rent expense under this agreement amounted to \$11,039 for the year ended December 31, 2020. No amounts were unpaid or outstanding under this arrangement as of December 31, 2020.

Terms of the revised Expense and Facilities Sharing Agreement also provide the Company with certain administrative support services from the affiliate on a month to month basis. Expenses under this arrangement amounted to \$12,010 for the year ended December 31, 2020. The Company owed \$4,984 under this arrangement as of December 31, 2020.

The Company collects asset management fees on behalf of a related entity. The Company then remits those fees to the related entity. During the year ended December 31, 2020, the Company collected \$1,589,000 and remitted \$1,589,000 under this arrangement. As of December 31, 2020, the Company owed the related entity \$0.

COVID 19

In March 2020, the World Health Organization (WHO) declared COVID-19 a global pandemic. This pandemic event has resulted in significant business disruption and uncertainty in both global and U.S. markets. While management believes the Company is in an appropriate position to weather the potential short-term effects of these world-wide events, the direct and long-term impact to the Company and its financial statements is undetermined at this time.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Mercadien Securities, LLC

I have reviewed management's statements, included in the accompanying Statement of Exemption from SEC Rule 15c3-3, in which (1) Mercadien Securities, LLC identified the following provisions of 17 C.F.R. §240.15c3-3(k) under which Mercadien Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: under—k(2)(ii), (the “exemption provisions”) and (2) Mercadien Securities, LLC stated that Mercadien Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. The Company’s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company’s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
