Mercadien Securities, LLC
Notes to the Financial Statements

NATURE OF THE BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Business

Mercadien Securities, LLC (the Company) is a Registered Broker Dealer with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company is a brokerage firm that sells securities and provides investment banking and investment advisory services to corporations and individuals located in New Jersey.

Basis of Accounting

The Company employs the accrual method of accounting for financial reporting purposes.

Cash and Equivalents

For the purpose of the statement of cash flows, cash equivalents include time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less.

Estimates and Uncertainties

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results, as determined at a later date, could differ from those estimates.

Deposit with Clearing Agent

The Company, per the terms of its clearing agreement, is required to maintain a restricted security deposit with its clearing broker. Such deposit amounts are refundable to the Company upon termination of the agreement.

Income Taxes

The Company is taxed as a partnership for federal income tax purposes and, thus, no income tax expense has been recorded in the financial statements. Taxable income of the Company is passed through to the members and reported on their individual tax returns.

Investment Advisory Fees and Revenue Recognition

Revenue is recognized in accordance with FASB ASC Topic 606 as services are rendered and the contracts identified performance obligations have been satisfied. Revenue recognition guidance requires an entity to recognize the amount of revenue to which it is entitled for the transfer of promised goods or services to customers.

Investment advisory fees are calculated and charged quarterly in advance based on the market value of accounts on the last day of the previous quarter. Clients receive a pro rata refund of any unearned fees should they terminate their relationship with the Company prior to the end of the quarter.

Fees include investment advisory and financial planning services provided by our affiliated Registered Investment Advisor firm, Mercadien Asset Management (MAM), and as such the portion of total revenue attributable to MAM is distributed to them. Mercadien Securities LLC (MS) portion of the fee are for the processing and execution of MAM's market related activities and are generally satisfied once the date of such service is rendered.

MS has a selling agreement with fund companies for 529 plans and mutual funds. Commissions are recorded and considered earned on the trade date because it is deemed that is when the performance obligation has been met.

There were no unsatisfied performance obligations at December 31, 2023.

Fair Value of Financial Instruments

The fair values of cash, accounts payable, and accrued expenses and other short-term obligations approximate their carrying values because of the short maturity of these financial instruments. In accordance with FASB ASC 825-10-50, "Disclosure About Fair Value of Financial Instruments," rates available to the Company at the balance sheet date are used to estimate the fair value of existing balance sheet amounts.

Limitations

Fair value estimates are made at a specific point in time, based on relevant market information and information about the financial statement. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and therefore cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Subsequent Events Evaluation Date

The Company evaluated the events and transactions subsequent to its December 31, 2023 balance sheet date and, in accordance with FASB ASC 855-10-50, "Subsequent Events," determined there were no significant events to report through February 12, 2024, which is the date the financial statements were issued.

CONCENTRATIONS OF BUSINESS AND CREDIT RISK

At times throughout the year, the Company may maintain certain bank accounts in excess of FDIC insured limits.

RECEIVABLE FROM / DUE TO CLEARING AGENT

The Company clears all security transactions through its clearing agent, RBC Capital Markets Corporation. Amounts earned are reconciled monthly and paid in the subsequent month. As a result, the Company considers the amounts due from its clearing agent to be fully collectible, and accordingly, no allowance for doubtful accounts has been established.

NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1 which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023 the Company had net capital of \$119,790, which was \$69,790 in excess of its required net capital. The Company's net capital ratio was .1333 to 1.

RELATED PARTY TRANSACTIONS

Effective July 1, 2010, the Company entered into a revised Expense and Facilities Sharing Agreement with an affiliate of one of the Company's members. The agreement is effective for one year, with automatic annual renewal periods, cancelable by either party with proper notice of termination. Under the terms of the revised agreement, the Company leases office space in Hamilton from the affiliate on a month to month basis currently at a rate of \$1,079 per month. Rent expense under this agreement amounted to \$12,943 for the year ended December 31, 2023. No amounts were unpaid or outstanding under this arrangement as of December 31, 2023.

Terms of the revised Expense and Facilities Sharing Agreement also provide the Company with certain administrative support services from the affiliate on a month to month basis. Expenses under this arrangement amounted to \$11,521 for the year ended December 31, 2023. The Company owed \$4,125 under this arrangement as of December 31, 2023.

The Company collects asset management fees on behalf of Mercadien Asset Management ("MAM"). The Company then remits those fees to MAM. During the year ended December 31, 2023, the Company collected \$1,911,000 and remitted \$1,911,000 to MAM under this arrangement, which is reflected in the Statement of Operations. Only the amount of revenues earned by the Broker Dealer and retained by the Broker Dealer are reflected on the company's FOCUS filing.

As of December 31, 2023, the Company owed the related entity \$0.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Mercadien Securities, LLC

I have reviewed management's statements, included in the accompanying Statement of Exemption from SEC Rule 15c3-3, in which (1) Mercadien Securities, LLC identified the following provisions of 17 C.F.R. §240.15c3-3(k) under which Mercadien Securities, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: under—k(2)(ii) and Footnote 74 of the SEC Release No. 34-70073, (the “exemption provisions”) and (2) Mercadien Securities, LLC stated that Mercadien Securities, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. The Company’s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company’s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) and Footnote 74 of the SEC Release No. 34-70073 of Rule 15c3-3 under the Securities Exchange Act of 1934.

STATEMENT OF EXEMPTION FROM SEC RULE 15c3-3

Mercadien Securities, LLC (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. 5240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Statement was prepared as required by 17 C.F.R. 5240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

- (1) The Company claimed an exemption from 17 C.F.R. 5240.15c3-3 under the following provisions of 17 C.F.R. 5240.15c3-3(k)(2)(ii).
- (2) The Company met the identified exemption provisions in 17 C.F.R. §240.15c3-3(k)(2)(ii) throughout the most recent fiscal year without exception.
- (3) The Company is also filing this Exemption Report because the Company's other business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 are limited to effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company.
