IAMGOLD DOUBLES CREDIT FACILITY TO \$500 MILLION AND EXTENDS TO 2023

All monetary amounts are expressed in US dollars, unless otherwise indicated.

Toronto, Ontario, November 15, 2018 – IAMGOLD Corporation (“IAMGOLD” or the “Company”) announces today that it has amended its revolving credit facility (the “Corporate Facility”), with the amount increased to \$500 million from \$250 million and the term extended to 2023. The commitments are secured by a syndicate of lenders led by National Bank of Canada and Deutsche Bank AG, Canada Branch, and including Citibank, N.A., Canadian Branch, Morgan Stanley Senior Funding Inc., Royal Bank of Canada, The Toronto-Dominion Bank, BNP Paribas, Canadian Imperial Bank of Commerce, Ressources Québec Inc., and Export Development Canada.

To provide additional financial flexibility, the terms of the Corporate Facility were also modified to provide the option of securing a further \$100 million through an accordion feature, as well as providing leasing for up to \$250 million, up from \$125 million.

“The doubling of our credit facility, together with the other financing options available, provide us with ample financial flexibility at a time when our organic growth projects have gained significant traction,” said Carol Banducci, EVP and Chief Financial Officer. “Our balance sheet is strong with \$715 million in cash, cash equivalents and short-term investments, and our long-term debt of \$400 million is not due until 2025.”

The \$500 million Corporate Facility will expire in January 2023 and the \$100 million accordion is available under the same terms and conditions.
