

NEWS RELEASE

IAMGOLD INDIRECTLY ACQUIRES ADDITIONAL SHARES IN EAGLE MOUNTAIN

All amounts are expressed in Canadian dollars.

Toronto, Ontario, February 11, 2013 – IAMGOLD Corporation (“IAMGOLD” or the “Company”) today announced that it has indirectly received, through its 95% owned subsidiary, 3,236,246 common shares of Eagle Mountain Gold Corp. (“EMGC”), formerly Stronghold Metals Inc., (TSX-V: Z). The shares were received, on a prospectus exempt basis, as consideration under an earn-in agreement with EMGC for the remaining 50% interest in the Eagle Mountain exploration concession in Guyana.

IAMGOLD now indirectly owns, through its 95% owned subsidiary, 5,536,246 common shares of EMGC, or approximately 14.93% of the outstanding common shares.

The common shares of EMGC indirectly acquired today by IAMGOLD were acquired for investment purposes. IAMGOLD does not have any present intention to acquire, indirectly or directly, ownership of, or control or direction over additional securities of EMGC other than shares that by be issued by EMGC as contingent consideration pursuant to the earn-in agreement. It is the intention of IAMGOLD to evaluate its investment in EMGC on a continuing basis and such holdings may be, indirectly or directly, increased or decreased in the future.

Forward Looking Statement

This news release contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding the estimation of mineral resources, exploration results, potential mineralization, potential mineral resources and mineral reserves) are forward-looking statements. Forward-looking statements are generally identifiable by use of the words “may”, “will”, “should”, “continue”, “expect”, “anticipate”, “estimate”, “believe”, “intend”, “plan” or “project” or the negative of these words or other variations on these words or comparable terminology. Forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company’s ability to control or predict, that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, failure to establish estimated mineral resources, the possibility that future exploration results will not be consistent with the Company’s expectations, changes in world gold markets and other risks disclosed in IAMGOLD’s most recent Form 40-F/Annual Information Form on file with the United States Securities and Exchange Commission and Canadian provincial securities regulatory authorities. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement.
