RECITALS:

A. Dyadic NL, Dyadic USA and TNO are parties to that certain Cooperation and License Agreement dated August 12, 2003 (the “**Cooperation Agreement**”).

B. As was described in Section 1.1 of the Cooperation Agreement, Dyadic NL is engaged in the business of developing, commercializing and using high throughput robotic screening (“**HTRS**”) systems utilizing fungal organisms including the use of HTRS systems the scope of which includes, but is not limited to, the discovery and development of native, cDNA and evolved genes and expressed bio-molecules (including but not limited to proteins, peptides, antibodies, enzymes and small molecules), and libraries in fungi, as well as mode of action research and target gene identification for antifungal drugs and fungicides, but which, for purposes of clarity, does not include the over expression of the aforementioned for commercial purposes (referred to in the Cooperation Agreement and hereinafter as “**the Business**”).

C. Under the Cooperation Agreement, and as part of the collaboration of TNO and Dyadic USA to develop an HTRS system utilizing fungal organisms (a “**Fungal HTRS System**”), TNO licensed to Dyadic NL on an exclusive, worldwide basis for the sole purpose of conducting the Business (i) pursuant to Section 2.2 of the Collaboration Agreement, International Patent Application WO 2000NL00544 (the “**TNO Patent**”) and (ii) pursuant to Section 2.3 of the Collaboration Agreement, any additional Technology not included in the TNO Patent (including without limitation, Improvements to the TNO Patent) which TNO has developed, owns, licenses or otherwise has the right to use as of the date of the Collaboration Agreement or thereafter, and which is necessary or useful for the conduct of the Business (the “**Additional TNO Technology**,” and together with the TNO Patent, collectively, the “**TNO Licensed Technology**”).

D. Pursuant to the terms of the Cooperation Agreement, as part consideration for its license of the TNO Licensed Technology to Dyadic NL as described in Recital C (the “**Original TNO License**”), TNO was granted various rights (i) to receive royalties, profits and gains realized by Dyadic NL from its successful commercialization of a Fungal HTRS System and certain option rights to purchase shares of Dyadic Parent stock (collectively, the “**Royalty and**

Equity Interests") and (ii) be paid fees for R&D services performed for Dyadic NL by TNO ("**Service Fees**").

E. As part consideration for its Royalty and Equity Interests, in addition to the Original TNO License and other undertakings set for in the Cooperation Agreement, TNO made an investment in Dyadic NL of costs incurred by TNO prior to the date of the Cooperation Agreement in the amount of US\$161,000, as fixed by Attachment 1 to the Cooperation Agreement (the "**Investment Amount**").

F. As of the Effective Date, Dyadic NL owes TNO US\$377,000 of Service Fees for services heretofore rendered by TNO to Dyadic NL (the "**Unpaid Service Fees**").

G. The Parties now wish to (i) terminate the Cooperation Agreement and convert the Original TNO License into a paid-up, exclusive, worldwide license to use the TNO Licensed Technology for the sole purpose of conducting the Business (the "**Replacement TNO License**"), (ii) extinguish in their entirety TNO's Royalty and Equity Interests in Dyadic NV and Dyadic Parent, (iii) have the Dyadic NV liability to TNO for the Unpaid Service Fees satisfied in full, and (iv) effect that termination of the Cooperation Agreement and the conversion of the TNO License into the Replacement TNO License, the extinguishment of the Royalty and Equity Interests and the satisfaction of the Unpaid Services Fees liability, respectively, by Dyadic Parent's issuance 161,560 shares of its Common Stock to TNO\BV (the "**Shares**"), all upon and subject to the terms and conditions of this Agreement.

AGREEMENT:

NOW THEREFORE, in consideration of the foregoing Recitals, the covenants and agreements of the Parties herein below set forth and other good and valuable consideration, the receipt and sufficiency of which the Parties hereby each mutually acknowledge, the Parties, for themselves and their respective successors and assigns, agree as follows:

and regulations, unless such distribution or offering is registered under the Securities Act of 1933, as amended (the "**Securities Act**"), or an exemption from such registration is available.

(c) TNO\BV (i) has received all the information it has deemed necessary to make an informed investment decision with respect to an acquisition of the Shares; (ii) understands that Dyadic Parent is subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), and has had the opportunity to review all publicly available filings made by Dyadic Parent with the Securities and Exchange Commission (the "**SEC**") pursuant to either the Securities Act or the Exchange Act; (iii) has had the unrestricted opportunity to make such investigation as it has desired pertaining to Dyadic Parent and the acquisition of the Shares and to verify the information that is, and has been, available to TNO\BV; and (iv) has had the opportunity to ask questions of Dyadic Parent concerning Dyadic Parent.

(f) TNO\BV understands that the Shares are "restricted securities" as that term is defined in Rule 144 promulgated by the SEC under the Securities Act, the resale of these Shares is restricted by federal and state securities laws and, accordingly, the Shares must be held indefinitely unless their resale is subsequently registered under the Securities Act, effectuated pursuant to Rule 144, or Dyadic Parent receives an opinion of counsel acceptable to Dyadic Parent or another exemption from such registration is available for their resale.

3.3 Restrictions on Transfer of Shares. TNO\BV acknowledges and consents that certificates now or hereafter issued for the Shares shall bear a legend with respect to the transfer restrictions under the Securities Act. TNO\BV also agrees to furnish Dyadic Parent with a copy of all such papers, documents and instruments, and, in addition, will furnish Dyadic Parent with any other information that Dyadic Parent may reasonably require to ensure that no subsequent transfer or disposition of the Shares by TNO\BV is in violation of the Securities Act or any applicable US state or Dutch securities laws. TNO\BV further acknowledges that it is aware that stop-transfer instructions may be given to the transfer agent of the Shares to prevent any illegal transfer of the Shares. For purposes hereof, the term resale includes any transfer for value including the mortgage, pledge or hypothecation of such Shares.

ARTICLE IV

TNO\BV PIGGYBACK REGISTRATION RIGHTS

4.1 Notice of Registration of Dyadic Parent Securities. Dyadic Parent hereby covenants and agrees that in the event it shall take action to register any of its securities under the Securities Act at any time during the two (2) year period following the Effective Date other than in the case of a registration being undertaken for the purpose of registering "Excluded Securities" (as hereinafter defined), Dyadic Parent shall give TNO\BV and any other Person that, as of that date, had been granted piggyback registration rights by Dyadic Parent comparable to the piggyback registration rights granted to TNO\BV in this Article IV (for purposes hereof, TNO\BV and all other such holders being hereinafter referred to as "**Rightsholders**") written notice of Dyadic Parent's intention to take that action (the "**Registration Notice**").

4.2 TNO\BV Piggyback Rights. TNO\BV (together with all other Rightsholders) shall have the right, exercisable by written notice to Dyadic Parent within forty-five (45) days following receipt of the Registration Notice from Dyadic Parent, to request the inclusion of all or such portion of the Shares as TNO\BV may elect in such registration, at the expense of the Dyadic Parent (other than the commission costs of selling all such Shares).

4.3 Registration Process. Dyadic Parent shall, subject to the provisions of this Article IV, thereupon use its commercially reasonable efforts to (i) effect the registration of TNO\BV's Shares to the end that such registration under the Securities Act shall become and remain effective, (ii) cause any underwriting agreement relating to Dyadic Parent's securities to provide that TNO\BV shall have the right to sell its Shares to the underwriters and that the underwriters shall purchase the Shares at the price paid by the underwriters for the securities sold by Dyadic Parent, and (iii) keep TNO\BV advised in writing as to the initiation of each registration and as to the completion

thereof, (iv) furnish such number of the registration statement and the prospectus included therein, including preliminary prospectuses and other documents incident thereto as TNO\BV from time to time may reasonably request, and (v) cause all Shares covered by such registrations to be listed on each securities exchange on which similar securities issued Dyadic Parent are listed, provided that:

(a) TNO\BV shall have timely executed and delivered the usual and customary agreement between Dyadic Parent, TNO\BV and the underwriters relating to the registration;

(b) in no event shall Dyadic Parent be required to keep up to date or to supplement any prospectus more than nine (9) months after the effective date of the registration statement of which such prospectus is a part; and

(c) if the registration contemplated by the Registration Notice consists of an underwritten offer and sale by Dyadic Parent for its own account of Dyadic Parent securities to be registered under the Securities Act, and the managing underwriters advise Dyadic Parent in writing that in their opinion the offering contemplated by the Registration Notice cannot be successfully completed if Dyadic Parent were to also register all of the "Registrable Shares" (as defined below) requested to be included in such registration by the Rightsholders, then Dyadic Parent will include in that registration: (i) first, any securities Dyadic Parent proposes to sell as contemplated by the Registration Notice, and (ii) second, that portion of the aggregate number of shares held by TNO\BV and all other Rightsholders (collectively, the "**Registrable Shares**"), which in the opinion of such managing underwriters can successfully be sold, such number of Registrable Shares to be taken pro rata from the then Rightsholders on the basis of the total number of Registrable Shares then held by each of them, with further like pro rata allocations among the Rightsholders of Registrable Shares in the event that any Rightsholder has requested registration of less than all of the Registrable Shares then held by such Rightsholder.

4.4 Excluded Securities. ARTICLE V
REPLACEMENT TNO LICENSE GRANT AND COVENANTS

5.1 Grant of Replacement TNO License. In lieu of the Original TNO License grant made by TNO to Dyadic NL pursuant to Sections 2.2 and 2.3 of the Cooperation Agreement, and notwithstanding that Dyadic NL has not, to date, used any TNO Licensed Technology, TNO hereby grants to Dyadic NL (and any other Affiliate of Dyadic NL, if any, established to conduct the Business in the future) a fully paid-up, exclusive, worldwide license in and to the TNO Licensed Technology, including the rights to use, modify, further develop, improve and commercially exploit the TNO Licensed Technology for the sole purpose of conducting the Business, with the right to assign the foregoing license (heretofore and hereinafter referred to as the “**Replacement TNO License**”) and sublicense the Replacement TNO License as set forth below, for the life of the last patent issued on any of the TNO Licensed Technology (or if no patent is ever issued, for a term of eighteen (18) years, commencing with the Effective Date), provided that (a) all Improvements to the TNO Licensed Technology, whether or not developed by Dyadic NL, shall be the exclusive property of TNO and (b) TNO shall promptly disclose any Improvements to Dyadic NL, subject to the confidentiality provisions of Article IX hereof.

5.2 Sublicenses. Dyadic NL shall have the right to sublicense the TNO Replacement License to unrelated Persons, but solely for the internal use by such Persons in connection with their use of any Fungal HTRS System sold or licensed by Dyadic NL to such Persons.

5.3 Assignment. In the event the Business is operated in whole or in part by an Affiliate of Dyadic NL, Dyadic NL shall have the right to assign the Replacement TNO License to that Affiliate. The Replacement TNO License may only be assigned by Dyadic NL either (i) to an Affiliate of Dyadic NL engaged in the conduct of the Business or (ii) an acquirer in connection with a sale of Dyadic NL or substantially all of its assets.

5.4 Covenant Not to Compete. TNO covenants to Dyadic NL that for a period of six (6) years following the Effective Date, without Dyadic NL’s consent, TNO will not, directly or indirectly, conduct, collaborate with, perform research and development or other consulting services for or invest in any business engaged in the development, licensing or sale of any HTRS system. TNO expressly acknowledges and agrees that by reason of its intimate familiarity with Dyadic NL’s Fungal HTRS System and the technologies and business plans of the Dyadic Parties, the foregoing covenant is vital to the protection of Dyadic NL’s goodwill, and that the Dyadic Parties could not have justified the purchase of TNO’s Royalty and Equity Interests in Dyadic NL for the Shares without the benefit of the foregoing non-competition covenant in favor of Dyadic NL. TNO further expressly agrees that the foregoing covenant not to compete shall be assignable by Dyadic NL to (i) an Affiliate engaging in the conduct of the Business and (ii) otherwise, only in connection with a sale of substantially all of the assets of Dyadic NL to a third party.

5.5 Right of First Offer for Non-Fungal Systems. In a manner identical to the provisions of Section 2.4 of the Cooperation Agreement, for a period of three (3) years following the date of this Agreement, TNO agrees to offer Dyadic NL the right of first negotiation to acquire or license bacterial and other nonfungal systems developed by TNO which relates to HTRS systems. TNO shall notify Dyadic NL of any intent to offer any such technology to a third party, and Dyadic NL shall have ninety (90) days to negotiate a license or other arrangement with regard to use of such technology to conduct the Business.

ARTICLE VI
FUTURE TNO SERVICES FOR DYADIC NL FUNGAL HTRS SYSTEM

6.1 Future TNO Services in Connection with Fungal HTRS System. From time to time Dyadic NL may, but shall not be obligated to, request TNO to furnish Dyadic NL with research and development and/or other services in connection with Dyadic NL efforts to develop and commercialize its Fungal HTRS System (“**Additional Services**”). In a manner identical to the provisions of Section 1.4 of the Cooperation Agreement:

(a) Service Fees for Additional Services *other than research* provided by TNO to Dyadic NL, such as facilities, personnel, marketing, administration and accounting, shall be an amount equal to TNO’s cost (without markup or overhead charges), provided, however, that all such Additional Services and costs will be agreed to separately by Dyadic NL and TNO in writing prior to TNO’s performance of such Additional Services; and

(b) Service Fees for any Additional Services which TNO provides to Dyadic NL which are *research services* shall be charged at the same rate which TNO charges other departments within its organization, provided, however, that in no event shall such rates exceed the rates that TNO charges its “Preferred Suppliers,” without regard to the quantity or dollar volume of HTRS Services that Dyadic NL may elect to procure from TNO in any calendar year.

6.2 Dyadic Parent Guarantee of Payments by Dyadic NL. Dyadic Parent hereby unconditionally guarantees the payment when due, of all Services Fees owed by Dyadic NL to TNO for its performance of Additional Services.

ARTICLE VIII
CONFIDENTIALITY

Except as otherwise provided in this Article VIII, the TNO Parties , on the one hand, and the Dyadic Parties and their Affiliates (jointly and severally, the “**Dyadic Group**”), on the other hand, each agrees to retain in

strict confidence any proprietary confidential information and trade secrets of the disclosing Group, whether disclosed prior to the date of the Cooperation Agreement, thereafter or after the date hereof, and not to use or disclose to third parties, and to use its best efforts to cause the employees, agents or consultants of its Group not to use or disclose to third parties, such proprietary confidential information and trade secrets of the disclosing Group to or for any third party without the prior approval in writing of TNO, in the case where the TNO Parties is the disclosing Party, or Dyadic USA, in the case where the Dyadic Group is the disclosing Group, unless it can be established by the receiving Group that such information of the disclosing Group:

Except as provided otherwise in this Article IX, any dispute, claim, controversy or difference between Dyadic Group and the TNO Parties arising out of this Agreement or the transactions contemplated hereby (a “**Dispute**”) which the Parties are unable to resolve themselves shall first be submitted in writing to the Director of TNO Quality of Life and the CEO of Dyadic Parent for resolution. Any such Dispute which is not resolved within sixty (60) days of submission to such executives shall be submitted to and resolved by arbitration as herein provided in this Article IX. If either the Dyadic Group or the TNO Parties demands arbitration under this Agreement, such Party (an “**Initiating Party**”) shall initiate such arbitration by delivering written notice (the “**Arbitration Notice**”) to the other Party with whom arbitration is sought (the “**Responding Party**”). Any Arbitration Notice shall contain a statement setting forth the nature of the Dispute, the amount involved, if any, and the remedy sought.

9.2 Procedure. Any Dispute subject to arbitration shall be arbitrated in Amsterdam, the Netherlands, in accordance with the rules of arbitration then in effect of the International Chamber of Commerce. Each Party to such arbitration agrees that any award of the arbitrator shall be final, conclusive and binding and that they will not contest any action by any other Party thereto in accordance with an award of the arbitrator. Any such injunction shall be available without the posting of any bond or other security, and TNO hereby consents to the issuance of such injunction. TNO further agrees that any such injunctive relief obtained by Dyadic NL or any successor-in-interest shall be in addition to, and not in lieu of, monetary damages and any other remedies to which Dyadic NL or any successor-in-interest may be entitled.
