This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When used in this discussion and throughout this document, words, such as "intends", "plans", "estimates", "believes", "anticipates" and "expects" or similar expressions are intended to identify forward-looking statements. These statements are based on Nortek's current plans and expectations and involve risks and uncertainties, over which Nortek has no control, that could cause actual future activities and results of operations to be materially different from those set forth in the forward-looking statements. Important factors that could cause actual future activities and operating results to differ include the availability and cost of certain raw materials; (including, among others, steel, copper, packaging materials, plastics and aluminum) and purchased components, the level of domestic and foreign construction and remodeling activity affecting residential and commercial markets, interest rates, employment, inflation, foreign currency fluctuations, consumer spending levels, exposure to foreign economies, the rate of sales growth, price, product and warranty liability claims, any amendments to the Plan of Reorganization, whether or not the Plan of Reorganization is confirmed by the bankruptcy court, and whether or not Nortek and its domestic subsidiaries conclude their chapter 11 cases in the anticipated timeframe or at all. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. Nortek undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise. All subsequent written and oral forward-looking statements attributable to Nortek or persons acting on its behalf are expressly qualified in their entirety by these cautionary statements. Readers are also urged to carefully review and consider the various disclosures made by Nortek, herein, as well as its periodic reports on Forms 10-K, 10-Q and 8-K, filed with the Securities and Exchange Commission.
