***NORTEK RECEIVES REQUIRED CONSENTS TO AMEND INDENTURE IN  
CONNECTION WITH CONSENT SOLICITATION AND CASH TENDER OFFER  
FOR ITS 11% SENIOR SECURED NOTES DUE 2013***

PROVIDENCE, RI, April 26, 2011-**Nortek, Inc.** ("**Nortek**") (OTC QB: NTKS) announced today that pursuant to its previously announced tender offer and consent solicitation, **Nortek** received tenders and consents from the holders of \$666,580,398 million aggregate principal amount, or approximately 88.5%, of its outstanding 11% Senior Secured Notes due 2013 (the "2013 Notes") by the expiration of the consent payment deadline, April 25, 2011, at 5:00 p.m. New York City time (the "Consent Date"). The consents received exceeded the number needed to approve the proposed amendments to the indenture under which the 2013 Notes were issued. The terms of the tender offer and consent solicitation for the 2013 Notes are detailed in the Company's offer to purchase and consent solicitation statement dated April 12, 2011.

Pursuant to the terms of the tender offer, **Nortek** has accepted for payment all 2013 Notes validly tendered on or prior to the Consent Date, and holders who tendered such 2013 Notes will receive \$1,052.50 per \$1,000 in principal amount of the 2013 Notes validly tendered.

Based on the consents received, **Nortek** and the trustee under the indenture governing the 2013 Notes have entered into a supplemental indenture that eliminates substantially all affirmative and

restrictive covenants and certain events of default under the indenture governing the 2013 Notes, and provides for a shorter notice period required in connection with a voluntary redemption.

In addition, the Company intends today to discharge its remaining obligations under the indenture governing the 2013 Notes by causing to be delivered a notice of redemption to holders of the remaining 2013 Notes and to deposit in trust funds sufficient to pay and discharge all remaining indebtedness on the 2013 Notes, including accrued and unpaid interest. Under the terms of the indenture governing the 2013 Notes, not more than once during any twelve-month period **Nortek** may redeem the 2013 Notes at a redemption price equal to 103.0% of the principal amount thereof plus accrued and unpaid interest, provided that the aggregate amount of such redemptions does not exceed \$75.0 million. In addition, on or after June 1, 2011, **Nortek** may redeem the 2013 Notes in whole or in part at a redemption price equal to 105.0% of the principal amount thereof (declining to 102.5% on June 1, 2012 and further declining to 100.0% on June 1, 2013), plus accrued and unpaid interest.
