### NOTES TO FINANCIAL STATEMENTS

#### 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### **Description of Business**

UOB Kay Hian (U.S.) Inc. (the "Company") is a broker-dealer organized as a Corporation under the laws of the State of New Jersey. The Company became registered on November 4, 2003 with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority, Inc. The Company acts exclusively on behalf of institutional customers in the buying and selling of Asian securities through a related company, UOB Kay Hian Private Limited, located in Singapore. The parent of both companies is UOB-Kay Hian Holdings Limited (the "Parent"), located in Singapore. The Company has a branch office in Toronto.

UOB Kay Hian (U.S.) Inc. was incorporated on February 10, 2003 in New York with 250,000 authorized shares of \$1 par value common stock of which 2 shares were outstanding for a total of \$2 in common stock.

On August 8, 2014, the Company increased the authorized number of shares to 550,000 shares of \$1 par value common stock. The number of outstanding shares was also increased from 2 shares to 550,000 shares. By issuing these additional shares the Company increased its common stock and decreased its additional paid-in capital in the amount of \$549,998.

On July 10, 2014 the sole shareholder of the company incorporated UOB Kay Hian (U.S.) Inc. in New Jersey with the authority to issue 550,000 shares of \$1 per value common stock of which 544,500 shares were issued.

Effective September 1, 2014 the New York corporation was merged into the New Jersey corporation and each issued share of stock of the New York corporation was converted into one hundredth (1/100) of one share of the surviving corporation ("NJ"). The shareholder of the surviving corporation received 5,500 shares of the New Jersey corporation as a result of the merger thereby increasing their total authorized, issued and outstanding shares of common stock to 550,000 shares.

##### **Use of Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

##### **Cash and Equivalents**

Cash and cash equivalents include short-term, highly liquid investments with original maturities of three months or less and all money market accounts.

##### **Concentrations of Credit Risk for Cash**

The Company's cash balances in banks are insured by the Federal Deposit Insurance Corporation subject to certain limitations.

## UOB KAY HIAN (U.S.) INC.

### NOTES TO FINANCIAL STATEMENTS

#### 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

##### **Accounts Receivable**

Accounts receivable are stated at the amounts management expects to collect. An allowance for doubtful accounts is recorded based on a combination of historical experience, aging analysis and information on specific accounts. Account balances are written off against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. Management has determined that no allowance is required at December 31, 2018.

##### **Depreciation and Amortization**

Depreciation is computed on a straight-line basis over the estimated useful lives of the respective assets for a term of three years. Leasehold improvements are amortized on a straight-line basis over the life of the related lease, which approximates three years.

##### **Revenue Recognition**

Securities transactions and the related revenues and expenses are recorded on a trade date basis.

Effective January 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (1) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

##### **Brokerage commissions :**

The Company buys and sells securities on behalf of its customers. Each time a customer enters into a buy or sell transaction, the Company charges a commission. Commissions and related clearing expenses are recorded on the trade. The Company believes that the performance obligation is satisfied on the trade date because that is when the underlying financial instrument or purchaser is identified, the pricing is agreed upon and the risks and rewards of ownership have been transferred to/from the customer.

##### **Research services :**

The Company engages in the distribution of third-party research to institutional clients. Service fee revenues are recorded when earned and realizable. This will occur when there is evidence of an arrangement, the research has been provided, the fee is fixed or determinable and collectability is reasonably assured. Typically revenue is recognized when the client has notified the Company of payment for research provided.

## UOB KAY HIAN (U.S.) INC.

### NOTES TO FINANCIAL STATEMENTS

#### 5 - LIABILITIES SUBORDINATED TO CLAIMS OF GENERAL CREDITORS (Continued)

The loan was automatically extended per the agreement and will mature on June 30, 2019.

To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, it may not be eligible for repayment.

#### 6 - LEASE COMMITMENTS

The Company leases office space in New Jersey for its main office at an annual rental of \$26,340 from The Ridge Group, LLC. The current lease expires on February 28, 2019 and was renewed for another ten months through December 31, 2019. The Company's Toronto branch leases office space under a tenancy agreement at an annual rental of \$11,453 through July 2019.

Total minimum future annual rentals, exclusive of real estate taxes and related costs, are as follows:

| Years Ending December 31, |           |
