Form 8-K
Filed December 29, 2011
File No. 000-53161**

Dear Mr. Jarman:

We have reviewed your filing and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to this comment, we may have additional comments.

Item 5.06 Change in Shell Company Status

1. Please tell us why management has determined that you “are no longer a shell company” as defined in Rule 405 of the Securities Act and Rule 12b-2 of the Exchange Act. We note, among other factors, that on page 10 to the Notes to the Financial Statements you state that you entered into a share exchange agreement with “a publicly traded shell corporation.” Your response should include a detailed explanation of your current operations.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
