REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of
T3 Securities, Inc.:

We have audited the accompanying statement of financial condition of T3 Securities, Inc. (the "Company") as of December 31, 2015, and the related notes to the financial statement. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

Auditor's Responsibility

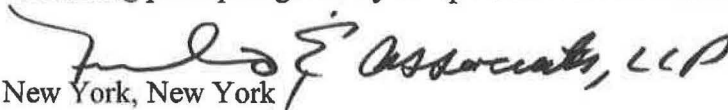

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in this financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of this financial statement. We believe that our audit provides a reasonable basis for our opinion.

Emphasis of Matter

As described further in Note 5 to the financial statement, management has been unable to determine the tax status of the Company. In management's opinion, the effect of any potential change is immaterial to this statement.

In our opinion, except for the effects of the potential change discussed in the emphasis of matter paragraph, the financial statement referred to above presents fairly, in all material respects, the financial position of T3 Securities, Inc. as of December 31, 2015 in conformity with accounting principles generally accepted in the United States of America.
