**Re: Wells Real Estate Investment Trust III, Inc.  
Registration Statement on Form S-11  
Filed December 1, 2009  
File No. 333-163411**

Dear Mr. Wells:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. Please provide us with copies of all graphics, maps, photographs and related captions or other artwork including logos that you intend to use in the prospectus. Such graphics and pictorial representations should not be included in any preliminary prospectus distributed to prospective investors prior to our review.
2. Please provide us with all promotional material and sales literature, including material that will be used only by broker-dealers. In this regard, please note that sales materials must set forth a balanced presentation of the risks and rewards to

investors and should not contain any information or disclosure that is inconsistent with or not also provided in the prospectus. Please refer to Item 19.B of Industry Guide 5.

3. Please be advised that you are responsible for analyzing the applicability of the tender offer rules to your proposed share redemption program and for determining the availability of any exemption under Rule 13e-4 and Regulation 14E. We urge you to consider all the elements of your share repurchase program in determining whether the program is consistent with relief granted by the Division of Corporation Finance in prior no action letters. See, for example, T REIT Inc. (Letter dated June 4, 2001) and Wells Real Estate Investment Trust II, Inc. (Letter dated December 3, 2003). To the extent you have questions as to whether the program is entirely consistent with the relief previously granted by the Division of Corporation Finance, you may contact the Division's Office of Mergers and Acquisitions.
4. We note that you may conduct the share repurchase program during the offering period of the shares being registered under this registration statement. Please be advised that you are responsible for analyzing the applicability of Regulation M to your share repurchase program. We urge you to consider all the elements of your share repurchase program in determining whether the program is consistent with the class relief granted by the Division of Market Regulation in the class exemptive letter granted Alston & Bird LLP dated October 22, 2007. To the extent you have questions as to whether the program is entirely consistent with that class exemption you may contact the Division of Market Regulation.
5. We note that on page 1, you state that you have not yet identified any specific "properties or securities to purchase." Elsewhere in the prospectus, however, you state that you do not intend to invest in equity securities. Please revise throughout to clarify your investment intent. To the extent that you intend to invest in securities or other real estate-related investments, such as real estate-related debt, please provide us with a detailed analysis as to how you intend to operate your business in a manner that will permit you to maintain an exemption from registration under the Investment Company Act of 1940.
6. We note that in the management compensation tables that appear on pages 7-9 and 62-63 you have only disclosed the estimated amounts to be paid for the maximum offering. Please also include the estimated amounts to be paid if only the minimum is raised.

Cover Page of Prospectus

7. Please limit your cover page to only 1 page as required by Item 501 of Regulation S-K.

8. Please disclose on the cover page of the prospectus the date that the offering will end. See Item 501(b)(8)(iii) of Regulation S-K.

10. Please advise whether your acquisition fees would include any amounts in which leverage is used. If so, please include the estimated amount of the acquisition fees on a fully leveraged basis. Please also revise accordingly your disclosure in the management compensation section.
11. It appears that your debt financing fee could be determined based upon the estimated amount of the maximum offering and your maximum leverage policy. Please advise or revise. Please also revise accordingly your disclosure in the management compensation section.

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.
