Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Synergy Advisors Group, LLC dba Synergy Advisors, LLC (the "Company") was organized in the State of California on November 24, 2003. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934, a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC").

The Company is engaged in business as a securities broker-dealer, specifically as an investment banking advisory boutique focused on providing advisory services to companies and financial buyers relating to mergers and acquisitions (buy-side, sell-side, and valuations), corporate finance matters (capital structure and financing alternatives), as well as agenting private placements financings.

Although the Company works with clients in various industries, it has a focus in the various health care, life science and IT/BPO sectors.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(i), the Company does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

For purposes relating to the statement of cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than three months, that are not held for sale in the ordinary course of business. The Company also includes CDs as cash equivalents

Accounts receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Note 3: INCOME TAXES

The Company is subject to a California limited liability company gross receipts tax, with a minimum franchise tax.

The Company is required to file income tax returns in both federal and state tax jurisdictions. Accordingly, the company is no longer subject to examination of federal returns filed more than three years prior to the date of these financial statements. The statute of limitations for state purposes is generally three years, but may exceed this limitation depending upon the jurisdiction involved. Returns that were filed within the applicable statute remain subject to examination. As of December 31, 2017, the IRS has not proposed any adjustment to the Company's tax position.

Note 4: OCCUPANCY

In April 2009, the Company entered into a two year lease agreement which expired in April 2011 and was amended to be on a month-to-month basis. Note 5. GUARANTEES

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2017 or during the year then ended.

Note 6: COMMITMENTS AND CONTINGENCIES

The Company had no commitments, no contingent liabilities and had not been named as defendant in any lawsuit at December 31, 2017 or during the year then ended.

Note 7: RECENTLY ISSUED ACCOUNTING STANDARDS

The Financial Accounting Standards Board (the "FASB") has established the Accounting Standards Codification ("Codification" or "ASC") as the authoritative source of generally accepted accounting principles ("GAAP") recognized by the FASB. The principles embodied in the Codification are to be applied by nongovernmental entities in the preparation of financial statements in accordance with GAAP in the United States. New accounting pronouncements are incorporated into the ASC through the issuance of Accounting Standards Updates ("ASUs")

Note 7: RECENTLY ISSUED ACCOUNTING STANDARDS

(Continued)

For the year ending December 31, 2017, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has reviewed the following ASU releases to determine relevance to the Company's operations. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

Note 8: NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2017, the Company had net capital of \$179,622 which was \$174,622 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness (\$884) to net capital was 0.0049 to 1, which is less than the 15 to 1 maximum allowed.
