8.50% Senior Secured Notes due 2010

Capitalized terms used herein will have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *INTEREST.* Southern Star Central Corp., a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 8.50% per annum from August 8, 2003 until maturity and will pay the Additional Interest payable pursuant to Section 5 of the Registration Rights Agreement referred to below. The Company will pay interest and Additional Interest, if any, semi-annually on February 1 and August 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each an “*Interest Payment Date*”), with the same force and effect as if made on the date for such payment. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from August 8, 2003; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest will accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date will be February 1, 2004. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) and Additional Interest, if any, to the Persons who are registered Holders of Notes at the close of business on the January 15 or July 15 next (whether or not a Business Day) preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium and Additional Interest, if any, and interest at the office or agency of the Company maintained for such purpose within The City and State of New York, or, at the option of the Company, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders at their respective addresses set forth in the register of Holders; provided that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Additional Interest, if any, on, all Global Notes and all other Notes the Holders of which have provided wire transfer instructions to the Company or the Paying Agent if such Holders are registered Holders of at least \$250,000 in principal amount of the Notes. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. *PAYING AGENT AND REGISTRAR.* Initially, Deutsche Bank Trust Company Americas, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. *INDENTURE.* The Company issued the Notes under an Indenture dated as of August 8, 2003 (“*Indenture*”) between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbbb). The Notes are subject to all such terms, and Holders are

referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture will govern and be controlling.

5. *OPTIONAL REDEMPTION.*

(a) Except as set forth in clause (b) of this paragraph 5, the Notes will not be redeemable at the Company's option prior to August 1, 2007. On and after August 1, 2007, the Company may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest thereon, if any, to the applicable redemption date, if redeemed during the twelve-month period beginning on August 1 of the years indicated below:

Year	Percentage
2007	104.250
2008	102.125
2009 and thereafter	100.000

(b) Notwithstanding the foregoing, at any time prior to August 1, 2006, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes issued under the Indenture at a redemption price of 108.500% of the principal amount thereof, plus accrued and unpaid interest and Additional Interest thereon, if any, to the redemption date, with the net cash proceeds of one or more Equity Offerings by the Company; *provided* that at least 65% of the aggregate principal amount of Notes issued under the Indenture remains outstanding immediately after the occurrence of each such redemption (excluding Notes held by the Company and its Subsidiaries); and *provided, further*, that any such redemption occurs within 120 days of the date of the closing of such Equity Offering.

6. *MANDATORY REDEMPTION.*

The Company is not required to make mandatory redemption payments with respect to the Notes.

7. *REPURCHASE AT OPTION OF HOLDER.*

(a) If there is a Change of Control Triggering Event, the Company will be required to make an offer (a "*Change of Control Offer*") to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of each Holder's Notes at a purchase price equal to 101% of aggregate principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase (the "*Change of Control Payment*"). Within 30 days following any Change of Control, the Company will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase Notes on the Change of Control Payment Date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice.

(b) If the Company or a Restricted Subsidiary consummates an Asset Sale, within fifteen Business Days of each date on which the aggregate amount of Excess Proceeds exceeds \$15.0 million, the Company will commence an offer to all Holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase or redeem with the proceeds of sales of assets (an "*Asset Sale Offer*") pursuant to Section 3.09 of the Indenture to purchase the maximum principal amount of Notes and such other *pari passu* Indebtedness that may be purchased out of the Excess Proceeds, at an offer price in cash in an

amount equal to 100% of the principal amount thereof plus accrued and unpaid interest and Additional Interest, if any, to the date of purchase. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use such Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other *pari passu* Indebtedness to be purchased on a *pro rata* basis. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “Option of Holder to Elect Purchase” on the reverse of the Notes.

8. *NOTICE OF REDEMPTION.* Notice of redemption will be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$1,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date, interest ceases to accrue on Notes or portions thereof called for redemption.

9. *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, it need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

11. *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes, and any existing default or compliance with any provision of the Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes. Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company’s obligations to Holders of the Notes in case of a merger or consolidation or sale of all or substantially all of the Company’s assets, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture or the Collateral Documents of any such Holder or to confirm and evidence the release, termination or discharge of any Lien securing the Notes which release, termination or discharge is permitted by the Indenture or the Collateral Documents, to provide for the issuance of Additional Notes in accordance with the provisions set forth in the Indenture, to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act, to provide for Guarantees by Restricted Subsidiaries as set forth in Section 4.19 of the Indenture.

12. *DEFAULTS AND REMEDIES.* An “Event of Default” occurs if: (i) the Company defaults in the payment when due of interest on, or Additional Interest with respect to, the Notes and such default continues for a period of 30 days; (ii) the Company defaults in the payment when due of the principal of, or premium, if any, on the Notes; (iii) the Company or any of its Restricted Subsidiaries fails to comply with any of the provisions contained in Sections 4.16 or 5.01 of the Indenture; (iv) the Company or any

of its Restricted Subsidiaries for 30 days after notice of such failure fails to comply with any of Sections 3.09, 4.07, 4.09 or 4.10 of the Indenture or with any of the agreements contained in the Collateral Documents; (v) the Company or any of its Restricted Subsidiaries fails to observe or perform any other covenant or other agreement in the Indenture or the Notes for 60 days after notice of such failure to the Company by the Trustee; (vi) a default occurs under any mortgage, other indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries) whether such Indebtedness or guarantee now exists, or is created after the date of the Indenture, which default is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*") or results in the acceleration of such Indebtedness prior to its Stated Maturity and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$15.0 million or more; (vii) the Company or any of its Restricted Subsidiaries is subject to final judgments aggregating in excess of \$15.0 million, which judgments are not paid, discharged or stayed for a period of 60 days; (viii) (a) except as permitted by the Collateral Documents, any amendments thereto and the provisions of the Indenture, any of the Collateral Documents ceases to be in full force and effect or ceases to be effective, in all material respects, to create the Lien purported to be created in the Collateral in favor of the Holders for 60 days after notice to the Company, (b) the Company challenges, in writing, the Lien on the Collateral under the Collateral Documents prior to the time that the Liens on the Collateral are to be released or (c) the Company asserts, in writing, that any of the Collateral Documents is invalid and unenforceable, other than in accordance with its terms; and (ix) certain events of bankruptcy or insolvency with respect to the Company or any of its Significant Subsidiaries or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary.

If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all outstanding Notes to be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to the Company or any Significant Subsidiary or any group of Restricted Subsidiaries that, taken as a whole, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable without further action or notice. Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except with respect to a Default or Event of Default relating to the payment of principal of, or interest or premium of Additional Interest, if any, on, the Notes.

In the case of any Event of Default occurring by reason of any willful action or inaction by or on behalf of the Company with the intention of avoiding payment of the premium that the Company would have had to pay if the Company then had elected to redeem the Notes pursuant to the optional redemption provisions of the Indenture, an equivalent premium will also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes. If an Event of Default occurs prior to August 1, 2007 by reason of any willful action or inaction by or on behalf of the Company with the intention of avoiding the prohibition on redemption of the Notes prior to August 1, 2007, then the premium specified in the Indenture

will also become immediately due and payable to the extent permitted by law upon the acceleration of the Notes.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of principal of, or interest or premium or Additional Interest, if any, on, the Notes including in connection with an offer to purchase; *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any payment default that resulted from such acceleration, if the rescission would not conflict with any judgment or decree or if all existing Events of Default have been cured or waived. Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured for every purpose of this Indenture; but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

13. *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

14. *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company will have any liability for any obligations of the Company under the Notes or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the Commission that such a waiver is against public policy.

15. *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

16. *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (tenants in common), TEN ENT (tenants by the entireties), JT TEN (joint tenants with right of survivorship and not as tenants in common), CUST (custodian), and U/G/M/A (Uniform Gifts to Minors Act).

17. *ADDITIONAL RIGHTS OF HOLDERS OF TRANSFER RESTRICTED SECURITIES.* In addition to the rights provided to Holders of Notes under the Indenture, Holders of Transfer Restricted Securities will have all the rights set forth in the Registration Rights Agreement dated as of August 8, 2003, between the Company and the parties named on the signature pages thereof, or, with respect to any Additional Notes, Holders of Transfer Restricted Securities will have all the rights set forth in one or more registration rights agreements between the Company and the other parties thereto, relating to rights given by the Company to the purchasers of Additional Notes (collectively, the “*Registration Rights Agreement*”).

18. *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as

contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

19. *GOVERNING LAW.* This Note will be governed by, and construed in accordance with, the laws of the State of New York.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture and/or the Registration Rights Agreement. Requests may be made to:

No "accumulated funding deficiency" (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred with respect to any ERISA Plan, and no Lien has arisen with respect to any ERISA Plan under Section 412 of the Code or Section 302 of ERISA. Except as provided in the Disclosure Schedule, each ERISA Plan that is intended to meet the requirements of a "qualified plan" under Code § 401(a) has received a current determination letter from the Internal Revenue Service that such ERISA Plan is so qualified, such ERISA Plan has been amended to include all required amendments for which the remedial amendment period has expired and nothing has occurred since the date of such determination letter that could reasonably be expected to adversely affect the qualified status of any such ERISA Plan. Except as set forth on the Disclosure Schedule hereto, the market value of assets under each ERISA Plan of the Borrower or any ERISA Affiliate that is an employee pension benefit plan within the meaning of Section 3(2) of ERISA (other than any Multiemployer Plan) equals or exceeds the present value of all vested and unvested liabilities thereunder determined in accordance with factors used in preparing the most recent actuarial report. Neither the Borrower nor any ERISA Affiliate contributes to, sponsors, or has withdrawn from, or has any liability or potential liability to any Multiemployer Plan, and neither the Borrower nor any ERISA Affiliate has been the subject of a Reportable Event. No amendment to such ERISA Plan has been adopted that would require the provision of security to such plan pursuant to Section 307 of ERISA. Nothing has occurred or is reasonably expected to occur that could be expected to result in the termination of, or the appointment of a trustee to administer such ERISA Plan. Neither the Borrower nor any ERISA Affiliate has engaged in a "prohibited transaction," as defined in Section 406 of ERISA and Section 4975 of the Code, in connection with any ERISA Plan, that is not otherwise exempt

under any statute, regulation or administrative action and that could reasonably be expected to subject the Borrower or any ERISA Affiliate to a material tax on prohibited transactions imposed by Section 502(i) of ERISA or Section 4975 of the Code. Except as set forth on the Disclosure Schedule, neither the Borrower nor any ERISA Affiliate maintains, contributes to or has obligation to contribute to, or has any liability or potential liability with respect to, current or future retired or terminated directors, officers or employees of the Borrower or any ERISA Affiliate (or any spouse or other dependent thereof) other than in accordance with Title I, Part 6 of ERISA or Code Section 4980B or any equivalent state insurance laws.

The Borrower shall furnish the Bank with a complete list of all persons, firms or entities which the Contractor proposes to engage to furnish labor and/or materials in constructing the Improvements and, upon written request of the Bank, will furnish the Bank with true copies of all written agreements (including contracts, subcontracts and purchase orders) therefor and the terms of all verbal agreements therefor. All such contracts shall be in form and content satisfactory to the Bank. If, in the sole judgment of the Bank, such contracts and subcontracts do not cover all of the work necessary for completion of construction of the Improvements (exclusive of tenant improvements), including the installation of such fixtures and equipment as are required for the operation of the Improvements and including all work required by any leases then in effect or to make any portion of the Improvements rentable (whether to be done and paid for by the Borrower or by lessees under leases), the Borrower shall cause to be furnished firm bids from responsible parties, or estimates and other information satisfactory to the Bank, for the work not so covered, to enable the Bank to ascertain the total estimated cost of all work done and to be done. The Construction Contract together with all other contracts, subcontracts, lists, agreements and terms of verbal agreements described in this subparagraph shall herein be called the "Construction Documents".

(b) Construction Contract. The Borrower shall (i) permit no default under the terms of the Construction Contract, (ii) waive none of the obligations of the Contractor thereunder, (iii) do no act which would relieve Contractor from its obligations to construct the Improvements according to the Plans and Specifications, and (iv) make no amendments to, or change orders with respect to, the Construction Contract or any other Construction Document, without the prior written consent of the Bank.

(c) Commencement and Completion of Construction. The Borrower shall diligently pursue construction of the Project to completion, and shall supply such moneys required in excess of the Disbursements and the Borrower's Equity and perform such duties as may be necessary to complete the construction of the Improvements pursuant to and in conformity with the Plans and Specifications and in accordance with good building practice and in full compliance with all terms and conditions of the Transaction Documents, all of which shall be accomplished on or before the Completion Date, and without liens, claims or assessments (actual or contingent) asserted against the Project for any material, labor or other items furnished in connection therewith, and all in full compliance with all Governmental Requirements. The Borrower will provide to the Bank upon request therefor evidence of satisfactory compliance with all of the foregoing.

(d) Right of the Bank to Inspect Project. The Borrower shall permit the Bank and its representatives and agents, including the Inspecting Architect, to enter upon the Project and to inspect the Improvements and all materials to be used in the construction thereof and all books, records, contracts, statements, invoices, bills, plans and specifications, shop drawings, appraisals,

title and other insurance, reports, lien waivers and all other instruments and documents of any kind relating to the construction, leasing and operation of the Improvements; shall cooperate and cause Contractor to cooperate with the Bank and its representatives and agents during such inspections and shall maintain all of the foregoing for said inspections; shall permit the photographing of any portions of the Project or any materials thereon; and shall, if requested by the Bank or its representatives or agents, move, remove or uncover such materials or portions of the Improvements as shall be reasonably necessary to fully and completely inspect the Project; provided, however, that this provision shall not be deemed to impose upon the Bank any duty or obligation whatsoever to undertake such inspections, to correct any defects in the Improvements or to notify any person with respect thereto.

(e) Correction of Defects. The Borrower shall promptly correct any structural defect in the Improvements or any departure from the Plans and Specifications not previously approved by the Bank and any violation of any requirement of any Governmental Authority. No Disbursement shall constitute a waiver of the Bank's right to require compliance with this covenant.

(f) Off-Site Work. To the extent required by the Plans and Specifications, the Borrower shall promptly commence and complete any and all off-site improvements (including public streets, walks and like areas adjoining the Improvements) as and if required and provide any and all utilities and other facilities required, all in accordance with the requirements of all Governmental Authorities having jurisdiction thereof. Unless otherwise provided for, such off-site improvements shall be deemed part of the work of construction of the Improvements. The Borrower expressly agrees to indemnify the Bank and to hold it harmless against any claim of surety furnishing bond for such work to the Governmental Authorities having jurisdiction, whether such claims be founded upon existing or future liability, and whether such liability be expressed or implied.

(g) Storage of Materials. The Borrower shall cause all materials supplied for or intended to be utilized in the construction of the Improvements but not affixed to or incorporated into the Project to be stored on the Project or at such other location as may be approved by the Bank in writing, with adequate safeguards to prevent loss, theft, damage or commingling with other materials not intended to be utilized in the construction of the Improvements.

(h) Encroachments. The Borrower agrees that (i) the Improvements shall be constructed entirely on the Land; (ii) until the Loan is discharged, no conveyances of any portion of or interest in the Project will be made by the Borrower which will cause any encroachment above, on, or under the surface of the Project; (iii) such construction will not encroach upon or overhang any easement or right-of-way upon the land of others; (iv) the Improvements when erected shall be wholly within applicable building restriction lines however established; and (v) upon request the Borrower will, from time to time, furnish satisfactory evidence of the foregoing.

(i) Liens. The Borrower will not install nor otherwise incorporate in the

Improvements any materials, equipment or fixtures under any conditional sales agreements or security agreement whereby the right is reserved or accrued to anyone to remove or repossess any such items. The Borrower will not cause or permit any lien or claim for lien for any labor and/or material to be filed or to become valid or effective against the Project; provided, however, that the existence of any unperfected and unrecorded mechanic's lien shall not constitute a violation of this subsection if payment is not yet due for the work giving rise to the lien.

(j) Cooperation with Inspecting Architect. The Borrower shall cooperate with the Inspecting Architect and will cause the Contractor and the employees of each of them to cooperate with the Inspecting Architect and, upon request, will furnish the Inspecting Architect whatever he may consider necessary or useful in connection with the performance of his duties including but not limited to permits, subcontracts, purchase orders, lien waivers and other documents relating to the construction of the Improvements. The Borrower acknowledges that the duties of the Inspecting Architect run solely to the Bank and that the Inspecting Architect shall have no obligations or responsibilities whatsoever to the Borrower, the Contractor or to any of their respective agents or employees.

(k) Sign Regarding Construction Financing. The Borrower shall include on any sign erected by the Borrower at or near the Project setting forth the names of the Contractor and/or any subcontractors of the construction of the Improvements a statement in conspicuous lettering that construction financing is being provided by the Bank, all to the reasonable satisfaction of the Bank. If such sign is not erected, the Borrower shall, upon request by and at the expense of the Bank, erect and maintain on a suitable site on the Project a sign indicating that construction financing is being provided by the Bank, all to the reasonable satisfaction of the Bank.

(l) Appraisal. The Borrower shall submit from time to time, within thirty (30) days following written request of the Bank, which request may not be made earlier than one (1) year after the date of the appraisal delivered to the Bank and not more often than annually thereafter (unless required by a governmental agency having jurisdiction over the Bank), an MAI appraisal of the Project and the proposed Improvements by a licensed appraiser satisfactory to the Bank, such appraisal to be in the form and amount satisfactory to the Bank. In lieu of obtaining an appraisal from the Borrower hereunder, but subject to the limitation set forth in the previous sentence, the Bank may itself obtain the appraisal and the Borrower shall pay the cost thereof to the Bank within thirty (30) days following written request of the Bank.

(m) Plans and Specifications. Borrower has furnished (or will furnish when finalized) to the Bank the Plans and Specifications for construction of the Improvements, including the engineering plans, complete architectural plans, specifications and work drawings, projected costs and related information, site plans, proposed plat dedications and proposed development restrictions and conditions and all requisite building permits authorizing construction of the Improvements. Borrower has also furnished the Bank with a detailed listing of the Plans and Specifications. The Plans and Specifications and the Improvements constructed thereto will comply with all applicable restrictive covenants and Governmental Requirements and all

standards and regulations of appropriate supervising boards of fire underwriters and similar agencies (and the engineering specifications contained in the Plans and Specifications shall be within applicable environmental standards). The Plans and Specifications as approved will not be modified or supplemented in any respect without the prior written approval of the Bank.

(n) Supplemental Data. Borrower shall submit to the Bank a statement of the projected cost of constructing the Improvements, including a description of all contracts let or to be let by Borrower for the design, engineering, construction and equipping of the Improvements, setting forth the name or names of the contractor or contractors, the date of the contracts and of any supplements or amendments thereto, the scope of the work covered thereby, and the aggregate amounts payable to the contractors thereunder, and further stating whether said contract or contracts embrace all of the work required to be done and all of the material necessary for completion of construction, and, if not, setting forth sufficient information to enable the Bank to determine the estimated cost of any work or materials not so covered.

(o) Changes in Plans. All requests for approval of changes in the Plans and Specifications must be in writing, signed by Borrower, and shall be conditioned upon and acceptance by the Bank, which acceptance shall be subject to such conditions and qualifications as the Bank in its sole and absolute discretion may reasonably prescribe. Notwithstanding the foregoing, the Bank's approval shall not be required if all of the following conditions are satisfied:

(i) Said changes do not have a material effect on the structural portions or the exterior appearance of the Improvements or the architectural design concept thereof;

(ii) None of said changes increases the cost of construction by more than \$100,000;

(iii) The aggregate of all of said changes does not increase the cost of construction by more than \$250,000; and

(iv) At the end of each month Borrower submits to the Bank copies of all change orders effecting said changes made in such month.

(k) the issuance, sale or delivery of any Bond shall result in a violation of any law, rule or regulation, or any order of any court, governmental agency or regulatory body, or any indenture or loan or credit agreement (including this Agreement), or any other agreement or instrument, applicable to the Borrower or the Issuer or to such issuance, sale or delivery;

(l) Either (i) any “accumulated funding deficiency” (as defined in Section 412(a) of the Code) in excess of \$1,000,000 exists with respect to any ERISA Plan, whether or not waived by the Secretary of the Treasury or his delegate which has not been corrected within 2 Business Days, or (ii) any ERISA Plan (other than a Multiemployer Plan) shall terminate for purposes of Title IV of ERISA or notice is given of intent to terminate any such ERISA Plan and the then current value of such ERISA Plan’s benefit liabilities exceeds the then current value of such ERISA Plan’s assets available for the payment of such benefit liabilities by more than \$1,000,000; and

(m) The occurrence of any event which could reasonably be expected to cause a Material Adverse Effect.

Section 7.2 Remedies. Upon the occurrence and during the continuance of any Event of Default hereunder (other than Section 7.1(h)), the Bank may exercise any one or more of the following rights and remedies, in addition to any other remedies herein, in any other Transaction Document or by law provided:

(a) declare the principal of and accrued interest on the Obligations, any Increased Costs and any other Obligations owing hereunder immediately due and payable;

(b) require that the Borrower immediately pay the Bank (to be held as collateral) in immediately available funds the full Stated Amount of the Letters of Credit less any amounts on deposit;

(c) advise the Trustee that an Event of Default has occurred and/or instruct the Trustee to accelerate the Bonds;

(d) direct the Trustee to exercise its right under the Bond Documents;

(e) pursue any other action available at law or in equity; or

(f) exercise any option not to reinstate any portion of the Stated Amount under the Letters of Credit.

Upon the occurrence of an Event of Default provided in Section 7.1(h) with respect to any Borrower, all amounts owing under this Agreement and the other Transaction Documents shall be automatically accelerated on the date of occurrence of such Event of Default without

presentment, demand, protest, notice of intention to accelerate, notice of acceleration or other notice of any kind to the Borrower or any other Person, all of which are hereby expressly waived, and Bank shall have all other rights and remedies as provided and referred herein and as to which it may be entitled pursuant to each of the Transaction Documents.

The Borrower agrees to pay to the Bank all reasonable out-of-pocket expenses incurred or paid by the Bank, including reasonable attorneys' fees, disbursements and court costs, in connection with any Potential Default or Event of Default hereunder or in connection with the administration or enforcement of any of the terms of any Transaction Documents.

ARTICLE EIGHT

DISBURSEMENTS FROM PROJECT FUND

Section 8.1. Disbursement Procedure. Disbursements from the Construction Fund shall be made in accordance with the following procedure:

(a) Certificate for Disbursement. At such time as the Borrower shall desire to obtain, subject to the requirements contained herein, the Bank's approval of a Disbursement, the Borrower shall complete, execute and deliver to the Bank a request for Disbursement in the form of the Certificate for Disbursement (AIAG - 702) approved by the Bank (each a "Certificate for Disbursement").

(b) Evidence of Progress of Construction. Each Certificate for Disbursement shall, upon the request of the Bank, be accompanied by evidence in form and content reasonably satisfactory to the Bank, including but not limited to certificates and affidavits of the Borrower, and/or Contractor or such other person as the Bank may require, showing that:

- (i) the value of that portion of the Improvements completed at that time;
- (ii) all outstanding claims for labor, materials and fixtures have been paid or will be paid from the proceeds of such Disbursement;
- (iii) there are no Liens outstanding against the Project, except for the Bank's lien and security interest evidenced by the Mortgage, other than inchoate liens for property taxes not yet due;
- (iv) the Borrower has complied with all of the Borrower's obligations, as of the date thereof, under the Transaction Documents;
- (v) all construction prior to the date of the request for a Disbursement has been performed and completed in accordance with the Plans and Specifications;

(vi) prior Disbursements have been applied directly to the payment of Project Costs, as set forth in the Project Budget or otherwise as the Bank shall have approved in writing;

(vii) all change orders in any amount whatsoever shall have been approved in writing by the Bank, and, if required by the Bank, by any surety under the Payment and Performance Bond;

(viii) in reasonable detail but only if applicable, all tangible personal property installed in or appurtenant to the Improvements, but not considered to be fixtures, and the value thereof;

(ix) the amount remaining in the Construction Fund is sufficient to pay the cost of completing the Improvements in accordance with the Plans and Specifications;

(x) the location of the Improvements will not encroach upon any adjoining properties or interfere with any easement;

(xi) all of the Borrower's representations and warranties contained herein or in any other Transaction Document remain true and correct in all material respects as of the date of such advance;

(xii) the Borrower has performed each covenant and agreement to be performed by the Borrower pursuant to this Agreement, any other Transaction Document within the time specified;

(xiii) if payments are to be made on account of materials or equipment not incorporated in the work but delivered and suitably stored on the Project, or at some other location agreed upon in writing, such payments shall be conditioned upon submission to the Bank by the Borrower of bills of sale or such other procedures satisfactory to the Bank to establish the Borrower's title to, and the Bank's lien upon, such materials or equipment or otherwise protect the Bank's interest;

(xiv) the Project is not the subject of any litigation which adversely affects or could adversely affect the title thereof and/or the validity or priority of the Mortgage or the right of the Borrower to construct the Improvements; and

(xv) the Payment and Performance Bond is in full force and effect;

and shall be accompanied by copies of all bills or statements for expenses for which the advance is requested.

(c) Certificate of Inspecting Architect. Each Certificate for Disbursement shall be accompanied by written certification from the Bank's Inspecting Architect or inspection engineer

indicating the status of construction, compliance with the Plans and Specifications, and approval of the disbursement request. The Borrower shall pay all fees and expenses of such architect or engineer for monthly inspections, or more frequently if such inspections result from more frequent disbursement requests from the Borrower.

(d) Continuation of Title Insurance Coverage. Each Certificate for Disbursement shall, at the request of the Bank, be accompanied by a satisfactory down date endorsement to the previously delivered Mortgagee Title Policy which endorsement shall (i) extend the effective date of the Mortgagee Title Policy to the date of advancement and show that since the effective date of said Policy (or the effective date of the last such endorsement, if any) there has been no change in the status of the title to the Project and no new encumbrance thereon and (ii) state the amount of coverage then existing under the Mortgagee Title Policy which shall be the total of all disbursements of the Loan including the disbursement which is made concurrently with the down date endorsement.

Section 8.2. Conditions to Each Disbursement. At no time and in no event shall the Bank be obligated to approve a Disbursement:

- (a) in excess of the amount recommended by the Bank's Inspecting Architect;
- (b) if any Event of Default or Potential Default shall have occurred;
- (c) if the Bank in its reasonable discretion is not satisfied that the construction of the Improvements will be completed on or before the date specified herein;
- (d) if the Loan is not "in balance" as provided in Section 8.3 following; or
- (e) if the Project shall have been damaged by fire or other casualty and the Bank shall not have received insurance proceeds sufficient in the sole judgment of the Bank to effect the restoration of the Improvements in accordance with Plans and Specifications and to permit the completion of the Improvements on or before the Completion Date set forth herein.

Section 8.3. Balancing of Loan and the Borrower's Deposit.

(a) The Disbursements shall be deemed to be "in balance" only at such time as the Borrower has paid a sufficient amount of Project Costs from its own funds so that the undisbursed portion of the Disbursements, together with projected Project Revenues as set forth in the Project Budget, are sufficient to pay all Project Costs until completion of the Project. In determining whether the Disbursements are in balance, the Bank shall determine, among other things, whether the amounts allocated for each category of Project Costs in the Project Budget are sufficient and whether the timing of receipts and expenditures set forth in the Forecast are realistic and achievable.

(b) Within ten (10) days after written notice from the Bank to the Borrower that the Disbursements are not in balance, the Borrower shall deposit with the Bank sufficient funds (herein called “the Borrower’s Deposit”) with the Bank to bring the Disbursements in balance. The Borrower’s Deposit will be held by the Bank in a non-interest bearing account collaterally assigned to secure the Obligations and will be disbursed by the Bank to pay Project Costs pursuant to this Agreement, prior to the disbursement of any additional Disbursements from the Project Fund. Upon the occurrence of an Event of Default, the Bank may apply the Borrower’s Deposit against the unpaid Obligations, in such order as the Bank may determine. Upon the payment in full of the Obligations, the Bank shall return the remaining balance of the Borrower’s Deposit, if any, to the Borrower.

(c) the Borrower will provide the Bank with draw request documents, satisfactory title endorsements and other information required hereunder with respect to funds used to pay Project Costs under subsection (b) above, on a monthly basis, as if such funds were Disbursements.

Section 8.4 Retainage and Final Disbursement. Ten percent (10%) of the amount on deposit in the Construction Fund shall not be approved for Disbursement by the Bank, which ten percent (10%) shall be disbursed only upon compliance with the following requirements (in addition to the requirements for all other disbursements):

(a) Receipt by the Bank of satisfactory evidence of the completion of the Improvements in accordance with Plans and Specifications and approval of such completion by Governmental Authorities having jurisdiction and approval of such completion by the representative of the Bank;

(b) Receipt by the Bank of a satisfactory “as-built” blueprint or survey reflecting the location of the Improvements on the Land in accordance with the Plans and Specifications;

(c) Receipt by the Bank of (i) lien waivers or lien subordinations or releases from all contractors, subcontractors, laborers and materialmen employed in furnishing labor or materials in connection with the construction of the Improvements or (ii) an endorsement to the Mortgagee Title Policy removing any exception with respect to liens arising by reason of unpaid bills or claims for work performed or materials furnished in connection with the Improvements;

(d) A period of time shall have elapsed after the date of completion of construction of the Improvements so that under Applicable Law no mechanic’s or materialmen’s liens could be perfected against the Project; and

(e) Receipt by the Bank of such other certificates, assurances and opinions as the Bank shall reasonably require.

Section 8.5 Notice, Frequency and Place of Disbursements. The Certificate for Disbursement shall be submitted to the Bank at least ten (10) business days prior to the date of the requested advance. Disbursements shall be made no more frequently than monthly and in amounts of not less than One Hundred Thousand Dollars (\$100,000).

Section 8.6. Rights of Third Parties. All conditions of the obligations of the Bank hereunder, including the obligation to approve Disbursements, are imposed solely and exclusively for the benefit of the Bank and its successors and assigns and no other person shall have standing to require satisfaction of such conditions in accordance with their terms or be entitled to assume that the Bank will approve Disbursements or refuse to approve Disbursements in the absence of strict compliance with any or all thereof and no other person shall, under any circumstances, be deemed to be a beneficiary of such conditions, any and all of which may be freely waived in whole or in part by the Bank at any time if in its sole discretion it deems it desirable to do so. In particular, the Bank makes no representations and assumes no duties or obligations as to third parties concerning the quality of the construction by the Borrower of the Improvements or the absence thereof of defects. Failure to inspect the construction of the Improvements or any part thereof or inspection not followed by notice of default shall not constitute a waiver of any of the Bank's rights hereunder nor shall it constitute a representation that there has been compliance with the Plans and Specifications or that the construction of the Improvements is free from defective materials or workmanship. In this connection the Borrower agrees to and shall indemnify the Bank from any liability, claims or losses resulting from the Disbursements or from the condition of the Project whether related to the quality of construction or otherwise and whether arising during or after the term of this Agreement. This provision shall survive the repayment of the Loan and shall continue in full force and effect so long as the possibility of such liability, claims or losses exists.

ARTICLE NINE

MISCELLANEOUS

Section 9.1 Increased Costs. If any change after the date hereof in any Applicable Law, treaty, regulation, guideline or directive (including, without limitation, Regulation D promulgated by the Board of Governors of the Federal Reserve System as now and from time to time hereafter in effect) or any law, treaty, regulation, guideline or directive or any interpretation of any of the foregoing by any authority charged with the administration or interpretation thereof or any central bank or other fiscal, monetary or other authority having jurisdiction over the Bank, the Letters of Credit or the transactions contemplated by this Agreement (whether or not having the force of law) shall:

(a) subject the Bank to any tax, deduction or withholding with respect to the Letters of Credit or this Agreement, or any amount paid or to be paid by the Bank as the issuer of the Letters of Credit (other than any tax measured by or based upon the overall net income of the Bank imposed by any jurisdiction having control over the Bank);

(b) impose, modify or deem applicable any reserve, special deposit, risk-based capital or similar requirements against any assets held by, deposits with or for the account of, or loans, letters of credit or commitments by, an office of the Bank, in connection with payments by the Bank hereunder or under the Letters of Credit or in maintaining the Letters of Credit;

(c) change the basis of taxation of payments due to the Bank under this Agreement (other than by a change in taxation of the overall net income of the Bank); or

(d) impose upon the Bank any other condition with respect to this Agreement or the Letters of Credit;

and the result of any of the foregoing is to increase the cost to the Bank of the extension of credit hereunder or of making any payment or maintaining the Letters of Credit hereunder, to reduce the amount of any payment (whether of principal, interest or otherwise) receivable by the Bank or to require the Bank to make any payment on or calculated by reference to the gross amount of any sum received by it, in each case by an amount which the Bank in its sole judgment deems material (collectively, "Increased Costs"), then:

(i) the bank may notify the Borrower in writing of the happening of such event;

(ii) the Bank shall, if it so notifies the Borrower, promptly deliver to the Borrower a certificate stating the change which has occurred or the reserve requirements or other conditions which have been imposed on the Bank or the request, direction or requirement with which it has complied, together with the date thereof, the amount of such increased cost, reduction or payment and the way in which such amount has been calculated; and

(iii) the Borrower shall upon such notice pay to the Bank such amount or amounts as will compensate the Bank for such additional cost, reduction or payment within 30 days after the Borrower's receipt of the certificate required by subparagraph (ii) above, if such cost is immediately payable by the Bank, or at the Expiration Date (whether by acceleration or otherwise), if such cost is payable by the Bank on a periodic basis.

The certificate of the Bank, signed by an officer of the Bank, as to the additional amounts payable pursuant to this section shall be conclusive evidence thereof absent manifest error. The protection of this section shall be available to the Bank regardless of any possible contention of invalidity or inapplicability of the law, regulation or condition which has been imposed. Provided, however, that any Increased Cost paid by the Borrower hereunder which is available to or for the benefit of the Bank upon termination of the Letters of Credit shall be refunded by Bank forthwith upon such termination.

SECTION 9.2 INDEMNITY, COSTS, EXPENSES AND TAXES. THE BORROWER HEREBY AGREES TO PROTECT, INDEMNIFY, PAY AND SAVE THE BANK AND ITS OFFICERS, DIRECTORS, SHAREHOLDERS, EMPLOYEES, AGENTS, AND SERVANTS (THE “INDEMNIFIED PARTIES”) HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, CAUSES OF ACTION, JUDGMENTS, SUITS, OBLIGATIONS, DEMANDS, LIABILITIES, DAMAGES, LOSSES, COSTS, CHARGES AND EXPENSES (INCLUDING REASONABLE ATTORNEYS’ FEES AND DISBURSEMENTS) WHICH THEY MAY INCUR OR BE SUBJECT TO AS A CONSEQUENCE, DIRECT OR INDIRECT, OF (A) THE ISSUANCE OF THE LETTERS OF CREDIT, OR ANY DRAWING OR PURPORTED DRAWING THEREUNDER, OR THE EXECUTION, DELIVERY, PERFORMANCE OR ENFORCEMENT OF THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS, THE INDENTURE OR THE OTHER BOND DOCUMENTS OR THE EXECUTION AND DELIVERY OF THE BONDS, OTHER THAN AS A RESULT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE BANK; (B) ANY INACCURACY IN ANY MATERIAL RESPECT, OR ANY UNTRUE STATEMENT OR ALLEGED UNTRUE STATEMENT OF ANY MATERIAL FACT, CONTAINED IN THE PRELIMINARY OFFICIAL STATEMENT RELATING TO THE ISSUANCE OF ANY OF THE BONDS OR ANY AMENDMENT OR SUPPLEMENT THERETO OR IN THE OFFICIAL STATEMENT RELATING TO THE ISSUANCE OF THE BONDS OR ANY AMENDMENT OR SUPPLEMENT THERETO, OR BY REASON OF THE OMISSION OR ALLEGED OMISSION TO STATE THEREIN A MATERIAL FACT PERTAINING TO THE BORROWER NECESSARY TO MAKE SUCH STATEMENTS, IN THE LIGHT OF THE CIRCUMSTANCES UNDER WHICH THEY WERE MADE, NOT MISLEADING; (C) ANY BREACH BY THE BORROWER OF ANY WARRANTY, COVENANT, TERM OR CONDITION IN, OR THE OCCURRENCE OF ANY DEFAULT UNDER, THIS AGREEMENT, THE OTHER TRANSACTION DOCUMENTS OR ANY OTHER BOND DOCUMENT, TOGETHER WITH ALL REASONABLE EXPENSES RESULTING FROM THE COMPROMISE OR DEFENSE OF ANY CLAIMS OR LIABILITIES ARISING AS A RESULT OF ANY SUCH BREACH OR DEFAULT; (D) DEFENSE AGAINST ANY LEGAL ACTION COMMENCED TO CHALLENGE THE VALIDITY OF ANY OF THE ABOVE REFERRED TO INSTRUMENTS (INCLUDING, BUT NOT LIMITED TO, TEMPORARY RESTRAINING ORDERS AND TEMPORARY OR PRELIMINARY OR PERMANENT INJUNCTIONS); (E) ANY CONTEST INITIATED UNDER SECTION 5.2 OF THIS AGREEMENT; AND (F) MATTERS FOR WHICH THE BORROWER HAS ASSUMED THE RISK UNDER SECTION 9.4 **WITHOUT LIMITING ANY PROVISION OF THIS AGREEMENT OR OF ANY OTHER TRANSACTION DOCUMENT, IT IS THE EXPRESS INTENTION OF THE PARTIES HERETO THAT EACH INDEMNIFIED PARTY SHALL BE INDEMNIFIED FROM AND HELD HARMLESS AGAINST ANY AND ALL LOSSES, LIABILITIES, CLAIMS, DAMAGES, PENALTIES, JUDGMENTS, COSTS, AND EXPENSES (INCLUDING ATTORNEYS’ FEES) ARISING OUT OF OR RESULTING**

FROM ITS OWN NEGLIGENCE.

Section 9.3 Obligations Absolute. The Borrower agrees that the Bank is entitled to be reimbursed in accordance with the terms of this Agreement for any draw under any Letter of Credit honored by the Bank even if the drawing does not strictly comply with the requirements of any Letter of Credit. The obligations of the Borrower under this Agreement shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances whatsoever, including, without limitation, the following circumstances:

- (a) any lack of validity or enforceability of any provision of this Agreement or any other Transaction Document;
- (b) any amendment or waiver of or any consent to departure from all or any of the Transaction Documents;
- (c) the existence of any claim, set-off, defense or other rights which the Borrower may have at any time against the Trustee, any paying agent, or any other beneficiary or any transferee thereof, the Bank (other than the defense of payment to the Bank in accordance with the terms of this Agreement and the Letter of Credit), or any other Person, whether in connection with this Agreement, or any unrelated transaction;
- (d) any draft, certificate, statement or any other document presented under the Letters of Credit is proved to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever (other than the failure of the Bank to comply with the Applicable Laws, rules and regulations and practices governing such Letters of Credit as set forth therein (the “LOC Governing Laws”));
- (e) payment by the Bank under the Letters of Credit against presentation of a certificate which does not strictly comply with the terms of the Letters of Credit, **WHETHER OR NOT ANY SUCH PAYMENT IS IN ANY WAY OR TO ANY EXTENT CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE BANK**, except as the result of the Bank’s gross negligence or willful misconduct (it being understood and agreed by the parties hereto that in making such payment the Bank’s exclusive reliance on the documents presented to the Bank by any method permitted as to any and all matters set forth therein, including the authority of the Person submitting such document and the authenticity of such document, whether or not any statement or any document presented pursuant to the Letters of Credit proves to be forged, fraudulent, invalid or insufficient in any respect or any statement therein proves to be untrue or inaccurate in any respect whatsoever, including any lack of authority or authenticity, shall not be deemed willful misconduct or gross negligence of the Bank provided such reliance does not conflict with the LOC Governing Laws); and
- (f) any other circumstance or happening whatsoever, whether or not similar to any of

the foregoing, **WHETHER OR NOT IN ANY WAY OR TO ANY EXTENT CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE BANK**; provided that such other circumstance or happening shall not have been the result of gross negligence or willful misconduct on the part of the Bank.

Section 9.4 Liability of the Bank. The Borrower assumes all risks of the acts or omissions of the Trustee, any paying agent, and any other agent of the Issuer or the Trustee and any transferee of the Letters of Credit with respect to its use of the Letters of Credit (provided such parties are non-affiliates of the Bank). Neither the Bank (in its capacity as the issuer of the Letters of Credit) nor any of its officers or directors shall be liable or responsible for (a) the use which may be made of the Letters of Credit or for any acts or omissions of the Trustee, any paying agent, or any other agent of the Issuer or the Trustee and any transferee (provided such parties are non-affiliates of the Bank) in connection therewith, (b) the validity, sufficiency or genuineness of documents, or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged, (c) payment by the Bank against presentation of documents which do not strictly comply with the terms of the Letters of Credit, including failure of any documents to bear any reference or adequate reference to the Letters of Credit, (d) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph or otherwise, whether or not they be in cipher, (e) errors in interpretation of technical terms, (f) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under the Letters of Credit, or of the proceeds thereof, (g) any consequences arising from causes beyond the control of the Bank, and (h) any other circumstances whatsoever in making or failing to make payment under the Letters of Credit, **IN EACH CASE, WHETHER OR NOT IN ANY WAY OR TO ANY EXTENT CAUSED, IN WHOLE OR IN PART, BY ANY NEGLIGENT ACT OR OMISSION OF ANY KIND BY THE BANK**, except only that the Borrower shall have a claim against the Bank, and the Bank shall be liable to the Borrower, to the extent, but only to the extent, of any direct and actual damages, but not incidental or consequential damages (for which the Bank shall not be liable), suffered by the Borrower which the Borrower proves were caused by (x) the Bank's willful misconduct or gross negligence in determining whether documents presented under the Letters of Credit comply with the terms of the Letters of Credit (in furtherance and not in limitation of the foregoing, it is understood by the parties hereto that the Bank may accept documents that appear on their face to be in order without the responsibility for further investigation) or (y) the Bank's willful or gross negligence failure to pay under the Letters of Credit after the presentation to it by the Trustee or an authorized agent of the Trustee (or a successor Trustee, as defined in the Letters of Credit, to whom the Letters of Credit has been transferred in accordance with its terms) of documents strictly complying with the terms and conditions of the Letters of Credit. The Bank is hereby expressly authorized and directed to honor any demand for payment which is made under and complies with the Letters of Credit without regard to, and without any duty on its part to inquire into the existence of, any disputes or controversies between the Borrower, any paying agent, the Trustee or any other Person or the respective rights, duties or liabilities of any of them, or whether any facts or occurrences

represented in any of the documents presented under the Letters of Credit are true and correct.

Section 9.5 Participants. The Bank shall have the right to grant participations (to be evidenced by one or more participation agreements or certificates of participation) in this Agreement and the Letters of Credit at any time and from time to time to one or more other banking institutions, and such participants shall be entitled to the benefits of this Agreement, including, without limitation, Sections 9.1, 9.2 and 9.21, to the same extent as if a direct party hereto. If and when the consent of, or notice to, the Bank is required hereunder, the Borrower shall not be required to obtain the direct consent of, or give notice to, any participant; provided, however, that nothing herein contained shall be deemed to restrict or prohibit the Bank from obtaining the consent of any participant before granting any consent or taking any other action hereunder.

Section 9.6 Drawing Certification. Each drawing by the Trustee or any agent thereof under the Letters of Credit shall constitute (a) a certification by the Borrower that the representations and warranties of the Borrower contained in Article Four of this Agreement are correct in all material respects as of the date of the drawing, and (b) a certification by the Borrower that they are in all other respects in compliance with the provisions of the Transaction Documents.

Section 9.7 Survival of this Agreement; Successors and Assigns. All covenants, agreements, representations and warranties made in the Transaction Documents shall survive the issuance by the Bank of the Letters of Credit and shall continue in full force and effect so long as the Letters of Credit shall be unexpired or any sums drawn or due hereunder shall be outstanding and unpaid regardless of any investigation made by any Person and so long as any amount payable hereunder remains unpaid. The obligation of the Borrower to the Bank pursuant to Sections 9.1 and 9.2 and with respect to the liabilities of the Bank pursuant to Section 9.4 shall survive for a period of two (2) years following the payment of the Bonds and termination of this Agreement. Whenever in this Agreement the Bank is referred to, such reference shall be deemed to include the successors and assigns of the Bank and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Agreement shall inure to the benefit of the successors and assigns of the Bank. The rights and duties of the Borrower, however, may not be assigned or transferred except as specifically provided in this Agreement or with the prior written consent of the Bank, and all obligations of the Borrower hereunder shall continue in full force and effect notwithstanding any assignment by the Borrower of any of its rights or obligations under any of the Bond Documents or any entering into, or consent by the Borrower to, any supplement or amendment to any of the Bond Documents.

Section 9.8 Modification of this Agreement. No amendment, modification or waiver of any provision of this Agreement shall be effective unless the same shall be in writing and signed by the Bank and the Borrower, and no amendment, modification or waiver of any provision of the Letters of Credit shall in any event be effective unless the same shall be in writing and signed by the Bank and the Borrower and acknowledged by the Trustee. Any such waiver or consent

shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on the Borrower in any case shall entitle the Borrower to any other or further notice or demand in the same, similar or other circumstances. No waiver by the Bank of any Event of Default shall be deemed to be a waiver of any other or subsequent Event of Default, nor shall such waiver by the Bank be deemed to be a continuing waiver. The acceptance by the Bank at any time and from time to time of part payment of the Obligation shall not be deemed to be a waiver of any Event of Default then existing. No delay or omission by the Bank in exercising any right or power hereunder, or under any other document executed by the Borrower as security for or in conjunction with the Borrower's obligations to the Bank shall impair any such right or power or be construed as a waiver thereof or any acquiescence therein, nor shall any single or partial exercise of any such right or power preclude other or further exercise thereof.

Section 9.9 No Waiver of Rights by the Bank. No course of dealing or failure or delay on the part of the Bank in exercising any right, power or privilege hereunder, under any of the other Transaction Documents, or under the Letters of Credit shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise or the exercise of any other right, power or privilege. The rights of the Bank under the Letters of Credit and the rights of the Bank under the Transaction Documents are, to the extent permitted by law, cumulative and not exclusive of any rights or remedies which the Bank would otherwise have.

Section 9.10 Severability. If any one or more of the provisions contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provision with a valid provision the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provision.

Section 9.11 Governing Law. This Agreement shall be governed by and construed in accordance with the internal substantive laws of the Commonwealth of Kentucky (and, for purposes of determining the Maximum Rate, federal laws of the United States of America if the application of federal law results in a higher rate of interest). In so far as the provisions of this Agreement are related to the duties of the Bank under the Letters of Credit, such applicable provisions shall also be governed by and construed in accordance with the LOC Governing Laws.

Section 9.12 Waiver of Immunities; Jurisdiction and Venue.

(a) To the extent permitted by law, the Borrower hereby irrevocably agrees that, should any Person institute any legal action or proceeding in any jurisdiction (whether for an injunction, specific performance, damages or otherwise) in relation to any Transaction Document, no immunity (to the extent that it may at any time exist, whether on the grounds of sovereignty or otherwise) from such action or proceedings, or from attachment (whether in aid of execution, before judgment or otherwise) of its assets or from execution of judgment, shall be

claimed by it or on its behalf (any such immunity being hereby irrevocably waived) and irrevocably agrees that it and its assets are subject to such legal action or proceeding, attachment or execution in respect of its obligations under this Agreement.

(b) To the extent not expressly prohibited by law from time to time in effect, the Borrower hereby irrevocably and unconditionally agrees as follows:

(i) the Borrower submits itself and its Property in any legal action or proceeding relating to this Agreement or the Letters of Credit, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of Daviess County, Kentucky and the courts of the United States of America for the Western District of Kentucky;

(ii) any such action or proceeding may be brought in such courts, and waives any objection that it may now or hereafter have to the venue or any such action or proceeding in any such court or that any such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address for notices set forth herein or at such other address of which the Bank shall have been notified pursuant thereto; and

(iv) nothing herein shall affect the right of the Bank to effect service of process in any other manner permitted by law or shall limit the right of the Bank to sue in any other jurisdiction.

Section 9.13 Notices. Except as otherwise specified herein regarding telephonic and telecopy notice, all notices, certificates, reports and documents hereunder shall be given by United States certified or registered mail, by telegram or by other telecommunication device capable of creating written record of such notice and its receipt. Notices hereunder sent by U.S. mail (certified or registered, return receipt requested) shall be effective three Business Days after deposit (with first class postage prepaid) in the U.S. mail and all other notices hereunder shall be effective when received. Notice hereunder shall be addressed to the respective Persons named below at the addresses set forth below, or at such other address as shall be designated by any such Person in a written notice to each other Person named pursuant to this section:

In addition, the Borrower shall pay any and all stamp and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing and recording of the Letters of Credit, this Agreement and the other Transaction Documents, or any other document which may be delivered in connection with this Agreement, and agrees to save the Bank harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such taxes and fees. Section 9.15 Headings. The table of contents and captions in this Agreement are for convenience of reference only and shall not define or limit the provisions hereof.

Section 9.16 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but both or all of which, when taken together, shall constitute but one instrument, and shall become effective when copies hereof which, when taken together, bear the signatures of each of the parties hereto shall be delivered to the Bank.

Section 9.17 General Waivers.

(a) Demand, presentment for payment, protest and notice of nonpayment, or protest or dishonor, and all demands and notices of any action taken by the Bank under this Agreement (other than those specifically provided for herein) and notice of intent to accelerate, and notice of acceleration of, the Obligations and any part thereof are hereby expressly waived by the Borrower and all other parties liable in respect of the Obligations.

(b) From time to time, without notice to or further consent by the Borrower or any other party liable in respect to the Obligations, the performance or observance by the Borrower of any term or provision hereof may be waived or the time of performance thereof extended by the Bank, and payment of the Obligations may be accelerated in accordance with this Agreement, any other Transaction Document or any Bond Document or may be extended, or renewed in whole or in part, and any security therefor may be substituted, exchanged, released, surrendered, waived, subordinated, or otherwise dealt with, or additional Collateral obtained, all as the Bank may determine.

Should any provision contained in any other agreement between the Bank and the Borrower conflict with this Agreement, the provisions contained in this Agreement shall control.

Section 9.19 Strict Compliance. If any action or failure to act by the Borrower violates any covenant or obligation of the Borrower herein, then such violation shall not be excused by the fact that such action or failure to act would otherwise be permitted by any other covenant (or exception to any covenant) herein contained other than the covenant violated.

Section 9.20 Limitation on Interest. All agreements between the Borrower and the Bank, whether now existing or hereafter arising and whether written or oral, are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration or maturity of any indebtedness owed to the Bank, shall the amount paid, or agreed to be paid to the Bank for the use, forbearance, or detention of the money to be loaned under this Agreement or

otherwise or for the payment or performance of any covenant or obligation contained herein or in any other Transaction Document exceed the maximum amount permissible under Applicable Law now or as hereafter amended. If, from any circumstances whatsoever, fulfillment of any provision hereof at the time of performance of such provision shall involve transcending the limit of validity prescribed by law, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any circumstances the Bank should ever receive as interest an amount that would exceed the Maximum Rate, such amount which would have been excessive shall be applied to the reduction of the principal amount of the Obligations and not to the payment of interest, or if such excessive interest exceeds the unpaid principal balance of the Obligations, such excess shall be refunded to the Borrower.

Section 9.21. USA Patriot Act. The Bank hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act, the Bank is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Bank to identify the Borrower in accordance with the USA Patriot Act.

FORM OF OPINION OF BORROWER'S COUNSEL

DISCLOSURE SCHEDULE
MATERIAL LITIGATION

United States ex rel. Grynberg v. Williams Natural Gas Co., MDL Docket No. 1293 (99-MD-1614), Civil Action No. 97-D-1428 (District of Colorado)

In 1998, the U.S. Department of Justice informed Southern Star Central Gas Pipeline, Inc. (SSCGP) that Jack Grynberg, an individual, had filed claims in the U.S. District Court for the District of Colorado and various other federal districts under the False Claims Act against SSCGP (formerly Williams Natural Gas Co.) and approximately 300 other energy companies alleging that the defendants violated the False Claims Act in connection with the measurement, royalty valuation and purchase of hydrocarbons, known as the Grynberg Litigation. The relief sought was an unspecified amount of royalties allegedly not paid to the federal government, treble damages, a civil penalty, attorneys' fees and costs. On April 9, 1999, the Department of Justice announced that it was declining to intervene in any of the Grynberg qui tam cases; including the action filed against SSCGP in the U.S. District Court for the District of Colorado. On October 21, 1999, the Panel on Multi-District Litigation transferred all of the Grynberg qui tam cases, including those filed against Central, to the U.S. District Court for the District of Wyoming for pre-trial purposes. Grynberg's measurement claims remain pending against SSCGP and the other defendants. The defendants' obligation to file answers has been stayed, and thus far discovery has been limited to public disclosure/original source jurisdictional issues. Currently, certain coordinating defendants, including SSCGP, are preparing an original source motion which will argue that Grynberg does not meet the requirements for qui tam plaintiffs because he is not the original source of the allegations. The special master appointed by the United States District Court has scheduled a December 12, 2003 hearing, one of the purposes of which is to discuss procedures for raising and resolving the issues relating to subject matter jurisdiction.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 99C30, District Court, Stevens County, Kansas

On June 8, 2001, SSCGP was named as a defendant in a nationwide class action lawsuit filed in the District Court of Stevens County, Kansas. In this putative class action, the named plaintiffs (the Plaintiffs) have sued over fifty (50) defendants, including SSCGP. Asserting theories of civil conspiracy, aiding and abetting, accounting and unjust enrichment, their Fourth Amended Class Action Petition alleges that the defendants have undermeasured the volume of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On August 22, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP. Despite a denial by the court on April 10, 2003 of their original motion for class

certification, the Plaintiffs have indicated that they will continue to seek the certification of a class.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 03C23, District Court, Stevens County, Kansas

In this putative class action, the same named Plaintiffs from the action discussed above have sued the same defendants, including SSCGP. In this action, the Plaintiffs assert substantially identical legal and/or equitable theories. The Original Class Action Petition alleges that the defendants have undermeasured the BTU content of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On November 10, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP.

KCP&L v. Bibb and Associates, et al.

KCP&L brought suit on April 3, 2001, in the Circuit Court of Jackson County, Missouri against SSCGP and numerous other defendants. The litigation arises from a boiler explosion at KCP&L's Hawthorn 5 power plant on February 17, 1999. Plaintiff's claims against SSCGP allege inadequate odorization of the natural gas transported to the plant. The action seeks damages from all defendants for rebuilding the facility as well as the cost of replacement power for the time the facility was down. SSCGP's defense is that we had no duty pursuant to our contract with KCPL to odorize at the facility, and even if we had this duty, we did odorize (due to the fact that the portion of the system involved is located in a Class 3 location and odorization is required by DOT), and that odorization levels were adequate. We have taken a number of depositions of KCPL employees, none of who allege any reason to believe that they would have had any reason to smell gas. SSCGP has retained an expert in DOT regulations to support our position that we had no duty to odorize, as well as retaining experts to support our position that odorization was adequate. A Motion for Summary Judgment on the issue of the duty to odorize, as well as other legal defenses to the claim, was filed on September 15, 2003. On December 15, 2003, SSCGP's Motion for Summary Judgment was denied by the judge. On January 15, 2004, prior to formal trial activities commencing, KCPL and SSCGP came to a settlement with regard to this claim.

The Bonds shall be signed on behalf of the Authority with the manual or facsimile signature of the Chairman or Vice-Chairman of the Authority, attested by the manual or facsimile signature of the Authority's Vice-Chairman (if not otherwise signing on behalf of the Authority) or Secretary-Treasurer. If any officer of the Authority whose signature is on a Bond no longer holds that office at the time the Fiscal Agent authenticates the Bond, the Bond shall nevertheless be valid. Also, if a person signing a Bond is the proper officer on the actual date of execution, the Bond shall be valid even if that person is not the proper officer on the nominal date of action.

A Bond shall not be valid for any purpose under this Indenture unless and until the Fiscal Agent manually signs the certificate of authentication on the Bond, and such signature shall be conclusive evidence that the Bond has been authenticated under this Indenture.

Section 2.04. Bond Register. The Fiscal Agent shall keep a register of Bonds and of their transfer and exchange. Bonds not held under a book-entry system must be presented at the principal corporate trust office of the Fiscal Agent for registration, transfer and exchange, and Bonds may be presented at that office for payment.

Section 2.05. Registration and Exchange of Series 2004A Bonds; Persons Treated as Owners; Book-Entry System.

(a) Bonds may be transferred only on the register maintained by the Fiscal Agent. Upon surrender for transfer of any Bond to the Fiscal Agent, duly endorsed for transfer or accompanied by an assignment duly executed by the holder or the holder's attorney duly authorized in writing and in either case, with an appropriate guarantee of signature conforming to the requirements set forth in the Bonds, the Fiscal Agent shall authenticate a new Bond or Bonds of the same series in an equal aggregate principal amount and registered in the name of the transferee.

Bonds of a series may be exchanged for an equal aggregate principal amount of Bonds of the same series of different Authorized Denominations. The Fiscal Agent shall authenticate and deliver Bonds that the Bondholder making the exchange is entitled to receive, bearing numbers not then outstanding.

The Fiscal Agent shall not be required to transfer or exchange any Bond during the period beginning fifteen (15) days before the mailing of notice calling the Bond or any portion of the Bond for redemption and ending on the redemption date. Bonds subject to redemption may be transferred or exchanged only if the Fiscal Agent provides the new holder thereof with a copy of the notice of redemption, as the case may be.

The holder of a Bond as shown on the register of the Fiscal Agent shall be the absolute owner of the Bond for all purposes, and payment of the principal, premium, if any, or interest shall be made only to or upon the written order of such holder or the holder's legal representative; provided that interest shall be paid to the Person shown on the register as a holder of a Bond on the applicable Record Date.

(b) The Fiscal Agent may require the payment by a Bondholder requesting exchange or registration of transfer of any tax or other governmental charge required to be paid in respect of the exchange or registration of transfer but shall not impose any other charge.

(c) The Fiscal Agent may make appropriate arrangements for the Bonds of a series to be issued or held by means of a book-entry system administered by DTC with no physical distribution of such Bonds made to the public. Such Bonds will initially be issued by means of a book-entry system administered by DTC with no physical distribution of Bonds made to the public. References in this Section 2.05(c) to a Bond or the Bonds of a series shall be construed to mean the Bond or the Bonds of such series which are held under the book-entry system. In such event, one Bond of each maturity shall be issued to DTC and immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds of such series in Authorized Denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds of such series. Beneficial ownership interests in such Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners". The Beneficial Owners shall not receive such Bonds

representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interest in such Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS REGISTERED OWNER OF THE BONDS OF A SERIES, THE TRUSTEE AND THE FISCAL AGENT SHALL TREAT CEDE & CO. AS THE ONLY HOLDER OF THE BONDS OF THAT SERIES FOR ALL PURPOSES UNDER THIS INDENTURE, INCLUDING RECEIPT OF ALL PRINCIPAL AND PREMIUM, IF ANY, AND INTEREST ON THOSE BONDS, RECEIPT OF NOTICES (EXCEPT AS SET FORTH IN SECTION 3.04), VOTING AND REQUESTING OR DIRECTING THE TRUSTEE OR FISCAL AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS INDENTURE.

Payments of principal, interest and redemption premium, if any, with respect to the Bonds of a series, so long as DTC or its nominee, Cede & Co., is the only owner of the Bonds of such series, shall be paid by the Fiscal Agent directly to DTC or its nominee, Cede & Co., as provided in the Issuer Letter of Representation dated January __, 2004, from the Authority to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The Authority, the Company, the Fiscal Agent and the Trustee shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (i) DTC determines not to continue to act as securities depository for the Bonds of a series or (ii) the Company determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds of a series would adversely affect their interests or the interests of the Beneficial Owners of those Bonds, the Authority shall, at the request of the Company discontinue the book-entry system with DTC relating to those Bonds.

THE AUTHORITY, THE COMPANY, THE FISCAL AGENT AND THE TRUSTEE SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (I) THE BONDS FOR WHICH CEDE & CO. IS THE REGISTERED HOLDER; (II) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (III) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND PREMIUM, IF ANY, AND INTEREST ON THOSE BONDS; (IV) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS INDENTURE TO BE GIVEN TO BENEFICIAL OWNERS; (V) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THOSE BONDS; OR (VI) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(d) The Fiscal Agent shall not be limited to utilizing a book-entry system maintained by DTC but may enter into a custody agreement with any bank or trust company serving as custodian (which may be the Fiscal Agent serving in the capacity of custodian) to provide for a book-entry or similar method for the registration and registration of transfer of all or a portion of the Bonds of a series.

SO LONG AS A BOOK-ENTRY SYSTEM OF EVIDENCE OF TRANSFER OF OWNERSHIP OF ALL THE BONDS OF A SERIES IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS INDENTURE RELATING TO THE DELIVERY OF PHYSICAL BOND CERTIFICATES SHALL BE DEEMED TO GIVE FULL EFFECT TO SUCH BOOK-ENTRY SYSTEM.

In the event the Bonds of a series are held under a book-entry system, the securities depository shall provide the Trustee, upon request of the Trustee, the names, addresses and principal amount of the holders of beneficial interests in those Bonds. In the event DTC only provides the Trustee with the names of the DTC Participants, the Trustee shall use all reasonable efforts to obtain the names, addresses and principal amount of the holders of beneficial interests in those Bonds from DTC or the DTC Participants. Subject to the provisions of Section 8.14 of this Indenture, such beneficial holders shall be treated in all respects as the holders of those Bonds for purposes of Article VIII of this Indenture, and the Trustee shall send notices to such beneficial owners as required in Article VIII of this Indenture.

Section 2.06. Mutilated, Lost, Stolen, Destroyed or Undelivered Bonds.

If any Bond is mutilated, lost, stolen, or destroyed, the Fiscal Agent shall authenticate a new Bond of the same denomination and series for any mutilated, lost, stolen or destroyed Bond if there shall first be delivered by the Bondholder to the Fiscal Agent at its principal corporate trust operations office (i) in the case of any mutilated Bond, such mutilated Bond, and (ii) in the base of any lost, stolen or destroyed Bond, evidence of such loss, theft or destruction reasonably satisfactory to the Authority, the Fiscal Agent, the Bank, the Trustee and the Company, together with an indemnity from the Bondholder, reasonably satisfactory to the Fiscal Agent. If the Bond has matured and if the evidence and indemnity described above have been provided by the Bondholder, instead of issuing a duplicate Bond, the Fiscal Agent shall pay the Bond without requiring surrender of the Bond and make such requirements as the Fiscal Agent deems fit for its protection, including a lost instrument bond. The Fiscal Agent may charge the Bondholder its reasonable fees and expenses in this connection.

Section 2.07. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be delivered to the Fiscal Agent when such payment, redemption or purchase is made, and except as otherwise provided herein shall be canceled. Whenever a Bond is delivered to the Fiscal Agent for cancellation (upon payment, redemption, defeasance or otherwise), or for transfer, exchange or replacement pursuant to Section 2.05 or 2.06, the Fiscal Agent shall safeguard such Bond for such period of time as may be required by applicable governmental regulations and shall thereafter promptly cancel the Bond and supply evidence of such cancellation to any party so requesting.

Section 2.08. Temporary Bonds. Until definitive Bonds are ready for delivery, the Authority may execute and the Fiscal Agent shall authenticate temporary Bonds substantially in the form of the definitive Bonds, with appropriate variations. The Authority shall, without reasonable delay, prepare and the Fiscal Agent shall authenticate definitive Bonds in exchange for the temporary Bonds. Such exchange shall be made by the Fiscal Agent without charge to the Bondholders. Temporary Bonds shall not otherwise be eligible for transfer or exchange under Section 2.05.

Such Bonds shall be redeemed at the principal amount thereof plus interest accrued to the date of redemption.

Bonds of a series shall be redeemed, in whole without premium, at the earliest date for which 30 day notice of redemption can be given to the Bondholders if the Trustee has not received written notice from the Bank stating that the Letter of Credit will be renewed 45 days prior to the expiration date of the Letter of Credit and notice from the Company no less than 30 days prior to such expiration date that no "Substitute Letter of Credit" has or will be obtained by the Company.

Section 3.02. Redemption Date. The redemption date of Bonds to be redeemed pursuant to any redemption provisions hereunder, shall be a date permitted by such particular clauses and specified by the Company in the notice delivered pursuant to Section 3.04.

Section 3.03. Selection of Bonds to be Redeemed. If fewer than all of the Bonds of a series are to be redeemed, the Fiscal Agent shall select the Bonds to be redeemed from among the Outstanding Bonds of that series, as set forth below, by lot or such other method as it deems in its sole discretion to be fair and appropriate. The Fiscal Agent shall make the selection from Bonds of the applicable series not previously called for redemption. No portion of a Bond may be redeemed that would result in a Bond which is smaller than the then permitted minimum Authorized Denomination. [For this purpose, the Fiscal Agent shall consider each Bond in a denomination larger than the minimum Authorized Denomination permitted by the Bonds at the time to be separate Bonds each in the minimum Authorized Denomination.] Provisions of this Indenture that apply to Bonds called for redemption also apply to portions of Bonds called for redemption.

Notwithstanding anything to the contrary in this Indenture, there shall be no redemption of less than all of the Bonds if there shall have occurred and be continuing an Event of Default.

Section 3.04. Notice to Trustee; Notice of Redemption.

(a) If the Company wishes to direct the Authority to redeem any Bonds pursuant to any optional redemption provisions hereof, the Company shall notify the Trustee, the Fiscal Agent and the Bank in writing of its intent to direct the Authority to redeem such Bonds pursuant to the applicable provision hereof, the applicable redemption date, the principal amount of any Bonds to be redeemed and other necessary particulars. The Company shall direct the Authority to give such notices at least 45 days before the applicable redemption date.

(b) The Trustee shall prepare and the Fiscal Agent shall send notice of each redemption to each Bondholder whose Bonds are being redeemed, the Company and the Bank by first-class mail at least thirty (30) days but not more than sixty (60) days before each redemption; provided, however, in the case of a mandatory redemption, the Trustee shall give notice of such redemption at least 15 days prior to the date of expiration of the Letter of Credit. The notice shall identify the Bonds or portions thereof to be redeemed and shall state (i) the type of redemption and the redemption date, (ii) the redemption price, (iii) that such Bonds called for redemption must be surrendered to collect the redemption price, (iv) the address at which such Bonds must be surrendered, (v) that if on the redemption date the Bond Fund contains moneys sufficient to pay the redemption price, interest on such Bonds called for redemption will cease to accrue on the redemption date, (vi) the CUSIP number of such Bonds, and (vii) any condition to the redemption.

A copy of each notice of redemption shall also be sent by the Fiscal Agent by certified or registered mail to each securities depository (each, a "Depository") registered with the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, at least two Business Days prior to mailing notice to Bondholders and to two national information services which disseminate redemption notices and to each registered owner of \$1,000,000 or more of Bonds of an affected series on the same date notices are mailed to other Bondholders, provided that the Fiscal Agent may, in its discretion, provide for overnight, telecopied or other form of notice to a Depository acceptable to or requested by such Depository. Notwithstanding the foregoing, in the event that the Depository for the Bonds of a series is DTC, the Trustee shall follow the procedure for redemption and notice as set forth in DTC's operational arrangements, as in effect at the time with respect to those Bonds.

With respect to any Bonds to be redeemed which have not been presented for redemption within sixty (60) days after the redemption date, the Trustee, at the expense of the Company, shall prepare and the Fiscal Agent shall give a second notice of redemption to the holder of any such Bonds which have not been present for redemption, by first-class mail, within thirty (30) days after the end of such 60 day period.

Failure by the Fiscal Agent to give any notice of redemption or any defect in such notice as to any particular Bonds shall not affect the validity of the call for redemption of any Bonds in respect of which no such failure or defect has occurred. Any notice mailed as provided in this Indenture shall be conclusively presumed to have been given whether or not actually received by any holder.

(c) On the date fixed for redemption, notice having been given in the manner and under the conditions provided in this Indenture, the Bonds, or portions thereof called for redemption, shall be due and payable at the redemption price provided therefor, plus accrued interest to, but excluding, such date. On such redemption date, if moneys sufficient to pay the redemption price of the Bonds to be redeemed, plus accrued interest thereon to, but excluding, the date fixed for redemption, are held by the Fiscal Agent, interest on the Bonds called for redemption shall cease to accrue; such Bonds shall cease to be entitled to any benefits or security under this Indenture or to be deemed outstanding; and the holders of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to, but excluding, the date of redemption.

Section 3.05. Payment of Bonds Called for Redemption. On or before the date fixed for redemption, the Trustee shall cause to be transferred from the applicable account in the Bond Fund to the Fiscal Agent pursuant to Section 4.01, moneys sufficient to pay the redemption price, together with accrued interest to the redemption date of the Bonds called for redemption. Upon surrender to the Fiscal Agent, Bonds called for redemption shall be paid as provided in this Article at the redemption price provided for in this Article. On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to, but not including, such date. On such redemption date, if moneys sufficient to pay the redemption price of the Bonds to be redeemed, plus accrued interest thereon to but not including the date fixed for redemption, are held by the Fiscal Agent, interest on the Bonds called for redemption shall cease to accrue; such Bonds shall cease to be entitled to any benefits or security under this Indenture or to be deemed outstanding; and the holders of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to, but not including, the date of redemption.

Section 3.06. Bonds Redeemed in Part. Upon surrender of a Bond redeemed in part, the Fiscal Agent shall authenticate for the holder a new Bond or Bonds of the same series in Authorized Denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

Investments shall be registered in the name of the Trustee or the Fiscal Agent, as applicable, or its nominee and held by or under the control of the Trustee or the Fiscal Agent, as applicable. The Trustee or the Fiscal Agent, as applicable, shall sell and reduce to cash a sufficient amount of investments whenever the cash held by the Trustee or the Fiscal Agent, as applicable, is insufficient for its purposes, regardless of the loss on liquidation.

All such investments shall be held by or under the control of the Trustee or the Fiscal Agent, as applicable, and while so held shall be deemed a part of the particular Fund or Account (or Segregated Subaccount therein) in which held. The interest accruing thereon and any profit realized from such investments shall be credited to such Fund or Account, and any loss resulting from such investments shall be charged to such Fund or Account (or Segregate Subaccount therein). The Trustee and the Fiscal Agent shall not be responsible for any losses on investments made in accordance with this section or the tax consequences thereof.

Notwithstanding the foregoing, while any Letter of Credit is outstanding, the Bank may notify the Trustee or the Fiscal Agent, as applicable, in writing of any additional restrictions as to the investment of funds hereunder and the Trustee or the Fiscal Agent, as applicable, shall abide by such restrictions.

LETTER OF CREDIT

Section 5.01. Requirements for Letters of Credit. In order to secure its obligations under the Lease Agreement, pursuant to Section 4.2(b) of the Lease Agreement, and its obligations under the Loan Agreement, pursuant to Section 4.2(b) of the Loan Agreement, the Company has agreed, upon the initial authentication and delivery of the Bonds, to direct the Bank to deliver to the Trustee the Letters of Credit issued by the Bank in favor of the Trustee for the beneficial account of the Company and for the benefit of the holders of the related series of Bonds.

Section 5.02. Draws on Letters of Credit; Extensions.

(a) The Trustee shall make timely draws under the applicable Letter of Credit in accordance with the terms thereof such that timely payment under Section 4.01(a) hereof is made without resort to the sources of payment described in Subsections (b), (c) and (d) of Section 4.01. Such draws shall be in amounts equal to the total principal, premium, if any (to the extent permitted therefor in such letter of Credit), and interest due on such Bonds, less the amounts (if any) available under Section 4.01(b). In the event the Trustee uses Available Moneys (other than Available Moneys arising from a draw under the applicable Letter of Credit) for the payment of principal of, premium, if any, or interest on such Bonds as the same become due and payable whether at maturity, upon redemption or otherwise, the Trustee shall, within 10 days after such payment, give notice thereof to the Bank in accordance with the terms of the applicable Letter of Credit. The Trustee agrees to make such draws so as to be able to obtain and to transfer to the Fiscal Agent by 1:45 p.m. Central Time to the extent funds have been received from the Bank on the payment or purchase date, as the case may be, such funds to the extent necessary to permit the Fiscal Agent to make such payment when due in accordance with this Indenture and the related series of Bonds.

(b) In drawing on the applicable Letter of Credit, the Trustee shall be acting on behalf of the Holders of the related series of Bonds by facilitating payment of such Bonds and not on behalf of the Authority or the Company and shall not be subject to the control of either. Proceeds of draws on the applicable Letter of Credit shall be deposited in the applicable Letter of Credit Account and segregated from, and not commingled with, other moneys held by the Trustee and shall be paid to the Fiscal Agent, who shall hold such moneys segregated from, and not commingled with, other moneys held by the Fiscal Agent.

(c) The Trustee shall advise the Company by telecopy or telex on the date of each draw on the applicable Letter of Credit of the amount and the date of such draw and of the reason for such draw.

(d) For extensions of the terms of a Letter of Credit, the Trustee shall, at the direction of a Company Representative, but only if required to evidence an extension of the term of an applicable Letter of Credit, surrender such Letter of Credit to the Bank in exchange for a new letter of credit of the Bank or the applicable Letter of Credit with notations thereon, as the Bank may elect, conforming in all material respects to the applicable Letter of Credit except that the expiration date shall be extended. Any such

extension shall be for a period of at least one year or, if less, until the fifteenth day following the maturity date of the related series of Bonds.

(e) No draws shall be made by the Trustee under the applicable Letter of Credit for Company Bonds or Bank Bonds.

Section 5.03. Substitute Letter of Credit.

(a) The Fiscal Agent and the Company may provide for the delivery to the Trustee of a Substitute Letter of Credit complying with the provisions of this Indenture (the "Substitute Letter of Credit"), which shall be effective upon acceptance by the Trustee. Any Substitute Letter of Credit shall have a stated expiration date of at least one year following the effective date thereof and at least fifteen (15) days following an Interest Payment Date and the bank issuing such Substitute Letter of Credit has a credit rating equal to or better than the then current letter of credit bank being substituted by Moodys Investor's Service or Standard & Poor's, whichever is the current agency rating the Bonds, and if rated by both, then equal to or better than the rating of the then current letter of credit bank being substituted by both Moodys Investor's Service and Standard & Poor's.

(b) No more than 30 days but not less than 15 days prior to the effective date of any Substitute Letter of Credit delivered to the Trustee, as a condition to the acceptance by the Trustee of such Substitute Letter of Credit, the Company shall furnish to the Trustee:

(i) An Opinion of Counsel addressed to the Trustee to the effect that (A) on the effective date of any Substitute Letter of Credit, such Substitute Letter of Credit will be the valid and binding obligation of the issuer thereof enforceable against such issuer in accordance with its terms except insofar as its enforceability may be limited by any insolvency or similar proceedings applicable to the issuer or by proceedings affecting generally the rights of the issuer's creditors or by general equitable principles; (B) payments of principal, premium, if any, or interest on the related series of Bonds from the proceeds of a draw on the Substitute Letter of Credit will not constitute avoidable preferences under any applicable bankruptcy, reorganization, insolvency or other similar laws; and (C) the Substitute Letter of Credit, on the date it becomes effective, would not constitute a separate security requiring registration under any applicable federal or state securities laws or, alternatively, that such registration has been filed and is effective. In the case of a Substitute Letter of Credit issued by a branch or agency of a foreign commercial bank, there shall also be delivered an Opinion of Counsel from a firm licensed to practice law in the jurisdiction in which the head office of such bank is located, addressed to the Trustee to the effect that the Substitute Letter of Credit is the valid and binding obligation of such bank, enforceable against such bank in accordance with its terms, subject to the limitations referred to in Section 5.03(b)(i)(A) above;

(ii) written evidence satisfactory to the Trustee that the issuer of the Substitute letter of Credit meets the requirements for an issuer of a Letter of Credit set forth in the definition of the applicable Letter of Credit in Article I hereof; and

(iii) an Opinion of Bond Counsel addressed to the Trustee to the effect that the delivery and acceptance of such is authorized under this Indenture and the Act; and

The Trustee shall accept any such Substitute Letter of Credit only in accordance with the terms, and upon satisfaction of the conditions, contained in this Section and any other applicable provisions of this Indenture. The effective date of the Substitute Letter of Credit shall be no later than one Business Day prior to the expiration of the then current letter of credit.

Upon receipt of the foregoing, the Trustee shall comply with the provisions of notice to the Bondholders contained in Section 3.01(c) herein.

Section 5.04. Enforcement of the Letters of Credit. The Trustee shall hold and maintain the Letters of Credit for the benefit of the Owners of the related series of Bonds until such Letters of Credit terminate or expire in accordance with its terms. When such Letter of Credit terminates or expires in accordance with its terms, the Trustee shall immediately surrender it to the Bank. The Trustee hereby agrees that, except in the case of a redemption in part pursuant to Article III hereof or any other reduction in the principal amount of the related series of Bonds Outstanding, it will not under any circumstances request that the Bank reduce the amount of the applicable Letter of Credit. If, at any time, all Bonds shall cease to be outstanding, the Trustee shall surrender the Letter of Credit to the Bank in accordance with the terms thereof. If at any time, the Bank fails to honor a draft presented under the applicable Letter of Credit in conformity with the terms thereof, the Trustee shall give immediate telephonic notice thereof to the Fiscal Agent and the Company.

COVENANTS

Section 6.01. Payment of Bonds. The Authority shall promptly pay, or cause to be paid, the principal of (whether at maturity, by acceleration, call for redemption or otherwise), premium, if any, and interest on every Bond issued under this Indenture to the Fiscal Agent for payment to the owners of the Bonds, on the dates and in the manner provided herein according to the true intent and meaning thereof, subject to the limitations set forth in Section 2.01(a).

Section 6.02. Further Covenants and Representations of Authority. The Authority shall observe and perform all covenants, conditions and agreements required on its part in this Indenture, in each Bond executed, authenticated and delivered hereunder, in all other documents related hereto, and under any laws or regulations related to the issuance of the bonds; provided, however, that the liability of the Authority for a breach of any such covenant, condition or agreement shall be limited solely to the Receipts and Revenues of the Authority from the Lease Agreement or the Receipts and Revenues of the Authority from the Loan Agreement, as applicable. The Authority represents that it is duly authorized under the Constitution and the laws of the State (including without limitation the Act) to issue the Bonds authorized by this Indenture, to assign the Lease Agreement, the Loan Agreement and the Note, to grant the Mortgage to the Trustee and to pledge the Receipts and Revenues of the Authority from the Lease Agreement and the Receipts and Revenues from the Loan Agreement in the manner and to the extent herein set forth; that all action required on its part with respect to the issuance of the Bonds and the execution and delivery of the Indenture has been taken; and that the Bonds when issued will be valid and enforceable in accordance with their terms except as limited by bankruptcy, creditors' rights generally and principles of equity.

Notwithstanding anything to the contrary contained herein, the Bonds, together with interest thereon and redemption or purchase premiums with respect thereto, are special, limited obligations of the Authority secured by the Lease Agreement, the Loan Agreement, as applicable, the Mortgage and the Letters of Credit and shall always be payable solely from the revenues and income derived from the Lease Agreement or the Loan Agreement, as applicable, (except to the extent paid out of moneys attributable to the respective proceeds of the Bonds or the income from the temporary investment thereof), from the proceeds of a foreclosure sale, if any, of the Project Site and the Project Facilities and from payments pursuant to the Letters of Credit and shall always be a valid claim of the owner thereof only against the revenues and income derived from the Lease Agreement (except for amounts paid under Sections 4.4, 5.2 and 6.4 thereof) or the Loan Agreement (except for amounts paid under Sections 4.4, 5.2 and 6.4 thereof), as applicable, which revenues and income shall be used for no other purposes than to pay the principal installments of, redemption or purchase premium, if any, and interest on the Series 2004A Bonds and the Series 2004B Bonds, respectively, except as may be expressly authorized otherwise in this Indenture and in the Lease Agreement or the Loan Agreement, as applicable. The Bonds and the obligation to pay interest thereon and any redemption or purchase premiums with respect thereto do not now and shall never constitute an indebtedness or an obligation of the Authority, the County, the Commonwealth of Kentucky or any political subdivision thereof, within the purview of any constitutional limitation or statutory provision, or a charge against the general credit or taxing powers, if any, of any of them, but shall be secured as aforesaid, and shall be payable solely from the revenues and income derived from the

Lease Agreement or the Loan Agreement, as applicable, from the proceeds of a judicial sale, if any, of the Project Site and the Project Facilities and from payments pursuant to the Letters of Credit (except as stated aforesaid). No owner of the Bonds shall have the right to compel the exercise of the taxing power, if any, of the Authority, the County, the Commonwealth of Kentucky or any political subdivision thereof to pay any principal installment of, redemption or purchase premium, if any, or interest on the Bonds.

No recourse shall be had for the payment of the principal or, redemption or purchase premium, if any, and interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement contained in this Indenture, the Lease Agreement, or the Loan Agreement against any past, present or future member, officer, agent or employee of the Authority, or any incorporator, member, officer, employee, director or trustee of any successor entity, as such, either directly or through the Authority or any successor entity, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, member, officer, employee, director, agent or trustee as such is hereby expressly waived and released as a condition of consideration for the execution of this Indenture, the Lease Agreement and the Loan Agreement and the issuance of the Bonds.

Section 6.03. Further Assurances. The Authority shall execute and deliver such supplemental indentures and such further instruments and do such further acts, as the Trustee may reasonably require for the better assuring, assigning and confirming to the Trustee the amounts assigned under this Indenture for the payment of the Bonds.

ARTICLE VII

DISCHARGE OF INDENTURE

Section 7.01. Bonds Deemed Paid; Discharge of Indenture. All Bonds of a series shall be deemed paid for all purposes of this Indenture when (a) payment of the greater of the principal of and the maximum amount of interest that may become due on such Bonds to the due date of such principal and interest (whether at maturity, upon redemption, acceleration or otherwise) when there has been deposited with the Trustee (i) moneys sufficient to make such payment, which monies must constitute Available Moneys or (ii) noncallable U.S. Government Obligations maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment without regard to the reinvestment thereof or both, provided that such U.S. Government Obligations must be purchased from Available Moneys. When a Bond is deemed paid, it shall no longer be secured by or entitled to the benefits of this Indenture, from moneys or U.S. Government Obligations under subclause (a) above and nor may it be transferred, exchanged, registered, discharged from registration or replaced as provided in Article II.

Notwithstanding the foregoing, no deposit under subclause (a) above made for the purpose of paying the redemption price of a Bond (as opposed to the final payment thereof upon maturity) will be deemed a payment of a Bond as aforesaid until (x) notice of redemption of the Bond is given in accordance with Article III or, if the Bond is not to be redeemed within the next sixty (60) days, until the Company has given the Trustee and the Fiscal Agent, in form satisfactory to the Trustee, irrevocable instructions to notify, as soon as practicable, the holder of the Bond, in accordance with Article III, that the deposit required by subclause (a) above has been made with the Trustee and that the Bond is deemed to be paid under this Article and stating the redemption date upon which moneys are to be available for the payment of the principal of the Bond or (y) the maturity of the Bond. Additionally, and while the deposit under subclause (a) above made for the purpose of paying the final payment of a Bond upon its maturity shall be deemed a payment of such Bond as aforesaid, the Trustee shall mail notice to the Owner of such Bond, as soon as practicable stating that the deposit required by subclause (a) above has been made with the Trustee and that the Bond is deemed to be paid under this Article.

When all Outstanding Bonds are deemed paid under the foregoing provisions of this Section and all other sums due hereunder, under the Lease Agreement, the Loan Agreement and the Reimbursement Agreement are paid, the Trustee shall, upon request, acknowledge the discharge of the Authority's obligations under this Indenture exchange, registration, discharge from registration and replacement of Bonds, and obligations under Section 9.06 hereof with respect to the Trustee's compensation and indemnification, and the Trustee without further direction shall surrender the Letter of Credit to the Bank, in accordance with the respective terms of the Letters of Credit. Bonds delivered to the Fiscal Agent for payment shall be canceled by the Fiscal Agent pursuant to Section 2.07.

The Trustee may request and shall be fully protected in relying upon a certificate of an independent certified public accountant to the effect that a deposit will be sufficient to defease such Bonds as provided in this Section 7.01.

Upon receipt of any amount pursuant to this Article VIII, the Trustee shall give written notice thereof, which notice shall include, without limitation, the amount of such deposit and any instructions given to the Trustee pursuant thereto by first-class mail, postage prepaid.

Section 7.02. Application of Trust Money. The Trustee and the Fiscal Agent shall hold in trust money or U.S. Governmental Obligations deposited with them pursuant to the preceding Section 7.01 and shall apply the deposited money and the money from the U.S. Government Obligations in accordance with this Indenture only to the payment of principal of, and premium, if any, and interest on the Bonds.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.01. Events of Default. Each of the following events shall be an Event of Default:

- (a) Default in the due and punctual payment of any interest on any Bonds within three Business Days of the date when due;
- (b) Default in the due and punctual payment of the principal (with respect to a Weekly Rate Bond) or premium, if any, on any Bonds (whether at maturity, by acceleration or redemption, upon purchase or otherwise);
- (c) In the event no applicable Letter of Credit is in effect, and subject to the provisions of Section 8.11, default in the observance or performance of any other covenants, conditions or agreements required on the part of the Authority under this Indenture or in the Bonds;
- (d) Receipt by the Trustee of written notice from the Bank that an Event of Default has occurred under the Reimbursement Agreement accompanied by a demand by the Bank that the Trustee declare the Bonds to be immediately due and payable;
- (e) In the event the Bank has failed to honor a proper draw under the applicable Letter of Credit strictly complying with the terms thereof; and
- (f) In the event the Bank shall have notified the Trustee under the Letter of Credit, within ten days after the date of any presentation of an Interest Drawing (as defined in the Letter of Credit) that the Interest Component (as defined in the Letter of Credit) shall not be reinstated.

For purposes of this Section 8.01, the Trustee shall not be deemed to have knowledge of an Event of Default hereunder unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is an Event of Default is received by the Trustee and such notice references the Bonds or this Indenture.

Section 8.02. Acceleration and Duty to Draw on Letter of Credit.

- (a) Upon the occurrence of an Event of Default under Section 8.01(a), (b), (d) or (f) hereof, the Trustee shall, by notice to the Authority, the holders, the Bank and the Company, declare the entire unpaid principal of and premium, if any, and interest on the Bonds immediately due and payable and, thereupon, the entire unpaid principal, premium, if any, and interest on the Bonds shall forthwith become immediately due and payable. Upon the occurrence and continuance of any other Event of Default, the Trustee may, and if requested by the holders of not less than 25% in aggregate principal amount of Bonds then Outstanding shall, by notice to the Authority, the holders, the Bank and the Company, declare the entire unpaid principal of and premium, if any, and interest on the Bonds immediately due and payable and, thereupon, the entire unpaid principal of and premium, if any, and interest on the Bonds shall forthwith become due and payable. Upon any such declaration, the Authority shall forthwith pay to the

holders of the Bonds the entire unpaid principal of and premium, if any, and accrued interest on the Bonds, but only from the revenues and receipts herein specifically pledged for such purpose. Upon the occurrence of an Event of Default specified in Section 8.01 and a declaration of acceleration hereunder, the Trustee as assignee of the Authority shall immediately exercise its rights under the Lease Agreement to declare all Lease Payments (as defined in the Lease Agreement) to be immediately due and payable and under the Note and the Loan Agreement to declare all installments of the Note to be immediately due and payable. In the event the Trustee fails to accelerate as required by this Section 8.02(a), the owners of a majority in aggregate principal amount of the Bonds Outstanding shall have the right to take such actions.

(b) Upon the acceleration of the maturity of the Bonds, by declaration or otherwise, the Trustee shall immediately draw upon the Letter of Credit for the aggregate unpaid principal amount of the related series of Bonds and all premiums, if any (but only to the extent permitted therefor in the Letter of Credit), and interest accrued thereon which shall be applied immediately as set forth in Section 8.03. Upon such acceleration, interest on the Bonds shall cease to accrue as of the date of declaration of such acceleration.

Section 8.03. Disposition of Amounts Drawn on Letter of Credit; Assignment of Rights to Contest.

(a) All amounts drawn on the Letters of Credit by the Trustee in accordance with Section 8.02(b) shall be held in a Segregated Subaccount of the applicable Letter of Credit Account of the Bond Fund (and invested in accordance with Section 4.11), shall be applied as provided in Section 8.06 to the payment of principal of and premium, if any, and interest accrued on the related series of Bonds unless, prior to or with the proceeds of the draw on the Letter of Credit, the Trustee receives written instructions from the Bank to use such proceeds to purchase all Bonds. If such instructions are received by the Trustee, such draw proceeds shall be immediately applied to the purchase of the Bonds, the acceleration of the Bonds shall be canceled, the Bonds shall become Bank Bonds and the Bonds shall be registered in the name of the Company.

(b) The Trustee hereby assigns to the Bank all its rights to contest or otherwise dispute in the Trustee's name, place and stead and at the Bank's sole discretion and cost any claim of preferential transfer made by a bankruptcy trustee, debtor-in-possession or other similar official with respect to any amount paid to the Trustee by or on behalf of the Company or the Authority to be applied to principal of and premium, if any, or interest on the Bonds, to the extent of payments made to the Trustee pursuant to a drawing under the applicable Letter of Credit. The Trustee shall cooperate with and assist the Bank in any such contest or dispute as the Bank may reasonably request; provided, however, that the Bank shall reimburse the Trustee for its reasonable cost incurred in connection with providing such cooperation and assistance. The Trustee shall give the Bank prompt notice of any claim of preferential transfer of which the Trustee has knowledge. The foregoing assignment shall not be deemed to confer upon the Bank any right to contest or otherwise dispute any claim of preferential transfer with respect to any amount as to which there has been no drawing under the applicable Letter of Credit. The assignment set forth above shall in any event be effective until the Bank shall have first furnished to the Trustee an agreement to

indemnify the Trustee and the holders of the Bonds against any claim, liability or damage which they might suffer by reason of any such contest or dispute.

Section 8.04 Other Remedies; Rights of Bondholders. Upon the occurrence of an Event of Default, the Trustee, subject to the terms of this Indenture, may proceed to protest and enforce its rights and the rights of the Bondholders by mandamus or other suit, action or proceeding, at law or in equity, including but not limited to an action for specific performance of any agreement herein contained or making a demand for payment from the Company and taking action pursuant to any other document to which the Trustee is a party.

Upon the occurrence of an Event of Default, if requested to do so by the holders of not less than 25% in aggregate principal amount of Bonds Outstanding and if indemnified as provided in Section 9.01(d), the Trustee, subject to the terms of this Indenture, shall exercise such one or more of the rights and powers conferred by this Article as the Trustee, upon being advised by counsel, shall deem most expedient in the interests of the Bondholders.

No remedy conferred by this Indenture upon or reserved to the Trustee or to the Bondholders is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity. No delay or failure to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed necessary. No waiver of any default or Event of Default hereunder, whether by the trustee pursuant to Section 8.10 or by the Bondholders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

Section 8.05. Right of Bondholders to Direct Proceedings. Notwithstanding anything in this Indenture to the contrary, but subject to Section 8.14, the holders of a majority in aggregate principal amount of Bonds Outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or for the appointment of a receiver or any other proceedings hereunder; provided, however, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

Section 8.06. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee and the fees and expenses, if any, of the Authority in carrying out this Indenture, the Lease Agreement or the Loan Agreement, be deposited in the Bond Fund; provided, however, that no proceeds from any draw on the Letters of Credit shall be used for any purpose other than payment of the principal of and premium, if any (to the extent permitted therefor in the Letter of Credit), and interest on the Bonds. All moneys in the Bond Fund shall be applied as follows:

(a) Unless the principal of all Bonds shall have become or shall have been declared due and payable:

First, to the payment to the persons entitled thereto of all installments of interest then due on the Bonds of all series, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installments to the persons entitled thereto, without any discrimination or preference except as provided in Section 8.13, and as to any difference in the respective rates of interest specified in the Bonds;

Second, to the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on any of the Bonds of all series which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates, with interest on such Bonds at the respective rates specified therein from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then first to the payment of such interest ratably, according to the amount of such interest due on such date, and then to the amount of such principal and premium, if any, ratably, according to the amount of such principal and premium, if any, due on such date, to the persons entitled thereto, without any discrimination or preference, except as provided in Section 8.13, and as to any difference in the respective rates of interest specified in the Bonds; and

Third, to the extent permitted by law, to the payment to the persons entitled thereto of the unpaid interest on overdue installments of interest ratably, according to the amounts of such interest due on such date, without any discrimination or preference, except as provided in Section 8.13, and as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and premium, if any, and interest then due and unpaid upon the Bonds, including to the extent permitted by law, interest on overdue installments of interest, without preference or priority of principal and premium, if any, over interest or of interest over principal and premium, if any, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratable according to the amounts due respectively for principal and premium, if any, and interest, to the persons entitled thereto, without any discrimination or privilege, except as provided in Section 8.13.

(c) If the principal of all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article, then, subject to the provisions of Section 8.06(b) in the event that the principal of all Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of Section 8.06(a).

(d) All amounts received from a draw upon the Letter of Credit shall be applied exclusively to the payment of the principal of and premium, if any (to the extent permitted under the Letter of Credit), and interest on the related series of Bonds.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times and from time to time as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date (which shall be an Interest Payment Date unless it shall deem another date more suitable or as required by Section 8.03(a)) upon which such application is to be made. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the holder of any Bonds until such Bond is presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Whenever all principal of and premium, if any, and interest on all Bonds have been paid under the provisions of this Section and all expenses and charges of the Trustee and the Authority have been paid, and all obligations of the Company to the Bank pursuant to the Reimbursement Agreement shall have been paid in full, the balance remaining in the Bond Fund shall be paid to the Company as provided in Section 4.10.

Section 8.07. Remedies Vested in Trustee. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto and any such suit or proceeding instituted by the Trustee may be brought in its name, as Trustee, without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall be for the equal benefit of the holders of the Outstanding Bonds.

Section 8.08. Limitations of Suits. Except to enforce the rights given under Sections 8.02(a), 8.05 and 8.12, no holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy thereunder, unless (a) a default has occurred of which the Trustee has been notified as provided in Section 9.05, or of which by such Section it is deemed to have notice, (b) such default shall have become an Event of Default and the holders of at least 25% in aggregate principal amount of Bonds Outstanding shall have made written request to the Trustee and shall have offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (c) such holders have offered to the Trustee indemnity as provided in Section 9.01(d), (d) the Trustee for sixty (60) days after such notice shall fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its own name or in the name of such holders, (e) no direction inconsistent with such request has been given to the Trustee during such 60 day period by the holders of a majority in aggregate principal amount of Bonds Outstanding, and (f) notice of such action, suit or proceeding is given to the Trustee; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds Outstanding.

The notification, request and offer of indemnity set forth in the preceding paragraph, at the option of the Trustee, shall be conditions precedent to the execution of the powers and trusts in this Indenture

and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

Section 8.09. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Authority, the Company, the Bondholders, the Bank and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 8.10. Waivers of Events of Default. The Trustee, with the written consent of the Bank (if there is an applicable Letter of Credit in effect), may waive any Event of Default hereunder and its consequences and rescind any declaration of maturity of principal of and premium, if any, and interest on the related series of Bonds, and shall do so, with the written consent of the Bank (if there is an applicable Letter of Credit in effect), upon the written request of the holders of (a) a majority in aggregate principal amount of the related series of Bonds Outstanding in respect of which default in the payment of principal, premium, if any, or interest exists, or (b) a majority in aggregate principal amount of the related series of Bonds Outstanding in the case of any other default; provided, however, that:

(i) there shall not be waived without the consent of the holders of all Bonds then Outstanding: (A) any default in the payment of the principal of or premium, if any, on any Outstanding Bonds when due (whether at maturity or by mandatory or optional redemption); or (B) any default in the payment when due of the interest on any such Bonds unless, in either case, prior to such waiver or rescission (1) there shall have been paid or provided for all arrears of interest at the rate borne by the Bonds on overdue installments of principal, all arrears of payments of principal and premium, if any, when due and all expenses of the Trustee in connection with such default, and (2) in case of any such waiver or rescission, or in the case of the discontinuance, abandonment or adverse determination of any proceeding taken by the Trustee on account of any such default, the Trustee and the Bondholders shall be restored to their respective former positions and rights hereunder;

(ii) no declaration of maturity under Section 8.02 made at the request of the holders of not less than 25% in aggregate principal amount of Bonds Outstanding shall be rescinded unless requested by the holders of a majority in aggregate principal amount of Bonds Outstanding; and

(iii) unless the Trustee has been notified by the Bank in writing that the applicable Letter of Credit is reinstated in full as to principal, interest and premium, if any (if the applicable Letter of Credit covers payment of premium) and that the Bank has rescinded or withdrawn the written notice referred to in Section 8.01(d), there shall be no waiver or rescission so long as the applicable Letter of Credit is in effect.

No such waiver or rescission shall extend to any subsequent or other default or impair any right consequent thereon.

Section 8.11. Notice of Defaults; Opportunity of Company to Cure Defaults.

Notwithstanding anything in this Indenture to the contrary, no default specified in Section 8.01(c) on the part of the Authority shall constitute an Event of Default until (a) notice of such default shall be given (i) by the Trustee to the Authority and the Company, or (ii) by the holders of not less than 25% in aggregate principal amount of Bonds Outstanding to the Trustee, the Authority and the Company, and (b) the Authority and the Company shall have had thirty (30) days after such notice to correct such default or cause such default to be corrected, and shall not have corrected such default or caused such default to be corrected within such period; provided, however, if any default specified in Section 8.01(c) shall be such that it cannot be corrected within such period, it shall not constitute an Event of Default if corrective action is instituted by the Authority or the Company within such period and diligently pursued until such default is corrected; provided, however, that the period for corrective action shall not in any event extend more than 180 days after such notice to correct such default.

With regard to any alleged default concerning which notice is given to the Company or the Bank, the Company or the Bank may, but is under no obligation to, perform any covenant, condition or agreement the nonperformance of which is alleged in such notice to constitute a default, in the name and stead of the Authority with full power to do any and all things and acts to the same extent that the Authority could do and perform any such things and acts with power of substitution.

Section 8.12. Unconditional Right to Receive Principal, Premium and Interest. Nothing in this Indenture shall affect or impair the right of any Bondholder to enforce, by action at law, payment of the principal and premium, if any, and interest on any Bond at and after the maturity thereof, or on the date fixed for redemption or purchase or (subject to the provisions of Section 8.02) on the same being declared due prior to maturity as herein provided, or the obligation of the Authority to pay the principal and premium, if any, and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner herein and in the Bonds expressed.

Section 8.13. Bonds Outstanding. Notwithstanding anything else in this Article to the contrary, but subject to Section 8.14, Company Bonds shall not be deemed to be Outstanding for purposes of this Article and the Company as holder thereof shall not be entitled to any rights or payments therefor pursuant to sections 8.05, 8.06, 8.08 and 8.10.

Section 8.14. Letter of Credit Bank Deemed Owner. For all purposes of this Article VIII (other than receipt of payments), the Bank shall, so long as the applicable Letter of Credit shall be in effect and the Bank shall not have dishonored any draw under such Letter of Credit strictly complying with the terms thereof (other than for a reason permitted by such Letter of Credit or pursuant to any administrative or judicial order, ruling, finding or decision), be deemed the holder and registered owner of all Bonds of the related series. As such, the Bank may take all actions permitted by this Article VIII to be taken by the holders or registered owners of such Bonds, to the exclusion of the actual holders and registered owners of such Bonds; the purpose of this Section 8.14 being to permit the Bank to direct the taking of actions and enforcement of remedies permitted by this Article VIII so long as the applicable Letter of Credit shall be in effect and the Bank shall not have dishonored any draw under such Letter of Credit strictly complying with the terms thereof (other than for a reason permitted by such Letter of Credit or pursuant to an administrative or judicial order, ruling, rule, finding or decision). In addition, for

all purposes of Article VI of the Lease Agreement and Article VI of the Loan Agreement, the Bank shall, so long as the applicable Letter of Credit shall be in effect and the Bank shall not have dishonored any draw under such Letter of Credit strictly complying with the terms thereof (other than for a reason permitted by such Letter of Credit or pursuant to any administrative or judicial order, ruling, finding or decision), have the exclusive right to direct the taking of actions and enforcement of remedies permitted under such Articles.

Section 8.15. Subrogation Rights of the Bank.

(a) Notwithstanding anything else contained herein, whenever the Trustee shall make any payment to any Bondholders with funds drawn under an applicable Letter of Credit pursuant hereto, the Trustee shall make such payments as agent for the Bank and not as agent for the Authority, and the Bank and its assigns shall thereafter, to the extent of the amount so paid, be subrogated to the rights thereof of the Bondholders to whom such payment was made, and the Trustee shall keep a written record of such payments. When a Bondholder has been paid the entire principal of and interest on his Bond with funds drawn under the applicable Letter of Credit, such Bond shall be surrendered to the Trustee as agent for the Bank, in lieu of cancellation thereof, and such Bond shall be transferred and delivered to the Bank or as the Bank shall direct.

(b) In the event the Bank makes any payment with respect to the payment of the principal or interest on any Bond to this Trustee under the applicable Letter of Credit, the Bank shall be subrogated to the rights possessed under the Indenture and in and to the Trust Estate by the Trustee, the Authority and the owners of such Bonds so paid, and the Bank shall be subrogated to the rights of the Authority and the Trustee under any other document, instrument or agreement securing repayment of the principal and interest on such Bonds. For purposes of the Bank's subrogation rights hereunder, (i) any reference in the Indenture to the Bondholders shall include the Bank, which shall be entitled to be treated as if the Bank were a registered owner of such Bonds in the principal amount of any principal payment made by the Bank under the applicable Letter of Credit, (ii) any portion of any Bond as to which the principal is paid with money collected pursuant to the applicable Letter of Credit, shall be deemed to be outstanding under this Indenture and the principal amount of such Bond, together with interest due and unpaid thereof, which shall have been paid by the Bank pursuant to the applicable Letter of Credit shall be deemed to be held by and owing to the Bank, and (iii) the Bank may exercise any and all rights and benefits it would have under this Indenture as a Holder of Bonds to the extent of the principal amount of Bonds owned or deemed to be owned by the Bank and any and all interest so due and unpaid thereon; provided that such Bank Bonds (A) shall not be taken into account in determining any deficiency for which a claim or draw is to be made under the applicable Letter of Credit, and (B) shall be subordinated in right of payment as of any Interest Payment Date or upon the redemption or acceleration of the Bonds. Subrogation rights granted to the Bank hereunder are not intended to be exclusive of any other rights or remedies available to the Bank, and such subrogation rights shall be cumulative and shall be in addition to every right or remedy given hereunder or under any other instrument or agreement with respect to reimbursement of money paid by the Bank pursuant to the applicable Letter of Credit, and every other right or remedy now or hereafter existing at law or in equity or by statute.

Section 9.03. Individual Rights of Trustee, Etc. The Trustee in its individual or any other capacity may become the owner, custodian or pledgee of Bonds and may otherwise deal with the

Authority, the Bank or with the Company or its affiliates with the same right it would have if it were not Trustee. The Fiscal Agent may do the same with like rights.

Section 9.04. Trustee's Disclaimer. Subject to Section 9.01(b) and 9.01(c):

(a) the Trustee (i) makes no representation as to the validity or adequacy of this Indenture or the Bonds, and (ii) shall not be responsible for any statement in the Bonds or for the perfection of any lien created by this Indenture or otherwise as security for the Bonds;

(c) the Trustee shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, withdrawn or transferred hereunder if such application, payment, withdrawal or transfer shall be made in accordance with the provisions of this Indenture;

Section 9.05. Notice of Defaults. The Trustee shall not have notice, or be deemed to have notice, of any default or Event of Default, and if the Event of Default is continuing and if the Trustee has notice thereof as herein provided, the Trustee shall mail to each Bondholder and the Bank notice of the Event of Default upon its having notice of such occurrence. Except in the case of a default in payment or purchase of any Bonds, the Trustee may withhold the notice if and so long as it determines that withholding the notice is in the interests of Bondholders; provided, that in any event such notice shall not be withheld from the Bank.

Section 9.06. Compensation and Indemnification of Trustee. For acting as trustee under this Indenture, the Trustee shall be entitled to compensation by the Company (which shall not be limited by any statute regulating the compensation of a trustee of an express trust) of reasonable fees for the Trustee's services and reimbursement of advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee in connection with its services under this Indenture.

The Trustee shall be indemnified by the Company for, and shall be held harmless against, any loss, liability or expense incurred without gross negligence, willful misconduct or bad faith on the Trustee's part, arising directly or indirectly out of or in connection with the acceptance or administration of the trust created by this Indenture, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

To secure the payment or reimbursement to the Trustee provided for in this Section, the Trustee shall have a senior claim, to which the Bonds are made subordinate, on all money or property held or collected by the Trustee, except moneys held under Article VII or otherwise held in trust to pay the principal of and premium, if any, and interest on the Bonds, and except amounts drawn under the Letter of Credit, and Available Moneys on deposit in the Bond Fund.

Section 9.07. Eligibility of Trustee. This Indenture shall always have a Trustee that meets the qualifications set forth in this Section 9.07. Each Trustee shall: (i) be a corporation or national banking association duly organized under the laws of the United States of America or any state or territory thereof, doing business and having an office in such location as shall be approved by the _____, (ii) have together with its affiliates (herein defined) a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report or condition, (iii) either have senior long-term debt securities or outstanding bank deposit obligations, as appropriate, rated "Baa3/P-3" or better by Moody's Investors Service, Inc. or "BBB-/A3" by Standard & Poor's Ratings Services, a Division of The McGraw-Hill Companies, Inc. or "BBB-/F3" or better by Fitch IBCA, Inc. or be a direct or indirect subsidiary of a bank or holding company which has senior long-term debt securities or outstanding bank deposit obligations, as appropriate, rated "Baa3/P-3" or better by Moody's Investors Service, Inc. or "BBB-/A3" by Standard & Poor's Ratings Services, a Division of The McGraw-Hill Companies, Inc. or "BBB-/F3" or better by Fitch IBCA, Inc. or otherwise be acceptable to any Rating Agency then rating the Bonds, and (iv) be authorized by law to perform all the duties imposed upon it by this Indenture. For purposes of this Section, the term "affiliate" of the Trustee shall mean any corporation or other person which, directly or indirectly, controls or is controlled by or is under common control with the Trustee.

Section 9.08. Replacement of Trustee. The Trustee may resign and be discharged of the trust created by this Indenture by notifying the Authority, the Bank, the Fiscal Agent and the Company; provided, however, that no such resignation shall become effective until the appointment of a successor Trustee, as hereinafter provided. Except during an Event of Default, the holders of not less than a majority in principal amount of the Bonds Outstanding may remove the Trustee by notifying the removed Trustee and may appoint a successor Trustee with the Authority's, the Bank's and the Company's prior written consent; provided, however, that no such removal shall become effective until the appointment of a successor Trustee, as hereinafter provided. The Authority shall remove the Trustee at the request of the Bank or if the Trustee is prohibited from acting by law or by regulation, rule or order of any court or administrative body having jurisdiction over the Trustee; provided, however, that no such removal shall

become effective until the appointment of a successor Trustee, as hereinafter provided. The Authority may remove the Trustee at its discretion with the prior written consent of the Company and the Bank; provided, however, that no such removal shall become effective until the appointment of a successor Trustee, as hereinafter provided. Upon the removal or replacement of the Trustee for any reason, the Authority and the Company shall give written notice thereof to the Fiscal Agent and the Bank by first-class mail, postage prepaid.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Authority, with the prior written consent of the Bank and, so long as no Event of Default shall have occurred and be continuing, the Company, shall promptly appoint a successor Trustee. Notice of such appointment shall be given by the Authority to the Fiscal Agent in writing by first-class mail.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Authority, the Bank, the Company and the Fiscal Agent. Immediately thereafter, the retiring Trustee shall transfer all property held by it as Trustee hereunder to the successor Trustee, the resignation or removal of the retiring Trustee shall then (but only then) become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall notify the holders of the Bonds of its acceptance of the trusts hereunder by first-class mail promptly following such acceptance.

If a successor Trustee does not take office within sixty (60) days after the retiring Trustee resigns or is removed, the retiring Trustee, the Authority, the Bank, the Company or the holders of a majority in principal amount of the Bonds Outstanding may petition a court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 9.07, any Bondholder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Section 9.09. Fiscal Agent. The Authority shall, with the prior approval of the Company and the Bank, appoint the Fiscal Agent for the Bonds subject to the conditions set forth in Section 9.10. U.S. Bank National Association shall be the initial Fiscal Agent. The Fiscal Agent shall signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Authority, the Bank and the Trustee under which such Fiscal Agent will agree, particularly:

- (a) to carry out all of its duties set forth herein;
- (b) to hold all sums held by it pursuant to the Indenture in a segregated account for the payment of the principal of and premium, if any, or interest on Bonds in trust for the benefit of the Bondholders until such sums shall be paid to such Bondholders or otherwise disposed of as herein provided;
- (c) to hold all Bonds delivered to it pursuant to this Indenture, as agent and bailee of, and in escrow for the benefit of, the respective holders which shall have been so delivered; and

(d) to keep such books and records as shall be consistent with prudent industry practice, and to make such books and records available for inspection by the Authority, the Trustee, the Bank and the Company at all reasonable times.

The Authority shall cooperate with the Trustee and the Company to cause the necessary arrangements to be made and to be thereafter continued whereby funds derived from the sources specified in Section 4.01 and 5.02 will be made available for the payment when due of the Bonds as presented to the Fiscal Agent.

Section 9.10. Qualifications of Fiscal Agent; Resignation; Removal. The Fiscal Agent shall meet the qualifications of the Trustee set forth in Section 9.07. For acting under this Indenture, the Fiscal Agent shall be entitled to compensation by the Company of reasonable fees for the Fiscal Agent's services and reimbursement of advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection with its services under this Indenture.

The Fiscal Agent shall be indemnified by the Company for, and shall be held harmless against, any loss, liability or expense directly or indirectly incurred without gross negligence, willful misconduct or bad faith on the Fiscal Agent's part, arising directly or indirectly out of or in connection with its duties under this Indenture, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

The Fiscal Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least sixty (60) days' prior written notice to the Authority, the Bank, the Company, and the Trustee. The Fiscal Agent may be removed by the Authority at the written direction of the Bank, and, so long as no Event of Default has occurred and continuing, the Company, by an instrument, signed by the Authority, filed with the Fiscal Agent, the Bank, the Company and the Trustee. If an Event of Default has occurred and is continuing, the Bank may direct the Authority to remove the Fiscal Agent without the concurrence of the Company. Except as provided below, no resignation or removal will be effective until the successor has delivered an acceptance of its appointment to the Trustee.

In the event of the resignation or removal of the Fiscal Agent, the Fiscal Agent shall pay over, assign and deliver any property held by it in such capacity hereunder to its successor or, if there be no successor, to the Trustee.

In the event that the Authority shall fail to appoint a Fiscal Agent hereunder, or in the event that the Fiscal Agent shall resign or be removed, or be dissolved, or if the property or affairs of the Fiscal Agent shall be taken under the control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Authority shall not have appointed its successor as Fiscal Agent, the Trustee shall ipso facto be deemed to be the Fiscal Agent for all purposes of this Indenture until the appointment by the Authority of a successor Fiscal Agent.

Section 9.11. Successor Trustee or Agent by Merger. If the Trustee, the Fiscal Agent or the Indexing Agent consolidates with, merges or converts into, or transfers all or substantially all its assets (or, in the case of a bank or trust company, its corporate trust assets) to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association

without any further act shall be the successor Trustee or the Fiscal Agent, provided that such corporation or national banking association shall otherwise be eligible to serve in such capacity under this Indenture.

Section 9.12. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, the Lease Agreement or the Loan Agreement, and in particular in case of the enforcement thereof upon a default or an Event of Default, or in case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest, and lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them; provided, however, that no co-trustee shall be liable by reason of any act or omission of any other such co-trustee.

Should any instrument in writing from the Authority be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Authority. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new co-trustee or successor to such separate or co-trustee.

Section 9.13. Several Capacities. Anything in this Indenture to the contrary notwithstanding, the same entity may serve hereunder and the Trustee, the Bank, and the Fiscal Agent, and in any other combination of such capacities, to the extent permitted by law.

ARTICLE X

AMENDMENTS OF AND SUPPLEMENTS TO INDENTURE

Section 10.01. Without Consent of Bondholders. The Authority and the Trustee may amend or supplement this Indenture or the Bonds without prior notice to or consent of any Bondholder:

- (a) to cure any ambiguity, inconsistency or formal defect or omission;
- (b) to grant to the Trustee for the benefit of the Bondholders additional rights, remedies, powers or authority;
- (c) to subject to this Indenture additional collateral or to add other agreements of the Authority;
- (d) to modify this Indenture or the Bonds to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute at the time in effect; to permit the qualification of the Bonds for sale under the securities laws of the any state of the United States; or to prevent the application of the Investment Company Act of 1940, as amended, to any of the transactions contemplated by, or any of the parties of this Indenture, the Lease Agreement, the Loan Agreement or the Bonds;
- (e) to provide for uncertificated Bonds or to make any change necessary to give effect to a custody agreement pursuant to Section 2.05(d);
- (f) to evidence the succession of a new Trustee or the appointment by the Trustee of a co-trustee;
- (g) to make any change not materially adversely affecting an Bondholder's rights requested by the Rating Agency in order (i) to obtain a rating from the Rating Agency after the initial issuance of the Bonds if the Bonds are initially issued without a rating equivalent to the rating assigned to other securities supported by an applicable Letter of Credit of the Bank, or (ii) to maintain any rating on the Bonds;
- (h) to make any change not materially adversely affecting any Bondholder's rights to provide for or to implement the provisions of an applicable Letter of Credit;
- (i) to make any change that does not materially adversely affect the rights of any Bondholder; or
- (j) to add to this Indenture the obligation of the Trustee, the Authority or the Company to disclose such information regarding the Bonds, the Project, the Authority, the Trustee, the Company or the Bank as shall be required or recommended to be disclosed in accordance with applicable regulations or guidelines established by, among others, the American Bankers Association Corporate Trust Committee or the Securities and Exchange Commission.

Section 10.02. With Consent of Bondholders. If an amendment of or supplement to this Indenture or the Bonds without any consent of Bondholders is not permitted by the preceding Section, the Authority and the Trustee may enter into such amendment or supplement without prior notice to any Bondholders but with the consent of the holders of at least a majority in principal amount of the Bonds Outstanding. However, without the consent of all Bondholders affected, no amendment or supplement may (a) extend the maturity of the principal or, or interest on, any Bond, (b) reduce the principal amount of , or rate of interest on, any Bond or change the terms of any redemption (except as otherwise provided in Section 3.01), (c) affect a privilege or priority of any Bond or Bonds over any other Bond or Bonds (except as provided herein), (d) reduce the percentage of the principal amount of the Bonds required for consent to such amendment or supplement, (e) unless otherwise permitted herein, create a lien ranking prior to or on a parity with the lien of this Indenture on the property described in the Granting Clause of this Indenture, (f) deprive any Bondholder of the lien created by this Indenture on such property. In addition, if moneys or U.S. Government Obligations have been deposited or set aside with the Trustee for the payment of Bonds pursuant to Article VII and those Bonds shall not have in fact been actually paid in full, no amendment to the provisions of that Article shall be made without the consent of the holder of each of those Bonds affected.

Section 10.03. Effect of Consents. After an amendment or supplement becomes effective, it shall bind every Bondholder unless it makes a change described in any of the lettered clauses of the preceding Section. In such case, the amendment or supplement shall bind each Bondholder who consented to it and each subsequent holder of a Bond or portion of a Bond evidencing the same debt as the consenting holder's Bond.

Section 10.04. Notation on or Exchange of Bonds. If an amendment or supplement changes the terms of a Bond, the Trustee may require the holder to deliver it to the Fiscal Agent. The Fiscal Agent may place an appropriate notation on the Bond regarding the changed terms and return it to the holder. Alternatively, if the Trustee, the Authority and the Company determine, the Authority in exchange for the Bond shall issue and the Fiscal Agent or the Trustee shall authenticate a new Bond that reflects the changed terms. In either event, the cost of placing such notation on the Bonds(s) shall be borne by the Company.

Section 10.05. Signing by Trustee of Amendments and Supplements. The Trustee shall sign any amendment or supplement to this Indenture or the Bonds authorized by this Article if the amendment or supplement, in the judgment of the Trustee, does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. Project), Series 2004B (the "Series 2004B Bonds" and collectively with the Series 2004A Bonds, the "Bonds") are issued under and are equally and ratably secured by a Trust Indenture, dated as of January 1, 2004 (the "Indenture"), between the Authority and U.S. Bank National Association, as Trustee (the "Trustee"), which assigns to the Trustee as security for the Bonds, among other things, the Authority's rights under the Lease Agreement (except in each case for the right of the Authority to indemnification and payment of costs and expenses and notices and consents). The Company has caused U.S. Bank National Association (the "Bank") to issue its irrevocable Letter of Credit dated the date of the issuance of the Series 2004A Bonds (the "Series 2004A Letter of Credit") in favor of the Trustee, in an amount sufficient to pay the outstanding principal amount of and unpaid interest on the Series 2004A Bonds. The Series 2004A Letter of Credit is issued pursuant to a Reimbursement and Credit Agreement, dated as of January __, 2004 (the "Reimbursement Agreement"), between the Bank and the Company, which Series 2004A Letter of Credit has been issued in favor of the Trustee.

Reference is hereby made to the Indenture, the Lease Agreement, the Loan Agreement, the Series 2004A Letter of Credit and the Reimbursement Agreement, copies of which are on file with the Trustee, and to all the provisions thereof, to all of which provisions the registered owner of this Series 2004A Bond, by acceptance hereon, hereby assents and agrees, and all of which provisions are incorporated in this Series 2004A Bond as if fully rewritten herein, for definitions of terms, the descriptions of and the nature and extent of the security for the Bonds, including the Series 2004A Bonds, the Project being financed by the issuance of the Bonds, the receipts and revenues, the Mortgage and other assets or property of the Authority pledged to the payment of the principal of, premium, if any, and interest on the Bonds, the nature and extent and manner and priority of enforcement of the pledge, the conditions upon which the Indenture may be amended or supplemented with or without the consent of the registered owners of the Bonds, the rights and remedies of the registered owners of the Bonds, including limitations therein with respect hereto and thereto, the rights, duties and obligations of the Authority and the Trustee thereunder, the terms and provisions upon which the liens, pledges, charges, trusts, security interests, assignments and covenants made therein may be discharged at or prior to the maturity of the Bonds, thereafter no longer being secured by the Indenture or being deemed to be outstanding thereunder; and for the other terms and provisions thereof, including without limitation, the terms and provisions of issuing this Series 2004A Bond in a book-entry system, and the terms and provisions of mandatory and optional redemption of this Series 2004A Bonds.

This Series 2004A Bond is transferable as provided in the Indenture, subject to certain limitations therein contained, only upon the register of the Trustee, and only upon surrender of this Series 2004A Bond for transfer to the Trustee accompanied by a written instrument of transfer (in substantially the form of the assignment attached hereto) duly executed by the holder hereof or his duly authorized attorney. Thereupon, one or more new Series 2004A Bonds of any Authorized Denomination or Denominations and in the same aggregate principal amount and tenor as the Series 2004A Bond surrendered shall be issued to the designated transferee or transferes.

on or before said purchase date from the Company or the Bank, as the case may be, specifying that the moneys provided or to be provided by such party shall be used to purchase the Series 2004A Bonds in lieu of redemption. No purchase of the Series 2004A Bonds by the Company or the Bank pursuant to the Indenture or advance or use of moneys to effectuate any such purchase shall be deemed to be a payment or redemption of such Series 2004A Bonds or any portion thereof, and such purchase shall not operate to extinguish or discharge the indebtedness evidenced by such Series 2004A Bonds.

Upon the occurrence of certain events, and on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Pursuant to Section 4.07 of the Indenture, the Trustee shall use moneys in the Series 2004B Account of the Construction Fund solely to pay the labor component of the costs of the Project. Before any payment shall be made from the Series 2004B Account of the Construction Fund, there shall be filed with the Trustee:

- (a) A requisition, in the form attached hereto as Exhibit D (the "Requisition"), signed by an Authority Representative (who may rely upon the representations of the Company and/or the Construction Manager who initially shall be Tony Huff & Associates, Engineering Solutions), and a representative of the Construction Manager, and approved in writing by an officer of the Bank, stating to whom the payment is to be made, the amount of payment, the purpose in reasonable detail for which the obligation to be paid was incurred, which shall be paid from the Series 2004B Account in the Construction Fund, and that the obligation stated on the Requisition has been incurred by the Company in or about the construction, furnishing or equipping of the Project, accompanied by a certificate of a Company Representative certifying that:

- (1) there has been received no written notice of any lien, right to lien or attachment upon, or claim affecting the right of the payee to receive payment of, any of the moneys payable under such requisition to any of the persons, firms, or corporations named therein;
 - (2) the Requisition contains no items representing payment on account of any percentage entitled to be retained at the date of the certificate; and
 - (3) no Event of Default hereunder or under the Indenture or under the Reimbursement Agreement or event which after notice or lapse of time or both would constitute an Event of Default hereunder or under the Indenture or the Reimbursement Agreement has occurred and not been waived or cured.
- (b) An invoice or other appropriate evidence of the obligation described in the Requisition; and
- (c) Such other items as are required under the Reimbursement Agreement.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall make payment from the Series 2004B Account in the Construction Fund in accordance with such requisition.

Section 3.9. Investment of Funds. Any moneys held in the Series 2004B Redemption Account of the Bond Fund or the Series 2004B Account of the Construction Fund or any other fund created under the Indenture shall be invested or reinvested by the Trustee as set forth in Section 4.11 of the Indenture, to the extent permitted by law, in the Eligible Investments (as defined in the Indenture), at the telephonic or oral direction (confirmed in writing) of a Company Representative. All such investments shall at all times be a part of the Series 2004B Account of the Construction Fund, the Series 2004B Redemption Account of the Bond Fund, as applicable, or such other account or fund created under the Indenture and all income and profits on such investments shall be credited to, and losses thereon shall be charged against, such applicable account or fund.

Section 3.10. Depositories of Moneys and Security for Deposit. All moneys received by the Authority in connection with the issuance of the Series 2004B Bonds (other than for its reasonable fees and expenses) shall be deposited in the Series 2004B Account of the Construction Fund created under the Indenture. All such moneys deposited shall be applied in accordance with the terms and conditions and for the purposes set forth herein, in the Indenture and in the Reimbursement Agreement, and shall not be subject to lien or attachment by any creditor of the Authority to the fullest extent permitted by law.

ARTICLE IV

PROVISIONS FOR PAYMENT

Section 4.1. Title to the Project.

(a) The Authority acknowledges that it has good and marketable title in fee simple to the Project Site, on which the Project is to be constructed, furnished and equipped and that the Authority will

not be vested with any additional interest therein as a result of its authorization, validation, sale, or issuance of the Series 2004B Bonds to finance the cost of the construction, furnishing and equipping thereof, and (b) that the only security for the Series 2004B Bonds will be the Letter of Credit and the moneys deposited in the funds and accounts created under the Indenture.

(b) The Authority, in consideration of the issuance of the Note by the Company, agrees to and does hereby extend to the Company in an aggregate principal amount equal to principal amount of the Series 2004B Bonds issued under the Indenture (the "Company Loan"). The full amount of the Company Loan shall be deposited in the Series 2004B Account in the Construction Fund, and the Company agrees to use the full amount of such Company Loan for the purposes set forth in this Agreement, the Indenture and the Reimbursement Agreement.

(c) The Authority covenants and agrees that the Authority will not take any action, other than pursuant to Article VI of this Loan Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Site and the Project during the term of the Lease Agreement and will cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Site and the Project.

(d) The Company acknowledges its execution and delivery of the Note under which it is obligated to make Loan Payments on the Note in accordance with the terms thereof.

The Authority hereby assigns all Loan Payments to be made under the Note to the Trustee as security for the issuance of the Series 2004B Bonds issued pursuant to the Indenture. Loan Payments shall be made directly to the Trustee for the account of the Authority pursuant to such assignment and applied only to the principal of and interest on such Series 2004B Bonds or to reimburse the Bank for payments made under a drawing on the Letter of Credit and applied to payment of the principal of and interest on the Series 2004B Bonds. All obligations of the Company hereunder shall terminate when all sums due and to become due pursuant to the Indenture, this Loan Agreement, and such Series 2004B Bonds have been paid.

Section 4.2. Payment Obligations of the Company.

(a) The Company agrees (i) except as provided in subsections (b) and (f) of this Section, to make prompt payment to the Trustee, as assignee and pledgee of the Authority, for deposit in the Series 2004B Account in the Bond Fund, of all Loan Payments or Payments on the Note as and when the same shall be due and payable on each Loan Payment Date and (ii) to pay pursuant hereto and the Note sums sufficient to pay the principal and purchase price of, premium, if any, and interest on the Series 2004B Bonds (whether at maturity, upon redemption or acceleration, or otherwise) when and as the same shall be due and payable. All such payments shall be made to the Trustee at its principal office in lawful money of the United States of America, except as may be otherwise agreed to by the Trustee.

(b) In order to provide for the payments required in subsection (a) of this Section, the Company shall cause the Bank to deliver the Letter of Credit to the Trustee simultaneously with the original issue and delivery of the Series 2004B Bonds, and hereby authorizes and directs the Trustee to draw moneys under the Letter of Credit in accordance with the provisions of the Letter of Credit and the Indenture to the extent necessary to make any payments on the Series 2004B Bonds as and when the same become due. The Company shall receive as a credit against its obligations to make the Loan Payments

described in subsection (a) of this Section all payments made by the Bank under the Letter of Credit and all other amounts described in Section 4.01 of the Indenture.

(c) If the Company should fail to make any of the Loan Payments required in subsection (a) and (b) above, the item or installment which the Company has failed to make shall continue as an obligation of the Company until the same shall have been fully paid, and the Company agrees to pay the same with interest thereon at the "Default Rate" set forth in the Reimbursement Agreement for any unreimbursed draws on the Letter of Credit until paid in full.

(d) In addition, the Company agrees to pay the costs, if any, of issuing the Series 2004B Bonds which are not being paid with the proceeds of the sale of the Series 2004B Bonds either by paying any or all of such costs directly or by depositing the same with the Trustee. Any monies so deposited with the Trustee shall be disbursed by the Trustee in accordance with written instructions from the Company.

(e) Anything herein, in the Indenture or in the Series 2004B Bonds to the contrary notwithstanding, the obligations of the Company hereunder shall be subject to the limitation that the portion of Loan Payments constituting interest under this Section shall not be required to the extent that the receipt of such Loan Payment by the holder of any Series 2004B Bond would be contrary to the provisions of law applicable to such holder which limit the maximum rate of interest which may be charged or collected by such holder.

(f) The Company shall be entitled to a credit against its next Loan Payment to the extent its previous Loan Payment exceeds the amount necessary to fund one-sixth (1/6) of the next scheduled semi-annual Principal Payment and actual interest paid by the Trustee on the previous Interest Payment Date.

Section 4.3. Letter of Credit; Substitute Letter of Credit.

(a) The Letter of Credit delivered to the Trustee simultaneously with the original issuance and delivery of the Series 2004B Bonds constitutes an irrevocable obligation of the Bank to pay to the Trustee, upon request and in accordance with the terms thereof, up to an amount equal to the sum of (i) the principal amount of the Series 2004B Bonds then outstanding plus (ii) an amount equal to interest for at least 190 days on the principal amount of each Series 2004B Bond then outstanding at the rate of ten percent (10%) per annum.

(b) The Company shall have the option from time to time to provide the Trustee with a Substitute Letter of Credit in accordance with the provisions of Section 5.03 of the Indenture, Section 2.6 of the Reimbursement Agreement and the Letter of Credit. If at any time there shall have been delivered to the Trustee a Substitute Letter of Credit, together with the other documents and opinions required by Section 5.03 of the Indenture, then the Trustee shall accept such Substitute Letter of Credit and promptly surrender the previously held Letter of Credit to the Issuer thereof for cancellation, in accordance with the terms of such Letter of Credit. If at any time there shall cease to be any Series 2004B Bonds outstanding under the Indenture, the Trustee shall promptly surrender the Letter of Credit to the issuer thereof, in accordance with the terms of such Letter of Credit, for cancellation. The Trustee shall comply with the procedures set forth in the Letter of Credit relating to the termination thereof.

Section 4.4. Administrative Expenses. The Company shall pay, or cause to be paid, an amount equal to (a) the fees and charges of the Trustee incurred in connection with the rendering of its ordinary

and extraordinary services as Trustee under the Indenture, as and when the same become due, including the reasonable fees of its Counsel, (b) the fees and charges of Ross, Sinclair & Associates, Inc., the initial fiscal agent and any successors thereto (the "Fiscal Agent") for acting as Fiscal Agent for the Series 2004B Bonds, including the reasonable fees and expenses of its Counsel, (c) the fees and expenses of the Underwriter for serving as Underwriter for the Series 2004B Bonds, including the reasonable fees and expenses of its Counsel, and any other amounts due and payable to the Underwriter under the Bond Purchase Agreement, (d) the fees and expenses of the Rating Agency for issuing and maintaining its securities rating on the Series 2004B Bonds, (e) the reasonable out-of-pocket expenses, administrative expenses and Counsel fees of the Authority, and (f) any and all expenses payable by the Company to the Bank under the Reimbursement Agreement. The Company may, without constituting grounds for an Event of Default hereunder, withhold payment of any such fees and charges of the Trustee or the Fiscal Agent, to contest in good faith the necessity for any extraordinary services of the Trustee and the reasonableness of any extraordinary expenses of the Trustee, or to contest in good faith the necessity for any services performed and expenses paid or incurred by, and the reasonableness of any fees, charges or expenses of, the Fiscal Agent. If the Company should fail to make any of the payments required in this Section, the item or installment which the Company has failed to make shall continue as an obligation of the Company until the same shall have been fully paid, with interest thereon at the rate per annum borne by the Series 2004B Bonds until paid in full.

Section 4.5. Obligations of the Company Absolute and Unconditional. Subject to the provisions of Section 6.5 hereof, the obligations of the Company to make or to cause (pursuant to the Letter of Credit) to be made the payments required in Sections 4.2 and 4.4 and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional and shall not be subject to diminution by set-off, counterclaim, abatement or otherwise by reason of any action or inaction of the Trustee, the Authority or any third party. Until such time as the principal of, and the interest on, the Series 2004B Bonds shall have been paid in full, the Company (a) will not suspend or discontinue any payments provided for in Sections 4.2 and 4.4 except to the extent the same have been prepaid, (b) will perform and observe all its other agreements contained herein, and (c) except as provided in Article VII hereof, will not terminate this Loan Agreement for any cause, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, sale, loss, eviction or constructive eviction, destruction of or damage to the Project, condemnation, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either, or any failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection herewith or with the Indenture. Notwithstanding the foregoing, the obligation of the Company to make payments hereunder shall be satisfied and discharged to the extent moneys are received by the Trustee pursuant to the Letter of Credit. Nothing contained in this Section shall be construed to release the Authority from the performance of any of the agreements on its part herein contained; and if the Authority should fail to perform any such agreement, the Company may institute such action against the Authority as the Company may deem necessary to compel performance so long as such action shall not impair the agreements on the part of the Company hereunder.

Nothing contained herein shall be construed as a waiver of any rights which the Company may have against the Authority under this Loan Agreement, or against any person under this Loan Agreement, the Indenture or otherwise, or under any provision of law; provided, however, that the Company shall pursue any rights or remedies against the Authority, the Trustee, any Series 2004B Bondholder or any third party in connection herewith, or in connection with the Indenture or in any way otherwise relating to

the Series 2004B Bonds and security therefor only in a separate action, and not by way of any set-off, counterclaim, cross-claim or third party action in any suit brought to enforce the rights of the Series 2004B Bondholders, the Trustee or the Authority under this Loan Agreement, the Indenture or or in any way otherwise in connection herewith; and provided further, that in order to preserve the right of the Company to raise such issues in any separate suit, any claim of the Company which, but for this Section 4.5, would be a compulsory counterclaim, shall be identified as such in the first responsive pleading filed by the Company to any action brought by the Authority, Trustee, any Series 2004B Bondholder or any person.

Section 4.6. Company Consent to Assignment of Note and Loan Agreement and Execution of Indenture. The Company understands that the Authority will, pursuant to the Indenture and as security for the payment of the principal of, premium, if any, and the interest on the Series 2004B Bonds, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to the Note and this Loan Agreement and the Company hereby agrees and consents to such assignment and pledge. The Company acknowledges that it has received a copy of the Indenture and consents to the execution of the same by the Authority; provided, however, such consent does not constitute a representation as to the accuracy of any representations or warranties made thereunder.

Section 4.7. Company's Performance Under Indenture. The Company agrees, for the benefit of the Series 2004B Bondholders, to do and perform all acts and things contemplated in the Indenture to be done or performed by it.

ARTICLE V

PARTICULAR AGREEMENTS

Section 5.1. Maintenance, Operation and Insuring of Project; Taxes; No Operation of Project by Authority. The Company hereby agrees that it will, at its own expense, maintain and operate all portions of the Project during their useful lives or until they are replaced with facilities necessary in their operation. The Company further agrees that, except for taxes contested in good faith, it will pay all taxes levied with respect to the Project Site and the Project (or payments in lieu thereof otherwise agreed to by the Company) and the income therefrom, that it will pay any other governmental charges, whether in the nature of an excise tax, fee, charge, fine or penalty imposed on or as a result of the construction, furnishing and equipping of the Project and that it will at its own expense keep the Project adequately insured by financially sound and reputable insurers, of a character usually insured by similar Persons engaged in the same or similar business and will at all times maintain adequate insurance against its liability for injury to Persons or property, which insurance shall be by financially sound and reputable insurers and shall without limitation provide the following coverages: comprehensive general liability, workers compensation and automobile liability. Evidence of such insurance will be furnished to the Bank and, if there is no Bank, to the Trustee upon request. Each insurance policy maintained by the Company related to the Project Site and the Project shall name the Authority, the Trustee and the Bank as additional insureds and shall contain a provision to the effect that the insurance company shall not cancel the same without first giving notice thereof to the Authority, the Trustee and the Bank at least thirty days in advance of such cancellation. Nothing contained in this Loan Agreement shall be deemed to authorize or require the Authority to operate the Project or to conduct any business enterprise in connection therewith.

Section 5.2. Authority's, Trustee's, Bank's, Fiscal Agent's Expenses; Release and Indemnification Provisions. The Company agrees, whether or not the transactions contemplated by the Company Documents and the Indenture shall be consummated, to indemnify and hold harmless the Authority, the Trustee, the Fiscal Agent, the Bank, and their officers, commissioners, directors, officials, employees, agents, counsel and financial advisor (any and all of the foregoing being hereinafter referred to as the "Indemnified Persons"), from and against any and all claims, actions, suits, proceedings, expenses, judgments, damages, penalties, fines, assessments, liabilities, charges or other costs (including, without limitation, all attorneys' fees and expenses incurred in connection with enforcing this Loan Agreement or collecting any sums due hereunder and any claim or proceeding or any investigation in connection therewith) relating to, resulting from or in connection with (a) any cause whatsoever in connection with the Project, the Project, and the Project Site, including, without limitation, the acquisition, design, construction, installation, equipping, operation, maintenance or use thereof or the financing thereof including any expenses arising from the failure to make payment of principal and interest on the Series 2004B Bonds; (b) any act or omission of the Company or any of its agents, contractors, servants, employees or licensees, in connection with the Project, the Project and the Project Site; (c) the issuance and sale of the Series 2004B Bonds; and (d) a misrepresentation or breach of warranty by the Company hereunder or under any of the Company Documents, or any violation by the Company of any of its covenants hereunder or under any of the other Company Documents. This indemnity is effective only with respect to any loss incurred by the Indemnified Persons not due to willful misconduct, gross negligence, or bad faith on the part of such Indemnified Persons. In case any action or proceeding shall be brought against one or more of the Indemnified Persons and in respect of which indemnity may be sought as provided herein, such Indemnified Person or Indemnified Persons shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person or Indemnified Persons, payment of all expenses and the right to negotiate and consent to settlement; but the failure to notify the Company as provided herein shall not relieve the Company from any liability that it may have (i) under this Section, so long as the Company is given the reasonable opportunity to defend such claim, and (ii) otherwise than under this Section. Any one or more of the Indemnified Persons shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the reasonable fees and expenses of such counsel shall be at the expense of such Indemnified Persons or Indemnified Persons unless (x) the employment of such counsel has been specifically authorized in writing by the Company, (y) the named parties to any such action (including any impleaded parties) include both the Company and such Indemnified Person or Indemnified Persons and representation of both the Company and such Indemnified Person or Indemnified Persons by the same counsel would be inappropriate due to actual or potential differing interests between them, or (z) the Indemnified Person or Indemnified Persons have been advised that one or more legal defenses may be available to any or all of them which may not be available to the Company in which case the Company shall not be entitled to assume the defense of such suit notwithstanding its obligation to bear the fees and expenses of such counsel. The Company shall not be liable for any settlement of any such action effected without its consent, but if settled with such consent or if there is a final judgment in any such action with or without consent, the Company agrees to indemnify and hold harmless the Indemnified Person or Indemnified Persons from and against any loss by reason of such settlement or judgment.

The provisions of this Section shall survive the termination of this Loan Agreement.

Section 5.3. Maintenance of Existence. The Company agrees that so long as any Series 2004B Bonds remain outstanding it shall maintain its existence as a corporation organized under the laws of the

State of Delaware and shall not merge or consolidate with any other entity and shall not transfer or convey all or substantially all of its property, assets and licenses; provided, however, the Company may, without violating any provision hereof:

(a) sell or otherwise dispose of obsolete, worn out, or defective equipment or equipment or other property of rights no longer necessary to the operation of the Pipeline (as defined in the Reimbursement Agreement); provided that (i) the cumulative book value of the equipment or other property sold or disposed of in connection with any transaction permitted pursuant to this clause (a) shall not exceed Five Million Dollars (\$5,000,000) and (ii) except in the case of obsolete equipment and equipment or other property or rights no longer necessary to the operation of the Pipeline, such equipment is promptly replaced by the Company with suitable substitute equipment of substantially the same character and quality and at least equivalent useful life and utility to the extent that the failure to replace such equipment could reasonably be expected to have a Material Adverse Effect (as defined in the Reimbursement Agreement);

(b) sell or otherwise dispose of equipment or other property in the ordinary course of the business of the Company; provided that (i) at the time of such sale or disposition and after giving effect thereto, no Event of Default exists, (ii) the cumulative book value of the equipment or other property sold or disposed of in connection with (A) any one transaction permitted pursuant to this clause (b) shall not exceed Five Million Dollars (\$5,000,000) and (B) all transactions permitted pursuant to this clause (b) in the aggregate shall not exceed Ten Million Dollars (\$10,000,000) and (iii) the proceeds received from such sale or disposition are applied promptly to the replacement of such sold or disposed property with property of the same character and quality and at least equivalent useful life and utility to the extent that the failure to replace such equipment could reasonably be expected to have a Material Adverse Effect (as defined in the Reimbursement Agreement); and

(c) sell Permitted Investments for cash or other Permitted Investments.

Section 5.4. Agreement of Authority Not to Assign or Pledge. Except for the assignment and pledge of the Trust Estate in the Indenture and the Mortgage, the Authority agrees that it will not attempt to further assign, pledge, transfer or convey its interest in or create any assignment, pledge, lien, charge or encumbrance of any form or nature with respect to any of the property, moneys, securities and rights granted by the Authority to the Trustee under the Granting Clause of the Indenture.

Section 5.5. Reference to Series 2004B Bonds Ineffective After Series 2004B Bonds Paid. Upon Payment in Full of the Series 2004B Bonds and all fees and charges of the Trustee, the Bank and the Fiscal Agent, all references herein to the Series 2004B Bonds, the Fiscal Agent and the Trustee shall be ineffective and neither the Authority, the Fiscal Agent, the Trustee nor the holders of any of the Series 2004B Bonds shall thereafter have any rights hereunder and the Company shall have no further obligation hereunder, saving and excepting those that shall have theretofore vested and any right of any Indemnified Person (as defined in Section 5.2) to indemnification under Section 5.2, which right shall survive the payment of the Series 2004B Bonds and the termination of this Loan Agreement. Reference is hereby made to Section 7.01 of the Indenture which sets forth the conditions upon the existence or occurrence of which Payment in Full of the Series 2004B Bonds shall be deemed to have been made.

Section 5.6. Assignment, Sale or Lease of Project. The Company may assign its interest in this Loan Agreement and may sell, lease or otherwise dispose of the Project, the Project, or the Project Site, in

whole or in part, provided that (a) the purchaser, lessee or transferee in such transaction shall be bound by the terms and provisions of this Loan Agreement and (b) such transaction shall not affect the liability of the Bank under the Letter of Credit or violate the terms of the Reimbursement Agreement.

Section 5.7. [Reserved].

Section 5.8. Compliance with Reimbursement Agreement. The Company hereby covenants and agrees that it will comply with all covenants and obligations applicable to it in the Reimbursement Agreement from time to time in effect or, if the Reimbursement Agreement is terminated prior to the termination of this Loan Agreement, the Company agrees to comply with all covenants and obligations applicable to it in the Reimbursement Agreement as in effect immediately prior to the termination thereof until the termination of this Loan Agreement and the payment of the Company's obligation hereunder.

Section 5.9. Inspection of Project. The Authority, the Trustee and their duly authorized agents shall have the right upon reasonable notice and at reasonable times to enter upon any part of the Project Site and examine and inspect the same as may be reasonably necessary for the purpose of determining whether the Company is in compliance with its obligations under Section 5.1 or in the event of failure of the Company to perform its obligations under Section 5.1, and the Authority, the Trustee and their duly authorized agents shall also have the right at all reasonable times to examine the books and records of the Company insofar as such books and records relate to the construction, furnishing, equipping and maintenance of the Project, the Project, and the Project Site.

Section 5.10. Project List. The Company shall maintain at the Project Site a list setting forth in reasonable detail all items constituting the Project.

Section 5.11. No Warranty of Condition or Suitability by Authority. The Company recognizes that the Authority does not deal in goods of the kind comprising components of the Project or otherwise hold itself out as having knowledge or skill peculiar to the practices or goods involved in the Project, and that the Authority is not one to whom such knowledge or skill may be attributed by its employment of an agent or broker or other intermediary who by his occupation holds himself out as having such knowledge or skill. The Company further recognizes that since the components of the Project have been and are to be designated and selected by the Company, THE AUTHORITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND, EXCEPT AS OTHERWISE PROVIDED HEREIN, THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR TO THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, FITNESS FOR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF, TO THE QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE COMPANY. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE AUTHORITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE AUTHORITY, EXPRESS OR IMPLIED (TO THE EXTENT PERMITTED BY APPLICABLE LAW), WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR

OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE U.C.C. OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.1. Events of Default Defined. The following shall be "Events of Default" hereunder and the term "Event of Default" shall mean, whenever it is used herein, any one or more of the following events:

(a) failure by the Company to make any payment required to be made under the Note or Section 4.2(a) when the same becomes due and payable;

(b) failure by the Company to make any payment required to be made under the Lease Agreement when due or within any applicable cure period;

(c) failure by the Company to observe or perform any agreement hereunder or on its part to be observed or performed, other than as referred to in subsection (a) of this Section, for a period of thirty (30) days after receipt of written notice of such failure, specifying such failure and requesting that it be remedied, given to the Company and to the Bank by the Authority or the Trustee, unless the Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if it is possible to correct such failure and corrective action is instituted by the Company or the Bank within the applicable period and diligently pursued until the failure is corrected;

(d) any representation by or on behalf of the Company contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement proves false or misleading in any material respect as of the date of the making or furnishing thereof,

(e) an "Event of Default", as defined in the Indenture, occurs under the Indenture and is not cured or continues beyond any applicable grace period;

(f) an "Event of Default", as defined in the Reimbursement Agreement occurs under the Reimbursement Agreement and is not cured or continues beyond any applicable grace period; or

(g) an "Event of Default", as defined in the Lease Agreement, occurs under the Lease Agreement and is not cured or continues beyond any applicable grace period;

provided, however, that the occurrence of an event described in Section 6.1(d) shall not constitute an "Event of Default" hereunder, without the prior written consent of the Bank.

The Company and the Authority hereby authorize the Bank to do any and all things necessary to correct any default described in paragraph (c) above on behalf of the Company.

The foregoing provisions of subsection (c) of this Section are subject to the following limitations: If by reason of force majeure, the Company is unable in whole or in part to carry out the agreements on its part therein referred to, the failure to perform such agreements due to such inability shall not constitute an Event of Default nor shall it become an Event of Default upon appropriate notification to the Company or the passage of the stated period of time. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Company. The Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Company from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Company, and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Company, unfavorable to the Company.

Section 6.2. Remedies. Whenever an Event of Default shall have happened and be continuing, the Trustee, as the assignee and pledgee of the Authority under the Indenture, shall take any one or more of the following remedial steps, subject to Section 8.14 of the Indenture:

(a) The Trustee may declare all payments of principal and accrued interest required to be made under the Note to be immediately due and payable, whereupon the same shall become immediately due and payable. Contemporaneously with such declaration, the Trustee shall notify the Company and the Authority that the Note has been accelerated. If the Trustee elects to exercise the remedy afforded in this subsection (a) the amount then due and payable by the Company as accelerated payments shall be the sum of (i) the aggregate principal amount of the outstanding Series 2004B Bonds, (ii) all interest on the Series 2004B Bonds then due and to become due to the date of payment of the principal of the Series 2004B Bonds, and (iii) all other amounts due and payable to the Authority, if any, to the Series 2004B Bondholders or to the Trustee with respect to the payment of the Series 2004B Bonds, including Counsel reasonable fees actually incurred; and

(b) Subject to the provisions of Section 6.5 hereof, the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect any sums then due and thereafter to become due hereunder or to enforce performance and the observance of any agreement of the Company hereunder or under the Note.

Any amounts collected pursuant to action taken under this Section shall be paid into the Series 2004B Redemption Account of the Bond Fund and applied in accordance with the provisions of the Indenture and after Payment in Full of the Series 2004B Bonds and the payment of any costs occasioned by an Event of Default hereunder, any excess moneys in the Series 2004B Redemption Account of the Bond Fund shall be returned to the Company.

Section 6.3. No Remedy Exclusive. Subject to the provisions of Section 6.5 hereof, no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy hereunder or

now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. The Trustee and the holders of the Series 2004B Bonds, subject to the provisions of the Indenture, shall be entitled to the benefit of all agreements herein contained.

Section 6.4. Agreement to Pay Counsel Fees and Expenses. If there should occur a default or an Event of Default hereunder and the Trustee or the Authority should employ Counsel or incur other reasonable expenses for the collection of sums due hereunder or the enforcement of performance or observance of any agreement on the part of the Company herein contained, the Company agrees that it will on demand therefor pay to the Trustee or the Authority the reasonable fee of such Counsel and such other reasonable expenses so incurred by the Trustee or the Authority.

If the Company should fail to make any payments required in this Section, such item shall continue as an obligation of the Company until the same shall have been paid in full, with interest thereon from the date such payment was due at the rate per annum borne by the Series 2004B Bonds until paid in full.

Section 6.5. Waiver of Events of Default and Rescission of Acceleration. If, in compliance with the requirements of Section 8.10 of the Indenture, the Trustee shall waive any Event of Default as therein defined with the written consent of the Bank and its consequences or rescind any declaration of acceleration of payments of the principal or and interest on the Series 2004B Bonds, such waiver shall also waive any Event of Default hereunder and its consequences and such rescission of a declaration of acceleration of the principal of and interest on the Series 2004B Bonds shall also rescind any declaration of any acceleration of all payments required to be made under Section 4.2. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Authority, the Company, the Trustee, the Bank and the holders of the Series 2004B Bonds shall be restored to their former positions and rights hereunder, but no such waiver or rescission shall extend to any subsequent or other event of default or impair any right consequent thereon.

ARTICLE VII

The Company shall have the option (with the consent of the Bank) to prepay the Note prior to maturity in whole or in part but only on or after February 1, 2014 and to direct the Trustee to redeem the Series 2004B Bonds in whole or in part pursuant to the Indenture. To exercise the option granted in this subsection, the Company shall, not less than 45 days prior to the redemption date on which the Company elects to cause such prepayment, give written notice to the Authority, the Bank, the Trustee of its intention to prepay such installment payments and shall specify therein the principal amount of Series 2004B Bonds to be redeemed upon such date. Upon the exercise of any such option, the Company shall direct the Trustee to redeem the Series 2004B Bonds in whole or in part on the date specified in such notice and shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption of the Series 2004B Bonds. On or before the redemption date, sufficient Eligible Investments shall be on deposit with the Trustee to redeem the Series 2004B Bonds as provided in the Indenture; provided however, that the obligation of the Company to make any such payment shall be deemed to be satisfied and discharged to the extent of the corresponding drawing and payment made under the Letter of Credit. In addition, if the Company elects to prepay the installment payments hereunder in full, it shall pay to the Trustee or make provision for the payment satisfactory to the Trustee of an amount of money equal to the Trustee's and Fiscal Agent's reasonable and agreed upon fees and expenses accrued and to accrue through such redemption date.

Section 7.2. Obligations After Payment of Note and Termination of Loan Agreement. The Trustee will, upon request, execute and deliver any instrument reasonably requested by the Bank to evidence such subrogation and the Trustee shall assign to the Bank its rights in any obligations of the Company with respect to which payment of the entire principal balance and accrued interest thereon shall be made by the Bank.

\$5,535,000

February 3, 2004

Southern Star Central Gas Pipeline, Inc., a Delaware corporation (the "Company"), for value received, hereby promises to pay to the Owensboro-Daviess County Industrial Development Authority (the "Authority"), or assigns, on or before January 1, 2024, the principal sum of Five Million Five Hundred Thirty-Five Thousand Dollars (\$5,535,000), subject to prior payment, with interest on the unpaid principal sum, from January 1, 2004, until said principal sum shall be paid, and to the extent permitted by law. Interest shall be payable at the interest rates payable on the Series 2004B Bonds, and the principal of, premium, if any, and interest on this Note shall be payable at the times as set forth in more detail in the Indenture and the Bonds (as such terms are defined below).

Loan Payments, as defined in the Loan Agreement, shall be made in lawful money of the United States of America in immediately available funds on each Loan Payment Date, as defined in the Loan Agreement, as set forth in the attached Amortization Schedule, subject to the provisions of the Loan Agreement. Loan Payments shall be made at the principal corporate trust office of U.S. Bank National Association, as trustee (the "Trustee") in Cincinnati, Ohio, or at such other place as the Trustee may direct in writing.

Notwithstanding anything herein to the contrary, any amount held by the Trustee in the Series 2004B Redemption Account of the Bond Fund referred to in the Indenture, which is available to be used to pay the principal of or interest on the Series 2004B Bonds, shall, at the request of the Company, be credited against the next succeeding payment hereunder and shall reduce the payment to be made by the Company, provided that at any time during which a Letter of Credit, as defined in the Indenture, is in effect, such amounts shall be in Eligible Investments, as defined in the Indenture, before such credit shall be made. If the amount held by the Trustee in the Series 2004B Redemption Account of the Bond Fund should be sufficient to pay at the times required the principal of, premium, if any, and interest on the Series 2004B Bonds then remaining unpaid, to pay all Loan Payments due under the Loan Agreement, and to pay all fees and expenses of the Trustee, the Authority and the Fiscal Agent (as defined in the Indenture) accrued and to accrue through final payment of the Series 2004B Bonds (provided that at any time during which a Letter of Credit with respect to the Series 2004B Bonds is in effect such amounts constitute Eligible Investments), then the Company shall not be obligated to make any further payments hereunder, except to the extent losses may be incurred in connection with investment of moneys in the Series 2004B Redemption Account of the Bond Fund.

The Authority, by the execution of the Indenture, as hereinafter defined, and the assignment form at the foot of this Note, is assigning this Note and the payments thereon to the Trustee acting pursuant to a Trust Indenture, dated as of January 1, 2004, (the "Indenture"), between the Authority and the Trustee as security for the Authority's \$5,535,000 aggregate principal amount of Owensboro-Daviess County

Industrial Development Authority Taxable Revenue Bonds (Southern Star Central Gas Pipeline, Inc. Project), Series 2004B (the "Series 2004B Bonds"), as issued pursuant to the Indenture. Payments of principal of and interest on this Note shall be made directly to the Trustee for the account of the Authority pursuant to such assignment and applied first to the principal of and interest on the Series 2004B Bonds and thereafter to the extent necessary to the principal of and interest on the Series 2004B Bonds. All obligations of the Company hereunder shall terminate when all sums due and to become due pursuant to the Indenture, this Note, the Loan Agreement, as hereinafter defined, and the Series 2004B Bonds have been paid.

In addition to the payments of principal and interest specified in the first paragraph hereof, the Company shall also pay such additional amounts, if any, which, together with other moneys available therefor pursuant to the Indenture, may be necessary to provide for payment when due (whether at maturity, by acceleration or call for redemption, redemption or otherwise) of principal, premium, if any, and interest on the Series 2004B Bonds.

The Company shall have the option or may be required to prepay this Note in whole or in part upon the terms and conditions and in the manner specified in the Loan Agreement dated as of January 1, 2004 (the "Loan Agreement"), between the Authority and the Company.

This Note is issued pursuant to the Loan Agreement to evidence the Company's payment obligation in Section 4.2(a) thereof and is entitled to the benefits and subject to the conditions thereof, including the provisions of Section 4.5 thereof that the Company's obligations thereunder and hereunder shall be unconditional as provided in such Section 4.5. All the terms, conditions and provisions of the Loan Agreement and the applicable provisions of the Series 2004B Bonds and the Indenture are, by this reference thereto, incorporated herein as a part of this Note, including, without limitation, the provisions of Section 8.8 of the Loan Agreement entitled "Immunity of Directors, Officers and Employees of the Authority."

Material Litigation

United States ex rel. Grynberg v. Williams Natural Gas Co., MDL Docket No. 1293 (99-MD-1614), Civil Action No. 97-D-1428 (District of Colorado)

In 1998, the U.S. Department of Justice informed Southern Star Central Gas Pipeline, Inc. (SSCGP) that Jack Grynberg, an individual, had filed claims in the U.S. District Court for the District of Colorado and various other federal districts under the False Claims Act against SSCGP (formerly Williams Natural Gas Co.) and approximately 300 other energy companies alleging that the defendants violated the False Claims Act in connection with the measurement, royalty valuation and purchase of hydrocarbons, known as the Grynberg Litigation. The relief sought was an unspecified amount of royalties allegedly not paid to the federal government, treble damages, a civil penalty, attorneys' fees and costs. On April 9, 1999, the Department of Justice announced that it was declining to intervene in any of the Grynberg qui tam cases; including the action filed against SSCGP in the U.S. District Court for the District of Colorado. On October 21, 1999, the Panel on Multi-District Litigation transferred all of the Grynberg qui tam cases, including those filed against Central, to the U.S. District Court for the District of Wyoming for pre-trial purposes. Grynberg's measurement claims remain pending against SSCGP and the other defendants. The defendants' obligation to file answers has been stayed, and thus far discovery has been limited to public disclosure/original source jurisdictional issues. Currently, certain coordinating defendants, including SSCGP, are preparing an original source motion which will argue that Grynberg does not meet the requirements for qui tam plaintiffs because he is not the original source of the allegations. The special master appointed by the United States District Court has scheduled a December 12, 2003 hearing, one of the purposes of which is to discuss procedures for raising and resolving the issues relating to subject matter jurisdiction.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 99C30, District Court, Stevens County, Kansas

On June 8, 2001, SSCGP was named as a defendant in a nationwide class action lawsuit filed in the District Court of Stevens County, Kansas. In this putative class action, the named plaintiffs (the Plaintiffs) have sued over fifty (50) defendants, including SSCGP. Asserting theories of civil conspiracy, aiding and abetting, accounting and unjust enrichment, their Fourth Amended Class Action Petition alleges that the defendants have undermeasured the volume of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On August 22, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP. Despite a denial by the court on April 10, 2003 of their original motion for class certification, the Plaintiffs have indicated that they will continue to seek the certification of a class.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 03C23, District Court, Stevens County, Kansas

In this putative class action, the same named Plaintiffs from the action discussed above have sued the same defendants, including SSCGP. In this action, the Plaintiffs assert substantially identical legal and/or equitable theories. The Original Class Action Petition alleges that the defendants have undermeasured the BTU content of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On November 10, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP.

KCP&L v. Bibb and Associates, et al.

KCP&L brought suit on April 3, 2001, in the Circuit Court of Jackson County, Missouri against SSCGP and numerous other defendants. The litigation arises from a boiler explosion at KCP&L's Hawthorn 5 power plant on February 17, 1999. Plaintiff's claims against SSCGP allege inadequate odorization of the natural gas transported to the plant. The action seeks damages from all defendants for rebuilding the facility as well as the cost of replacement power for the time the facility was down. SSCGP's defense is that we had no duty pursuant to our contract with KCPL to odorize at the facility, and even if we had this duty, we did odorize (due to the fact that the portion of the system involved is located in a Class 3 location and odorization is required by DOT), and that odorization levels were adequate. We have taken a number of depositions of KCPL employees, none of who allege any reason to believe that they would have had any reason to smell gas. SSCGP has retained an expert in DOT regulations to support our position that we had no duty to odorize, as well as retaining experts to support our position that odorization was adequate. A Motion for Summary Judgment on the issue of the duty to odorize, as well as other legal defenses to the claim, was filed on September 15, 2003. On December 15, 2003, SSCGP's Motion for Summary Judgment was denied by the judge. On January 15, 2004, prior to formal trial activities commencing, KCPL and Southern Star came to a settlement with regard to this claim.

ARTICLE II

REPRESENTATIONS

Section 2.1. Representations by the Authority. The Authority makes the following representations as the basis for the undertakings on its part herein contained:

(a) Organization and Authority. The Authority is a body politic and corporate, created by the County of Daviess, Kentucky, (the "County") and the City of Owensboro, Kentucky, and validly existing pursuant to the provisions of the Act. The Authority has all requisite power and authority under the Act to (i) issue the Series 2004A Bonds and the Series 2004B Bonds, (ii) acquire the Project Site, (iii) construct,

furnish and equip the Project, (iv) lease the Project to the Company, and (v) enter into, and perform its obligations under this Lease Agreement, the Bond Purchase Agreement and the Indenture.

(b) Pending Litigation. There are no actions, suits, proceedings, inquiries or investigations pending, or to the knowledge of the Authority threatened, against or affecting the Authority in any court or before any governmental authority or arbitration board or tribunal, which involve the possibility of materially and adversely affecting the transactions contemplated by this Lease Agreement, the Bond Purchase Agreement or the Indenture or which, in any way, would materially and adversely affect the validity or enforceability of the Series 2004A Bonds and the Series 2004B Bonds, the Indenture, the Bond Purchase Agreement, this Lease Agreement or any agreement or instrument to which the Authority is a party and which is used or contemplated for use in the consummation of the transactions contemplated hereby or thereby.

(c) Issue, Sale and Other Transactions Are Legal and Authorized. The issuance and sale of the Series 2004A Bonds and the Series 2004B Bonds and the execution and delivery by the Authority of this Lease Agreement, the Bond Purchase Agreement and the Indenture, and the compliance by the Authority with all of the provisions of each thereof and of the Series 2004A Bonds and the Series 2004B Bonds (i) are within the purposes, powers and authority of the Authority, (ii) have been done in full compliance with the provisions of the Act, (iii) are legal and will not conflict with or constitute on the part of the Authority a violation of or a breach of or default under, or result in the creation of any lien, charge or encumbrance upon any property of the Authority (other than as contemplated in the Indenture) under the provisions of, any activating resolution, ordinance, by-law, indenture, mortgage, deed of trust, note agreement or other agreement or instrument to which the Authority is a party or by which the Authority is bound, or to the best of Authority's knowledge any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over the Authority or any of its activities or properties, and (iv) have been duly authorized by all necessary corporate action on the part of the Authority.

(d) Governmental Consents. Neither the nature of the Authority nor any of its activities or properties, nor any relationship between the Authority and any other person, nor any circumstance in connection with the issue, sale or delivery of any of the Series 2004A Bonds or the Series 2004B Bonds is such as to require the consent, approval or authorization of, or the filing, registration or qualification with, any governmental authority on the part of the Authority in connection with the execution, delivery and performance of this Lease Agreement, the Bond Purchase Agreement or the Indenture or the issue, sale or delivery of the Series 2004A Bonds and the Series 2004B Bonds, other than those already obtained; provided, however, no representation is made as to compliance with any federal or state securities or "blue sky" law.

(e) No Defaults. To the best of Authority's knowledge, no event has occurred and no condition exists with respect to the Authority which would constitute an "event of default" as defined in this Lease Agreement, the Bond Purchase Agreement or the Indenture or which, with the lapse of time or with the giving of notice or both, would become such an "event of default." The Authority is not in default under the Act or under any charter instrument, by-law or other agreement or instrument to which it is a party or by which it is bound which default would adversely affect the enforceability of the Series 2004A Bonds.

(f) No Prior Pledge. Neither the payments under this Lease Agreement or the Lease Agreement, nor any of the payments to be received under the Loan Agreement or the Loan Agreement have been

pledged or hypothecated in any manner or for any purpose other than as provided in the Indenture as security for the payment of the Bonds.

(g) Nature and Location of Project. The financing of the Cost of the Project, together with related expenses, is authorized under the Act and is in furtherance of the public purpose for which the Authority was created. The Project consists of an office facility located on the Project Site in Daviess County, Kentucky.

(h) Limited Obligations. Notwithstanding anything herein contained to the contrary, any obligation the Authority may hereby incur for the payment of money shall not constitute an indebtedness of the Authority, the County or of the State or of any political subdivision thereof within the meaning of any state constitutional provision or statutory limitation and shall not give rise to a pecuniary liability of the Authority, the State or the County or any political subdivision thereof, or constitute a charge against the general credit or taxing power of said State or County or any political subdivision thereof or against the general credit of the Authority, but shall be limited obligations of the Authority payable solely from (i) the pledged revenues, (ii) revenues derived from the sale of the Series 2004A Bonds, and (iii) amounts on deposit from time to time for redemption pursuant to the Indenture. The Authority has no taxing power.

Section 2.2. No Representation or Warranty by Authority as to Project. The Authority makes no representation or warranty concerning the suitability of the Project for the purpose for which it is being undertaken by the Company. The Authority has not made any independent investigation as to the feasibility or creditworthiness of the Company. Any bond purchaser, assignee of the Lease Agreement or any other party with any interest in this transaction, shall make its own independent investigation as to the creditworthiness of the Company and the feasibility of acquiring, constructing, furnishing and equipping the Project, independent of any representation or warranties of the Authority.

Section 2.3. Representations by the Company. The Company makes the following representations as the basis for the undertakings on its part herein contained:

(a) Organization and Power. The Company (i) is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware and is authorized to do business in the Commonwealth of Kentucky, and (ii) has all requisite power and authority and all necessary licenses and permits to own and operate its properties and to carry on its business as now being conducted and as presently proposed to be conducted.

(b) Pending Litigation. Except as set forth on Schedule 2.3(b) hereto, there are no proceedings pending, or to the knowledge of the Company threatened, against or affecting the Company in any court or before any governmental authority, arbitration board or tribunal which if adversely determined, would materially and adversely affect the transactions contemplated by this Lease Agreement, the Bond Purchase Agreement or the Indenture or which, in any way, would materially and adversely affect the properties, business, prospects, profits or condition (financial or otherwise) of the Company, or the ability of the Company to perform its obligations under the Company Documents. The Company is not in default with respect to an order of any court, governmental authority, arbitration board or tribunal.

(c) Agreements Are Legal and Authorized. The execution and delivery by the Company of each of the Company Documents to which it is a party and the compliance by the Company with all of the

provisions hereof and thereof (i) are within the power of the Company, (ii) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, or result in the creation of any lien, charge or encumbrance upon any property of the Company under the provisions of, any agreement, articles of incorporation, bylaws, or other instrument to which the Company is a party or by which it may be bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its activities or properties and (iii) have been duly authorized by all necessary action on the part of the Company.

(d) Governmental Consent. All authorizations, consents, approvals, licenses, exemptions of or filings or registrations with all commissions, board, courts, bureaus, agencies and instrumentalities, domestic or foreign, necessary to the valid execution, delivery and performance by the Company of each of the Company Documents to which it is a party or the offer, issue, sale or delivery by the Authority of the Series 2004A Bonds have been obtained, and such approvals remain in full force and effect.

(e) No Defaults. No Event of Default has occurred and is continuing.

(f) Compliance with Law. The Company is not in violation in any material way of any laws, ordinances, governmental rules or regulations to which it is subject and has not failed to obtain any licenses, permits, franchises or other governmental authorizations necessary to the ownership of its properties or to the conduct of its business, which violation or failure to obtain might materially and adversely affect the properties, business, prospects, profits or conditions (financial or otherwise) of the Company.

(g) Restrictions on the Company. The Company is not a party to any contract or agreement that materially and adversely affects the business of the Company. Except for the Reimbursement Agreement, the Company is not a party to any contract or agreement that restricts the right or ability of the Company to incur or guarantee indebtedness for borrowed money.

(h) Estimated Time of Completion of the Project. The Company estimates that the Project will be completed and ready for occupancy by December 31, 2004.

(i) Location of Project Site and Project. The Project Site and Project are located entirely within the geographical boundaries of Daviess County, Kentucky.

Section 2.4. Modification and Termination of Lease Agreement. Subsequent to the issuance of the Series 2004A Bonds and prior to their payment in full (or provision for the payment thereof having been made in accordance with the provisions of the Indenture), this Lease Agreement may not be amended, changed, modified, altered or terminated except as permitted herein and by the Indenture and with the written consent of the Company, the Trustee and the Bank.

Section 2.5. Purchase of Series 2004A Bonds by Authority and Company. Except for purchases to retire Series 2004A Bonds and purchases pursuant to the Indenture, the Authority and the Company agree that they shall not purchase any Series 2004A Bonds, directly or indirectly.

ARTICLE III

ISSUANCE OF THE SERIES 2004A BONDS; ACQUISITION, CONSTRUCTION, FURNISHING, EQUIPPING AND FINANCING OF PROJECT

Section 3.1. Agreement to Construct, Furnish and Equip the Project. The Authority hereby designates the Company as its agent for all purposes of constructing, furnishing and equipping the Project, including inter alia, (i) causing the planning and design of the Project and approval thereof by all applicable regulatory agencies; (ii) causing any necessary construction bids to be secured in respect of the Project, with due regard to the provisions of Kentucky law; (iii) entering into any necessary and appropriate agreements with various vendors, contractors and suppliers to cause the construction, furnishing and equipping of the Project; and (iv) for the performance of all other duties customarily incident to the foregoing provisions of (i), (ii) and (iii). Actions heretofore taken by the Company in such respects are expressly affirmed and ratified by the Authority. The Authority and the Company agree that the construction, furnishing and equipping of the Project shall proceed with all reasonable dispatch. The Company shall cause the construction, furnishing and equipping of the Project to be completed with all reasonable speed. The Company agrees to obtain all licenses, permits and consents required for the construction, furnishing and equipping of the Project; and the Authority shall have no responsibility therefor.

Section 3.2. Agreement to Issue Series 2004A Bonds; Application of Proceeds; Construction Fund. In order to provide funds for the payment of a portion of the cost of constructing, furnishing and equipping the Project, the Authority agrees to authorize, validate, sell and cause to be delivered to the initial purchaser or purchasers thereof, the Series 2004A Bonds, in accordance with the terms and conditions of the Indenture, and it will thereupon deposit the proceeds of the Series 2004A Bonds received from said sale in the Series 2004A Account of the Construction Fund created pursuant to the Indenture. The moneys in the Series 2004A Account of the Construction Fund shall be used to finance the acquisition of the building material, supplies and equipment and construction of the Project (other than labor costs).

Section 3.3. Establishment of Completion Date. The completion date shall be evidenced to the Authority and the Trustee by a certificate in the form of Exhibit C attached hereto, signed by a Company Representative stating (a) the final costs of the Project, (b) that the construction, furnishing and equipping of the Project have been completed substantially in accordance with Section 3.1 hereof, and (c) that, except for amounts retained by the Trustee for the Cost of the Project not then due and payable, if any, the full Cost of the Project has been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate.

Section 3.4. Company Required to Complete Project. If the proceeds derived from the sale of the Series 2004A Bonds and any investment income thereon are not sufficient to fully finance the cost of constructing, equipping and furnishing of the Project, the Company shall pay any excess costs in connection therewith with the proceeds of the Series 2004B Bonds and any investment income thereon and available therefor. The Company agrees that if, after exhaustion of the proceeds derived from the sale of the Series 2004A Bonds and the Series 2004B Bonds and investment income thereon, the Company should pay any portion of the Cost of the Project pursuant to the provisions of this Section, it shall not be entitled to any reimbursement therefor from the Authority or the Trustee nor shall it be entitled to any abatement, diminution or postponement of its payments hereunder.

Section 3.5. LIMITATION OF AUTHORITY'S LIABILITY. ANYTHING CONTAINED IN THIS LEASE AGREEMENT TO THE CONTRARY NOTWITHSTANDING, ANY OBLIGATION THE AUTHORITY MAY INCUR IN CONNECTION WITH THE UNDERTAKING OF THE PROJECT FOR THE PAYMENT OF MONEY SHALL NOT BE DEEMED TO CONSTITUTE A DEBT OR GENERAL OBLIGATION OF THE AUTHORITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF, BUT SHALL BE PAYABLE SOLELY FROM THE REVENUES AND RECEIPTS DERIVED BY THE AUTHORITY FROM THIS LEASE AGREEMENT AND FROM PAYMENTS MADE PURSUANT TO THE LETTER OF CREDIT. NO PROVISION IN THIS LEASE AGREEMENT OR ANY OBLIGATION HEREIN IMPOSED UPON THE AUTHORITY, OR THE BREACH THEREOF, SHALL CONSTITUTE OR GIVE RISE TO OR IMPOSE UPON THE AUTHORITY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF A PECUNIARY LIABILITY OR A CHARGE UPON ITS GENERAL CREDIT OR THE TAXING POWERS OF THE STATE OR POLITICAL SUBDIVISION. THE AUTHORITY HAS NO TAXING POWERS. NO OFFICER OR MEMBER OF THE AUTHORITY SHALL BE PERSONALLY LIABLE ON THIS LEASE AGREEMENT.

Section 3.6. Disclaimer of Warranties. The Company recognizes that since the Project have been or will be constructed, furnished and equipped by the Company and by contractors and suppliers selected by the Company, NEITHER THE AUTHORITY NOR THE TRUSTEE MAKES ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE MERCHANTABILITY, CONDITION OR WORKMANSHIP OF ANY PART OF THE PROJECT OR ITS SUITABILITY FOR THE PURPOSES OF THE COMPANY OR THE EXTENT TO WHICH PROCEEDS DERIVED FROM THE SALE OF THE SERIES 2004A BONDS WILL PAY THE COST OF THE PROJECT TO BE INCURRED IN CONNECTION THEREWITH.

Section 3.7. [Reserved].

Section 3.8. Payments from Construction Fund. Pursuant to Section 4.07 of the Indenture, the Trustee shall use moneys in the Series 2004A Account of the Construction Fund solely to pay the Cost of the Project. Before any payment shall be made from the Series 2004A Account of the Construction Fund, there shall be filed with the Trustee:

(a) a requisition, in the form attached hereto as Exhibit B (the "Requisition"), signed by an Authority Representative (who may rely upon the representations of the Company), and approved in writing by an officer of the Bank, stating to whom the payment is to be made, the amount of payment, the purpose in reasonable detail for which the obligation to be paid was incurred, which shall be paid from the Series 2004A Account of the Construction Fund, and that the obligation stated on the requisition has been incurred by the Company, on behalf of the Authority in or about the construction, furnishing or equipping of the Project, accompanied by a certificate of a Company Representative certifying that:

(1) there has been received no written notice of any lien, right to lien or attachment upon, or claim affecting the right of the payee to receive payment of, any of the moneys payable under such requisition to any of the persons, firms, or corporations named therein;

(2) the Requisition contains no items representing payment on account of any percentage entitled to be retained at the date of the certificate; and

(3) no Event of Default hereunder or under the Indenture or under the Reimbursement Agreement or event which after notice or lapse of time or both would constitute an Event of Default hereunder or under the Indenture or the Reimbursement Agreement has occurred and not been waived or cured.

(b) an invoice or other appropriate evidence of the obligation described in the Requisition; and

(c) such other items as are required under the Reimbursement Agreement.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall make payment from the Series 2004A Account in the Construction Fund in accordance with such requisition.

Section 3.9. Investment of Funds. Any moneys held in the Series 2004A Account of the Construction Fund or any other fund created under the Indenture shall be invested or reinvested by the Trustee as set forth in the Indenture, to the extent permitted by law, in the Eligible Investments (as defined in the Indenture), at the telephonic or oral direction (confirmed in writing) of a Company Representative. All such investments shall at all times be a part of the Series 2004A Account of the Construction Fund, the Series 2004A Redemption Account of the Bond Fund, as applicable, or such other account or fund created under the Indenture, and all income and profits on such investments shall be credited to, and losses thereon shall be charged against, such applicable account or fund.

Section 3.10. Depositories of Moneys and Security for Deposit. All moneys received by the Authority in connection with the issuance of the Series 2004A Bonds (other than for its reasonable fees and expenses) shall be deposited in the Series 2004A Account of the Construction Fund created under the Indenture. All such moneys deposited shall be applied in accordance with the terms and conditions and for the purposes set forth herein, in the Indenture and in the Reimbursement Agreement and shall not be subject to lien or attachment by any creditor of the Authority to the fullest extent permitted by law.

ARTICLE IV

LEASE OF THE PROJECT; PROVISIONS FOR PAYMENT

Section 4.1. Title to and Lease of the Project.

(a) The Authority acknowledges that it has good and marketable title in fee simple to the land on which the Project is to be constructed, furnished and equipped and that the Authority will not be vested with any additional interest therein as a result of its authorization, validation, sale, or issuance of the Series 2004A Bonds, and (b) that the only security for the Series 2004A Bonds will be the Letter of Credit and the moneys deposited in the funds and accounts (or Segregated Subaccounts therein) created under the Indenture.

(b) The Authority, as lessor, in consideration of the rents, covenants and agreements herein stated, agrees to, and does hereby lease to the Company, as lessee, and the Company, agrees to, and does

hereby lease from the Authority, subject to the provisions of this Lease Agreement, the Project for the term of the Lease, as defined in Section 4.1(c), and more particularly described in Exhibit A attached hereto.

(c) The Lease Term shall commence on the date of delivery of this Lease Agreement and, subject to earlier termination as provided herein, shall end on January 1, 2024. The Authority agrees to deliver to the Company full vacant possession of the Project at the commencement of the Lease Term and the Company agrees to accept possession of the Project upon such delivery. The Authority covenants and agrees that the Authority will not take any action, other than pursuant to Article VI of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project during the Lease Term and will, at the request of the Company, and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project.

(d) The Company promises to pay the Authority, or assigns, as rent for the Project on each Lease Payment Date, the Lease Payment due on such Lease Payment Date, subject to prior prepayment as provided herein, during the term of this Lease Agreement, and to the extent permitted by law, interest on each overdue Lease Payment, at the interest rate provided in the Reimbursement Agreement for any unreimbursed draws on the Letter of Credit.

If the amount held by the Trustee in the Bond Fund should be sufficient to pay at the times required the principal or, premium, if any, and interest on the Series 2004A Bonds then remaining unpaid between the Company and Daviess County, Kentucky, dated as of February 3, 2004, then remaining unpaid and to pay all fees and expenses of the Trustee, the Authority, and the Bank (as defined in the Indenture) accrued and to accrue through final payment of the Series 2004A Bonds (provided that at any time during which a Letter of Credit is not in effect such amounts constitute Eligible Investments), then the Company shall not be obligated to make any further payments hereunder, except to the extent losses may be incurred in connection with investment of moneys in the Bond Fund.

The Authority hereby assigns all Lease Payments to the Trustee acting pursuant to the Indenture as security for the issuance of the Series 2004A Bonds issued pursuant to the Indenture. Lease Payments shall be made directly to the Trustee for the account of the Authority pursuant to such assignment and applied only to the principal of and interest on such Series 2004A Bonds or to reimburse the Bank for payments made under a drawing on the Letter of Credit and applied to payment of the principal of and interest on the Series 2004A Bonds. All obligations of the Company hereunder shall terminate when all sums due and to become due pursuant to the Indenture, this Lease Agreement, and such Series 2004A Bonds have been paid.

In addition to the payments of principal and interest specified above in this subsection (d), the Company shall also pay such additional amounts, if any, which, together with other moneys available therefor pursuant to the Indenture, may be necessary to provide for payment when due (whether at maturity, by acceleration or call for redemption, mandatory purchase, purchase upon optional tenders, sinking fund redemption or otherwise) of principal and purchase price of, premium, if any, and interest on the Series 2004A Bonds.

Section 4.2. Payment Obligations of the Company.

(a) As consideration for the issuance of the Series 2004A Bonds, the lease of the Project to the Company and the use of the Series 2004 A Bond proceeds in accordance with the provisions of this Lease Agreement, the Company agrees (i) except as provided in subsection (b) of this Section, to make prompt payment to the Trustee, as assignee and pledgee of the Authority, for deposit in the Series 2004A Redemption Account of the Bond Fund, of all Lease Payments under this Lease Agreement as and when the same shall be due and payable, and (ii) to pay pursuant hereto sums sufficient to pay the principal and purchase price of, premium, if any, and interest on the Series 2004A Bonds (whether at maturity, upon redemption or acceleration, or otherwise) when and as the same shall be due and payable. All such payments shall be made to the Trustee at its principal office in lawful money of the United States of America, except as may be otherwise agreed to by the Trustee.

(b) In order to provide for the payments required in subsection (a) of this Section, the Company shall cause the Bank to deliver the Letter of Credit to the Trustee simultaneously with the original issue and delivery of the Series 2004A Bonds, and hereby authorizes and directs the Trustee to draw moneys under the Letter of Credit in accordance with the provisions of the Indenture to the extent necessary to make any payments on the Series 2004A Bonds as and when the same become due. The Company shall receive as a credit against its obligations to make the payments described in subsection (a) of this Section all payments made by the Bank under the Letter of Credit and all other amounts described in Section 4.01 of the Indenture.

(c) If the Company should fail to make any of the payments required in subsection (a) and (b) above, the item or installment which the Company has failed to make shall continue as an obligation of the Company until the same shall have been fully paid, and the Company agrees to pay the same with interest thereon at the rate per annum borne by the Series 2004A Bonds until paid in full.

(d) In addition, the Company agrees to pay the costs, if any, of issuing the Series 2004A Bonds which are not being paid with the proceeds of the sale of the Series 2004A Bonds either by paying any or all of such costs directly or by depositing the same with the Trustee. Any monies so deposited with the Trustee shall be disbursed by the Trustee in accordance with written instructions from the Company.

(e) Anything herein, in the Indenture or in the Series 2004A Bonds to the contrary notwithstanding, the obligations of the Company hereunder shall be subject to the limitation that the portion of Lease Payments constituting interest under this Section shall not be required to the extent that the receipt of such Lease Payment by the holder of any Series 2004A Bond would be contrary to the provisions of law applicable to such holder which limit the maximum rate of interest which may be charged or collected by such holder.

Section 4.3. Letter of Credit; Substitute Letter of Credit.

(a) The Letter of Credit delivered to the Trustee simultaneously with the original issuance and delivery of the Series 2004A Bonds constitutes an irrevocable obligation of the Bank to pay to the Trustee, upon request and in accordance with the terms thereof, up to an amount equal to the sum of (i) the principal amount of the Series 2004A Bonds then outstanding plus (ii) an amount equal to interest for 190 days on the principal amount of each Series 2004A Bond then outstanding at the rate of ten percent (10%) per annum.

(b) The Company shall have the option from time to time to provide the Trustee with a Substitute Letter of Credit in accordance with the provisions of Section 5.03 of the Indenture, Section 2.6 of the Reimbursement Agreement and the Letter of Credit. If at any time there shall have been delivered to the Trustee a Substitute Letter of Credit, together with the other documents and opinions required by Section 5.03 of the Indenture, then the Trustee shall accept such Substitute Letter of Credit and promptly surrender the previously held Letter of Credit to the issuer thereof for cancellation, in accordance with the terms of such Letter of Credit. If at any time there shall cease to be any Series 2004A Bonds outstanding under the Indenture, the Trustee shall promptly surrender the Letter of Credit to the issuer thereof, in accordance with the terms of such Letter of Credit, for cancellation. The Trustee shall comply with the procedures set forth in the Letter of Credit relating to the termination thereof.

Section 4.4. Administrative Expenses. The Company shall pay, or cause to be paid, an amount equal to (a) the fees and charges of the Trustee incurred in connection with the rendering of its ordinary and extraordinary services as Trustee under the Indenture, as and when the same become due, including the reasonable fees of its Counsel, (b) the fees and charges of Ross, Sinclair & Associates, Inc., the initial fiscal agent and any successors thereto (the "Fiscal Agent") for acting as Fiscal Agent for the Series 2004B Bonds, including the reasonable fees and expenses of its Counsel, (c) the fees and expenses of the Underwriter for serving as Underwriter for the Series 2004A Bonds, including the reasonable fees and expenses of its Counsel, and any other amounts due and payable to the Underwriter under the Bond Purchase Agreement, (d) the fees and expenses of the Rating Agency for issuing and maintaining its securities rating on the Series 2004A Bonds, (e) the reasonable out-of-pocket expenses, administrative expenses and Counsel fees of the Authority, and (f) any and all expenses payable by the Company to the Bank under the Reimbursement Agreement. The Company may, without constituting grounds for an Event of Default hereunder, withhold payment of any such fees and charges of the Trustee or the Fiscal Agent, to contest in good faith the necessity for any extraordinary services of the Trustee and the reasonableness of any extraordinary expenses of the Trustee, or to contest in good faith the necessity for any services performed and expenses paid or incurred by, and the reasonableness of any fees, charges or expenses of, the Fiscal Agent. If the Company should fail to make any of the payments required in this Section, the item or installment which the Company has failed to make shall continue as an obligation of the Company until the same shall have been fully paid, with interest thereon at the rate per annum borne by the Series 2004A Bonds until paid in full.

Section 4.5. Obligations of the Company Absolute and Unconditional. Subject to the provisions of Section 6.5 hereof, the obligations of the Company to make or to cause (pursuant to the Letter of Credit) to be made the payments required in Sections 4.2 and 4.4 and to perform and observe the other agreements on its part contained herein shall be absolute and unconditional and shall not be subject to diminution by set-off, counterclaim, abatement or otherwise by reason of any action or inaction of the Trustee, the Authority or any third party. Until such time as the principal of, and the interest on, the Series 2004A Bonds shall have been paid in full, the Company (a) will not suspend or discontinue any payments provided for in Sections 4.2 and 4.4 except to the extent the same have been prepaid, (b) will perform and observe all its other agreements contained herein, and (c) except as provided in Article VII hereof, will not terminate this Lease Agreement for any cause, including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, sale, loss, eviction or constructive eviction, destruction of or damage to the Project, condemnation, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either, or any failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection herewith or

with the Indenture. Notwithstanding the foregoing, the obligation of the Company to make payments hereunder shall be satisfied and discharged to the extent moneys are received by the Trustee pursuant to the Letter of Credit. Nothing contained in this Section shall be construed to release the Authority from the performance of any of the agreements on its part herein contained; and if the Authority should fail to perform any such agreement, the Company may institute such action against the Authority as the Company may deem necessary to compel performance so long as such action shall not impair the agreements on the part of the Company hereunder.

Nothing contained herein shall be construed as a waiver of any rights which the Company may have against the Authority under this Lease Agreement, or against any person under this Lease Agreement, the Indenture or otherwise, or under any provision of law; provided, however, that the Company shall pursue any rights or remedies against the Authority, the Trustee, any Bondholder or any third party in connection herewith, or in connection with the Indenture or in any way otherwise relating to the Series 2004A Bonds and security therefor only in a separate action, and not by way of any set-off, counterclaim, cross-claim or third party action in any suit brought to enforce the rights of the Series 2004A Bondholders, the Trustee or the Authority under this Lease Agreement, the Indenture or in any way otherwise in connection herewith; and provided further, that in order to preserve the right of the Company to raise such issues in any separate suit, any claim of the Company which, but, for this Section 4.5, would be a compulsory counterclaim, shall be identified as such in the first responsive pleading filed by the Company to any action brought by the Authority, Trustee, any Series 2004A Bondholder or any person.

Section 4.6. Company Consent to Assignment of Lease Agreement and Execution of Indenture. The Company understands that the Authority will, pursuant to the Indenture and as security for the payment of the principal of, premium, if any, and the interest on the Series 2004A Bonds, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Lease Agreement reserving, however, the unassigned rights; and the Company hereby agrees and consents to such assignment and pledge. The Company acknowledges that it has received a copy of the Indenture and consents to the execution of the same by the Authority; provided, however, such consent does not constitute a representation as to the accuracy of any representations or warranties made thereunder.

Section 4.7. Company's Performance Under Indenture. The Company agrees, for the benefit of the Series 2004A Bondholders, to do and perform all acts and things contemplated in the Indenture to be done or performed by it.

ARTICLE V

PARTICULAR AGREEMENTS

Section 5.1. Maintenance, Operation and Insuring of Project; Taxes, No Operation of Project by Authority. The Company hereby agrees that it will, at its own expense, maintain and operate all portions of the Project during their useful lives or until they are replaced with facilities necessary in their operation. The Company further agrees that, except for taxes contested in good faith, it will pay all taxes levied with respect to the Project, including, without limitation, any sales or other excise taxes of the State which the State or any revenue or tax collection agency or department thereof of competent jurisdiction makes a final determination after the completion of the Project are due and payable to the State, and the

income therefrom and that it will at its own expense keep the Project adequately insured by financially sound and reputable insurers, of a character usually insured by similar Persons engaged in the same or similar business and will at all times maintain adequate insurance against its liability for injury to Persons or property, which insurance shall be by financially sound and reputable insurers and shall without limitation provide the following coverages: comprehensive general liability, workers compensation and automobile liability. Evidence of such insurance will be furnished to the Bank and, if there is no Bank, to the Trustee upon request. Each insurance policy maintained by the Company related to the Project shall name the Authority, the Trustee and the Bank as additional insureds and shall contain a provision to the effect that the insurance company shall not cancel the same without first giving notice thereof to the Authority, the Trustee and the Bank at least thirty days in advance of such cancellation. Nothing contained in this Lease Agreement shall be deemed to authorize or require the Authority to operate the Project or to conduct any business enterprise in connection therewith. Subject to the terms of the Mortgage and Security Agreement of even date herewith made by the Authority and the Company to the Trustee (as amended, supplemented or restated to the date hereof, the "Mortgage"), the Company may make alterations and additions to the Project without the consent of the Authority, so long as such alteration or addition does not violate the terms of this Lease Agreement or the Loan Agreement.

Section 5.2. Authority's, Bank's, Trustee's, Fiscal Agent's Expenses; Release and Indemnification Provisions. The Company agrees, whether or not the transactions contemplated by the Company Documents and the Indenture shall be consummated, to indemnify and hold harmless the Authority and its officers, commissioners, directors, officials, employees and agents, including the Trustee, the Fiscal Agent, the Bank and counsel to the foregoing (any and all of the foregoing being hereinafter referred to as the "Indemnified Persons"), from and against any and all claims, actions, suits, proceedings, expenses, judgments, damages, penalties, fines, assessments, liabilities, charges or other costs (including, without limitation, all attorneys' fees and expenses incurred in connection with enforcing this Lease Agreement or collecting any sums due hereunder and any claim or proceeding or any investigation in connection therewith) relating to, resulting from or in connection with (a) any cause whatsoever in connection with the Project, including, without limitation, the acquisition, design, construction, installation, equipping, operation, maintenance or use thereof or the financing thereof including any expenses arising from the failure to make payment of principal and interest on the Series 2004A Bonds; (b) any act or omission of the Company or any of its agents, contractors, servants, employees or licensees, in connection with the Project; (c) the issuance and sale of the Series 2004A Bonds; and (d) a misrepresentation or breach of warranty by the Company hereunder. This indemnity is effective only with respect to any loss incurred by the Indemnified Persons not due to willful misconduct, gross negligence, or bad faith on the part of such Indemnified Persons. In case any action or proceeding shall be brought against one or more of the Indemnified Persons and in respect of which indemnity may be sought as provided herein, such Indemnified Person or Indemnified Persons shall promptly notify the Company in writing and the Company shall promptly assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person or Indemnified Persons, payment of all expenses and the right to negotiate and consent to settlement; but the failure to notify the Company as provided herein shall not relieve the Company from any liability that it may have (i) under this Section, so long as the Company is given the reasonable opportunity to defend such claim, and (ii) otherwise than under this Section. Any one or more of the Indemnified Persons shall have the right to employ separate counsel in any such action and to participate in the defense thereof, but the reasonable fees and expenses of such counsel shall be at the expense of such Indemnified Persons or Indemnified Persons unless (x) the employment of such counsel has been specifically authorized in writing by the Company, (y) the named parties to any such action (including any impleaded parties) include both the Company and such Indemnified Person or

Indemnified Persons and representation of both the Company and such Indemnified Person or Indemnified Persons by the same counsel would be inappropriate due to actual or potential differing interests between them, or (z) the Indemnified Person or Indemnified Persons have been advised that one or more legal defenses may be available to any or all of them which may not be available to the Company in which case the Company shall not be entitled to assume the defense of such suit notwithstanding its obligation to bear the fees and expenses of such counsel. The Company shall not be liable for any settlement of any such action effected without its consent, but if settled with such consent or if there is a final judgment in any such action with or without consent, the Company agrees to indemnify and hold harmless the Indemnified Person or Indemnified Persons from and against any loss by reason of such settlement or judgment.

The provisions of this Section shall survive the termination of this Lease Agreement.

Section 5.3. Maintenance of Existence. The Company agrees that so long as any Series 2004A Bonds remain outstanding it shall maintain its existence as a corporation organized under the laws of the State of Delaware and shall not merge or consolidate with any other entity and shall not transfer or convey all or substantially all of its property, assets and licenses; provided, however, the Company may, without violating any provision hereof:

(a) sell or otherwise dispose of obsolete, worn out, or defective equipment or equipment or other property of rights no longer necessary to the operation of the Pipeline; provided, that (i) the cumulative book value of the equipment or other property sold or disposed of in connection with any transaction permitted pursuant to this clause (a) shall not exceed five million dollars (\$5,000,000) and (ii) except in the case of obsolete equipment and equipment or other property or rights no longer necessary to the operation of the Pipeline, such equipment is promptly replaced by the Company with suitable substitute equipment of substantially the same character and quality and at least equivalent useful life and utility to the extent that the failure to replace such equipment could reasonably be expected to have a Material Adverse Effect (as defined in the Reimbursement Agreement);

(b) sell or otherwise dispose of equipment or other property in the ordinary course of the business of the Company; provided, that (i) at the time of such sale or disposition and after giving effect thereto, no Event of Default exists, (ii) the cumulative book value of the equipment or other property sold or disposed of in connection with (A) any one transaction permitted pursuant to this clause (b) shall not exceed five million dollars (\$5,000,000) and (B) all transactions permitted pursuant to this clause (b) in the aggregate shall not exceed ten million dollars (\$10,000,000), and (iii) the proceeds received from such sale or disposition are applied promptly to the replacement of such sold or disposed property with property of the same character and quality and at least equivalent useful life and utility to the extent that the failure to replace such equipment could reasonably be expected to have a Material Adverse Effect (as defined in the Reimbursement Agreement); and

(c) sell Permitted Investments for cash or other Permitted Investments.

Section 5.4. Agreement of Authority Not to Assign or Pledge. Except for the assignment and pledge of the Trust Estate in the Indenture, the Authority agrees that it will not attempt to further assign, pledge, transfer or convey its interest in or create any assignment, pledge, lien, charge or encumbrance of any form or nature with respect to any of the property, moneys, securities and rights granted by the Authority to the Trustee under the Granting Clause of the Indenture.

Section 5.5. Redemption of Series 2004A Bonds. With the written consent of the Bank, the Authority or the Trustee, at the request at any time of the Company and if the Series 2004A Bonds are then redeemable, shall forthwith take all steps that may be necessary under the applicable redemption provisions of the Indenture to effect redemption of all or any portion of the Series 2004A Bonds, as may be specified by the Company, on the earliest redemption date on which such redemption may be made under such applicable provisions or upon the date set for the redemption by the Company pursuant to Article VII hereof. As long as the Company is not in default hereunder and the Authority is not obligated to call Series 2004A Bonds pursuant to the terms of the Indenture, neither the Authority nor the Trustee shall redeem any Series 2004A Bond prior to its stated maturity unless requested to do so in writing by the Company.

Section 5.6. Reference to Series 2004A Bonds Ineffective After Series 2004A Bonds Paid. Upon payment in full of the Series 2004A Bonds and all fees and charges of the Trustee, the Bank and the Fiscal Agent, all references herein to the Series 2004A Bonds, the Fiscal Agent and the Trustee shall be ineffective and neither the Authority, the Fiscal Agent, the Trustee nor the holders of any of the Series 2004A Bonds shall thereafter have any rights hereunder and the Company shall have no further obligation hereunder, saving and excepting those that shall have theretofore vested and any right of any Indemnified Person (as defined in Section 5.2) to indemnification under Section 5.2, which right shall survive the payment of the Series 2004A Bonds and the termination of this Lease Agreement. Reference is hereby made to the Indenture which sets forth the conditions upon the existence or occurrence of which payment in full of the Series 2004A Bonds shall be deemed to have been made.

Section 5.7. Assignment. Sale or Lease of Project. The Company may assign its interest in this Lease Agreement and may sell, lease or otherwise dispose of the Project, in whole or in part, provided that (a) the purchaser, lessee or transferee ("Transferee") in such transaction shall be bound by the terms and provisions of this Lease Agreement and (b) such transaction shall not affect the liability of the Bank under the Letter of Credit or violate the terms of the Reimbursement Agreement. In the event a Transferee comes into title of the leasehold estate created by this Lease Agreement, the Transferee shall have the rights of the Company under this Lease Agreement. Provided, however, Transferee shall not be liable for any default of the Company existing prior to the date it comes into title of such leasehold estate other than the payment of any rent subject to the provisions of Section 4.2(b) hereof. The Authority hereby specifically acknowledges the assignment of the Lease Agreement to Bank and agrees that any landlord's lien which the Authority may have against the Project shall be subordinate to any lien or encumbrance which the Bank may have against the Project.

Section 5.8. Financing Statements. The Company hereby covenants and agrees with the Authority and the Trustee that it shall furnish to the Bank, quinquennially on or before January 1 of each fifth year (commencing on or before January 2009) an Opinion of Counsel in a form acceptable to the Bank, to the effect that all necessary or appropriate financing or continuation statements have been filed, and all other action has been taken, to perfect and validate continuously from the date hereof the security interests granted by this Lease Agreement or the Indenture.

Section 5.9. Compliance with Reimbursement Agreement. The Company hereby covenants and agrees that it will comply with all covenants and obligations applicable to it in the Reimbursement Agreement from time to time in effect or, if the Reimbursement Agreement is terminated prior to the termination of this Lease Agreement, the Company agrees to comply with all covenants and obligations

applicable to it in the Reimbursement Agreement as in effect immediately prior to the termination thereof until the termination of this Lease Agreement and the payment of the Company's obligation hereunder.

Section 5.10. Inspection of Project. The Authority, the Trustee and their duly authorized agents shall have the right upon reasonable notice and at reasonable times to enter upon any part of the premises of the Company at which the Project is located and examine and inspect the same as may be reasonably necessary for the purpose of determining whether the Company is in compliance with its obligations under Section 5.1 or in the event of failure of the Company to perform its obligations under Section 5.1, and the Authority, the Trustee and their duly authorized agents shall also have the right at all reasonable times to examine the books and records of the Company insofar as such books and records relate to the acquisition, construction, furnishing, equipping and maintenance of the Project.

Section 5.11. Project List. The Company shall maintain at the Project Site a list setting forth in reasonable detail all items constituting the Project.

Section 5.12. No Warranty of Condition or Suitability by Authority. The Company recognizes that the Authority does not deal in goods of the kind comprising components of the Project or otherwise hold itself out as having knowledge or skill peculiar to the practices or goods involved in the Project, and that the Authority is not one to whom such knowledge or skill may be attributed by its employment of an agent or broker or other intermediary who by his occupation holds himself out as having such knowledge or skill. The Company further recognizes that since the components of the Project have been and are to be designated and selected by the Company, THE AUTHORITY HAS NOT MADE AN INSPECTION OF THE PROJECT OR OF ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, AND, EXCEPT AS OTHERWISE PROVIDED HEREIN, THE AUTHORITY MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED OR OTHERWISE, WITH RESPECT TO THE SAME OR TO THE LOCATION, USE, DESCRIPTION, DESIGN, MERCHANTABILITY, FITNESS FOR USE FOR ANY PARTICULAR PURPOSE, CONDITION OR DURABILITY THEREOF, TO THE QUALITY OF THE MATERIAL OR WORKMANSHIP THEREIN, IT BEING AGREED THAT ALL RISKS INCIDENT THERETO ARE TO BE BORNE BY THE COMPANY. IN THE EVENT OF ANY DEFECT OR DEFICIENCY OF ANY NATURE IN THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER PATENT OR LATENT, THE AUTHORITY SHALL HAVE NO RESPONSIBILITY OR LIABILITY WITH RESPECT THERETO. THE PROVISIONS OF THIS SECTION HAVE BEEN NEGOTIATED AND ARE INTENDED TO BE A COMPLETE EXCLUSION AND NEGATION OF ANY WARRANTIES OR REPRESENTATIONS BY THE AUTHORITY, EXPRESS OR IMPLIED (TO THE EXTENT PERMITTED BY APPLICABLE LAW), WITH RESPECT TO THE PROJECT OR ANY FIXTURE OR OTHER ITEM CONSTITUTING A PORTION THEREOF, WHETHER ARISING PURSUANT TO THE U.C.C. OR ANOTHER LAW NOW OR HEREAFTER IN EFFECT OR OTHERWISE.

Section 5.13. With Respect to the Project, all insurance proceeds payable in connection with a casualty and all condemnation proceeds payable to the Company in connection with a taking shall be paid to the Bank and shall be applied by the Bank in accordance with the terms of the Mortgage. The Authority agrees that the only condemnation proceeds to which it is entitled are those for the fee interest in the Project Site, its reversionary interest in the improvements and its interest in this Lease Agreement.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 6.1. Events of Default Defined. The following shall be "Events of Default" hereunder and the term "Event of Default" shall mean, whenever it is used herein, any one or more of the following events:

(a) failure by the Company to make any principal payment required to be made under Section 4.2(a) when due;

(b) failure by the Company to make any payment required to be made under the Loan Agreement when due or within any applicable cure period;

(c) failure by the Company to observe or perform any agreement hereunder or on its part to be observed or performed, other than as referred to in subsection (a) of this Section, for a period of thirty (30) days after receipt of written notice of such failure, specifying such failure and requesting that it be remedied, given to the Company and to the Bank by the Authority or the Trustee, unless the Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if it is possible to correct such failure and corrective action is instituted by the Company or the Bank within the applicable period and diligently pursued until the failure is corrected;

(d) any representation by or on behalf of the Company contained in this Lease Agreement or in any instrument furnished in compliance with or in reference to this Lease Agreement proves false or misleading in any material respect as of the date of the making or furnishing thereof;

(e) an "Event of Default", as defined in the Indenture, occurs under the Indenture and is not cured or continues beyond any applicable grace period;

(f) an "Event of Default", as defined in the Reimbursement Agreement, has occurred under the Reimbursement Agreement and is not cured or continues beyond any applicable grace period; or

(g) an "Event of Default", as defined in the Loan Agreement, occurs under the Loan Agreement and is not cured or continues beyond any applicable grace period;

provided, however, that the occurrence of an event described in Section 6.1(d) shall not constitute an "event of default" hereunder, without the prior consent of the Bank.

The Company and the Authority hereby authorize the Bank to do any and all things necessary to correct any default described in paragraph (c) above on behalf of the Company.

The foregoing provisions of subsection (c) of this Section are subject to the following limitations: If by reason of force majeure, the Company is unable in whole or in part to carry out the agreements on its part therein referred to, the failure to perform such agreements due to such inability shall not constitute an event of default nor shall it become an event of default upon appropriate notification to the Company or the passage of the stated period of time. The term "force majeure" as used herein shall mean, without

limitation, the following: acts of God; strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States of America or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions; breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Company. The Company agrees, however, to remedy with all reasonable dispatch the cause or causes preventing the Company from carrying out its agreements; provided, that the settlement of strikes, lockouts and other industrial disturbances shall be entirely within the discretion of the Company, and the Company shall not be required to make settlement of strikes, lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Company, unfavorable to the Company.

Section 6.2. Remedies. Whenever an Event of Default shall have happened and be continuing, the Trustee, as the assignee and pledgee of the Authority under the Indenture, shall take any one or more of the following remedial steps, subject to Section 8.14 of the Indenture:

(a) The Trustee may declare all payments of principal and accrued interest required to be made under the Note to be immediately due and payable, whereupon the same shall become immediately due and payable. Contemporaneously with such declaration, the Trustee shall notify the Company and the Authority that the Note has been accelerated. If the Trustee elects to exercise the remedy afforded in this subsection (a) the amount then due and payable by the Company as accelerated payments shall be the sum of (i) the aggregate principal amount of the outstanding Series 2004A Bonds, (ii) all interest on the Series 2004A Bonds then due and to become due to the date of payment of the principal of the Series 2004A Bonds, and (iii) all other amounts due and payable to the Authority, if any, to the Series 2004A Bondholders or to the Trustee with respect to the payment of the Series 2004A Bonds, including Counsel reasonable fees actually incurred;

(b) Subject to the provisions of Section 6.5 hereof, the Trustee may take whatever action at law or in equity may appear necessary or desirable to collect any sums then due and thereafter to become due hereunder or to enforce performance and the observance of any agreement of the Company hereunder; and

(c) the Trustee may exercise any remedies provided under the Indenture.

Any amounts collected pursuant to action taken under this Section shall be paid into the Series 2004A Redemption Account of the Bond Fund and applied in accordance with the provisions of the Indenture and after Payment in Full of the Series 2004A Bonds and the payment of any costs occasioned by an Event of Default hereunder, any excess moneys in the Series 2004A Redemption Account of the Bond Fund shall be returned to the Company.

The Company hereby authorizes the Trustee to draw moneys under the Letter of Credit in accordance with the Indenture upon a declaration of acceleration of payment of the Series 2004A Bonds in an amount equal to (i) the aggregate principal amount of all outstanding Series 2004A Bonds and (ii) all interest on the Series 2004A Bonds due and to become due to the date of payment. The obligation of the Company to accelerate payment of all payments required to be made by the Company pursuant to

Section 4.2 upon a declaration of acceleration of payment of the Series 2004A Bonds shall be deemed satisfied and discharged by a corresponding drawing and payment under the Letter of Credit.

Section 6.3. No Remedy Exclusive. Subject to the provisions of Section 6.5, no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy hereunder or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. The Trustee and the holders of the Series 2004A Bonds, subject to the provisions of the Indenture, shall be entitled to the benefit of all agreements herein contained.

Section 6.4. Agreement to Pay Counsel Fees and Expenses. If there should occur a default or an Event of Default hereunder and the Trustee or the Authority should employ Counsel or incur other reasonable expenses for the collection of sums due hereunder or the enforcement of performance or observance of any agreement on the part of the Company herein contained, the Company agrees that it will on demand therefor pay to the Trustee or the Authority the reasonable fee of such Counsel and such other reasonable expenses so incurred by the Trustee or the Authority.

Section 6.5. Waiver of Events of Default and Rescission of Acceleration. If, in compliance with the requirements of Section 8.10 of the Indenture, the Trustee shall waive any event of default as therein defined with the written consent of the Bank and its consequences or rescind any declaration of acceleration of payments of the principal of and interest on the Series 2004A Bonds, such waiver shall also waive any event of default hereunder and its consequences and such rescission of a declaration of acceleration of the principal of and interest on the Series 2004A Bonds shall also rescind any declaration of any acceleration of all payments required to be made under Section 4.2. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such event of default shall have been discontinued or abandoned or determined adversely, then and in every such case the Authority, the Company, the Trustee, the Bank and the holders of the Series 2004A Bonds shall be restored to their former positions and rights hereunder, but no such waiver or rescission shall extend to any subsequent or other event of default or impair any right consequent thereon.

ARTICLE VII

PREPAYMENT AND PURCHASE UNDER AGREEMENT

Section 7.1. Option to Prepay.

(a) The Company shall have the option on or after January 1, 2014 (with the consent of the Bank) to prepay the amounts due under Section 4.2 prior to the maturity of the Series 2004A Bonds in whole at any time or in part at any time and to direct the Trustee to redeem the Series 2004A Bonds in whole or in part pursuant to the Indenture. To exercise the option granted in this subsection, the Company shall, not less than 45 days prior to the redemption date on which the Company elects to cause such prepayment, give written notice to the Authority, the Bank and Trustee of its intention to prepay such amounts and shall specify therein the principal amount of Series 2004A Bonds to be redeemed upon such date. Upon the exercise of any such option, the Company shall direct the Trustee to redeem the

Series 2004A Bonds in whole or in part on the date specified in such notice and shall make arrangements satisfactory to the Trustee for the giving of the required notice of redemption of the Series 2004A Bonds. On or before the redemption date, sufficient Available Moneys shall be on deposit with the Trustee to redeem the Series 2004A Bonds as provided in the Indenture; provided however, that the obligation of the Company to make any such payment shall be deemed to be satisfied and discharged to the extent of the corresponding drawing and payment made under the Letter of Credit. In addition, if the Company elects to prepay the amounts due under Section 4.2 in full, it shall pay to the Trustee or make provision for the payment satisfactory to the Trustee of an amount of money equal to the Trustee's and Fiscal Agent's reasonable and agreed upon fees and expenses accrued and to accrue through such redemption date.

Section 7.2. Agreement to Purchase Project.

(a) The Company agrees that the Company will purchase and the Authority agrees that the Authority will sell the Project to the Company or its assigns for One Dollar (\$1.00) upon full payment of the Series 2004A Bonds or provision for payment thereof having been made in accordance with the provisions of the Indenture. Upon the purchase of the Project by the Company, this Lease Agreement shall terminate.

(b) Upon purchase of the Project as provided in subsection (a) above, the Authority will upon payment of the purchase price deliver or cause to be delivered to the Company or its assigns, documents conveying to the Company the Project being purchased, as such Project then exists, subject to the following: (i) those encumbrances, if any, to which said property was subject upon the date of issue of the Series 2004A Bonds; (ii) those security interests, liens and encumbrances created by the Company or to the creation or suffering of which the Company consented; and (iii) those security interests, liens and encumbrances resulting from the failure of the Company to perform or observe any of the agreements on the Company's part contained in this Lease Agreement.

Section 7.3. Obligations After Payment of Series 2004A Bonds and Termination of Lease Agreement. Notwithstanding anything contained herein to the contrary, the obligations of the Company contained in Sections 4.2(d), 4.4, 5.2 and 6.4 shall continue after payment of the Series 2004A Bonds and termination of this Lease Agreement.

Notwithstanding anything herein contained to the contrary, any obligation which the Authority may incur under this Lease Agreement or under any instrument executed in connection herewith which shall entail the expenditure of money shall not be a general obligation of the Authority but shall be a limited obligation payable solely from the Pledged Revenues.

Section 8.8. Immunity of Directors, Officers and Employees of Authority. No recourse shall be had for the enforcement of any obligation, promise or agreement of the Authority contained in the

Indenture, this Lease Agreement or in any Series 2004A Bond issued under the Indenture for any claim based thereon or otherwise in respect thereof, against any director, officer, employee or agent, as such, in his or her individual capacity, past, present or future, of the Authority or of any successor corporation, either directly or through the Authority or any successor corporation, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assignment or penalty or otherwise; it being expressly agreed and understood that the Series 2004A Bonds, the Indenture and this Lease Agreement are solely corporate obligations, and that no personal liability whatsoever shall attach to, or be incurred by, any director, officer, employee or agent, as such, past, present or future, of the Authority or of any successor, either directly or through the Authority or any successor, under or by reason of any of the obligations, promises or agreements entered into between the Authority and the Company whether contained in this Lease Agreement or to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such director, officer, employee or agent is, by the execution of this Lease Agreement and the Indenture, and as a condition of, and as part of the consideration for, the execution of this Lease Agreement and the Indenture, expressly waived and released.

Section 8.9. Payments by Bank. The Bank shall, to the extent of any payments made by it pursuant to the Letter of Credit, be subrogated to all rights of the Authority or its assigns (including, without limitation, the Trustee) as to all obligations of the Company with respect to which such payments shall be made by the Bank, but, so long as any of the Series 2004A Bonds remain Outstanding under the terms of the Indenture, such right of subrogation on the part of the Bank shall be in all respects subordinate to all rights and claims of the Authority for all payments which are then due and payable under the Indenture or otherwise arising under this Lease Agreement, the Indenture or the Series 2004A Bonds. The Trustee will, upon request, execute and deliver any instrument reasonably requested by the Bank to evidence such subrogation and the Trustee shall assign to the Bank its rights in any obligations of the Company with respect to which payment of the entire principal balance and accrued interest thereon shall be made by the Bank.

Section 8.10. Amendments, Changes and Modifications. Except as otherwise provided herein, this Lease Agreement may not be effectively amended or terminated without the written consent of the Authority, the Company and the Bank, which consent shall not be unreasonably withheld. This Lease Agreement may be modified, altered, amended or supplemented in accordance with the Indenture in order to obtain a rating of the Series 2004A Bonds by the Rating Agency.

Section 8.11. Counterparts. This Lease Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

Section 8.12. Captions. The captions and headings herein are for convenience only and in no way define, limit or describe the scope or intent of any provisions hereof.

Section 8.13. Law Governing Construction of Agreement. This Lease Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State.

Section 8.14. No Third Party Beneficiaries. It is specifically agreed between the parties executing this Lease Agreement that neither this Lease Agreement nor any of the provisions hereof are intended to establish in favor of the public or any member thereof, other than the Series 2004A Trustee

and as otherwise expressly provided herein, including assignment of the Authority's rights under this Lease Agreement to the Trustee pursuant to the Indenture, the rights of a third party beneficiary hereunder, as to authorize any one not a party of this Lease Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Lease Agreement. The duties, obligations and responsibilities of the parties to this Lease Agreement with respect to third parties shall remain as imposed by law.

Section 8.15. The Authority acknowledges that the Bank has no liability under this Lease Agreement until the date, if any, upon which the Bank assumes the position of the tenant under this Lease Agreement.

Section 8.16. The Authority, upon request of the Company or the Bank, will deliver to the Company and/or the Bank a written estoppel letter stating that this Lease Agreement remains in full force and effect and has not been modified and no default exists hereunder or, if the foregoing are not true, stating the reasons such statements are not true.

Material Litigation

United States ex rel. Grynberg v. Williams Natural Gas Co., MDL Docket No. 1293 (99-MD-1614), Civil Action No. 97-D-1428 (District of Colorado)

In 1998, the U.S. Department of Justice informed Southern Star Central Gas Pipeline, Inc. (SSCGP) that Jack Grynberg, an individual, had filed claims in the U.S. District Court for the District of Colorado and various other federal districts under the False Claims Act against SSCGP (formerly Williams Natural Gas Co.) and approximately 300 other energy companies alleging that the defendants violated the False Claims Act in connection with the measurement, royalty valuation and purchase of hydrocarbons, known as the Grynberg Litigation. The relief sought was an unspecified amount of royalties allegedly not paid to the federal government, treble damages, a civil penalty, attorneys' fees and costs. On April 9, 1999, the Department of Justice announced that it was declining to intervene in any of the Grynberg qui tam cases; including the action filed against SSCGP in the U.S. District Court for the District of Colorado. On October 21, 1999, the Panel on Multi-District Litigation transferred all of the Grynberg qui tam cases, including those filed against Central, to the U.S. District Court for the District of Wyoming for pre-trial purposes. Grynberg's measurement claims remain pending against SSCGP and the other defendants. The defendants' obligation to file answers has been stayed, and thus far discovery has been limited to public disclosure/original source jurisdictional issues. Currently, certain coordinating defendants, including SSCGP, are preparing an original source motion which will argue that Grynberg does not meet the requirements for qui tam plaintiffs because he is not the original source of the allegations. The special master appointed by the United States District Court has scheduled a December 12, 2003 hearing, one of the purposes of which is to discuss procedures for raising and resolving the issues relating to subject matter jurisdiction.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 99C30, District Court, Stevens County, Kansas

On June 8, 2001, SSCGP was named as a defendant in a nationwide class action lawsuit filed in the District Court of Stevens County, Kansas. In this putative class action, the named plaintiffs (the Plaintiffs) have sued over fifty (50) defendants, including SSCGP. Asserting theories of civil conspiracy, aiding and abetting, accounting and unjust enrichment, their Fourth Amended Class Action Petition alleges that the defendants have undermeasured the volume of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On August 22, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP. Despite a denial by the court on April 10, 2003 of their original motion for class certification, the Plaintiffs have indicated that they will continue to seek the certification of a class.

Will Price, et al. v. El Paso Natural Gas Co., et al., Case No. 03C23, District Court, Stevens County, Kansas

In this putative class action, the same named Plaintiffs from the action discussed above have sued the same defendants, including SSCGP. In this action, the Plaintiffs assert substantially identical legal and/or equitable theories. The Original Class Action Petition alleges that the defendants have undermeasured the BTU content of, and therefore have underpaid for, the natural gas they have obtained from or measured for Plaintiffs. On November 10, 2003, an answer to that pleading denying liability was filed on behalf of SSCGP.

KCP&L v. Bibb and Associates, et al.

KCP&L brought suit on April 3, 2001, in the Circuit Court of Jackson County, Missouri against SSCGP and numerous other defendants. The litigation arises from a boiler explosion at KCP&L's Hawthorn 5 power plant on February 17, 1999. Plaintiff's claims against SSCGP allege inadequate odorization of the natural gas transported to the plant. The action seeks damages from all defendants for rebuilding the facility as well as the cost of replacement power for the time the facility was down. SSCGP's defense is that we had no duty pursuant to our contract with KCPL to odorize at the facility, and even if we had this duty, we did odorize (due to the fact that the portion of the system involved is located in a Class 3 location and odorization is required by DOT), and that odorization levels were adequate. We have taken a number of depositions of KCPL employees, none of who allege any reason to believe that they would have had any reason to smell gas. SSCGP has retained an expert in DOT regulations to support our position that we had no duty to odorize, as well as retaining experts to support our position that odorization was adequate. A Motion for Summary Judgment on the issue of the duty to odorize, as well as other legal defenses to the claim, was filed on September 15, 2003. On December 15, 2003, SSCGP's Motion for Summary Judgment was denied by the judge. On January 15, 2004, prior to formal trial activities commencing, KCPL and Southern Star came to a settlement with regard to this claim.

- (1) Ratio of Earnings to Fixed Charges is computed by dividing Earnings by Fixed Charges. For purposes of this calculation, "Earnings" is Income Before Income Taxes plus Fixed Charges less capitalized interest. "Fixed Charges" is interest expense plus capitalized interest. This calculation differs from the Fixed Charge Coverage Ratio as defined in the Indenture.
