Southern Star Announces Receipt of Requisite Consents for Tender Offers and Consent Solicitations by Southern Star and its Subsidiary

Owensboro, KY - Southern Star Central Corp. ("Southern Star") announced today as of 5:00 p.m., New York City time (the "Consent Time"), that, in connection with its previously announced cash tender offer and consent solicitation for any and all of its outstanding \$180,000,000 aggregate principal amount of 8 1/2% Senior Secured Notes due 2010 (the "Senior Secured Notes"), it has received the requisite consents to amend the indenture governing the Senior Secured Notes.

Southern Star also announced today as of the Consent Time that, in connection with the previously announced cash tender offer and consent solicitation by its wholly owned subsidiary Southern Star Central Gas Pipeline, Inc. ("Central") for any and all of its outstanding \$175,000,000 aggregate principal amount of 7 3/8% Senior Notes due 2006 (the "Senior Notes" and together with the Senior Secured Notes, collectively, the "Notes"), Central has received the requisite consents to amend the indenture governing the Senior Notes.

All withdrawal rights were terminated as of the Consent Time. Accordingly, tendering holders may no longer withdraw their Notes. The supplemental indenture effecting the proposed amendments, as described in the applicable Offer to Purchase and Consent Solicitation Statement, each dated as of March 23, 2006 (each an "Offer to Purchase"), to the applicable indenture governing the Notes will be executed promptly, and the amendments to the applicable indenture governing the Notes will become effective upon acceptance by Southern Star or Central, as applicable, of the Notes tendered for purchase.

The tender offers will expire at 11:59 p.m., New York City time, on April 20, 2006, unless otherwise extended. Holders who validly tender their Notes after the Consent Time, but on or prior to 5:00 p.m., New York City time, on April 5, 2006 (the "Consent Date"), will be eligible to receive the applicable total consideration, which includes the consent payment of \$30 per \$1,000 principal amount of Notes.

Each of the tender offers are separately conditioned upon the receipt of net proceeds of a new debt financing by Southern Star or Central, as applicable, which proceeds, together with cash on hand, are sufficient to finance the respective tender offers, but each tender offer is not conditioned on the successful completion of the other tender offer. In addition the tender offer for the Senior Secured Notes is also conditioned on the tender of at least 90% of the aggregate principal amount of the Senior Secured Notes and the tender offer for the Senior Notes is conditioned on the tender of at least a majority of the aggregate principal amount of the Senior Notes. Each tender offer is also subject to customary closing conditions. If any of the conditions are not satisfied, Southern Star or Central, as applicable, is not obligated to accept for payment, purchase or pay for, or may delay the acceptance for payment of, any tendered Notes, and may terminate the respective tender offers. Full details of the terms and conditions of the each tender offer are included in the respective Offer to Purchase.

Lehman Brothers Inc. and Credit Suisse Securities (USA) LLC are acting as Dealer Managers and Solicitation Agents for the tender offers and the consent solicitations. The Information Agent and the Tender Agent for the tender offers is D. F. King & Co., Inc.
