Dear Mr. Erfurth:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Form 10-Q for Fiscal Quarter Ended March 31, 2008

Exhibit 31 – Section 302 Certifications

1. Since you are no longer a small business issuer, please revise your Section 302 certifications to replace all references to “the small business issuer” with references to “the registrant.” Refer to Item 601(31) of Regulation S-K.
2. We note that your Section 302 certification does not comply with Item 601(31) of

Regulation S-K. Specifically, the language required by paragraph 4(b) of Item 601(31) of Regulation S-K was omitted. Please revise.

Exchange Act Reports

3. We note your Form 10-Q for the fiscal quarter ended June 30, 2008 continues to be delinquent. Please file this periodic report immediately or tell us when this report will be filed.

As appropriate, please amend your filing and respond to these comments within 10 business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.

You may contact Ethan Horowitz, Staff Accountant, at (202) 551-3311 or Brian Bhandari, Branch Chief, at (202) 551-3390 if you have questions regarding comments on the financial statements and related matters.
