Re: Premier Alliance Group, Inc.
Form 8-K, Item 4.02
Filed May 8, 2012
File No. 000-50502

Dear Mr. Elliott:

We have reviewed your filing and have the following comment. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within five business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to this comment, we may have additional comments.

1. Your disclosure in the second paragraph indicates that your calculation “had been subject to prior review by the SEC.” Further, you disclose that “despite these numerous reviews, the calculation had never come into question.” Please explain your basis for these disclosures. That is, explain your conclusion that these calculations were reviewed by the SEC. Absent any support for this conclusion, please revise your filing to remove this disclosure.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
