Financing of the Merger, page 30

2. We note your disclosure that financing for the merger will come in part from a loan from a third party lender. Please revise your disclosure of the financing to provide the disclosure required by Item 1007 of Regulation M-A of the material terms of the loan, including the interest rate and term.
3. We note your disclosure that most of the financing for the merger will come from a private offering of capital stock by Tectonic or one of its affiliates and that an affiliate of Tectonic has received executed subscription agreements for this portion of the merger consideration. Please identify this "affiliate" of Tectonic and advise whether any of the executed subscription agreements are with affiliates of either Tectonic or T Bancshares. Also, please provide us with your analysis supporting your conclusion that financing for the transaction is assured, as contemplated by Instruction 2(a) to Item 14, or provide the disclosure required by Item 14(c)(1) of Schedule 14A.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
