Item 1.01 Entry into a Material Definitive Agreement

On October 30, 2009, Morris Publishing Group, LLC (“MPG”), Morris Publishing Finance Co. (“MPF”, and together with MPG, the “Issuers”), and the subsidiaries of MPG signatory thereto (the “Guarantors”, and together with the Issuers, the “Company”) entered into a Restructuring Support Agreement (the “Support Agreement”) with the holders of the 7% Senior Subordinated Notes due 2013 (the “Old Notes”) signatory thereto (the “Consenting Holders”) representing approximately 72% of the approximately \$278,478,000 in aggregate principal amount outstanding of the Old Notes. The description of the Support Agreement herein is qualified in its entirety by reference to the Support Agreement, a copy of which is attached as Exhibit 10.1 hereto and made a part hereof. The Support Agreement incorporates and supplements that certain binding restructuring term sheet (the “Term Sheet”), dated as of September 23, 2009 and amended on October 15, 2009, October 23, 2009 and October 27, 2009, by and among the Company and the Consenting Holders.

The Support Agreement provides, among other things, for the restructuring of the Old Notes (the “Restructuring”) through either (i) an out-of-court exchange offer (the “Exchange Offer”), if holders of at least 99% of the aggregate principal amount of the outstanding Old Notes tender their Old Notes in such exchange offer, or (ii) a pre-packaged plan of reorganization (the “Prepackaged Plan”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”), if the Prepackaged Plan is approved by holders of Old Notes representing at least two-thirds in principal amount and more than one-half in number of those who vote to accept or reject the Prepackaged Plan and is confirmed by a final order of the Bankruptcy Court. Pursuant to the Restructuring, the holders of the Old Notes would exchange their Old Notes (including any accrued and unpaid interest) for their pro rata share of \$100,000,000 principal amount of new second-lien secured notes (the “New Notes”) immediately upon the effective date (the “Effective Date”) of either (i) the Exchange Offer, or (ii) the Prepackaged Plan. Upon consummation of the Restructuring, \$110,000,000 of MPG’s existing \$136,500,000 of senior debt will be satisfied or contributed to capital by affiliates of MPG. The New Notes will bear interest of at least 10% per annum but could bear interest up to 15% per annum until MPG repays its remaining senior debt, and a portion of any interest may be paid-in-kind (PIK). The New Notes will have a maturity of four and one half years from the Effective Date. The Company has agreed to solicit votes (the “Solicitation”) from the holders of the Old Notes to accept the Prepackaged Plan concurrently with the Exchange Offer. Pursuant to the Support Agreement, the Consenting Holders have agreed, among other things:

- to timely vote to accept the Prepackaged Plan and not to revoke any such vote unless and until the Support Agreement is terminated in accordance with its terms;
 - to timely vote against and not consent to or otherwise directly or indirectly support, any restructuring or reorganization of the Company other than the Exchange Offer and the Prepackaged Plan;
-

- if chapter 11 cases have been commenced in accordance with the Support Agreement, not to directly or indirectly seek, solicit, support, or encourage the termination or modification of the Company's exclusive period for the filing of any plan, proposal or offer of dissolution, winding up, liquidation, reorganization, merger or restructuring of the Company, or take any other action that could prevent, interfere with, delay or impede the implementation or consummation of the Restructuring; and
- to consent to an amendment to the indenture governing the Old Notes.

Pursuant to the Support Agreement, the Company has agreed, among other things:

- if the minimum tender condition, which requires at least 99% of the aggregate principal amount of the outstanding Old Notes to have been validly tendered and not withdrawn in the Exchange Offer, has not been satisfied by the Exchange Offer's expiration date, as it may be extended:
 - to commence chapter 11 cases within seven (7) calendar days after the conclusion of the solicitation of acceptances of the Prepackaged Plan;
 - to obtain, in accordance with the terms of the Support Agreement, the approval of a disclosure statement and the confirmation of the Prepackaged Plan from the Bankruptcy Court not later than 5:00 pm Eastern time on the date that is thirty (30) calendar days after the commencement of the chapter 11 cases, subject to the schedule of the Bankruptcy Court; and
 - to consummate the Prepackaged Plan not later than 5:00 pm Eastern time on the date that is eleven (11) calendar days after the date on which the Prepackaged Plan is confirmed by the Bankruptcy Court;
 - not to withdraw or revoke the Exchange Offer or the Prepackaged Plan or publicly announce the Company's intention not to pursue the Restructuring;
 - not to propose, support, assist, engage in negotiations in connection with or participate in the formulation of, any restructuring or reorganization of the Company other than the Restructuring prior to the consummation of the Restructuring;
 - to pay for certain fees and expenses of the legal and financial advisors for the ad hoc committee of certain Consenting Holders;
 - to limit the Company's ability to take certain actions, including issuing securities, hiring additional employees, making capital expenditures and incurring indebtedness prior to the consummation of the Restructuring;
 - to have certain amounts of cash on hand when the Restructuring is consummated;
 - with respect to the Credit Agreement, by and among the Company, Morris Communications Company, LLC, the lenders party thereto and Tranche Manager, LLC, as administrative agent,
 - that the aggregate outstanding balance on the Tranche A term loan will not exceed \$19,700,000 at any time, and that the aggregate outstanding balance of the Tranche B term loan will not exceed \$6,800,000 (plus accrued paid-in-kind interest) at any time;
 - that the Tranche A term loan will not be held by an affiliate of the Company at any time;
-

- not to make certain amendments to the Credit Agreement; and
 - on or prior to one hundred fifty (150) days from the consummation of the Restructuring, to refinance the Tranche A term loan, and that the Company may, at its option, refinance the Tranche B term loan, in each case with a term loan and/or revolver that is provided by an unaffiliated commercial bank and not by an affiliate of the Company and that complies with certain terms and conditions outlined in the Support Agreement. If the Tranche B term loan is not refinanced on or prior to one hundred fifty (150) days from the consummation of the Restructuring, the Tranche B term loan will mature four and one half years from the date the New Notes are issued and will only be capable of amortization or repayment on a pro rata basis with the New Notes;
- if the minimum tender condition, which requires at least 99% of the aggregate principal amount of the outstanding Old Notes have been validly tendered and not withdrawn in the Exchange Offer, has been satisfied, to consummate the Exchange Offer within three (3) business days after the expiration date of the Exchange Offer, as it may be extended;
 - to allow holders of the New Notes to appoint a non-voting observer to each of the Company's board of directors so long as any New Notes remain outstanding;
 - to make certain amendments to the Company's tax consolidation agreement within fifteen (15) business days of commencing the Exchange Offer;
 - to make certain amendments to the Company's management and services agreement that will become effective upon the consummation of the Restructuring; and
 - to enter into deposit account control agreements to perfect the security interest granted under the New Notes with respect to each deposit account that is or will be in place for the benefit of the Company's lenders under the Credit Agreement on or prior to the consummation of the Restructuring.

Pursuant to the Support Agreement, the Company may enter into a first-lien secured working capital facility (the "Working Capital Facility") with an aggregate maximum principal amount not to exceed \$10,000,000, provided that any Working Capital Facility permits (1) the payment of interest on the New Notes at all times (other than when an event of default under the Working Capital Facility shall have occurred and be continuing), and (2) the amortization of the New Notes when there is no outstanding balance on the Working Capital Facility. As a condition to obtaining the Working Capital Facility, the Company is required to use available cash to amortize the Tranche A term loan (or the refinanced debt, if applicable).

Subject to earlier termination, the Support Agreement will automatically terminate upon the earlier of the consummation of the Restructuring and September 30, 2010.

The aggregate outstanding balance of the Tranche B Term Loan shall not exceed \$6,800,000 (plus accrued paid-in-kind interest) at any time. The Tranche A Term Loan shall not be held by an Affiliate of the Company at any time. The Credit Agreement may not be amended to the extent such amendment would: (i) increase

(c) the aggregate principal amount of the loans then outstanding under the Credit Agreement (other than any amendment which has effect of capitalizing interest or fees accruing under the Credit Agreement by adding such amounts to the principal amount thereunder), (ii) increase the “Tranche A Fixed Rate” or the “Tranche B Fixed Rate” (in each case, as defined in the Credit Agreement as in effect on the date hereof) or any other applicable rate of interest, in each case, as in effect on the date hereof, (iii) amend or modify the requirement that interest on the Tranche B Term Loans be PIK Interest (as defined in the Credit Agreement as in effect on the date hereof), (iv) amend or modify Section 2.10(c) of the Credit Agreement in a manner that increases the default interest rate with respect to the Tranche B Term Loan, (v) amend or modify the definition of Tranche B/C Event of Default (as such term is defined in the Credit Agreement as in effect on the date hereof), (vi) amend or modify the Loan Documents (as defined in the Credit Agreement as in effect on the date hereof) in a manner that confers additional material rights or remedies in favor of the Tranche B Lenders (as defined in the Credit Agreement as in effect on the date hereof); provided, however, that the following amendments and modifications shall not violate this clause (vi): (A) amendments and modifications to representations and warranties or covenants (including related definitions), that (x) are not more restrictive or burdensome to the Company, or (y) if more restrictive or burdensome to the Company, do not relate to a provision that, if breached, would constitute a “Tranche B/C Event of Default”, (B) amendments and modifications to events of default under the Credit Agreement that do not change the definition of “Tranche B/C Event of Default”, (C) amendments and modifications that are incorporated pursuant to the requirements of Section 6.15 of the Credit Agreement as in effect on the date hereof, and (D) amendments and modifications to cure any ambiguity, defect or inconsistency of a technical nature (in each case, whether or not favorable to the Tranche B Lenders) in the Loan Documents, or (vii) amend or modify Section 2.09(a) of the Credit Agreement as in effect on the date hereof to increase the obligations of the Company thereunder, or amend or modify the definition of “Borrower Fee Cap” (as defined in the Credit Agreement as in effect on the date hereof).

(d) Refinancing of Tranche A Term Loan and Tranche B Term Loan. On or prior to one hundred fifty (150) days after the Restructuring Effective Date, the Company shall refinance the Tranche A Term Loan and may, at the Company’s option, refinance the Tranche B Term Loan, in either case with a term loan and/or revolver provided solely by an unaffiliated commercial bank and not by an Affiliate of the Company (collectively, the “Refinanced Debt”). Notwithstanding anything to the contrary contained herein or in the Credit Agreement, the Refinanced Debt shall have no prepayment penalties and shall permit (in either case other than when an event of default under the Refinanced Debt or Working Capital Facility shall have occurred and be continuing): (i) cash interest payments on the New Notes at all times and (ii) amortization payments when there is no outstanding balance on the Refinanced Debt or Working Capital Facility. To the extent that the Tranche B Term Loan is not refinanced on or prior to one hundred fifty (150) days of the Restructuring Effective Date, the Tranche B Term Loan shall mature on the New Note Maturity Date and shall only be capable of amortization or repayment on a *pro rata* basis with the New Notes. Upon the amortization or refinancing of all or any portion of the Tranche B Term Loan, including any accrued interest, such amortized or refinanced balance shall no longer be available for borrowing under the Tranche B Term Loan. There shall be no amortization of the Tranche B Term Loan during the Restructuring Support Period, except with respect to a refinancing. Any agreement relating to the Refinanced Debt, including the Credit Agreement if the Credit Agreement is amended, restated, supplemented or

(e) otherwise modified in connection with the Refinanced Debt, shall not contain any provision to the extent such provision, either individually or when taken together with other provision(s) in such agreement, would have the effect of, as compared to the related provision(s) contained in the Credit Agreement as in effect on the date hereof: (A) resulting in the aggregate principal amount of Refinanced Debt exceeding the Senior Indebtedness Cap Amount (other than any provision which would have the effect of capitalizing interest or fees accruing by adding such amounts to the principal amount thereunder), (B) increasing the "Tranche A Fixed Rate" or the "Tranche B Fixed Rate" or any other applicable rate of interest, (C) amending or modifying the requirement that interest on the Tranche B Term Loans be PIK Interest, (D) amending or modifying Section 2.10(c) of the Credit Agreement as in effect on the date hereof in a manner increases the default interest rate with respect to the Tranche B Term Loan, or (E) amending or modifying the definition of Tranche B/C Event of Default. Such Refinanced Debt shall be subject to an Intercreditor Agreement substantially in the form attached hereto as Exhibit D, with any changes to such Intercreditor Agreement to be agreed upon between the Company and the Requisite Noteholders.

(f) Working Capital Facility. The Company may enter into a Working Capital Facility. The Working Capital Facility shall permit: (i) the payment of interest on the New Notes at all times (other than when an event of default under the Working Capital Facility shall have occurred and be continuing), and (ii) the amortization of the New Notes when there is no outstanding balance on the Working Capital Facility. As a condition to obtaining the Working Capital Facility, the Company shall be required to first use the entire amount available of the Working Capital Balance to amortize the Tranche A Term Loan or Refinanced Debt, as applicable.

(g) Exchange Offer. The Company shall commence the Solicitation on or prior to November 6, 2009, unless otherwise extended by the Requisite Noteholders. If the Company receives the Requisite Tender in response to the Exchange Offer at the conclusion of the Solicitation, the Company shall consummate the Exchange Offer within three (3) Business Days thereafter.

(h) Affirmative Covenants. The Company agrees that, as of the date hereof through the Restructuring Effective Date so long as this Agreement has not been terminated in accordance with its terms, unless (x) otherwise expressly permitted or required by this Agreement, or (y) otherwise consented to in writing by the Requisite Noteholders (which consent shall not be unreasonably withheld or delayed), the Company shall, and shall cause each of its direct and indirect subsidiaries to, directly or indirectly, do the following:

(x) prior to the filing of the Chapter 11 Cases, take all actions contemplated to be taken prior to the filing of the Chapter 11 Cases by the Restructuring Term Sheet; and

(xi) furnish to the Ad Hoc Committee Advisors subject to appropriate confidentiality agreements prompt written notice upon the occurrence (and in no event later than two (2) Business Days after such occurrence) of (A) an event, change, effect, occurrence, development, circumstance or change of fact occurs that has or would reasonably be expected to have a Material Adverse Effect or that materially impairs the ability of the Company to perform its obligations under this Agreement or have a material adverse effect on, or prevent or materially delay the consummation of, the Restructuring Transactions, or (B) any breach (or any event that with notice or passage of time, or both, would constitute a breach) of any of the Definitive Documents.

(viii) the Bankruptcy Court enters an order modifying or terminating the Company's exclusive right to file and/or solicit acceptances of a plan of reorganization;

(ix) the Bankruptcy Court grants relief terminating, annulling or modifying the automatic stay (as set forth in section 362 of the Bankruptcy Code) permitting the taking of any assets of the Company having an aggregate fair market value in excess of \$500,000, except as covered by insurance; provided, however, that the aggregate liability to the Company after giving effect to any insurance proceeds shall not exceed \$500,000;

(x) the commencement of an avoidance action or other legal proceeding by the Company or any other party with standing to bring such action (a "Proceeding") that seeks to challenge the validity, enforceability or priority of the Notes or the New Notes, or otherwise materially affects the rights and remedies of any Consenting Holder solely in such Consenting Holder's capacity as a holder of Notes or New Notes, which Proceeding is not stayed or dismissed within three (3) Business Days of the receipt by the Company of written notice of such Proceeding;

(xi) the termination of, or occurrence of an event of default (as defined in the applicable agreement) under any commitment or agreement to provide post-petition debtor-in-possession financing or exit financing to the Company to the extent permitted hereunder, which shall not have been cured within any applicable grace periods or waived pursuant to the terms of the commitment or agreement governing such facility;

(xii) the termination of, or occurrence of an event of default (as defined in the applicable order or agreement) under, any order or agreement permitting the use of cash collateral to the extent permitted hereunder which shall not have been cured within any applicable grace periods or waived pursuant to the terms of such order or agreement;

(xiv) a material deviation in amount or type from the liabilities previously disclosed in writing to the Ad Hoc Committee or to the Ad Hoc Committee Advisors, including liabilities disclosed in the due diligence materials provided to the Ad Hoc Committee Advisors prior to the commencement of the Chapter 11 Cases; or

(xv) the failure to satisfy any of the conditions to effectiveness set forth in the Conforming Plan after the Confirmation Date.

(xvi) Company Termination Events. The Company may terminate this Agreement as to all Parties upon three (3) Business Days prior written notice, delivered in accordance with Section 20 hereof, upon the occurrence of any of the following events:

(xvii) the breach by one or more Consenting Holders of any of the representations, warranties or covenants of such Consenting Holder(s) set forth in this Agreement, if such breach would have a material adverse impact on the Company or the consummation of the Restructuring Transactions, which breach remains uncured for a period of five (5) Business Days after the receipt by the applicable Consenting Holder(s) from the Company of written notice of such breach; or

(xviii) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling or order enjoining the consummation of a material portion of the Restructuring Transactions; provided, however, it shall not be deemed a material portion for purposes of this subsection if the Exchange Offer is enjoined and the Conforming Plan has not been enjoined.

(b) Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among the Company and the Requisite Noteholders, and, in all events, this Agreement will be terminated upon the earlier of the Restructuring Effective Date and September 30, 2010.

(c) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, each Party, subject to Section 14 hereof, shall be immediately released from its commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including all rights and remedies available to it under applicable law, the Notes, the New Notes (if applicable), the Existing Indenture, the Indenture (if applicable) and any ancillary documents or agreements thereto; provided, however, that the foregoing termination shall not affect any agreements or consents in respect of the Senior Refinancing Transaction as consummated prior to the date hereof. Upon any such termination of this Agreement, each Consenting Holder may, upon written notice to the Company and the other Parties, subject to the terms of any order of the Bankruptcy Court, revoke its vote or any consents given by such Consenting Holder prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement. If this Agreement has been terminated in accordance with this Section 5 at a time when permission of the Bankruptcy Court shall be required for a Consenting Holder to change or withdraw (or cause to change or withdraw) its vote to accept the Conforming Plan, the Company shall not oppose any attempt by such Consenting Holder to change or withdraw (or cause to change or withdraw) such vote at such time.

Section 6. Good Faith Cooperation; Further Assurances; Acknowledgment. The Parties shall cooperate with each other in good faith and shall coordinate their activities (to the extent practicable and subject to the terms hereof) in respect of (a) all matters relating to their

Section 7. rights hereunder in respect of the Company or otherwise in connection with their relationship with the Company, (b) all matters concerning the implementation of the Restructuring Term Sheet, the Exchange Offer and the Conforming Plan, and (c) the consummation of the Restructuring Transactions. Furthermore, subject to the terms hereof, each of the Parties shall take such action as reasonably may be necessary to carry out the purposes and intent of this Agreement, including making and filing any required regulatory filings and voting any claims or securities of the Company in favor of the Restructuring Transactions (provided that no Consenting Holder shall be required to incur any expense (other than nominal expenses associated with the performance of its obligations hereunder), liability or other obligation) in connection therewith, and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement. This Agreement is not, and shall not be deemed, a solicitation for consents to the Exchange Offer or the Conforming Plan. This Agreement is not, and shall not be deemed, an offer by the Company to sell any securities, nor a solicitation for orders to buy such securities.

Section 8. Definitive Documents. Each Party hereby covenants and agrees to negotiate in good faith and to execute (to the extent such Party is a party thereto) the Definitive Documents. For the avoidance of doubt, the Parties agree to (a) act in good faith and use commercially reasonable efforts to implement and consummate (i) the Exchange Offer, and if applicable because the Requisite Tender was not received in response to the Exchange Offer, (ii) the Conforming Plan in accordance with the terms of this Agreement, and (b) do all things reasonably necessary and appropriate in furtherance of consummating the Restructuring Transactions in accordance with, and within the time frames contemplated by, this Agreement.

Section 9. Representations and Warranties.

(a) Each Party, severally (and not jointly), represents and warrants to the other Parties that the following statements are true, correct and complete in all material respects as of the date hereof:

(i) such Party is validly existing and in good standing under the laws of the jurisdiction of incorporation or organization, and has all requisite corporate, partnership, limited liability company or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized by all necessary corporate, limited liability, partnership or other similar action on its part;

(ii) the execution, delivery and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(iii) the execution, delivery and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or

(iv) notice to, or other action to, with or by, any federal, state or governmental authority or regulatory body, except such filings as may be necessary and/or required for disclosure to the Securities and Exchange Commission and in connection with the Chapter 11 Cases and the Conforming Plan; and

(v) this Agreement is the legally valid and binding obligation of such Party, enforceable in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability or a ruling of the Bankruptcy Court.

(b) Each Consenting Holder severally (and not jointly), represents and warrants that, as of the date hereof, such Consenting Holder:

(i) is the beneficial owner of, or the investment adviser or manager of discretionary accounts for holders or beneficial owners of, the aggregate principal amount of Notes set forth on the disclosure schedules attached hereto as Schedule 1 (the "Relevant Securities"), with the power and authority to (A) vote and dispose of all or substantially all of such Relevant Securities, (B) consent to such matters concerning such Relevant Securities, and (C) exchange, assign and transfer such Relevant Securities, in each case as or on behalf of the holders or beneficial owners of such Relevant Securities, and is entitled (for its own account or for the account of other persons claiming through it) to all of the rights and economic benefits of such holdings; and

(ii) has not made any prior assignment, sale, participation, grant, conveyance or other transfer of, and has not entered into any other agreement (other than the Restructuring Term Sheet) to assign, sell, participate, grant, convey or otherwise transfer, in whole or in part, any portion of its right, title or interests in any Notes (other than ordinary course pledges and/or swaps) that are inconsistent with the representations and warranties of such Consenting Holder herein or would render such Consenting Holder otherwise unable to comply with this Agreement and perform its obligations hereunder.

Section 10. Disclosure; Publicity.

(a) Not later than the earlier of four (4) Business Days after execution of this Agreement and one (1) Business Day after commencement of the Exchange Offer, subject to the provisions set forth in Section 9(b) hereof, the Company shall file with the Securities and Exchange Commission a Current Report on Form 8-K and disseminate a press release disclosing the existence of this Agreement and the terms hereof, with such redactions as may be requested by any Consenting Holder's counsel to maintain the confidentiality of the items identified in Section 9(b) hereof, except as otherwise required by law. In the event that the Company fails, in the reasonable judgment of a Consenting Holder, to make the foregoing disclosures in compliance with the terms specified herein, any such Consenting Holder may publicly disclose the foregoing, including, without limitation, this Agreement and all of its exhibits and schedules (subject to the redactions called for by this Section 9(a) or Section 11 hereof), and the Company hereby waives any claims against the Consenting Holders arising as a result of such disclosure by a Consenting Holder in compliance with this Agreement.

(b) The Company shall submit drafts to Stroock of any press releases and public documents that constitute disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least one (1) Business Day prior to making any such disclosure, and shall afford them a reasonable opportunity to comment on such documents and disclosures and shall consider incorporating any such comments in good faith. Except as required by law or otherwise permitted under the terms of any other agreement between the Company and any Consenting Holder, no Party or its advisors shall (i) use the name of any Consenting Holder in any public manner or (ii) disclose to any person (including, for the avoidance of doubt, any other Consenting Holder), other than advisors to the Company, the principal amount or percentage of any Notes, New Notes (if applicable) or any other securities of the Company held by any Consenting Holder, in each case, without such Consenting Holder's prior written consent; provided, however, that (i) if such disclosure is required by law, valid subpoena or regulation, the disclosing Party shall afford the relevant Consenting Holder a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Notes and New Notes (if applicable) held by all the Consenting Holders collectively.

Section 11. Amendments and Waivers. This Agreement, including any exhibits or schedules hereto, may not be modified, amended or supplemented except in a writing signed by the Company and the Requisite Noteholders; provided, however, that any modification of, or amendment or supplement to, this Section 10 shall require the written consent of all of the Parties. A Consenting Holders' Termination Event may not be waived except in a writing signed by the Requisite Noteholders.

Section 12. Effectiveness. This Agreement shall become effective and binding on the Parties when counterpart signature pages to this Agreement shall have been executed and delivered by the Company and Consenting Holders, including each of the parties to the Restructuring Term Sheet, holding at least 66% in aggregate principal amount of the Notes (such date, the "Effective Date"); provided, however, that signature pages executed by Consenting Holders shall be delivered to (a) other Consenting Holders in a redacted form that removes such Consenting Holders' holdings of the Notes and (b) the Company and advisors to the Consenting Holders in an unredacted form.

Section 13. GOVERNING LAW; JURISDICTION; WAIVER OF JURY TRIAL. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CONFLICTS OF LAW PROVISIONS WHICH WOULD REQUIRE THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ANY LEGAL ACTION, SUIT OR PROCEEDING AGAINST IT WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT OR PROCEEDING, MAY BE BROUGHT IN ANY FEDERAL OR STATE COURT IN THE BOROUGH OF MANHATTAN, THE CITY OF NEW YORK, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES

Section 14. HEREBY IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE NONEXCLUSIVE JURISDICTION OF EACH SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. NOTWITHSTANDING THE FOREGOING CONSENT TO JURISDICTION, FOLLOWING THE COMMENCEMENT OF THE CHAPTER 11 CASES, EACH OF THE PARTIES AGREES THAT THE UNITED STATES BANKRUPTCY COURT FOR THE SOUTHERN DISTRICT OF GEORGIA SHALL HAVE EXCLUSIVE JURISDICTION WITH RESPECT TO ANY MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

Section 15. Specific Performance. It is understood and agreed by the Parties that any breach of this Agreement by any Party would give rise to irreparable damage for which monetary damages would not be an adequate remedy and to the extent permitted by applicable law, each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy, including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

Section 16. Survival. Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties in this Section 14 and in Sections 5(d), 9, 12, 13, 16, 17, 18, 21, 22, 23, 24 and 25 hereof shall survive such termination and shall continue in full force and effect for the benefit of the applicable Party in accordance with the terms hereof.

Section 17. Headings. The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof.

Section 18. Successors and Assigns; Severability; Several Obligations. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 16 shall be deemed to permit sales, assignments or transfers of the Notes or New Notes (if applicable), or claims arising under the Notes or New Notes (if applicable), other than in accordance with Section 3(d) of this Agreement. If any provision of this Agreement, or the application of any such provision to any person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof or the Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 19. No Third-Party Beneficiaries. Unless expressly stated herein or as otherwise provided in the Credit Agreement as of the date hereof, this Agreement shall be solely for the benefit of the Parties and no other Person shall be a third-party beneficiary hereof.

Section 20. Prior Negotiations; Entire Agreement. This Agreement, including the exhibits and schedules hereto, including without limitation, the Restructuring Term Sheet, constitutes the entire agreement of the Parties, and supersedes any other prior agreements, arrangements or understandings (whether written or oral), with respect to the subject matter hereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and each Consenting Holder shall continue in full force and effect.

Section 21. Counterparts. This Agreement may be executed and delivered in any number of counterparts (including by facsimile or portable document format (PDF) signatures), each of which shall be deemed to be an original as against any party whose signature page appears thereon, and all of which shall together constitute one and the same agreement.

Section 22. Notices. All notices hereunder shall be deemed given if in writing and delivered, if sent by email (and acknowledged in electronic or other writing by the recipient), facsimile, courier or by registered or certified mail (return receipt requested) to the following addresses and facsimile numbers (or at such other addresses or facsimile numbers as shall be specified by like notice):

Section 23. Reservation of Rights. Except as expressly provided otherwise in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of each Consenting Holder to protect and preserve its rights, remedies and interests, including without limitation, its claims against the Company. Nothing herein shall be deemed an admission of any kind. If the transactions contemplated herein are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Rule 408 of the Federal Rules of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms.

Section 24. Prevailing Party. If any Party brings an action or proceeding against any other Party based upon a breach by such Party of its obligations hereunder, the prevailing Party shall be entitled to all reasonable expenses incurred, including reasonable attorneys', accountants' and financial advisors fees in connection with such action or proceeding.

Section 25. Relationship Among Parties. It is understood and agreed that no Consenting Holder has any duty of trust or confidence in any kind or form with any other Consenting Holder, and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Holder may trade in the Notes, New Notes (if applicable) or other debt or equity securities of the Company without the consent of the Company or any other Consenting Holder, subject to applicable securities laws and the terms of this Agreement; provided, however, that no Consenting Holder shall have any responsibility for any such trading to any other entity by virtue

Section 26. of this Agreement. No prior history, pattern or practice of sharing confidences among or between the Consenting Holders shall in any way affect or negate this understanding and agreement.

Section 27. Fiduciary Duties. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require (a) the Company or any directors or officers of the Company (in such person's capacity as a director or officer of the Company) to take any action, or to refrain from taking any action, to the extent required, that would, in the opinion of counsel, conflict with its or their fiduciary obligations under applicable law, or (b) any Consenting Holder or representative of a Consenting Holder that becomes a member of a statutory committee that may be established in the Chapter 11 Cases to take any action, or to refrain from taking any action, in such person's capacity as a statutory committee member to the extent required, that would conflict with fiduciary obligations applicable to such person under the Bankruptcy Code; provided however, that nothing in this Agreement shall be construed as requiring any Consenting Holder to serve on any statutory committee in the Chapter 11 Cases. Nothing herein will limit or affect, or give rise to any liability, to the extent required for the discharge of the fiduciary obligations described in this Section 24.

Section 28. Indenture Waiver. Notwithstanding anything to the contrary herein, each Consenting Holder hereby waives, solely with respect to the Notes held by it, any requirement of Sections 4.11 or 4.20 of the Existing Indenture that would restrict the consummation of the transaction involving the acquisition and amendment of the senior secured debt of the Company on the terms set forth in the Term Sheet attached as Attachment A to the Restructuring Term Sheet and described therein as the "Senior Refinancing Transaction".

MORRIS PUBLISHING GROUP, LLC

Restructuring Term Sheet

September 23, 2009

Set forth below is a binding summary of terms (this “Term Sheet”) offered in settlement between the parties hereto. Until publicly disclosed, this term sheet and the information contained herein shall remain strictly confidential and may not be shared with any person other than Morris Publishing Group, LLC (along with its subsidiaries, “MPG” or the “Company”), the ad hoc committee of holders of the 7% Senior Subordinated Notes due 2013 (the “Ad Hoc Committee”), the other parties (who are subject to non-disclosure obligations) involved in the proposed Senior Refinancing Transaction (as defined below), and their respective professional advisors. Capitalized terms used but not defined herein shall have the meanings as to such terms in the Existing Indenture (as defined below).

This Term Sheet shall be binding upon execution by each of the parties hereto with respect to the subject matter contained in this Term Sheet but otherwise does not purport to summarize all additional conditions, covenants, representations and warranties and other provisions that may be contained in definitive legal documentation for the transactions contemplated hereby, and the agreement regarding material terms set forth herein is subject to the final negotiation and execution of the definitive legal documentation for such transactions.

The Transaction	The Company’s exchange of \$278,478,000 7% Senior Subordinated Notes due 2013 (plus any accrued and unpaid interest) (the “Existing Notes”) for \$100,000,000 principal amount of new notes (the “New Notes”) to the holders of the Existing Notes, immediately upon the effective date (the “Effective Date”) of either (i) an out-of-court exchange offer, or (ii) a confirmed plan of reorganization (the “Plan”).
-----------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Exhibit A-1

Summary Terms of the New Notes

Issuer	Morris Publishing Group, LLC
Issue	The New Notes shall be issued under an indenture (the "Indenture") that will be based in part upon the indenture governing the Existing Notes (the "Existing Indenture").
Guarantors	All existing and future subsidiaries that guarantee the Existing Notes (collectively, the "Guarantors") shall unconditionally guarantee the indebtedness, obligations and liabilities of the Company arising under, or in connection with, the Indenture.
Maturity	The New Notes shall mature on a date four (4) years and six (6) months (the "Maturity Date") from the issuance of the New Notes.
Remaining Debt	<p>On the Effective Date, the Company must have at least \$15.7 million less (i) professional fees, (ii) restructuring charges, (iii) bank fees in an amount not to exceed \$2.8 million, and (iv) amortization payments on existing first lien senior indebtedness in an amount not to exceed \$2.25 million (the "Initial Cash on Hand") in excess of the Working Capital Balance (as defined below) reflected as a current asset on the Company's balance sheet. Until the earliest to occur of the consummation of the Exchange Offer (as defined below), the confirmation of the Plan, or December 22, 2009 (which date may be extended by the Ad Hoc Committee and the Company), the Company shall not make aggregate capital expenditures in excess of the \$650,000 amount projected in the 13-week cash flow forecast as of September 22, 2009 provided to the Ad Hoc Advisors (as defined below), except for expenditures approved in writing in advance by the Ad Hoc Committee in their reasonable discretion, which shall not be unreasonably withheld or delayed.</p> <p>The aggregate outstanding balance of the Company's existing term loan shall not exceed \$26.5 million less the Initial Cash on Hand following the consummation of a senior debt refinancing transaction involving the Company's affiliates (the "Senior Refinancing Transaction") in accordance with the Senior Debt Refinancing Documentation (as defined below), of which no more than \$19.7 million less the Initial Cash on Hand will be held by an affiliate of ACON Investments, L.L.C. (the "Term Loan") and approximately \$6.8 million in the aggregate will be held by a Morris affiliate (the "Revolver"). The Revolver shall consist solely of existing first lien indebtedness of the Company that is converted into a second lien Revolver balance on a dollar-for-dollar basis contemporaneously upon consummation of the Senior Refinancing Transaction. The Term Loan shall not be held by any Affiliate of the Company at any time.</p>

Refinancing of Term Loan and Revolver	<p>On or prior to one hundred fifty (150) days from the Effective Date, the Company shall be obligated to refinance (the “Refinancing”) the Revolver and the Term Loan with a term loan and/or revolver provided solely by an unaffiliated commercial bank and not by a Morris affiliate (collectively, the “Refinanced Debt”). The Refinanced Debt shall have no prepayment penalties and shall permit cash coupon and amortization payments on the New Notes.</p> <p>To the extent that the Revolver is not refinanced within one hundred fifty (150) days of the Effective Date, the Revolver shall mature on the Maturity Date and shall only be capable of repayment from excess cash payable to the New Notes on a <i>pro rata</i> basis. Upon the amortization or refinancing of all or any portion of the Revolver, including any accrued interest, such amortized or refinanced balance shall no longer be available for borrowing under the Revolver.</p>
Interest	<p>Until the repayment in full of the Term Loan through cash flow sweeps, the New Notes shall accrue (i) cash interest at the rate of 5% per annum, payable quarterly in arrears, and (ii) paid-in-kind (“PIK”) interest at the rate of 10% per annum, compounded quarterly in arrears, which PIK interest shall increase the outstanding balance of the New Notes. Thereafter, the New Notes shall pay cash interest at the rate of 10% per annum.</p> <p>The Term Loan shall accrue and pay interest at the rate of 15% per annum.</p> <p>The Revolver shall accrue interest solely at a PIK rate equal to the aggregate interest rate payable on the New Notes.</p> <p>The interest rate payable on the Refinanced Debt shall not exceed LIBOR plus 970 basis points, as calculated on a per annum basis.</p> <p>In the event of a refinancing of the Term Loan and Revolver, the New Notes shall accrue interest at five percent 5% plus the rate payable on the Refinanced Debt, with a minimum aggregate interest rate of 10% per annum. While any Refinanced Debt remains outstanding, interest on the New Notes shall be payable 50% in cash and 50% PIK. For example, if the Refinanced Debt has a per annum interest rate of 7%, the per annum interest rate of the New Notes shall be 12% (6% PIK and 6% cash) until the repayment in full (other than the Working Capital Facility) of the Refinanced Debt, at which time the New Notes shall accrue cash interest at a per annum rate of 10%.</p>
Default Interest	<p>If an Event of Default (as defined in the Indenture) occurs, and for so long as an Event of Default continues, cash interest on the New Notes shall accrue at the applicable rate plus (i) 2% per annum, and (ii) if any portion of the Term Loan remains outstanding, plus an additional 2% per annum.</p>

Mandatory Redemption/ Repurchase	Subject to certain qualifications or exceptions, upon the occurrence of a Change of Control (as defined in the Indenture), certain asset dispositions, certain issuances of debt or equity by the Company, or the Company's receipt of insurance or condemnation proceeds, the Company shall be obligated to repurchase the New Notes, at 101% of their principal amount, plus accrued and unpaid interest to the date of repurchase. This repurchase obligation will be subordinate to repayment of the Term Loan.
Optional Redemption/ Repurchase	The New Notes shall be redeemable by the Company at its option, in whole or in part, in cash, at any time at a redemption price equal to 103% of the aggregate principal amount of the New Notes redeemed, declining to 102% in the second year, 101% in the third year and 100% thereafter (plus accrued and unpaid interest, if any, to the date of redemption), provided that any required amortization payments will be applied to reduce principal at 100% of the outstanding principal amount.
Working Capital Revolving Credit Facility	<p>The Company may enter into a secured working capital revolving credit facility with a maximum available amount of up to \$10,000,000 (the "Working Capital Facility"). The Working Capital Facility shall permit: (i) the payment of interest on the New Notes at all times (other than when an event of default under the Working Capital Facility shall have occurred and be continuing), and (ii) the amortization of the New Notes when there is no outstanding balance on the Working Capital Facility.</p> <p>As a condition to obtaining the Working Capital Facility, the Company shall be required to first use the entire remaining amount of the Working Capital Balance to amortize the Term Loan or Refinanced Debt, as applicable.</p>

Security/Priority	<p>The New Notes and related guarantees shall be secured by a second lien on all the assets of the Company and the Guarantors that currently secure the existing first lien indebtedness of the Company.</p> <p>The New Notes shall rank:</p> <ol style="list-style-type: none">1) junior to the Term Loan (or the Refinanced Debt, if applicable) and the Working Capital Facility;2) <i>pari passu</i> with the Revolver for all purposes, including a subsequent insolvency proceeding under the Bankruptcy Code, and with respect to principal payments upon mandatory and optional redemptions/repurchases and required amortization payments; and3) senior to (a) any senior unsecured obligations of the Company and the Guarantors; and (b) any future subordinated indebtedness of the Company and the Guarantors. <p>A customary mutually acceptable intercreditor agreement will be entered into between the trustee under the Indenture (the “Trustee”) and the agent for the Term Loan, the terms of which shall be agreed upon by the Ad Hoc Committee and the agent for the Term Loan prior to the consummation of the Senior Refinancing Transaction.</p>
Amortization; Excess Free Cash Flow Sweep; Minimum Cash Balance	<p>Excess Free Cash Flow¹ (as defined in the Indenture) greater than the Working Capital Balance shall be used to amortize the Term Loan (or the Refinanced Debt, if applicable) first, then the Working Capital Facility, and then the New Notes and the Revolver (if no Refinanced Debt) on a <i>pro rata</i> basis, on a monthly basis at 100% of their respective principal amount, plus any accrued and unpaid interest to the date of amortization.</p> <p>In addition, the Company may maintain a minimum balance of cash and cash equivalents at an agreed upon financial institution in an aggregate amount of \$5,000,000 (average weekly balance in any calendar month) (the “Working Capital Balance”); provided, however, that the sum of (i) the Working Capital Balance, plus (ii) the average availability during any calendar month under the Working Capital Facility, if applicable, shall at all times be no less than \$2,000,000 in the aggregate.</p>

Covenants

Except as specifically contemplated by this Term Sheet, the Indenture shall contain customary covenants (and others reasonably determined by the holders of the New Notes to be appropriate) substantially similar to those contained in the Existing Indenture, including, without limitation the following:

Affirmative Covenants:

1) Maintenance of (i) all necessary licenses, permits, trade names, trademarks and patents, (ii) properties and (iii) books and records;

2) Compliance with (i) material contracts and (ii) environmental laws;

3) Amendment to the Management and Services Agreement, dated as of August 7, 2003 (the “MSA”), between MCC, MSTAR Solutions, LLC (“MSTAR”) and the Company to fix the combined annual payment of the Morris Communications Fee (as defined in the MSA) and the MSTAR Solutions Fee (as defined in the MSA) at actual costs; provided, however, that the combined annual payment of the Morris Communications Fee and the MSTAR Solutions Fee shall not, under any circumstances, exceed \$22,000,000 in the aggregate during any given calendar year. The Company shall deliver a certificate every quarter to the Trustee providing in sufficient detail information about the costs incurred for such quarter and being charged for under the MSA. The Trustee shall make available such information to any holder of New Notes who requests such information under conditions provided for in the Indenture;

4) The Company shall deliver a certificate every month to the Trustee providing in sufficient detail information about the Company’s monthly EBITDA, existing cash, the outstanding balance of each of the Term Loan, the Revolver, the Working Capital Facility and the Refinanced Debt, as applicable, together with any amortization payments made during such month on the Term Loan, the Revolver, the Working Capital Facility and the Refinanced Debt, as applicable. The Trustee shall make available such information to any holder of New Notes who requests such information under conditions provided for in the Indenture; and

5) The Company shall deliver a certificate signed by two officers of the Company every quarter to the Trustee certifying that no default or event of default under the Indenture exists, or if any default or event of default under the Indenture exists, specifying the nature and extent thereof, which certificate shall set forth the calculations required to establish the Total Leverage Ratio (as defined below) and the Cash Interest Coverage Ratio (as defined below) as of the last day of such quarter. The Trustee shall make available such information to any holder of New Notes who requests such information under conditions provided for in the Indenture.

Negative Covenants:

The Transaction

Means of Transaction Execution The transaction will be implemented through either (i) an out-of-court exchange offer (the “Exchange Offer”) consummated as soon as practicable after the consummation of the Senior Refinancing Transaction, which shall be consummated on terms substantially similar to those contained in the term sheet and related acquisition of MPG senior debt diagram (the “Senior Debt Refinancing Documentation”), each prepared by counsel to the Company and attached hereto as Attachment A, whereby MCC Outdoor Holding, LLC (“Outdoor”) and MPG Revolver LLC (“MPG Revolver”) shall immediately deposit the full amount of approximately \$110 million of the existing first lien debt (such amount, the “Remaining Senior Debt Balance”) of the Company into third-party escrow accounts, pursuant to an escrow agreement acceptable to Outdoor and MPG Revolver, on the one hand, and the Ad Hoc Committee, on the other hand, and the Exchange Offer shall be conditioned on the prior consummation of the Senior Refinancing Transaction, or (ii) a confirmed plan of reorganization pursuant to a chapter 11 filing. During the solicitation process, if holders owning Existing Notes in an amount equal to or greater than 99% of the outstanding Existing Notes consent, the parties will effectuate the transaction through an out-of-court exchange offer, rather than pursuant to a chapter 11 filing.

The members of the Ad Hoc Committee shall (i) tender their Existing Notes in the Exchange Offer, and (ii) vote in support of the Plan, in each case in accordance with the Plan Support Agreement (as defined below).

If the Exchange Offer or the Plan fails or is not consummated or approved as contemplated in this Term Sheet for any reason, including the failure of any conditions to solicitation, confirmation or effectiveness or the lack of support from other holders of the Existing Notes, but without material breach hereof by the Company, the Guarantors, Outdoor, MPG Revolver or the Members of the Ad Hoc Committee, then (x) the escrow agreement shall contain terms to be agreed upon by the Ad Hoc Committee and Outdoor and MPG Revolver designed to use the escrowed debt to restore the parties to the same legal position (i) as existed on the day prior to the execution of this Term Sheet, or at the option of the Ad Hoc Committee, (ii) as if the members of the Ad Hoc Committee had consummated the Exchange Offer with a percentage of the Existing Notes equal to the percentage of Existing Notes that had tendered their Existing Notes in the Exchange Offer (such percentage, the “Exchange Offer Percentage”), but without participation by any non-tendering holders of the Existing Notes, and with a capital contribution as contemplated in the Senior Debt Refinancing Documentation in an amount equal to the Exchange Offer Percentage multiplied by the Remaining Senior Debt Balance (the “Subordinated Senior Debt”) whereby the Subordinated Senior Debt shall rank junior to the New Notes in all material respects, including in right of payment and recovery, and (y) each of the Company, the Guarantors, Outdoor, MPG Revolver shall, and shall direct their Affiliates to, cooperate in good faith with the members of the Ad Hoc Committee in order to effectuate the transactions and ensure the treatment of the New Notes contemplated by this paragraph, including without limitation by executing any agreements, making any filings and granting any approvals or consents as may be reasonably required in connection with effecting such transactions or ensuring such treatment in a chapter 11 case.

The Ad Hoc Committee shall give all necessary approvals or consents as may be reasonably required under the Indenture or the Forbearance Agreement (as amended) to consummate the Senior Refinancing Transaction; provided, that the Ad Hoc Committee shall have the right to review all documentation in connection with the Senior Refinancing Transaction that relates to MPG and the Guarantors, including without limitation, the Term Loan and the Revolver, and shall have a consent right over any material terms not previously disclosed to it in writing as part of the Senior Debt Refinancing Documentation.

If the Company receives the requisite consent for the exchange offer, the Company shall consummate the exchange offer within five (5) days of the conclusion of the solicitation process. Section 2.5 [Intentionally Omitted].

Section 2.6 Relative Rights. This Article II defines the relative rights of the Subordinated Indebtedness Secured Parties and the Senior Secured Parties. Nothing herein shall: (i) impair, as between the Issuer or any Subsidiary Guarantor and the Senior Secured Parties, the obligation of the Issuer or such Subsidiary Guarantor, which is absolute and unconditional, to pay the Senior Indebtedness in accordance with its terms; (ii) affect the relative rights of the Senior Secured Parties and creditors of the Issuer or such Subsidiary Guarantor other than their

Section 2.7 rights in relation to the Subordinated Indebtedness; or (iii) prevent the Senior Secured Parties or any of them from exercising available remedies upon a Default (as defined in the Credit Agreement) or Event of Default under the Credit Facility Loan Documents, subject to the rights of the Subordinated Indebtedness Secured Parties as provided for herein. Nothing herein shall: (x) impair, as between the Issuer or any Subsidiary Guarantor and the Subordinated Indebtedness Secured Parties, the obligation of the Issuer or such Subsidiary Guarantor, which is absolute and unconditional, to pay the Subordinated Indebtedness in accordance with its terms; (y) affect the relative rights of the Subordinated Indebtedness Secured Parties and creditors of the Issuer or any Subsidiary Guarantor other than their rights in relation to the Senior Secured Parties; or (z) except as provided for herein, prevent any Subordinated Indebtedness Secured Party from exercising its available remedies upon a Default (as defined in the Indenture) or Event of Default under the Subordinated Indebtedness Financing Documents, subject to the rights of the Senior Secured Parties as provided for herein.

Section 2.8 Trustee Entitled to Assume Payments Not Prohibited in Absence of Notice. The Trustee shall not at any time be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee unless and until the Trustee shall have received written notice thereof from the Issuer or from the Senior Lender Representative and, prior to the receipt of any such written notice, the Trustee, subject to the provisions of Sections 7.1 and 7.2 of the Indenture, shall be entitled in all respects conclusively to assume that no such fact exists.

Notwithstanding anything to the contrary in this Article II or in the Indenture or in the Notes, upon any distribution of assets of the Issuer and the Subsidiary Guarantors referred to in this Article II, the Trustee, subject to the provisions of 7.1 and 7.2 of the Indenture, and the Holders shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the liquidating trustee or agent or other Person making any distribution to the Trustee or to the Holders for the purpose of ascertaining the Persons entitled to participate in such distribution, the Senior Secured Parties and the holders of other Indebtedness of the Issuer or any Subsidiary Guarantor, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article II so long as such court has been apprised of the provisions of, or the order, decree or certificate makes reference to, the provisions of this Article II.

Section 2.9 Application by Trustee of Assets Deposited with It. To the extent depositing amounts in trust with the Trustee pursuant to and in accordance with Article VIII of the Indenture is not prohibited by **Section 2.2** or **4.4**, such amounts shall, (a) be for the sole benefit of Holders and (b) to the extent the making of such deposit by any of the Notes Issuers shall otherwise (i) not be in contravention of any term or provision of the Credit Agreement and (ii) be allocated for the payment of the Notes, not be subject to the subordination provisions of this Article II. Otherwise, any deposit of assets with the Trustee or any paying agent, registrar or co-registrar (whether or not in trust) for the payment of principal of or interest on any Notes Indebtedness shall be subject to the provisions of **Sections 2.1, 2.2, 2.4, 2.5** and **4.4**; *provided*, that, if on the date on which by the terms of the Indenture any such assets may become distributable for any purpose (including without limitation, the payment of either principal of or interest on any Note) the Trustee or such paying agent shall not have received with respect to

Section 2.10 such assets the written notice provided for in **Section 2.7**, then the Trustee or such paying agent shall have full power and authority to receive such assets and to apply the same to the purpose for which they were received, and shall not be affected by any notice to the contrary which may be received by it on or after such date.

Section 2.11 Subordination Rights Not Impaired by Acts or Omissions of the Issuer, the Subsidiary Guarantors or Senior Secured Parties. No right of any present or future Senior Secured Party to enforce the subordination provisions contained in this Article II shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Issuer, any Subsidiary Guarantor or any Credit Facility Exclusive Obligor or by any act or failure to act, in good faith, by any such Senior Secured Party, regardless of any knowledge thereof which any such Senior Secured Party may have or be otherwise charged with.

The subordination provisions contained in this Agreement are for the benefit of the Senior Secured Parties. Neither the Tranche B Lenders nor any other lender under the Credit Agreement shall be entitled to any of the rights and benefits of this Agreement as a Senior Secured Party.

Section 2.12 Holders Authorize Trustee to Effectuate Subordination of Notes. Pursuant to the Indenture, each Holder of the Notes by its acceptance thereof authorized and expressly directed the Trustee on its behalf to take such action as may be necessary or appropriate to effectuate the subordination provisions contained in this Article II and to protect the rights of the Holders pursuant to the Indenture, and appointed the Trustee his attorney-in-fact for such purpose, including, in the event of any dissolution, winding up, liquidation or reorganization of the Issuer or any Subsidiary Guarantor (whether in bankruptcy, insolvency or receivership proceedings or upon an assignment for the benefit of creditors or any other marshaling of assets and liabilities of the Issuer or any Subsidiary Guarantor), the immediate filing of a claim for the unpaid balance of his Notes in the form required in said proceedings and cause said claim to be approved. In the event of any liquidation or reorganization of the Issuer or any Subsidiary Guarantor in bankruptcy, insolvency, receivership or similar proceeding, if the Holders of the Notes (or the Trustee on their behalf) have not filed any claim, proof of claim, or other instrument of similar character necessary to enforce the obligations of the Issuer or any Subsidiary Guarantor in respect of the Notes at least thirty (30) days before the expiration of the time to file the same, then in such event, but only in such event, the Senior Lender Representative on their behalf may, as an attorney-in-fact for such Holders, file any such claim, proof of claim, or other instrument of similar character on behalf of such Holders. Nothing herein contained shall be deemed to authorize the Trustee, the Senior Lenders or their respective representative to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee, the Senior Lenders or their respective representative to vote in respect of the claim of any Holder in any such proceeding.

Section 2.13 Article II Not to Prevent Events of Default. The failure to make a Restricted Payment on, or in respect of, the Subordinated Indebtedness by reason of any provision of this Article II shall not be construed as preventing the occurrence of a Default (as defined in the Indenture) or an Event of Default under the Subordinated Indebtedness Financing Documents.

Section 2.14 No Fiduciary Duty of Trustee and Senior Secured Parties of One to the Other.

(a) The Trustee, on the one hand, and each of the Senior Secured Parties, on the other hand, shall not be deemed to owe any fiduciary duty to each other. With respect to each other, the Senior Secured Parties and the Trustee undertake to perform or to observe only such of the covenants or obligations as are specifically set forth in this Article II and no implied covenants or obligations between them shall be read into this Agreement. In the event of any conflict between any duty of the Senior Lender Representative to the Senior Lenders and to the Subordinated Lienholders, the Senior Lender Representative is expressly authorized to resolve such conflict in favor of the Senior Lenders. In the event of any conflict between the fiduciary duty of the Trustee to the Subordinated Lienholders and to the Senior Lenders, the Trustee is expressly authorized to resolve such conflict in favor of the Subordinated Lienholders.

(b) The Trustee, for itself and on behalf of the Holders, and the Tranche B Lenders agree that none of the Senior Secured Parties shall have any liability to the Trustee or any Subordinated Lienholder, and hereby waive any claim against any of the Senior Secured Parties arising out of any and all actions which the Senior Lender Representative or any other Senior Secured Party may take or permit or omit to take with respect to (i) the Credit Facility Loan Documents (other than this Agreement), (ii) the collection of the Senior Indebtedness, (iii) the maintenance of, the preservation of, the foreclosure upon or the disposition of any Collateral, (iv) any election by the Senior Lender Representative or any other Senior Secured Party, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (v) any borrowing of, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code to, Issuer or any of its Subsidiaries, as debtor-in-possession.

ARTICLE III
LIEN PRIORITY

Section 3.1 Agreement to Subordinate Liens. The Subordinated Lien Collateral Agent hereby agrees that, until the Payment-In-Full of the Senior Indebtedness, any and all Liens now or hereafter held by the Subordinated Lien Collateral Agent for the benefit of itself and the Subordinated Lienholders on the Collateral securing the Subordinated Indebtedness are and shall be junior and subordinate in all respects to any and all Liens of the Senior Lender Representative on the Collateral securing the Senior Indebtedness, and irrespective of whether the rights of the Senior Lender Representative under this Article III shall be void and of no further force and the Liens of the Senior Lender Representative in and to the Collateral are avoided, disallowed, set aside or otherwise invalidated in any action or proceeding by a court, tribunal or administrative agency of competent jurisdiction. The subordination of the Liens of the Subordinated Lien Collateral Agent for the benefit of itself and the Subordinated Lienholders on the Collateral in favor of the Senior Lender Representative provided for herein shall not be deemed to (a) subordinate the Liens of the Subordinated Lien Collateral Agent to the Liens of any other Person other than the Senior Lender Representative for the benefit of the Senior

Section 3.2 Lenders, or (b) subordinate the Subordinated Indebtedness to any Indebtedness of the Issuer or any of the Subsidiary Guarantors, other than the Senior Indebtedness.

Section 3.3 No Contest; Excluded Assets. Each of the Parties, the Trustee and the Tranche B Lenders agrees that it will not (and hereby waives any right to) attack or contest or support any other person in attacking or supporting, in any proceeding (including any Insolvency Proceeding), the validity, perfection, priority or enforceability of the Liens of the Senior Lender Representative or the Subordinated Lien Collateral Agent, as applicable, or finance or urge any other Person to do so; provided that each Party may enforce its rights and privileges under this Agreement without being deemed to have violated this provision. Except as described in **Sections 3.5** and **3.6**, the terms and conditions of this Agreement shall not apply to any property or assets (including property or assets that do not constitute Collateral) that one Party has a Lien on and the other Party does not to the extent such Lien is not prohibited hereunder.

Section 3.4 Exercise of Rights.

(a) The Subordinated Lien Collateral Agent may exercise, and nothing herein shall constitute a waiver of, any right it may have at law or in equity to receive notice of, or to commence or join with any creditor in commencing any Insolvency Proceeding; provided that, until the Payment-In-Full of the Senior Indebtedness, the exercise of any such right by the Subordinated Lien Collateral Agent shall be (i) subject to the Lien Priority and the application of proceeds of Collateral under **Section 4.4**, and (ii) subject to the provisions of **Sections 4.1** and **4.2**.

(b) Notwithstanding any other provision hereof, the Subordinated Lien Collateral Agent and the Subordinated Lienholders may make such demands or file such claims as may be necessary to prevent the waiver or bar of such claims under applicable statutes of limitations or other statutes, court orders or rules of procedure.

Section 3.5 Priority of Liens. Notwithstanding the time, manner, order or method of grant, creation, attachment or perfection of any security interest in, or Lien upon, the Collateral, irrespective of the descriptions of Collateral contained in the Financing Documents, including any financing statements, and notwithstanding any provision of the UCC or any other applicable law, the provisions of any Financing Document, any defect or deficiency or alleged deficiency in any of the foregoing or any other circumstance whatsoever, the Parties, the Trustee and the Tranche B Lenders agree among themselves that Liens of the Subordinated Lien Collateral Agent and the Senior Lender Representative in the Collateral shall be governed by the Lien Priority, which shall be controlling in the event of any conflict between this Agreement and any of the Financing Documents.

Section 3.6 Limitation on Liens.

(a) The Subordinated Lien Collateral Agent, for itself and on behalf of the Subordinated Lienholders, agrees that, until the Payment-In-Full of the Senior Indebtedness, neither the Issuer nor any other Person shall grant or permit any additional Liens on any asset to secure any of the Subordinated Indebtedness; provided, however, that in the case of any assets

(b) (other than the Credit Facility Exclusive Collateral) such additional Liens may be granted if the Issuer or such other Person has granted, or substantially concurrently therewith grants, a Lien on such asset to secure the Senior Indebtedness with each such Lien to be subject to the provisions of this Agreement, including, without limitation, **Section 3.1**.

(c) The Senior Lender Representative, for itself and on behalf of the Senior Lenders, agrees that, until the Payment -In-Full of the Subordinated Indebtedness, neither the Issuer nor any other Person (other than a Credit Facility Exclusive Obligor) shall grant or permit any additional Liens on any asset (other than the Credit Facility Exclusive Collateral) to secure any of the Senior Indebtedness; provided, however, that in the case of any assets (other than the Credit Facility Exclusive Collateral) such additional Liens may be granted if the Issuer or such other Person has granted, or substantially concurrently therewith grants, a Lien on such asset to secure the Subordinated Indebtedness with each such Lien to be subject to the provisions of this Agreement, including, without limitation, **Section 3.1**.

(d) To the extent that **Section 3.5(a)** or **(b)** or **Section 3.6** is not complied with for any reason, without limiting any other right or remedy available to the Senior Secured Parties or the Subordinated Indebtedness Secured Parties, the Subordinated Lien Collateral Agent agrees, for itself and on behalf of the Subordinated Lienholders, and the Senior Lender Representative agrees, for itself and on behalf of the Senior Lenders, that any amounts received by or distributed to any Subordinated Indebtedness Secured Party or any Senior Secured Party pursuant to or as a result of any Lien granted and existing in contravention of this **Section 3.5** shall be subject to **Section 2.4**. Notwithstanding the foregoing or any other provision in this Agreement to the contrary, the provisions of this **Section 3.5** are not intended to, nor shall they be deemed to, affect in any manner the enforceability against the Issuer, any Subsidiary Guarantor or any other Person of any such Lien granted and existing contrary to the terms of this **Section 3.5**.

Section 3.7 Credit Facility Exclusive Collateral. Notwithstanding anything to the contrary in this Agreement, the Subordinated Lien Collateral Agent, for itself and on behalf of the Subordinated Lienholders, acknowledges and agrees that the Subordinated Lien Collateral Agent and the Subordinated Lienholders shall have no rights with respect to the Credit Facility Exclusive Collateral or against any Credit Facility Exclusive Obligor, and in no event shall any of the obligations of the Senior Lender Representative or Senior Secured Parties under this Agreement with respect to the Collateral apply to the Credit Facility Exclusive Collateral.

ARTICLE IV

ACTIONS OF THE PARTIES

Section 4.1 Limitation on Certain Actions. Subject to **Sections 4.2** and **4.6**, until the date of the Payment-In-Full of the Senior Indebtedness, the Subordinated Lien Collateral Agent will not, without the prior written consent of the Senior Lender Representative, take any Enforcement Action.

Section 4.2 Standstill Period.

Section 4.3 Until the date of the Payment-In-Full of the Senior Indebtedness, if an Enforcement Event has occurred and is continuing, the Subordinated Lien Collateral Agent, on behalf of the Subordinated Lienholders, will give the Senior Lender Representative written notice thereof (an **“Enforcement Event Notice”**).

(a) Until the Payment-In-Full of the Senior Indebtedness and subject to the Lien Priority and the application of all proceeds of the Collateral in accordance with **Section 4.4**, whether or not any Insolvency Proceeding has been commenced by or against the Issuer or any Subsidiary Guarantor, (i) the Subordinated Lien Collateral Agent, the Holders (by their acceptance of the benefits of the Notes Documents) and the Tranche B Lenders (by their execution and delivery of this Agreement and the Subordinated Lien Security Agreement and acceptance of the benefits thereof) will not take an Enforcement Action; provided, however, that the Subordinated Lien Collateral Agent and the Holders may take an Enforcement Action in connection with an Enforcement Event after the passage of a period of 180 days since the date of delivery to the Senior Lender Representative of an Enforcement Event Notice (such period, the **“Standstill Period”**); provided, that with respect to any Enforcement Event Notice delivered solely in connection with an Enforcement Event constituting a Notes Payment Default, so long as such Notes Payment Default is then continuing; provided, further, that notwithstanding anything to the contrary herein, in no event shall the Subordinated Lien Collateral Agent or Holders take any Enforcement Action if, notwithstanding the expiration of the Standstill Period, the Senior Lender Representative shall have commenced and be diligently pursuing the exercise its rights or remedies (including any Enforcement Action) with respect to all or any material portion of the Collateral (prompt notice of such exercise to be given to the Subordinated Lien Collateral Agent); and (ii) subject to the rights of the Subordinated Lien Collateral Agent and the Holders under clause (i) above, the Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies and make determinations regarding release, disposition, or restrictions with respect to the Collateral without any consultation with or the consent of the Subordinated Lien Collateral Agent or the Subordinated Lienholders, and the Subordinated Lien Collateral Agent shall take any action reasonably requested by the Senior Lender Representative in order to effectuate any such enforcement, exercise, release or disposition. The Senior Lender Representative shall exercise its rights and remedies with respect to the Collateral in accordance with the terms of the Credit Facility Loan Documents and, after the Payment-In-Full of the Senior Indebtedness, the Subordinated Lien Collateral Agent shall exercise its rights and remedies with respect to the Collateral, in accordance with the Subordinated Indebtedness Collateral Documents. In exercising rights and remedies with respect to the Collateral, each Senior Secured Party (by its acceptance of the benefits of the Credit Facility Loan Documents) agrees that it may enforce the provisions of the Credit Facility Loan Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of its sole discretion, subject to acting in a commercially reasonable manner in accordance with the UCC and the terms of this Agreement and the Credit Facility Loan Documents. Such exercise and enforcement shall include, without limitation, the rights of an agent appointed by them to sell or otherwise dispose of Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, to credit bid their respective debt and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under debtor relief laws. In exercising rights and remedies with respect to the Collateral when permitted hereunder, each Subordinated Indebtedness Secured Party (by its acceptance of the benefits of the applicable Subordinated Indebtedness Financing Documents)

(b) agrees that it may enforce the provisions of the applicable Subordinated Indebtedness Financing Documents and exercise remedies thereunder, all in such order and in such manner as it may determine in the exercise of their sole discretion, subject to acting in a commercially reasonable manner in accordance with the UCC and the terms of this Agreement and the Subordinated Indebtedness Financing Documents. Such exercise and enforcement shall include, without limitation, the rights of an agent appointed by them to sell or otherwise dispose of Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, to credit bid their respective debt and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under debtor relief laws.

(c) Except as expressly provided for in this Agreement, nothing in this Agreement shall prevent the Parties hereto from exercising any other remedy, or taking any other action, under any of the Financing Documents; provided, however, that the Subordinated Lien Collateral Agent may not seek an injunction or similar remedy to prevent the Senior Lender Representative from enforcing or protecting the rights, claims, liens and interests of the Senior Lenders following an Event of Default under the Credit Agreement to the extent the foregoing is not prohibited by this Agreement.

(d) Notwithstanding anything herein to the contrary, each Subordinated Indebtedness Secured Party may take any Permitted Enforcement Action.

Section 4.4 Foreclosure. Any Party taking an Enforcement Action as permitted hereunder may enforce its applicable Financing Documents independently as to the Issuer and each Subsidiary Guarantor and independently of any other remedy or security such Party at any time may have or hold in connection with its applicable Secured Liabilities, and it shall not be necessary for such Party to marshal assets in favor of the other Party or any other Person or to proceed upon or against or exhaust any other security or remedy before proceeding to enforce the Financing Documents. Each of the Subordinated Lien Collateral Agent (until the Payment-In-Full of the Senior Indebtedness) and the Senior Lender Representative (until the Payment-In-Full of the Subordinated Indebtedness) expressly waives any right to require the other to marshal assets in its favor or to proceed against any Collateral provided by the Issuer or any Subsidiary Guarantor, or any other property, assets, or collateral provided by the Issuer, any Subsidiary Guarantor, or any other Person, and agrees that the Party taking such permitted Enforcement Action may proceed against the Issuer, any Subsidiary Guarantor, any Collateral or other property, assets, or other collateral provided by any of them or by any other Person, in such order as it shall determine in its sole and absolute discretion.

Section 4.5 Distribution. Each of the Parties, the Trustee and the Tranche B Lenders agrees that, upon any distribution as a result of an Enforcement Action, or the receipt of any other payment or distribution with respect to the Collateral or any other assets of the Issuer or any Subsidiary Guarantor, the proceeds thereof (including insurance and condemnation proceeds) shall be distributed in the order of, and in accordance with, the following priorities:

(a) FIRST:

(b) if the Enforcement Action is taken or entitled to be taken by the Senior Lender Representative, to the payment of all reasonable and documented out-of-pocket costs and expenses, commissions and taxes of the Senior Lender Representative incurred in connection with taking any such Enforcement Action or other realization, including all reasonable and documented expenses (including attorneys' fees and expenses), liabilities and advances made or incurred by the Senior Lender Representative in connection therewith; and

(i) if the Enforcement Action is taken and entitled to be taken hereunder by the Subordinated Lien Collateral Agent, to the payment of all reasonable and documented out-of-pocket costs and expenses, commissions and taxes of the Subordinated Lien Collateral Agent incurred in connection with taking any such Enforcement Action or other realization, including all reasonable and documented expenses (including attorneys' fees and expenses), liabilities and advances made or incurred by the Subordinated Lien Collateral Agent in connection therewith;

(c) SECOND, to the extent not previously paid, to the Senior Lender Representative, until the Payment-In-Full of the Senior Indebtedness; and

(d) THIRD, to the extent not previously paid, to the Subordinated Lien Collateral Agent for distribution pursuant to the Subordinated Indebtedness Collateral Documents, until the Payment-In-Full of all Subordinated Indebtedness.

Section 4.6 [Intentionally Omitted].

Section 4.7 Rights as Unsecured Creditors; Right to Required Payments. Except as expressly set forth in this Agreement, nothing shall limit or restrict the rights and remedies of the Subordinated Lien Collateral Agent or the Subordinated Lienholders as unsecured creditors of the Issuer or the Subsidiary Guarantors.

Section 4.8 Senior Lenders' and Holders' Consent to Certain Transactions; Effect of Refinancing of Senior Indebtedness.

(a) The Senior Secured Parties may amend, supplement and otherwise modify the Credit Facility Loan Documents or waive any term thereof, in each case, without the consent of the Subordinated Indebtedness Secured Parties; provided that such amendment, supplement, modification or waiver does not (i) increase the aggregate principal amount of the loans then outstanding under the Credit Agreement (other than any amendment which has effect of capitalizing interest or fees accruing under the Credit Agreement by adding such amounts to the principal amount thereunder), (ii) increase the "Tranche A Fixed Rate" or the "Tranche B Fixed Rate" (in each case, as defined in the Credit Agreement) or any other applicable rate of interest, (iii) amend or modify the requirement that interest on the Tranche B Term Loans be PIK Interest (as defined in the Credit Agreement), (iv) amend or modify **Section 2.10(c)** of the Credit Agreement in a manner increases the default interest rate with respect to the Tranche B Term Loans, or causes it to accrue at any time when default interest is not permitted to accrue under the Notes Documents, (v) amend or modify the definition of "Tranche B/C Event of Default" (as defined in the Credit Agreement), (vi) amend or modify the Credit Facility Loan Documents in a manner that confers additional material rights or remedies in favor of the Tranche B Lenders;

(b) provided, however, that the following amendments and modifications shall not violate this clause (vi): (A) amendments and modifications to representations and warranties or covenants (including related definitions), that (x) are not more restrictive or burdensome to the Issuer or any Subsidiary Guarantor, or (y) if more restrictive or burdensome to the Issuer or any Subsidiary Guarantor, do not relate to a provision that, if breached, would constitute a "Tranche B/C Event of Default", (B) amendments and modifications to Events of Default that do not change the definition of "Tranche B/C Event of Default", (C) amendments and modifications that are incorporated pursuant to the requirements of **Section 6.15** of the Credit Agreement or otherwise to conform to amendments and modifications made to any Notes Document, (D) amendments and modifications providing benefits to the Tranche B Lenders that are shared on a *pari passu* basis with the Holders, and (E) amendments and modifications to cure any ambiguity, defect or inconsistency of a technical nature (in each case, whether or not favorable to the Tranche B Lenders) in the Credit Facility Loan Documents, (vii) amend or modify Section 2.09(a) to increase the obligations of the Issuer or any Subsidiary Guarantor thereunder, or amend or modify the definition of "Borrower Fee Cap" (as defined in the Credit Agreement) or (viii) contravene the provisions of this Agreement; provided, however, that the limitations set forth in this **Section 4.7** shall not apply to any amendments or modifications relating solely to obligations of Credit Facility Exclusive Obligors or Credit Facility Exclusive Collateral.

(c) The Subordinated Lien Collateral Agent, the Trustee and the Holders may amend, supplement and otherwise modify the Notes Documents or waive any term thereof, in each case, without the consent of the Senior Secured Parties; provided that such amendment, supplement, modification or waiver does not (i) increase the principal amount then outstanding under the Notes Documents (other than any amendment which has effect of capitalizing interest or fees accruing thereunder by adding such amounts to the principal amount thereunder), (ii) increase the cash interest rate or any other applicable rate of interest that is paid in cash, (iii) amend or modify any covenant or event of default in any Notes Document in such a manner as to make such covenant or event of default materially more restrictive to, or materially increase the obligations of, the Issuer and the Subsidiary Guarantors or (iv) contravene the provisions of this Agreement. For clarity, no consent by the Senior Secured Parties to any such amendment, supplement, modification or waiver of any Notes Document will be required if such amendment, supplement, modification or waiver seeks to do only one or more of the following:

(i) amend the maturity date of the Notes to a date later than the date set forth in the Indenture and Notes as in effect on the date hereof, or decrease the amount of any scheduled principal amortization payment on or any interest rate applicable to the amounts owed on the Notes, or delete any mandatory prepayment provision with respect to the Notes;

(ii) delete or waive any Default (as defined in the Indenture) or Event of Default under the Indenture;

(iii) amend or modify any covenant in any Notes Document in such a manner as to make such covenant less restrictive to the Issuer and the Subsidiary Guarantors; or

(iv) cure any ambiguity, defect or inconsistency of a technical nature (in each case, whether or not favorable to the Notes Issuers) in the Notes Documents.

(d) If, (x) the Issuer Refinances the Senior Indebtedness substantially contemporaneously with the Payment-In-Full of such Senior Indebtedness (which Refinancing may also include a refinancing of the Tranche B Indebtedness substantially contemporaneously with the Payment-In-Full of such Tranche B Indebtedness), (y) such Refinancing is permitted by the terms of the Indenture and (z) the Issuer gives to the Subordinated Lien Collateral Agent written notice (the “**Refinancing Notice**”) electing to apply the provisions of this **Section 4.7(c)** to such Refinancing, then (i) the Payment-in-Full of the Senior Indebtedness shall automatically be deemed not to have occurred for all purposes of this Agreement, (ii) the indebtedness incurred in connection with such Refinancing and all other obligations under or in connection with the loan, security, guarantee and credit documents evidencing such indebtedness (the “**Replacement Credit Facility Obligations**”) shall automatically be treated as Senior Indebtedness for all purposes of this Agreement, including for purposes of the Lien Priority and rights in respect of Collateral set forth herein; provided, however, that aggregate principal amount of such Replacement Credit Facility Obligations shall not exceed the Senior Indebtedness Cap Amount, as in effect immediately prior to such Refinancing, (iii) the credit agreement and other documents evidencing or relating to such Replacement Credit Facility Obligations, including security documents pursuant to which the Issuer or any Subsidiary Guarantor has granted a Lien to secure any Replacement Credit Facility Obligation (collectively, the “**Replacement Credit Facility Documents**”), shall automatically be treated as the Credit Agreement and the Credit Facility Loan Documents for all purposes of this Agreement, (iv) the collateral agent under the Replacement Credit Facility Documents (the “**Replacement Collateral Agent**”) shall be deemed to be the Senior Lender Representative for all purposes of this Agreement, and (v) the lenders under the Replacement Credit Facility Documents shall be deemed to be the Senior Lenders for all purposes of this Agreement. Upon receipt of a Refinancing Notice, which notice shall include the identity of the Replacement Collateral Agent, the Subordinated Lien Collateral Agent and the Trustee shall promptly (x) enter into such documents and agreements (including amendments or supplements to this Agreement) as such Replacement Collateral Agent may reasonably request in order to provide to the Replacement Collateral Agent the rights, remedies and powers and authorities contemplated hereby, in each case consistent in all respects with the terms of this Agreement and (y) deliver to the Replacement Collateral Agent any Collateral of the type described in **Section 5.2** hereof held by the Subordinated Lien Collateral Agent together with any necessary endorsements (or otherwise allow the Replacement Collateral Agent to obtain control of such Collateral).

Section 4.9 Option to Purchase. Upon the acceleration of all of the Senior Indebtedness in accordance with the relevant Credit Facility Loan Documents (and without prejudice to the enforcement of the rights and remedies of the Senior Lender Representative or the other Senior Secured Parties with respect to the Collateral), the Holders shall have the option to purchase without recourse or warranty all, but not less than all, of the Senior Indebtedness outstanding at the time of such purchase and all other rights, obligations and claims of the Senior Secured Parties (each of the Senior Secured Parties so agreeing by its acceptance of the benefits of the Credit Facility Loan Documents other than the rights and benefits of the Senior Secured Parties under the Yield Maintenance Agreement), and, upon any such purchase, such Holders

Section 4.10 shall assume and such Senior Lenders shall be relieved of all obligations under the Credit Facility Loan Documents (including, without limitation, any obligation to make loans), for a purchase price equal to the aggregate outstanding amount of all of the outstanding Senior Indebtedness, together with accrued and unpaid interest thereon and fees to the date of payment of such amount and all other amounts then payable to such Senior Lenders under the Credit Facility Loan Documents (including any prepayment fee, if any, that would become owing by the Issuer to the extent set forth in Section 2.09(a) of the Credit Agreement on the purchase date if the Credit Agreement were paid in full by the Issuer on such date, provided, that in no event shall the amount of any such prepayment fee included as part of the purchase price under this **Section 4.8** exceed the "Borrower Fee Cap" (as defined in the Credit Agreement as of the Credit Agreement Closing Date)); provided, that upon any such purchase, the Lien held by the Senior Lender Representative in and to the Credit Facility Exclusive Collateral and all obligations of the Credit Facility Exclusive Obligors under the Credit Facility Loan Documents that constitute Senior Indebtedness shall terminate and be released automatically, unconditionally, simultaneously and without further action, and to the extent reasonably requested in writing by the Issuer or any Credit Facility Exclusive Obligor, the Subordinated Lien Collateral Agent and the Holders will use commercially reasonable efforts to cooperate in providing any necessary or appropriate releases in furtherance of the foregoing. Each of the Senior Lenders agrees (i) that the Senior Lender Representative shall provide the Subordinated Lien Collateral Agent a copy of any acceleration notice at the time that such notice is provided to the Issuer and (ii) following receipt of such acceleration notice, the Holders shall have the option, exercisable within ten (10) Business Days of receipt of such notice, to provide five (5) Business Days prior written irrevocable notice of the exercise of their purchase option in connection therewith.

ARTICLE V ENFORCEMENT OF PRIORITIES

Section 5.1 In Furtherance of Lien Priorities. Each of the Parties, the Trustee and the Tranche B Lenders agrees as follows:

(a) All payments or distributions of or with respect to the Collateral that are received by any Party, the Trustee or the Tranche B Lenders contrary to the provisions of this Agreement shall be segregated from other funds and property held by such Party or the Tranche B Lenders, as applicable, and shall be held in trust for the Party entitled thereto (the "**Entitled Party**") in accordance with the provisions of **Section 4.4** and such Party shall forthwith pay over such remaining proceeds to the Entitled Party in the same form as so received (with any necessary endorsement) to be applied (in the case of cash) or held as Collateral (in the case of non-cash property or securities) in accordance with the provisions hereof and the provisions of the applicable Financing Documents.

(b) After the date of the Payment-In-Full of the Senior Indebtedness or the date of consummation of any sale of the Senior Indebtedness under **Section 4.8**, the Senior Lender Representative will promptly execute and deliver all further instruments and documents, and take all further acts that may be necessary, or that the Subordinated Lien Collateral Agent may reasonably request, to permit the Subordinated Lien Collateral Agent to evidence the

(c) termination of the Lien Priority hereunder, or in furtherance thereof; provided that (x) the Senior Lender Representative shall not be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this **Section 5.1(b)** to the extent that such action would contravene any applicable law, order or other applicable legal requirement, and in the event of a controversy or dispute, the Senior Lender Representative may interplead any payment or distribution in any court of competent jurisdiction; and (y) the Senior Lender Representative shall not incur any liability to the Subordinated Lien Collateral Agent for failure to provide any such further instruments and documents or take any further acts described in subclause (x) of this proviso.

(d) Each of the Senior Lender Representative and the Subordinated Lien Collateral Agent is hereby authorized to demand specific performance of this Agreement, whether or not the Issuer or any Subsidiary Guarantor shall have complied with any of the provisions hereof applicable to it, at any time when either such Party shall have failed to comply with the provisions of this Agreement applicable to it. Each Party hereby irrevocably waives any defense based on the adequacy of a remedy at law, which might be asserted as a bar to such remedy of specific performance.

Section 5.2 Perfection of Possessory Security Interests. For the limited purpose of perfecting the security interests of the Parties in those types or items of Collateral in which a security interest only may be perfected by possession or control, each Party hereby appoints the other as its representative for the limited purpose of possessing on its behalf any such Collateral that may come into the possession or control of such other Party from time to time, and each Party agrees to act as the other's representative for such limited purpose of perfecting the other's security interest by possession or control through a representative as a gratuitous bailee for the other Party, provided that neither the Party shall incur any liability to the other by virtue of acting as the other's representative or bailee hereunder. Each of the Parties, the Trustee and the Tranche B Lenders acknowledges and agrees that so long as the Credit Facility Documents are in effect, the Issuer and the Subsidiary Guarantors shall deliver all items of Collateral in which a security interest may be perfected by possession to the Senior Lender Representative. Upon the Payment-In-Full of the Senior Indebtedness or the date of consummation of any sale of the Senior Indebtedness under **Section 4.8**, the Senior Lender Representative shall transfer, at the Issuer's cost, all items of Collateral in its possession to the Subordinated Lien Collateral Agent.

Section 5.3 Dispositions of Collateral and Effect thereof on Subordinated Lien Collateral Agent's Liens.

(a) The Subordinated Lien Collateral Agent, for itself and on behalf of the Subordinated Lienholders, agrees that, until the Payment-In-Full of the Senior Indebtedness, in the event of a Disposition of any Collateral to a Person that is not an affiliate of the Issuer or a Subsidiary Guarantor (regardless of whether or not an Event of Default has occurred and is continuing under the Notes Documents at the time of such Disposition), the Lien held by the Subordinated Lien Collateral Agent, for the benefit of itself and the Subordinated Lienholders, in and to such Collateral (and, if such Collateral is all of the equity interests of the Issuer or a Subsidiary Guarantor, all obligations of the Issuer or such Subsidiary Guarantor under the Notes Documents) shall terminate and be released automatically, unconditionally, simultaneously and

(b) without further action if the applicable Liens held by the Senior Lender Representative, for the benefit of itself and the other Senior Secured Parties, in and to such Collateral (and, if such Collateral is all of the equity interests of the Issuer or a Subsidiary Guarantor, all obligations of the Issuer or such Subsidiary Guarantor under the Credit Facility Loan Documents) are released and if such Disposition either (x) is then not prohibited by the Notes Documents or (y) occurs in connection with the foreclosure by the Senior Lender Representative upon or other exercise of rights and remedies with respect to such Collateral; provided, that, in the case of a Disposition pursuant to subclause (y) above, the proceeds of any such Disposition received by any Senior Secured Party shall be applied to repay Senior Indebtedness and the Subordinated Indebtedness in accordance with the terms hereof; provided, further, that, in the case of a Disposition pursuant to subclause (x) or (y) above, the Lien held by the Subordinated Lien Collateral Agent, for the benefit of itself and the Subordinated Lienholders, shall remain in full force and effect with respect to any proceeds of such Disposition that remain after the Payment-In-Full of the Senior Indebtedness.

(c) To the extent reasonably requested in writing by the Senior Lender Representative, the Subordinated Lien Collateral Agent will cooperate in providing any necessary or appropriate releases to permit a Disposition of Collateral, as provided in **Section 5.3(a)**, by the Senior Lender Representative therein free and clear of the Subordinated Lien Collateral Agent's junior Lien. Until the Payment-In-Full of the Senior Indebtedness, the Subordinated Lien Collateral Agent, for itself and on behalf of the Subordinated Lienholders, hereby appoints the Senior Lender Representative, and any officer or agent of the Senior Lender Representative as the Senior Lender Representative may designate from time to time, with full power of substitution, as the attorney-in-fact of the Subordinated Lien Collateral Agent and each Subordinated Lienholder for the purpose of entering into any such release and other instruments and carrying out the provisions of this **Section 5.3(b)** and taking any action and executing any instrument that the Senior Lender Representative may reasonably deem necessary to accomplish the purposes of this **Section 5.3(b)**, which appointment is irrevocable and coupled with an interest.

Section 5.4 Unenforceable Liens. Notwithstanding anything to the contrary contained herein, if in any Insolvency Proceeding of the Issuer, any of the Subsidiary Guarantors or their respective successors or assigns, a determination is made that any Lien of the Senior Lender Representative encumbering the Collateral is not enforceable for any reason, then the Subordinated Lien Collateral Agent, for itself and on behalf of the Subordinated Lienholders, agrees that, any distribution or recovery that they may receive with respect to, or allocable to, the value of the assets intended to constitute such Collateral or any proceeds thereof, shall be segregated and held in trust and forthwith paid over to the Senior Lender Representative for the benefit of the Senior Secured Parties in the same form as received without recourse, representation or warranty (other than a representation of the Subordinated Lien Collateral Agent that it has not otherwise sold, assigned, transferred or pledged any right, title or interest in and to such distribution or recovery) but with any necessary endorsements or as a court of competent jurisdiction may otherwise direct.

Section 5.5 Insurance and Condemnation Awards. Until the Payment-In-Full of the Senior Indebtedness, the Senior Lender Representative and the other Senior Secured Parties shall have the exclusive right, subject to the rights (if any) of the Issuer and the

Section 5.6 Subsidiary Guarantors under the Credit Facility Loan Documents, to settle and adjust any insurance policy or claim covering or constituting Collateral and to approve any award granted in any condemnation or similar proceeding, or any deed in lieu of condemnation, in respect of any Collateral. All proceeds of any such policy and any such award, or any payments with respect to a deed in lieu of condemnation, shall constitute Collateral, subject to the rights (if any) of the Issuer and Subsidiary Guarantors under the Credit Facility Loan Documents, and shall be paid in accordance with **Section 4.4**. Until the Payment-In-Full of the Senior Indebtedness, if the Subordinated Lien Collateral Agent, the Trustee or any Subordinated Lienholder shall, at any time, receive any proceeds of any such insurance policy or any such award or payment in violation of this **Section 5.5**, it shall immediately transfer and pay over such proceeds to the Senior Lender Representative in accordance with **Section 2.4**.

ARTICLE VI MISCELLANEOUS

Section 6.1 Rights of Subrogation. The Trustee and the Subordinated Lien Collateral Agent agree that no payment or distribution to any Senior Secured Party pursuant to the provisions of this Agreement shall entitle the Trustee or the Subordinated Lien Collateral Agent to exercise any rights of subrogation in respect thereof until the date of Payment-In-Full of the Senior Indebtedness. Each of the Parties, the Trustee and the Tranche B Lenders acknowledges and agrees that the value of any payments or distributions in cash, property or other assets received by the Subordinated Lien Collateral Agent, the Trustee or the Subordinated Lienholders that are paid over to the Senior Secured Parties pursuant to this Agreement shall not reduce any of the Subordinated Indebtedness.

Section 6.2 Further Assurances; Reimbursement of Collateral Agent. (a) The Parties and the Tranche B Lenders will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further reasonable action (including the recordation of a subordination agreement in the appropriate recorder's office), that may be necessary or desirable, or that either Party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable such Party to exercise and enforce its rights and remedies hereunder; provided that neither the Parties nor the Tranche B Lenders shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this **Section 6.2(a)** to the extent that such action would contravene any law, order or other legal requirement binding upon such Party or Tranche B Lender, and in the event of a controversy or dispute, any Party or Tranche B Lender may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this **Section 6.2(a)**.

(b) The Collateral Agent shall be entitled to reimbursement for all costs and expenses incurred by it hereunder as set forth in Section 7.7 of the Indenture.

Defenses Similar to Suretyship Defenses. All rights, interests, agreements and obligations of each of the Parties under this Agreement shall remain in full force and effect irrespective of:

(a) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Liabilities, or any other amendment or waiver of or any consent to departure from the Financing Documents;

(b) any exchange, release, non-enforcement or non-perfection of any Party's Liens with respect to any Collateral, or any release, amendment or waiver of or consent to departure from any guaranty, for all or any of the Secured Liabilities; or

(c) any failure by any Party to marshal assets in favor of the other Party or any other Person or to proceed upon or against or exhaust any security or remedy before proceeding to enforce the Financing Documents.

Section 6.3 Amendments, Etc. No amendment or waiver of any provision of this Agreement and no consent to any departure by any Party, the Trustee or Tranche B Lender shall be effective unless (a) the same is in writing and signed by (x) each Party and the Trustee and (y) if and to the extent provided for in the Subordinated Indebtedness Collateral Documents, each Tranche B Lender, and (b) in the case of any such amendment, waiver or consent with respect to Section 4.7(c), the consent of the Issuer (which consent shall not be unreasonably withheld, conditioned or delayed). Any amendment, waiver or consent permitted by this Section 6.4 shall be effective only in the specific instance and for the specific purpose for which given.

Each of the Parties, the Trustee and the Tranche B Lenders warrants and represents that each has had the opportunity of reviewing this jury waiver with legal counsel, and that each knowingly and voluntarily waives its jury trial rights.

This Agreement is solely for the benefit of the Parties (and their successors and assigns) and the holders from time to time of the Secured Liabilities (including the Senior Lenders and the Subordinated Lienholders).
