Amendment No. 2 to Form 10-K for Fiscal Year Ended October 31, 2011

Management's Annual Report on Internal Control over Financial Reporting, page 23

1. We note your disclosure that you have identified a deficiency that constituted a material weakness in your internal control over financial reporting ("ICFR") and your conclusion that your ICFR was effective as of October 31, 2011. Please tell us how you came to the conclusion that your original disclosure as to the effectiveness of your ICFR continues to be appropriate in light of the material weakness you have disclosed. Also, refer to your letter dated October 9, 2012, relating to the Form 8-K filed September 28, 2012, in which you indicated to us that you will include revised disclosures indicating management's conclusions that, due to the material weakness, the company's internal control over financial reporting was not effective as of October 31, 2011.
