GRB FINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 – Summary of Significant Accounting Policies:

Organization and Nature of Business

GRB Financial, LLC (the "Company"), was formed on October 1, 2003. The Company is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority, Inc. ("FINRA") and is a member of the Securities Investor Protection Corporation ("SIPC"). The Company operates as a Texas Limited Liability Company ("LLC") and is wholly-owned by a member. The Company is considered "Non-Covered Firm" exempt from 17 C.F.R. § 240.15c3-3 and is filing an Exemption Report relying on footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by the SEC staff. The Company limits its business activities exclusively to municipal securities broker, including 529 plans, mutual fund retailer-application way only and broker selling variable life insurance or annuities. The Company does not hold customer funds or securities. The Company's customers are located throughout the United States. The accounting and reporting policies of the Company conform to U.S. generally accepted accounting principles and to general practices within the securities industry.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Company has defined cash equivalents as highly liquid investments, with original maturities of less than ninety days, which are not held for sale in the ordinary course of business. The Company maintains its operating cash at a financial institution.

Accounts Receivable

Commissions receivable are generally collected in full in the month following their accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables. Management records an allowance for bad debts based on a collectability review of specific accounts. Any receivables deemed uncollectible are written off against the allowance.

Revenue Recognition

The Company earns revenue from selling unaffiliated mutual funds and variable annuity products. The performance obligation is satisfied at the time of each individual sale. A portion of the revenue is based on a fixed rate applied, as a percentage to, amounts invested at the time of sale. The remaining revenue is recognized over the time the client owns the investment or holds the contract and is generally earned based on a fixed rate applied, as a percentage, to the net asset value of the fund or annuity contract. The ongoing revenue is not recognized at the time of sale because it is variably constrained due to factors outside the Company's control including market volatility and client behavior (such as how long client holds their investment or annuity contract). The revenue will not be recognized until it is probable that a significant reversal will not occur.

NOTE 1 – Summary of Significant Accounting Policies (Cont.)

Use of Estimates

The Company's financial statements are presented in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Financial Accounting Standards Board ("FASB") Accounting Standards Codification (the Codification) is the single source of U.S. GAAP. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company is a single member limited liability company and is therefore treated as a disregarded entity for federal income tax purposes. Accordingly, income will be taxed at the member level rather than at the company level for federal income tax purposes.

Accounting policies

The financial statements of the Company have been prepared on an accrual basis in accordance with generally accepted accounting principles.

Property and Equipment

During 2022, the Company owned no property and equipment in its name. All of the equipment is owned by the owner of another entity.

Advertising costs

Advertising costs are expensed as incurred.

Compensated absences

Compensated absences have not been accrued because the amount cannot be reasonably estimated.

NOTE 2 – Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2022, the Company had net capital of \$39,971 and minimum net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .09 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

GRB FINANCIAL, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 3 – Possession or Control Requirements

The Company holds no customer funds or securities. The Company is considered “Non-Covered Firm” exempt from 17 C.F.R. § 240.15c3-3 and is filing an Exemption Report relying on footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by the SEC staff. The Company limits its business activities exclusively to private placement of securities, including direct participation programs and merger and acquisition advisory services.

NOTE 4 – Concentration Risk

The Company did not have cash balances in excess of federally insured limits anytime during the year.

NOTE 5 – Related Party Transactions

The Company is currently in an agreement with Baker Financial Services, an affiliated company, owned 90% by its sole member. This agreement makes available certain facilities and provides for performance of certain services for the Company. These services and facilities are provided without cost to the Company.

NOTE 6 – Liabilities Subordinated to Claims of General Creditor

During the year ended December 31, 2022, there were no subordinated liabilities to the claims of general creditors. Accordingly, a statement of changes in liabilities subordinated to claims of general creditors has not been included in these financial statements.

NOTE 7 – Recent Accounting Pronouncements

Recently issued accounting standards that have been issued or proposed by the FASB or other standards-setting bodies are not expected to have a material impact on the Company’s financial position or results of operations. The Company plans to adopt any new standards in accordance with the standards.

NOTE 8 – Commitments and Contingencies

The Company had no commitments or contingencies that were required to be accrued or disclosed.

NOTE 9 – Focus reports

NOTE 10 – Subsequent Events

Subsequent events have been evaluated for potential recognition and disclosure through February 23, 2023, which represents the date the financial statements were available for issuance and concluded that no additional disclosures are required.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors of
GRB Financial, LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which 1) GRB Financial, LLC (the Company) does not claim an exemption under paragraph (k) of 17 C.F.R. 240.15c 3-3 and 2) GRB Financial, LLC is filing the Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. 240.17a-5 because the Company limits its business activities exclusively to mutual fund retailer, municipal securities broker, broker or dealer selling variable life insurance or annuities, broker or dealer selling tax shelters or limited partnerships in primary distributions and private placement of securities. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year, December 31, 2022, without exception.

GRB Financial, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about GRB Financial, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. 240.17a-5, and related SEC Staff Frequently Asked Questions.
