This press release contains forward looking statements that can be identified by the use of words like “believe,” “expect,” “may,” “could,” “intend,” “project,” “estimate,” or “anticipate.” These forward looking statements, implicitly or explicitly, include assumptions underlying the statements and other information with respect to the Company’s beliefs, plans, objectives, goals, expectations, estimates, intentions, financial condition, results of operations, future performance and business, including its expectation of, and estimates with respect to, revenues, expenses, earnings, return of and on equity, return on assets, asset quality and other financial data and performance ratios. Although the Company believes that the expectations reflected in its forward looking statements are reasonable, these statements involve risks and uncertainties which are subject to change based on various important factors, some of which are beyond the Company’s control. Important factors that would cause actual results to differ materially from expectations are disclosed under “Risk Factors” and elsewhere in the Company’s most recent annual report on Form 10-K, which was filed on March 31, 2009, and registration statement on Form S-4, which became effective on October 27, 2004.

If one or more of the factors affecting forward looking information and statements proves incorrect, the Company’s actual results of operations, financial condition or prospects could differ materially from those expressed in, or implied by, the forward looking information and statements contained in this press release.
