In view of these recent events, please tell us what consideration you have given to providing the information required by Item 2.05 of Form 8-K. In addition, explain what consideration you have given to disclosing the total number of temporary

2. We note your response to prior comment No. 3 that indicates your "ads displayed" data does not constitute a significant portion of your total revenues. Please reconcile this statement with your disclosures on page 44 that state your advertising revenue growth for Google web sites and Google Network web sites resulted primarily from an increase in the total number of paid clicks and ads displayed through your programs.
